SpongeBob's pants have all shrunk in the laundry and he has to wear round pants, but his life becomes confusing when neither his friends nor Squidward recognize him.

SpongeBob SquarePants and Philosophy introduces fans of SpongeBob SquarePants to some of the great thinkers and questions in philosophy. The essays can be shared by young and old alike, kindling new interest in philosophy and life's big questions.

What keeps SpongeBob "reeling in" major audiences on a daily basis is that underneath the lighthearted and whimsical exterior are the seeds of philosophical discussions about identity and the self, our obligations toward others, benefits and tensions of the individual in community, principles of the marketplace and environmental ethics, and questions of just how exactly Jack Kahuna Laguna can build a fire at the bottom of the ocean. (Okay, so perhaps we don't have an answer for that last one, but maybe if you look into that fire long enough the answer will be revealed.)

The book begins with a section exploration of the major characters of the series. For instance, chapter 1 uses the philosophies of Aristotle to demonstrate why SpongeBob, more than any other character in the series, is defined by a life of well-being and flourishing. Chapter two provides an assessment of SpongeBob's best friend, Patrick Star.

When SpongeBob worries about aliens on his upcoming trip to the moon, Patrick suggests making Sandy's rocket alien-proof.

In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force

of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from The Institute.
