Reductions in police department funding have raised the importance of volunteers in enhancing organizational performance, improving community trust and confidence, and at times accomplishing basic tasks to maintain public safety and security. During a period when police administrators are asked to do more with less, and to engage in smarter, community-oriented policing, citizen volunteers are an invaluable resource. *Police Reserves and Volunteers* is an invaluable primer for those looking to understand the benefits and challenges involved in the use of the volunteers within global law enforcement agencies. Using cases from a range of specialists and precincts, this edited volume provides a rare window into police administration from the state legislation that regulates police reserves in California to the local models observed in many counties and cities across the United States. *Police Reserves and Volunteers* offers volunteers, local elected officials, and law enforcement straightforward guidelines to enhance police goals and build public trust in local communities.

Reports for 1980-19 also include the Annual report of the National Council on the Arts.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
