

Song Of Eve

Bathroom Songs: Eve Kosofsky Sedgwick as a Poet is the first book of essays to consider the poetry of one of the twentieth- and early twenty-first-century's most important literary, affect, and queer theorists. Acclaimed as one of the "truly innovative" poets of her generation, by Maud Ellmann, Sedgwick's work as a poet is, perhaps, less well known, but is no less compelling than her ground-breaking trilogy of queer theoretical texts: *Between Men: English Literature and Male Homosocial Desire*, *Epistemology of the Closet*, and *Tendencies*. The book includes seven, specially commissioned essays considering Sedgwick's published poetry and writing about poets, by Angus Brown, Meg Boulton, Mary Baine Campbell, Jason Edwards, Kathryn R. Kent, Monica Pearl, and Benjamin Westwood, that range across the complete range of Sedgwick's work, from her earliest published lyrics through her first collection of poetry, *Fat Art*, *Thin Art*, to her part-haiku, part-prose autobiography, *A Dialogue on Love*, and beyond. In addition, the book contains over forty of Sedgwick's previously uncollected poems, ranging from her earliest poem on T.E. Lawrence to her final poem 'Death', introduced and contextualized in a second essay by Edwards.

BILLIONAIRE BRANDON GRIECO never mixes business with pleasure. That's his cardinal rule. His pleasure is not in the string of women lining up to pay homage to his ripped, loaded body, but in the people he considers family; his best friends, Kei and Mariah, and Marishka, the couple's only child, the apple of their eyes. His business is the billion-dollar software company he founded with Kei. His life is one neat, orderly setup and he wants to keep it that way. He tried marriage once but it went bust sooner than the time-frame stated in his prenup. All his fault. He was just not cut out for fidelity or exclusivity. He has made his will, too, just in case he dies before Kei. Marishka will one day inherit his share of the company. To make sure she wouldn't be prey to charming opportunists, he underhandedly looks for potential future husbands for her. Yes, only the best for his princess. But Brandon gets the shock of his life when Marishka chooses him to be her future husband. His world tilts on its axis. He has helped raise Marishka into this strong, single-minded, determined young woman who will one day inherit a billion-dollar empire, not realizing he will be the recipient of her reckless passion the moment she turns eighteen. 'Never mix business with pleasure' is now a crossroad with a 'Catch 22' sign.

From the author of the twenty-five-million-copy bestseller *The Shack* comes a captivating new novel destined to be one of the most talked-about books of the decade. *Eve* is a bold, unprecedented exploration of the Creation narrative, true to the original texts and centuries of scholarship—yet with breathtaking discoveries that challenge traditional beliefs about who we are and how we're made. *Eve* opens a refreshing conversation about the equality of men and women within the context of our beginnings, helping us see each other as our Creator does—complete, unique, and not constrained by cultural rules or limitations. When a shipping container washes ashore on an island between our world and the next, John the Collector finds a young woman inside—broken, frozen, and barely alive. With the aid of Healers and Scholars, John oversees her recovery and soon discovers that her genetic code connects her to every known race. No one would guess what her survival will mean... No one but Eve, Mother of the Living, who calls her “daughter” and invites her to witness the truth about her own story—indeed, the truth about us all. As *The Shack* awakened readers to a personal, non-religious understanding of God, *Eve* will free us from faulty interpretations that have corrupted human relationships since the Garden of Eden. Thoroughly researched and exquisitely written, *Eve* is a masterpiece that will inspire readers for generations to come.

Tells the story of Jesus Christ's miraculous birth through scripture passages found in scriptures and Christ-centered carols.

When Dr. Nagashima loses his wife in a mysterious car crash, he is overwhelmed with grief but also an eerie sense of purpose; he becomes obsessed with reincarnating his dead wife. Her donated kidney is transplanted into a young girl with a debilitating disorder, but the doctor also feels compelled to keep a small sample of her liver in his laboratory. When these cells start mutating

rapidly, a consciousness bent on determining its own fate awakens, bent on becoming the new dominant species on earth. Parasite Eve was the basis of the hugely popular videogame of the same name in the U.S. and has been cinematized in Japan.

Something About Eve is a story about Eve, a woman haunted by her past whose path crosses with a married woman afraid of her future. As they set out to help each other, an unsuspected and passionate friendship evolves between them. When Eve's past catches up to her, she finds herself having to save the lives of those she loves or lose everything she has worked so hard to achieve. This is a unique and powerful story of two completely different women who, through fate, find each other and teach each other how to love.

Christmas Eve is the perfect time to create family traditions, and we've made it more meaningful by creating Christmas Eve: The Nativity Story in Engravings, Verse, and Song. Christmas Eve brings you the classic nativity story through scriptural verse, beautiful artwork, and music with accompanying lyrics that make it enjoyable to celebrate this joyous season with loved ones. It is the perfect way to gather the family and read the story together.

A homeless boy who lives in an airport with his father, moving from terminal to terminal trying not to be noticed, is given hope when a trapped bird finally finds its freedom. "A first-rate picture book that deserves a place in all collections. Sure to spark discussion." -- School Library Journal, starred review

Eve's Song is a short story of Eve as seen through her eyes. It begins at her creation by God and ends at the death of her beloved husband, Adam. She tells of her experiences in the garden of Eden, her temptation and fall, and life outside the garden. This, of course, is a novel; but it does not contradict the Bible. It expands on her possible feelings of joy and love and fears for her family and future.

A Bustle Must-Read Book • A transporting love story of music, stardom, heartbreak, and a gifted young singer-songwriter who must find her own voice—"pure sun-soaked summer fun" (Kate Quinn, bestselling author of *The Alice Network*). The year is 1969, and the Bayleen Island Folk Fest is abuzz with one name: Jesse Reid. Tall and soft-spoken, with eyes blue as stone-washed denim, Jesse Reid's intricate guitar riffs and supple baritone are poised to tip from fame to legend with this one headlining performance. That is, until his motorcycle crashes on the way to the show. Jane Quinn is a Bayleen Island local whose music flows as naturally as her long blond hair. When she and her bandmates are asked to play in Jesse Reid's place at the festival, it almost doesn't seem real. But Jane plants her bare feet on the Main Stage and delivers the performance of a lifetime, stopping Jesse's disappointed fans in their tracks: A star is born. Jesse stays on the island to recover from his near-fatal accident and he strikes up a friendship with Jane, coaching her through the production of her first record. As Jane contends with the music industry's sexism, Jesse becomes her advocate, and what starts as a shared calling soon becomes a passionate love affair. On tour with Jesse, Jane is so captivated by the giant stadiums, the late nights, the wild parties, and the media attention, that she is blind-sided when she stumbles on the dark secret beneath Jesse's music. With nowhere to turn, Jane must reckon with the shadows of her own past; what follows is the birth of one of most iconic albums of all time. Shot through with

the lyrics, the icons, the lore, the adrenaline of the early 70s music scene, *Songs in Ursa Major* pulses with romantic longing and asks the question so many female artists must face: What are we willing to sacrifice for our dreams?

An exploration of the way Adam and Eve introduced the idea of love into the world, and how they continue to shape our deepest feelings about relationships, family, and togetherness. Since antiquity, Adam and Eve have stood at the center of every conversation about men and women. Yet instead of celebrating them, history has blamed them for bringing sin, deceit, and death into the world. In this fresh retelling of their story, Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome, discovering how Adam and Eve should be hailed as exemplars of a long-term, healthy, resilient relationship. At a time of discord and fear over the strength of our social fabric, Feiler shows how history's first couple can again be role models for unity, forgiveness, and love.

For one energetic three-year-old, there are countless reasons to love his new big boy bed. There's room now for Teddy to sleep with him, and his painted clay lizard, and Hippo. He can go under the bed and pretend to be a dog and scare his cat, Whiskers. Best of all, he can get out of his bed any time he wants—as long as his parents don't hear him! Written with warmth and humor, this story captures the feelings surrounding a rite of passage that every child experiences. Eve Bunting's simple, reassuring text and Maggie Smith's bright, lively illustrations are just right for beginning readers and listeners.

Provides an illustrated collection of songs co-written with children, with detailed instructions about the creative process of songwriting and the songs performed in the accompanying CD. It's been a year since her son Cain killed his younger brother, Abel, and Eve is still having nightmares. Adam wants her to move on. Eve senses Jehovah is calling her to revisit her best and worst memories...to the very places she is afraid to go. But how can the mother of the dead and banished become the mother of the living? Saint Augustine called Eve "the temptress." Tertullian called her "the gate to hell." This groundbreaking allegory offers another alternative--Eve, the woman who speaks to all of our sorrows. Infused with scripture, poetry and sentiments from women of many backgrounds, *Eve's Song* reaches into the deep places that we, too, are often afraid to go. You will surely find healing and hope as you uncover your own story embedded within the pages of this book!

Eve Mary Miller, raised Christian and homeschooled in rural West Virginia, has nothing in common with her estranged mother, Rose—except her taste in 80's music and a Playlist. Through seven songs in the year 2017, she travels to the American southwest. Searching for family, her future, and a few other misfortunes in the mix (including her half-sister and DJ, Isabelle "Izzy" McKane) Eve finds a song of her own.

Where do you go when nowhere is safe? After a deadly virus wiped out most of Earth's population, the world is a terrifying place. Eighteen-year-old Eve has never been beyond the heavily guarded perimeter of her school, where she and two hundred other orphaned girls have been promised a bright future in The New America. But the night before graduation, Eve learns the shocking truth about her school's real purpose—and the horrifying fate that awaits her. Fleeing the only home she's ever known, Eve sets off on a long, treacherous journey, searching for a place she can survive. Along the way she encounters Caleb, a rough, rebellious boy living in the wild. Caleb slowly wins her trust . . . and her heart. But when soldiers begin hunting them, Eve must choose between true love and her life.

The classic nativity story through verse, artwork, and music. Christmas Eve is the perfect time to create family traditions, and we've made it more meaningful by creating Christmas Eve: The

Nativity Story in Art, Verse, and Song. This hardbound volume shares the classic nativity story through scriptural verse, beautiful artwork, and music with accompanying lyrics. Songs include Away in a Manger, Hark! The Herald Angels Sing, Silent Night, and more, alongside scripture from the gospels of Luke and Matthew. Whether read aloud, sung in unison, or cherished quietly on your own, Christmas Eve allows us to quiet our hearts and prepare for the joyous birth of Christ. This is the book you and your family will reach for every December as you celebrate the reason for the season. ? "And the angel said unto them, Fear not: for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord" (Luke 2:10-11).

First published in 1973, *The Book of Eve* has become a classic. When Eva Carroll walks out on her husband of 40 years, it is an unplanned, completely spontaneous gesture. Yet Eva feels neither guilt nor remorse. Instead, she feels rejuvenated and blissfully free. As she builds a new life for herself in a boarding house on the "wrong" side of Montreal, she finds happiness and independence – and, when she least expects it, love.

Argues that 1965, not 1968, was the most transformative year of the 1960s, discussing attacks on civil rights demonstrators, increased African American militancy, the Watts riots, anti-war protests, and a growing national pessimism. Illustrations and easy-to-read text follow a family through five generations as each is inspired by the song written in 1900 to honor Abraham Lincoln. Includes author's note on the history of the song and its meaning in her family.

Rhyming text celebrates various aspects of the world, from falling leaves and falling snow to hushaby tunes and little new moons.

From skiing in January to surfing in July, two energetic piglets romp through the months of the year in this calendar in verse.

In a world where no girls had been born in fifty years, Eve arrived and, having been protected from the dangers of a ruined world, is now sixteen and expected to renew the human race.

The powerful coming-of-age story of an ultra-Orthodox child who was born to become a rabbinic leader and instead became a woman Abby Stein was raised in a Hasidic Jewish community in Brooklyn, isolated in a culture that lives according to the laws and practices of eighteenth-century Eastern Europe, speaking only Yiddish and Hebrew and shunning modern life. Stein was born as the first son in a dynastic rabbinical family, poised to become a leader of the next generation of Hasidic Jews. But Abby felt certain at a young age that she was a girl. She suppressed her desire for a new body while looking for answers wherever she could find them, from forbidden religious texts to smuggled secular examinations of faith. Finally, she orchestrated a personal exodus from ultra-Orthodox manhood to mainstream femininity—a radical choice that forced her to leave her home, her family, her way of life. Powerful in the truths it reveals about biology, culture, faith, and identity, *Becoming Eve* poses the enduring question: How far will you go to become the person you were meant to be?

A delightful, lighthearted collection of sing-along songs featuring funny animal characters... these playful heartwarming songs recorded by accomplished singers and skilled musicians.

The Song of Eve is the song of all women. It's a chant sounding from centuries ago out of the mouths of the goddesses who gave women their strength and individuality. Lover, mother, priestess, creator/destroyer, virgin, muse - here lie the most powerful female images in a rich tapestry of words and pictures for the woman of today to discover and celebrate the goddess in herself.

While hearing Christmas songs during the Thanksgiving Day parade a family decides to write a song about Thanksgiving.

Eviona, Dyre, and Zefforah are individuals who have never all been in the same place at the same time, but they share a mystical connection allowing each to see, hear, feel, smell and taste what the others experience. Though they have the ability to make separate choices, the consequences are felt by all. Follow Eviona's story as she conquers her personal demons, fights for her individuality, and finds where she belongs emotionally, physically, and spiritually.
