For decades US politicians have been kicking the federal deficit and overspending can down the road. No politician can get elected by running on a platform that will honestly fix the US economy. At no time in history has it been more crucial than now for each of us to understand our government. In order to do so, we must understand economics, politics, and the difference between the two. We are the richest country in history but yet we sit on the edge of financial disaster. How can we expect that to change if voters don't understand the very basics of economics? There has never been a source of information on economics that people can easily understand, UNTIL NOW. Author Marshall Payn, with a degree in Economics from M.I.T., believes that the current presentation of economics in our educational system is the biggest obstacle in understanding economics. He developed his unique approach while working in the field of vocational education, i.e. getting fundamental information from one mind to another. In clear and simple terms, this book separates truth from emotion, economics from politics, and offers undeniable proof of our country's destiny if each of us continues to elect politicians while lacking a clear understanding of basic economic principles. If you think you

understand economics, think again. This book is an eye opener, not only with its content, but because these concepts are so simple. What is truly amazing is that the knowledge in this book is not common knowledge. You cannot call yourself a responsible citizen unless you read How to Understand Economics in 1 Hour prior to voting in the 2012 US election. It will change the way you see the government, politicians, and the future of our country.

Out of all the divas at New Day Temple of Faith, Unique has to be the most colorful one--she and her mother Lorain, that is. Never one to hold her tongue in the name of keepin' it real, it's no surprise that Unique has not been saved all her life. It's safe to say that Lorain wasn't born on the church pew either. Let the church folk tell it, the apple hasn't fallen too far from the tree when it comes to Unique. Lorain--once known as the tight skirt, V-neck blouse, too much makeup-wearing leader of the New Day Singles Ministry--claims she's there to look out for her daughter and try to keep her in check. But how in the

world does Lorain think she can even begin to keep her daughter on the straight and narrow with her own crooked life? Some might say Lorain has failed miserably as a mother when Unique ends up in jail for three counts of murder. One who would agree is the woman who raised Unique while Lorain was out living her life freely. As an all-out war takes place between Unique's birth mother and the woman who raised her, will Unique have any support while she fights for her life behind bars? Will all forsake her while they are too busy with their own agendas? Only God holds the answer to this one.

Sis. Boo. Hun. Babe. Fave. Bestie. We use these terms quite liberally; even too loosely in some instances, which is fine—until we discover that our “ride or die” friend got off the ride a few stops back. There are so many things in life that we have to dissect, but true friendship shouldn't be one of them. When we cross that fine line between friendship and sisterhood, we should be able cherish that bond and trust that our sister is truly our keeper. Unfortunately, that isn't always the case, and all it takes is one wrong turn to derail the beauty of true sisterhood. Not anymore. Today is the day that I challenge all women to stand up, take a look in the mirror, and fight back against that malignant ugliness that wants to see you and your sister at odds. Let today be the day you commit to doing the work to repair your sisterhood. Shut down the drama and reclaim your friend—your sister. You owe it to yourself and to the ladies who have come to be near and dear to your heart. Sisters fuss, they fight, but in the end, they find a way to put the pieces back together and get back to the beauty of loving one another. Oh, you call yourself her sister? Prove it. Crack this book open, roll up your sleeves, and get

ready to put some work in because sisterhood is no walk in the park, but it's so worth the journey! Are you your sister's keeper? If not, you will be by the time you finish this book! Story of Earl J (Jesse) Crawford and his experiences during World War II in Europe.

A planet plagued with tumult from outsiders and divided by its own religious dichotomy could face extinction if their faiths are not united and an unholy artifact is destroyed. Safiro, the God of Death, and Sanguina, the Goddess of Life, created two heroes (Vytametas) -- mirror twins separated at birth yet destined to meet in a place where the future of their world will be decided by their powers. The only people who know not the ultimate purpose of the legendary Vytametas are the young heroes themselves. While the teenage Vytametas learn of their world and of their mission, they will be turned against each other by the two faiths they are meant to save: the demented Safiric Brotherhood and the shady Sanguinic Sisterhood.

Envious of her best friend's lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

Kelvin A. Owens shares in raw honesty and love of how fatherhood changed him completely. Grappling with the past of his own fatherlessness, Kelvin reveals why all men should look fondly to fatherhood regardless of their relationships with former spouses and/or the mother of their children. Finally, we get to hear from an African American man, one who is surrounded by a strong community of African American women, men and children. This book will move you to deal with the tough stuff and to enjoy the little things. Kelvin nails the power of love and faith in his debut book!

In *Stop Sabotaging Your Life: 3 Steps To Your Full Potential*, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence. How

many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough.... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams. LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether." What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco: "As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what 'I' was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself.... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that."—Cristina "The world is filled with very successful executives who for decades focus every waking

minute on professional accolades and professional development [only to] realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past.... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on; challenges you to challenge yourself; opens your mind; helps you understand behaviors, experiences and patterns; gets you in touch with yourself; fuels a sense of purpose and passion; and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential." —Adrian "If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth." —Blaine

When someone who is an immigrant to Britain wants to obtain UK Citizenship, after at least five years in the country, they have to jump through all sorts of hoops, including sassing an English test, as well as passing a test of multiple-choice questions, based on an official Home Office handbook called Life in the UK. Unless you have studied and memorised that book, you would probably fail, even if you're British born and bred. In a recent poll, 51% of British 18-24 year olds failed to reach the 75% pass level. Sample questions: Do you know how many members of the Welsh Assembly there are? How many jury members in a Sheriff Court? The contents of the 1689 Bill of Rights? What the central shopping area of most towns is called? (Yes, really!) Who is/was Richard Arkwright, Sake Dean Mahomet, John Petts, or David Weir? With Brexit and all the talk of sovereignty, the question of what it really means to be British has never been more important, so here is your chance to see how you measure up to what your country (or at least, some Whitehall civil servants) expects you to know. So here are 500 sample questions based on the Life in the UK book, to test yourself, or to play as a quiz with family or friends. The answers will inform, surprise and above all, make you laugh!

Chanter finds the last piece of the broken Staff of Law and makes it whole, but the laws are lost. His first son is born on the eastern continent they left behind so long ago, but he is blinded by strange golden lights in his mind. He names himself Law, and finds shelter in a hive of semi-ants. The next generation are manants, and attack him, forcing Law to flee into the chaos. In his search for shelter, he travels to the western continent, where Truemen capture him. The wind informs Chanter of his plight, and Talsy insists that they save him. That means venturing into the chaos once more, and now it is far worse than it was before.

If You Call Yourself a Jew reads Romans as a dialogue between Paul and a Gentile proselyte to Judaism. This fresh reading brings Romans into focus as Paul's exposition of the revelation of God's righteousness--his faithfulness to his covenant promises to Abraham, which climaxed in the announcement that "in you all the tribes of the earth will be blessed" (Gen 12:3). Paul insists that the righteousness of God is revealed, "for the Jew first as well as for the Greek," not through Torah but through the faith(fullness) of Jesus. Torah and the prophets provide corroborating witness for God's righteousness, but Gentiles who bend their necks to Torah's yoke miss the actual mechanism for finding peace with God. Paul found in the story of Jesus the image of complete faith in/faithfulness to God; in Jesus' resurrection he found the image of God's complete faithfulness, "for the Jew first as well as for the Greek." Whereas Torah resulted in curse and death, it also anticipated the unconditional faithfulness of God for both Jew and Gentile. For Paul, the gospel of Jesus Christ is the account of the outworking of God's faithfulness: the end of Torah's curses and the fulfillment of its blessings.

First Book When the Pitching Ends What Next?

A time to reflect on my seventy years of life. Maybe some folks will be interested in my life and the folks I have met, or maybe not. This is a non-traditional memoir, filled with alphabetical vignettes not chronological ones. I have made a foray into fiction with an asterisk: in those cases where I have marked the vignette as fictional, it might be 100 percent not true, but in many cases I knew of, was part of, or heard from others about the story itself. At any rate, the entire book is my recollection of things past, and as in all recollections, the more distant the memory the clearer the details.

FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more
