Is this a sketchbook made for graphing or a graph paper book designed for sketching? That's really for you to decide. What is already decided is that there are 5 different kinds of graph paper for your graphing and/or sketching needs: dot box design, dot triangle design, traditional graph paper design, triangle design and honeycomb design. 20 pages per design means there's plenty of pages to do whatever sketching or graphing you might want to do. Note: The pages are not hole punched; the book is not designed to go into a binder.
