

## Stargate Sg 1 The Cost Of Honor

Stargate Universe begins right where Season Two of the acclaimed science fiction TV series ended, with the crew and unwilling passengers of Destiny set to cross a vast expanse of space with no margin for error. With almost all of the willing and unwilling crew of the ancient starship Destiny in suspended animation, only Eli Wallace is left awake to repair his own stasis pod before time runs out. While he races against time, a new and unexpected danger threatens the fragile plan designed to keep everyone alive and away from the aliens who had been pursuing them. What is the next chapter in the Stargate Universe saga? Find out right here! Come with us and join the fight to get #BackToDestiny! This graphic novel collects Stargate Universe #1-6.

On a world enslaved, the last embers of hope are fading into an unrelenting darkness. Conquered and broken, the natives are forced to ravage their own lush planet of its natural resources—all for the glory of a mysterious empire they've never seen and barely comprehend. But not all light is lost. In the heart of one young woman alone, the gods have set a flame that cannot be extinguished. Cerrin remains as fierce and unyielding as the planet itself. And her chance to strike is fast approaching. Above the skies of her home world, soldiers of the empire are welcoming their new civilian commander—a vicious nobleman blinded by hidden ambitions. When the new face of darkness turns its eyes on Cerrin, the fate of countless worlds will change forever. (Second edition: updated, new preface by the authors)

A cultural study of an array of popular North American science fiction film and television texts, Excavating the Future explores the popular archaeological imagination and the political uses to which it is being employed by the U.S. state and its adversaries.

It seems innocent enough. A disgraced British colonel bequeaths a mysterious letter to his only son. But the moment Adam Scott opens the yellowing envelope, he sets into motion a deadly chain of events that threatens to shake the very foundations of the free world. Within days, Adam's lover is brutally murdered and he's running for his life through the great cities of Europe, pursued not only by the KGB, but by the CIA and his own countrymen as well. Their

common intent is to kill him before the truth comes out. While powerful men in smoke-filled rooms plot ever more ingenious means of destroying him, Adam finds himself betrayed and abandoned even by those he holds most dear. When at last he comes to understand what he is in possession of, he's even more determined to protect it, for it's more than a matter of life and death-it's a matter of honor. **BONUS MATERIAL INCLUDED:** 1st chapter of Jeffrey Archer's newest novel **SINS OF THE FATHER**, coming May 2012. **SINS OF THE FATHER:** On the heels of the international bestseller *Only Time Will Tell*, Jeffrey Archer picks up the sweeping story of the Clifton Chronicles.... Only days before Britain declares war on Germany, Harry Clifton, hoping to escape the consequences of long-buried family secrets, and forced to accept that his desire to marry Emma Barrington will never be fulfilled, has joined the Merchant Navy. But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the *SS Kansas Star*, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. On landing in America, however, Bradshaw quickly learns the mistake he has made, when he discovers what is awaiting him in New York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.

This book looks at the adaptation of science fiction from literary and film sources for television. The authors examine television as having a separate identity and separate aesthetic principles from film and draw appropriate comparisons.

"So this..." Cam gestured to the machinery. "This can only move us backwards and forwards in our own timeline." "That's my best guess," Sam said. She pushed her bangs back out of her face. Her hair had grown out and was now caught in a ponytail at the back of her neck. "Just like Janus' puddlejumper." "I don't even want to think about that thing," Daniel said. "Or anything else to do with Janus." He winced. "Sorry," Sam said. "Sore spot." "Damn right." Daniel had only been out of the infirmary for two weeks since his latest brush with one of Janus' inventions. This one had gotten him kidnapped and electrocuted. They all spun around as the gate began to activate. "Firing positions," Cam said, crouching down beside the control panel. If someone were making a grab for Ba'al's facility... The wormhole opened and stabilized, a glittering puddle of blue. Cam's radio crackled. "SG-1, this is Stargate Command. You are to return to Earth immediately." What the...? Cam chinned his radio on. "Stargate Command, we still have a lot to do here. Colonel Carter..." "Return immediately," the voice of Sergeant Harriman said firmly. "Stargate Command has been attacked."
