Dopo parecchie ristampe e bagni di folla in tutto il Paese, Costanza Miriano rincara la dose e da arguta giornalista qual è va a verificare gli effetti dei suoi consigli alle amiche che le hanno ispirato questo libro. Affermare che l'uomo deve incarnare la guida, la regola, l'autorevolezza, mentre la donna deve uscire dalla logica dell'emancipazione e riabbracciare con gioia il ruolo dell'accoglienza e del servizio, era una provocazione. Lo è ancora di più constatare che il "metodo Miriano" funziona davvero.

This is one of those books that, in its simplicity, is full of substance and depth, and it deserves to be read.--Cardinal Antonio Canizares Llovera, Prefect of the Congregation for Divine Worship Francisco (Kiko) Arguello was an award-winning painter, and an atheist. Struggling with the contrast between his desire for justice and the lack of justice in the world, he adopted existentialism and its explanation of life: everything is absurd. But if everything is absurd, why paint? For that matter, why even live? Such questions led Arguello to the brink of despair. He called out to God and personally experienced the reality of divine love as revealed in Jesus Christ. Dedicating his life to Christ, Arguello began living among the very poor. While in a slum on the outskirts of Madrid, Arguello met the lay missionary Carmen Hernandez, and together they began proclaiming the good news of salvation to the poorest of the poor. Their method of transmitting faith in Christ and building Christian community has become a model of evangelization. Now known as the Neocatechumenal Way, it has spread to cities throughout the world and received the approval of the Holy See.

Foucault's classic study of the history of medicine.

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected—and unexpectedly happy—marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's *Conscience* is a miracle of psychological realism.

Il Vangelo di Gesù, la Buona Notizia che ha comunicato agli uomini e alle donne di ogni tempo, luogo e condizione è che Dio è amore, Dio ci ama, Dio ci vuole capaci di accogliere e donare agli altri questo amore, unica realtà capace di farci sentire vivi e felici. L'amore è una realtà che necessita di chiarificazioni e purificazioni, ma è anche l'unica categoria capace di inglobare concetti e realtà fondamentali la misericordia, la tenerezza, la sponsalità. È il momento giusto per rileggere i Vangeli alla luce dell'amore: "Questo è il tempo della misericordia" – ci assicura Papa Francesco, – il tempo per riscoprire il volto autentico di Dio che è amore.

Nell'attuale contesto di contrapposizione, spesso «talebana», tra chi dipinge la teoria del gender in toni apocalittici, esasperandone unilateralmente alcuni aspetti, e chi ne nega addirittura l'esistenza, riconducendo il problema a un semplice rispetto dei diritti, il libro mostra l'inadeguatezza di entrambe le posizioni andando direttamente alle fonti, costituite sia dagli studi di gender, sia da documenti ufficiali. Una particolare attenzione è riservata al problema della presenza della teoria del gender nella scuola, anche qui evidenziando gli equivoci di cui entrambe le parti sono al tempo stesso vittime e autrici. Più ampiamente, viene messa a fuoco la problematicità del termine «omofobia», mostrandone i diversi significati nel dibattito attuale. Per evitare di ridurre la persona e la sessualità alla caricatura sbandierata dagli ultraconservatori e per non limitare la riflessione alla sola questione dei diritti, il libro cerca di fare luce sul rapporto tra natura umana e cultura, sul significato della corporeità, sull'idea di uguaglianza, con

particolare riferimento al problema della famiglia e della genitorialità.

The gulag memoirs of a brave woman, a distinguished dissident and poet--Ratushinskaya gives her account of the four years she spent in a "strict regime" labor camp at Barashevo, where she endured several types of abuse.

Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy—he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn.

Relationships fall apart, marriages fail, couples break up – it happens to us all. Time corrodes passion and the routines of daily life kill the excitement that surrounds the emotion of the first encounter. The difficulty of uniting sexual pleasure with love, which Freud considered to be the most common neurosis in any love life, has become emblematic of a truth that seems undeniable: desire is destined to die if its object is not constantly renewed, if we do not change partner, if it is closed for too long in the restrictive chamber of the same bond. And yet what happens to these bonds when one of the two partners betrays the other, when the promise fails, when there is another emotional experience cloaked in secrecy and deceit? What happens if the traitor then begs forgiveness? Are they asking to be loved again and, having declared that it is not like it used to be, now want everything to go back to how it was? Should we make fun of lovers in their attempts to make love last? Or should we try to face up to the experience of betrayal, with the offence caused by the person we love most? Should we not perhaps attempt to praise forgiveness in love?

Nato dalla sinergia tra studiose/i, attiviste/i, scrittrici e scrittori, il presente volume si propone come spazio aperto a una riflessione interdisciplinare sulle modalità discorsive impiegate per la rappresentazione della violenza di genere nel contesto letterario, cinematografico, teatrale e mediatico dell'Italia del terzo

millennio. Considerando la sfera della rappresentazione un campo d'indagine cruciale per ogni analisi di un fenomeno che trova le proprie radici in archetipi culturali veicolati attraverso particolari paradigmi discorsivi, il volume intende inquadrare i nuovi orizzonti di visibilità aperti sul tema, adottando una prospettiva teorica di matrice femminista che armonizza il pensiero italiano della differenza sessuale con le più recenti teorizzazioni della corrente dei Gender Studies. Privilegiando un approccio di tipo interdisciplinare e olistico, il testo si articola in tre sezioni dedicate rispettivamente alla ricerca di stampo accademico, alla presa di parola da parte di attiviste/i interessate/i ad analizzare la rappresentazione mediatica del fenomeno e, infine, alla voce di affermate/i autrici/ autori che hanno portato avanti una riflessione teorica sulle strategie impiegate per narrare la violenza.

La crisi della famiglia naturale sta diffondendo in tutta la società malesseri sempre più gravi, esplosioni di violenza e danni irreparabili nell'educazione dei più giovani. Per non arrendersi a questa tragedia sociale e culturale, l'autore ha sviluppato con i suoi studi la Conciliazione Familiare, un metodo per affrontare le emergenze di coppia con un approccio professionale diverso da quello consueto. L'obiettivo? Valutare caso per caso che cosa ogni marito e ogni moglie possano ancora fare singolarmente e insieme per salvare il matrimonio. Il presente saggio non è, pertanto, pensato solamente per gli addetti ai lavori, ma per tutti coloro che vogliono ripensare alle proprie difficoltà familiari da un'angolazione diversa da quella oggi tradizionalmente proposta, che lascia aperta la possibilità al recupero del rapporto.

What does it mean to be a man? What does it mean to be manly? How has our notion of masculinity changed over the years? In this book, noted historian George L. Mosse provides the first historical account of the masculine stereotype in modern Western culture, tracing the evolution of the idea of manliness to reveal how it came to embody physical beauty, courage, moral restraint, and a strong will. This stereotype, he finds, originated in the tumultuous changes of the eighteenth century, as Europe's dominant aristocrats grudgingly yielded to the rise of the professional, bureaucratic, and commercial middle classes. Mosse reveals how the new bourgeoisie, faced with a bewildering, rapidly industrialized world, latched onto the knightly ideal of chivalry. He also shows how the rise of universal conscription created a "soldierly man" as an ideal type. In bringing his examination up to the present, Mosse studies the key historical roles of the so-called "fairer sex" (women) and "unmanly men" (Jews and homosexuals) in defining and maintaining the male stereotype, and considers the possible erosion of that stereotype in our own time.

When we are in a couple, when we question ourselves about the experience of coupledness or as we form a new partnership, very often we forget that the couple is a third compared to the two that compose it. The couple has its own rules, its phases, its needs, its conscience. Very often the difficulties that we encounter in the affairs of love are linked precisely to this, to the inability to read and guide the couple by building a true union that recalls this third being made by two. What exactly does that mean? How can we create union in the couple? A journey towards unconditional love and true inner happiness, starting with the most recent discoveries in neuroscience and energetic psychology, which leads to the peaks of a reflection on the Soul and the leap of Conscience that Love offers us, enriched by real cases and stories and accompanied by a practical guide for the happy couple which is both comprehensive and effective. The love which we can live today is no longer destined to make us suffer, but to make us free. Now, more than ever, we can know its anatomy and penetrate its mysteries. Erica F. Dieci anni fa usciva *La casta*, un libro che ridefiniva il discorso politico italiano: la fine dei partiti tradizionali, l'odio per le élite in generale, l'indignazione di chi si sentiva escluso e defraudato. Oggi quel risentimento si è rovesciato in orgoglio: la fine della politica come la conoscevamo non ha generato un vuoto, ma una galassia esplosa di esperienze tra il grottesco, il tragico e l'apocalittico. Dai forconi alle sentinelle in piedi, dai «cittadini» che s'improvvisano giustizieri alle proteste antimigranti, *La Gente* è il ritratto cubista dell'Italia contemporanea: un paese popolato da milioni di persone che hanno abbandonato il principio di realtà per inseguire incubi privati, mentre movimenti politici vecchi e nuovi cavalcano quegli incubi spacciandoli per ideologie. Leonardo Bianchi ha scritto il miglior reportage possibile su un paese che non si può raccontare se non a partire dalle sue derive, e l'ha fatto seguendo ogni storia con la passione di un giornalista d'altri tempi, il rigore dello studioso che dispone di una prospettiva e di un respiro internazionali, e un talento autenticamente narrativo, capace di attingere a una ferocia e a una forza profetica degne di un romanzo di James Ballard.

Not so long ago Emilio Brentani was a promising young author. Now he is an insurance agent on the fast track to forty. He gains a new lease on life, though, when he falls for the young and gorgeous Angiolina—except that his angel just happens to be an unapologetic cheat. But what begins as a comedy of infatuated misunderstanding ends in tragedy, as Emilio's jealous persistence in his folly—against his friends' and devoted sister's advice, and even his own best knowledge—leads to the loss of the one person who, too late, he realizes he truly loves. Marked by deep humanity and earthy humor, by psychological insight and an elegant simplicity of style, *As a Man Grows Older* (*Senilità*, in Italian; the English title was the suggestion of Svevo's great friend and admirer, James Joyce) is a brilliant study of hopeless love and hapless indecision. It is a masterwork of Italian literature, here beautifully rendered into English in Beryl de Zoete's classic translation.—Print ed. “The poem of our complex modern madness.”—EUGENIO MONTALE “Svevo has the capacity—so rare as to be almost unknown in the English novel—of handling emotional relationships with a combined tenderness, humour and realism.”—THE TIMES LITERARY SUPPLEMENT

Three ambitious, rivalrous sisters. And a deadly secret, which one of them is determined to keep buried at any cost . . . Deeley is the fake wife of a Hollywood TV hunk, who is secretly gay. But Deeley's five-year contract is up, and his cut-throat publicist wants Deeley out. So, dejected and penniless, Deeley wends her way home to London, hoping to re-establish links with her two estranged elder sisters . . . Devon is married to the nation's-favourite-rugby-hunk Matt, and has her own highly successful TV career, as the sexy hostess of her own cookery

show. But behind her buxom façade, Devon is lonely and frustrated, and when a live celebrity cook-off shows her up as a fraud, she leaves sweet Matt and runs off to Tuscany, to learn a few lessons - not just in cookery - from an Italian master. Lastly, there's Maxie: a politician's wife, Maxie is fiercely ambitious. She's furious when Deeley, hard on her luck, sells the sisters' childhood story to a tabloid newspaper, revealing their impoverished roots and unsavoury parentage. The story undermines Maxie's carefully cultivated image, and the fallout threatens to be devastating. But Maxie is only too aware that there is much more Deeley could yet reveal. What murderous secret lies in the sisters' past? And just how far will Maxie go to keep it buried?

This book foregrounds some of the ways in which women playwrights from across a range of contexts and working in a variety of forms and styles are illuminating the contemporary world while also contributing to its reshaping as they reflect, rethink, and reimagine it through their work for the stage. The book is framed by a substantial introduction that sets forth the critical vision and structure of the book as a whole, and an afterword that points toward emerging currents in and expansions of the contemporary field of playwriting by women on the cusp of the third decade of the twenty-first century. Within this frame, the twenty-eight chapters that form the main body of the book, each focusing on a single play of critical significance, together constitute a multifaceted, inevitably partial, yet nonetheless integral picture of the work of women playwrights since 2000 as they engage with some of the most pressing issues of our time. Some of these issues include the continuing oppression of and violence against women, people of color, LGBTQ+ people, and ethnic minorities; the ongoing processes of decolonization; the consequences of neoliberal capitalism; the devastation and enduring trauma of war; global migration and the refugee crisis; the turn to right-wing populism; and the impact of climate change, including environmental disaster and species extinction. The book is structured into seven sections: Replaying the Canon; Representing Histories; Staging Lives; Re-imagining Family; Navigating Communities; Articulating Intersections; and New World Order(s). These sections group clusters of plays according to the broad critical actions they perform or, in the case of the final section, the new world orders that they capture through their stagings of the seeming impasse of the politically and environmentally catastrophic global present moment. There are many other points of resonance among and across the plays, but this seven-part structure foregrounds the broader actions that drive the plays, both in the Aristotelian dramaturgical sense and in the larger sense of the critical interventions that the plays creatively enact. In this way, the seven-part structure establishes correspondences across the great diversity of dramatic material represented in the book while at the same time identifying key methods of critical approach and areas of focus that align the book's contributors across this diversity. The structure of the book thus parallels what the playwrights themselves are doing, but also how the contributors are approaching their work. Plays featured in the

book are from Canada, Australia, South Africa, the US, the UK, France, Argentina, New Zealand, Syria, Brazil, Italy, and Austria; the playwrights include Margaret Atwood, Leah Purcell, Yaël Farber, Paula Vogel, Adrienne Kennedy, Suzan-Lori Parks, Debbie Tucker Green, Lisa Loomer, Hélène Cixous, Anna Deavere Smith, Lola Arias, Lisa Kron and Jeanine Tesori, Marie Clements, Quiara Alegría Hudes, Alia Bano, Holly Hughes, Whiti Hereaka, Julia Cho, Liwaa Yazji, Grace Passô, Dominique Morisseau, Emma Dante, Frances Ya-Chu Cowhig, Lynn Nottage, Elfriede Jelinek, Caryl Churchill, Colleen Murphy, and Lucy Kirkwood. Encompassing several generations of playwrights and scholars, ranging from the most senior to mid-career to emerging voices, the book will be essential reading for established researchers, a valuable learning resource for students at all levels, and a useful and accessible guide for theater practitioners and interested theater-goers.

Discover and Embrace the Extravagant, Unconditional Love of the Father How is it that so many believers get stuck when it comes to entering into a relationship with God the Father? Neal Lozano breaks through the obstacles that keep us from growing in this pivotal relationship. Em Sinais de alerta no amor, Rino Ventriglia compara metaforicamente o amor ao motor de um carro. Quando tudo está bem, todas as luzes de alerta do painel estão apagadas, mas o que fazer quando uma ou mais luzes se acendem? O que elas indicam? Certamente, algo no mecanismo do relacionamento não funciona mais adequadamente ou dá sinais de desgaste. Quais são os sinais de alerta mais frequentes? Com base em relatos que vivenciou ao longo de anos como terapeuta, o autor observa os problemas conjugais e aponta algumas questões que considera relevantes: a culpa e o arrependimento, a frustração pela falta de reconhecimento e carinho, a busca por rotas de fuga. O livro auxilia o leitor a compreender as "histórias das pessoas" que, ao longo dos anos, escolheram e disseram "sim", ensina que a dor deve ser tratada; não há necessidade de se escapar dela. De fato, tentar evitar a dor é inútil. O sim "para sempre" pode ser uma realidade possível e construída a cada dia.

Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of *Fifty Shades of Grey*, here is a memoir that offers the real story of what it means to be a submissive, following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound, awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes- where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.

".....the hour is coming, in fact has come, when the vocation of woman is being achieved in all its fullness..." as Vatican II affirmed. In this work, a woman speaks to women simply, warmly, humbly..... [from back cover.]

Called by her people Isabella la Catolica, she was by any standard one of the greatest women of all history. A saint in her own right, she married Ferdinand of Aragon, and they forged modern Spain, cast out the Moslems, discovered the New World by backing Columbus, and established a powerful central government in Spain. This story is so thrilling it reads like a novel. Makes history really come alive. Highly readable and truly great in every respect! The passions have long been condemned as a creator of disturbance and purveyor of the temporary loss of reason, but as Remo Bodei argues in *Geometry of the Passions*, we must abandon the perception that order and disorder are in a constant state of collision. By means of a theoretical and historical analysis, Bodei interprets the relationship between passion and reason as a conflict between two complementary logics. *Geometry of the Passions* investigates the paradoxical conflict-collaboration between passions and reason, and between individual and political projects. Tracing the roles passion and reason have played throughout history, including in the political agendas of Descartes, Hobbes, and the French Jacobins, *Geometry of the Passions* reveals how passion and reason may be used as a vehicle for affirmation rather than self-enslavement.

The Stranger From the Sea is the eighth novel in Winston Graham's hugely popular Poldark series, and continues the story after the fifth TV series, which has become an international phenomenon, starring Aidan Turner. Cornwall 1810. The Poldark family awaits the return of Ross from his mission to Wellington's army in Portugal. But their ordered existence ends with Jeremy Poldark's dramatic rescue of the stranger from the sea. Stephen Carrington's arrival in the Poldark household changes all their lives. For Clowance and Jeremy in particular, the children of Ross and Demelza, Stephen's advent is the key to a new world – one of both love and danger. *The Stranger From The Sea* is followed by the ninth book in the Poldark series, *The Miller's Dance*.

These two fragments of novels, Ingeborg Bachmann's only untranslated works of fiction, were intended to follow the widely acclaimed *Malina* in a cycle to be entitled *Todesarten*, or *Ways of Dying*. Although Bachmann died before completing them, *The Book of Franza* and *Requiem for Fanny Goldmann* stand on their own, continuing Bachmann's tradition of using language to confront the disease plaguing human relationships. Through the tales of two women in postwar Austria, Bachmann explores the ways of dying inflicted upon the living from outside and from within, through history, politics, religion, family, gender relations, and the self. Bachmann's

allegiance to the twin muses of memory and history, as well as her perception of fascism as not being limited to the context of the war but also existing within the intimate relations of everyday life between husbands and wives, brothers and sisters, psychiatrists and patients' are supremely evident in *The Book of Franza*. Here, Bachmann follows a woman who escapes from a sanatorium and, after years of silence, sends her brother a cryptic telegram. Rightly suspecting that she has fled her sadistic husband -- a renowned Austrian psychiatrist whose intimate relations have merged with his studies of concentration camps -- her brother finds her in their childhood home. Together they travel to Egypt, where Franza slowly begins to regain her bearings. But Franza's desire to cleanse herself by journeying into the heart of the desert's void ends in tragedy, as she becomes the victim of a horrible act of violence. Unlike Franza, who attempts to flee her past but fails, the heroine of *Requiem for Fanny Goldmann* makes no attempt to escape her history. This novel tells of the demise of a Viennese actress who is manipulated by a younger, ambitious playwright to advance his career. Deception follows disloyalty; the final treachery comes when the playwright portrays her in a novel, which secures his fame and, in Fanny's eyes, robs her of her future. Caught in a perpetual stasis, Fanny suffers in total obscurity, as her present is stolen from her as well. Whether analyzing the place where the self begins and the power of history ends or the ways in which women are forced to be complicit in their mistreatment at the hands of men, Bachmann's critical approach to the human psyche is unparalleled. Mesmerizing and profound, *The Book of Franza* and *Requiem for Fanny Goldmann* constitute the final evidence that Ingeborg Bachmann is the most important female German-language writer of the postwar period.
