### Visionaries (2005)

A stand-alone hardcover tie-in to the successful comic book series, *Star Wars: Dawn of the Jedi*, written by fantasy novelist, Tim Lebbon. Taking place thousands of years before the time of Luke Skywalker and Darth Vader. On the remote world Tython ancient philosophers and scientists share their mystical knowledge and study the ways of the Force. They establish the order of the Je'daii--which, in years to come, will become the Jedi. But first these visitors from so many different planets must colonize a dangerous new homeworld and surmount societal conflicts as the burgeoning Rakatan Empire prepares to conquer the known galaxy.

In the aftermath of the Dominion War, the Klingon cruiser IKS Gorkon is on its way back to the homeworld when it is diverted by a distress call... It is two hundred years since the expanding Klingon Empire discovered an icy planet rich in a valuable mineral, topaline. They named the planet 'taD' - Klingon for 'frozen' - and called its people 'jehpu'wl' - conquered. It is four years since the Klingon Empire invaded Cardassia, breaching the Khitomer Accords and causing a diplomatic rift with the Federation. On taD, depleted Klingon forces were overthrown in a coup d'etat, and the victorious rebels took advantage of the disruption to appeal for recognition to the Federation. Now the Klingons have returned to taD and re-established their control. But the stubborn rebels insist on Federation recognition. A solution to the impasse must be found: a task that falls to the Federation's new ambassador to the Klingon Empire. Worf regards himself as a fighter, not a diplomat. But the

Federation disagrees. Now, for the sake of the Empire, Worf must somehow forge a peace between the hardened rebels and the battle-hungry Klingon forces. And as everyone knows, Klingons do not negotiate...

**NEW YORK TIMES BESTSELLER** On the planet Tython, the ancient Je'daii order was founded. And at the feet of its wise Masters, Lanoree Brock learned the mysteries and methods of the Force—and found her calling as one of its most powerful disciples. Now, from her solitary life as a Ranger keeping order across the galaxy, Lanoree has been summoned by the Je'daii Council on a matter of utmost urgency. The leader of a fanatical cult, obsessed with traveling beyond the reaches of known space, is bent on opening a cosmic gateway using dreaded dark matter as the key—risking a cataclysmic reaction that will consume the entire star system. But more shocking to Lanoree than even the prospect of total galactic annihilation, is the decision of her Je'daii Masters to task her with the mission of preventing it. Until a staggering revelation makes clear why she was chosen: The brilliant, dangerous madman she must track down and stop at any cost is the brother whose death she has long grieved—and whose life she must now fear.

Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! Praise for *Into the Void* “In a story filled with adventure, intrigue, and great quotes, there’s a lot to like in this book. Tim Lebbon dives into his very first Star Wars story with a great deal of success. He manages to spin a tale that feels like Star Wars, but also feels different from other stories that have been told before. While there is some threat of system wide destruction, the point is never pushed to being ridiculous. The characters feel believable and provoke interest. The attention to the characters never takes away from the plot. There’s also a remarkable balance between world building, plot and character development, and action. When it comes down to it, *Dawn of the Jedi: Into the Void* is just great storytelling.”—Roqoo Depot “A nice, compact Star Wars tale that both acts as an introduction to the Dawn of the Jedi period and a standalone story.”—Club Jade “A solidly enjoyable read . . . a nice addition to the Expanded Universe.”—Tosche Station “A good solid Star Wars adventure story with heart.”—Knights’ Archive
