Vallabhacharya, the founder of the Pushti Maarg was a poet, scholar and passionate lover of Lord Krishna. Madhurashtakam is one of the immemorial compositions of Vallabhacharya, the founder of Pusti marg. These set of eight verses talk of Shri Krishna's bewitching personality. His pastimes, and His pranks all of which make Him loving and lovable. The composition has become more popular because of its simplicity. Pujya Guruji's commentary on it gives us a sense of immediacy with highlights of episodes from the lives of recent saints. It also makes us introspect on our hypocrisies which prevent us from flowing with sweetness. It opens our eyes to the healing energies of the Divine, clothed in a name and form.

The photos, beautifully composed, capture the 23-year-old Dylan in rare private moments hanging out with friends (including Allen Ginsberg, Phil Ochs, and John Sebastian, among others) and family in Woodstock, at concerts, and in New York City's classic dive bar -- the Kettle of Fish. Look magazine never ran the story and the photos sat unseen for forty years, until now. With an intimate and revealing text by acclaimed Springsteen biographer Dave Marsh, *Forever Young* is an irresistible compendium of nearly 100 of the best images from this fascinating, pivotal time in Bob Dylan's career.

The Musical Gift tells Sri Lanka's music history as a story of giving between humans and nonhumans, and between populations defined by difference. Author Jim Sykes argues that in the recent past, the genres we recognize today as Sri Lanka's esteemed traditional musics were not originally about ethnic or religious identity, but were gifts to gods and people intended to foster protection and/or healing. Noting that the currently assumed link between music and identity helped produce the narratives of ethnic difference that drove Sri Lanka's civil war (1983-2009), Sykes argues that the promotion of connected music histories has a role to play in post-war reconciliation. The Musical Gift includes a study of how NGOs used music to promote reconciliation in Sri Lanka, and it contains a theorization of the relations between musical gifts and commodities. Eschewing a binary between the gift and identity, Sykes claims the world's music history is largely a story of entanglement between both paradigms. Drawing on fieldwork conducted widely across Sri Lanka over a span of eleven years--including the first study of Sinhala Buddhist drumming in English and the first ethnography of

music-making in the former warzones of the north and east--this book brings anthropology's canonic literature on "the gift" into music studies, while drawing on anthropology's recent "ontological turn" and "the new materialism" in religious studies.

'A song, so old and yet still famous' is a Malay expression of admiration for an

exotic singing style, a musical contemplation on the beauty of nature, God, and love. The ghazal exists in manifold cultures all over Asia, Africa, and Southern Europe, and is intimately connected to Islam and its periphery. In each region, ghazals have been shaped into other expressions using imported features and transforming them into 'local art'. In the Malay world, ghazals come in various shapes and with different meanings. 'The song, so old' is the song that came before the proliferation of mass media. The first ghazals that were heard in the Malay world might have been those ghazals performed by Hindustani musicians traveling in Southeast Asia. However, later on, the ghazal's development was additionally triggered by mass media, with technological progress enhancing change in urban entertainment and introducing new sources of further adaptations. In this context, the second half line of the lyrics mentioned, 'and yet still famous', means that despite being old, the song is highly regarded as an art in itself. Malay ghazals are still attractive and musically demanding. They were traditionally not performed for mass appeal, but, rather, for a small knowledgeable audience that valued musical refinement and taste.
