It's difficult to go over multiple books in the last few weeks before the exam, so Wiley's 11th Hour Review Guide does the work for you--condensing each reading down to two- to five pages. Enter the exam room with confidence and reinforce your knowledge and preparation! This comprehensive guide complements Wiley's CFA Study Guides sold separately but may be used with any review course. An effective, efficient study guide, this book prepares you to reach the next level in your career. "The Eleventh Hour Review book is simply brilliant. Virtually every sentence it contains is testable--it's an absolute must-have for every Level I candidate." --Ameer, UK "The eleventh hour guide was a great help." --Konrad, South Africa "I used your eleventh hour guide and mock exams for the last bit of my studying and greatly enjoyed your material. Out of all of the exam prep material, I thought [yours] was the best." --Thomas, USA "Thanks to the team for writing the most intelligent Chartered Financial Analyst material I have seen to date. The eleventh hour guide is absolute genius and proving very valuable at this stage of the revision process." --Doug, UK

In-depth Level II exam preparation direct from the CAIA Association CAIA Level II is the official study guide for the Chartered Alternative Investment Analyst professional examination, and an authoritative guide to working in the alternative investment sphere. Written by the makers of the exam, this book provides in-depth guidance through the entire exam agenda; the Level II strategies are the same as Level I, but this time you'll review them through the lens of risk management and portfolio optimisation. Topics include asset allocation and portfolio oversight, style analysis, risk management, alternative asset securitisation, secondary market creation, performance and style attribution and indexing and benchmarking, with clear organisation and a logical progression that allows you to customise your preparation focus. This new third edition has been updated to align with the latest exam, and to reflect the current practices in the field. The CAIA designation was developed to provide a standardized knowledge base in the midst of explosive capital inflow into alternative investments. This book provides a single-source repository of that essential information, tailored to those preparing for the Level II exam. Measure, monitor and manage funds from a risk management perspective Delve into advanced portfolio structures and optimisation strategies Master the nuances of private equity, real assets, commodities and hedge funds Gain expert insight into preparing thoroughly for the CAIA Level II exam The CAIA Charter programme is rigorous and comprehensive, and the designation is globally recognised as the highest standard in alternative investment education. Candidates seeking thorough preparation and detailed explanations of all aspects of alternative investment need look no further than CAIA Level II.

Practicing for the CFA exam is a daunting task and every candidate struggles in each level of their exam preparation. In this book, Andy Solnik lays out a straight forward approach to organize the vast material, read it effectively, make summaries and review it so that you have the best possible chance of succeeding in the exam. You will also learn effective exam writing strategies and what to avoid on exam day and in your preparation. Like they say: The MBA you buy, the CFA you earn. Let's begin the journey!

Confidently prepare for the Chartered Financial Analyst Level III 2022 exam Wiley's Level III CFA Program Study Guide 2022: Complete Set is a proven and recognized resource designed to help Chartered Financial Analyst candidates understand, retain, and master the CFA Program curriculum. The set comes complete with color-coded study guides and coverage of every Learning Outcome Statement included in the 2022 Level III exam. This practical and hands-on reference includes: Figures and diagrams to illustrate important concepts, especially portfolio management, wealth planning, and asset classes. Additional commentary to make the material more easily accessible. Exam tips, fundamental concepts, and in-depth examples highlighting the subjects discussed within. Prepared entirely by our staff of CFA charterholders and instructors, these books are a remarkably effective and popular study aid for anyone preparing for the Level III CFA exam.

Principles of Investments by Bodie, Drew, Basu, Kane and Marcus emphasises asset allocation while presenting the practical applications of investment theory. The authors concentrate on the intuition and insights that will be useful to students throughout their careers as new ideas and challenges emerge from the financial marketplace. It provides a good foundation to understand the basic types of securities and financial markets as well as how trading in those markets is conducted. The Portfolio Management section is discussed towards the end of the course and supported by a web-based portfolio simulation with a hypothetical \$100,000 brokerage account to buy and sell stocks and mutual funds. Students get a chance to use real data found in the Wall Street Survivor simulation in conjunction with the chapters on investments. This site is powered by StockTrak, the leading provider of investment simulation services to the academic community. Principles of Investments includes increased attention to changes in market structure and trading technology. The theory is supported by a wide range of exercises, worksheets and problems.

This Premium edition now includes 6 full-length practice tests (4 in the book and 2 online) for the most practice possible.

The Secret to Attracting a Man Who Loves You, Sees You, And Cherishes You Into A Committed, Lasting Relationship... You want to be loved and cherished by a man. You want a man who feels like you're too important to him to lose you. But we live in the age of the "hookup culture" where casual, friend with benefits situationships have become the norm. Maybe you get into a situation where you give your everything only to be taken for granted, have the guy pull away, and eventually disappear on your altogether. This makes you feel confused, frustrated, and feeling like you doubt yourself and your own worth... wondering if you'll ever get into the relationship you want. If you're having a hard time with men and dating, it's not your fault. We live in a culture that encourages superficial relationships and discourages anything meaningful. I believe there's a better way for men and women to get into and stay in committed relationships that last. That's why I put together a proven path that will help you get into the relationship you want. It's called, "The Forever Woman." Who Am I? My name is Matthew Coast and I've been teaching in the dating industry since 2005. I've taught, coached, and spoken to hundreds of thousands of both men and women, all over the world, about dating and relationships. My videos and articles reach millions of women, every month, all over the world. Many of them have gone on to get married, raise families, and live happily ever after. I've helped save marriages, mend broken hearts, and heal struggling relationships. And now I'd like to help you. Your Success Path I have a 3 part plan for you to be successful... - Believe in your value - Position yourself in value - Communicate your value If you're ready to put this plan into action, get a copy of my The Forever Woman book. Just click the add to cart button and purchase it right now. If you get The Forever Woman and use the principles in it... - You'll attract a man who loves and cherishes you. - He'll pursue you for a committed, lasting relationship. - You'll do less work and feel more appreciated and valued by your man. If you don't get it... - You'll stay stuck in your problems and challenges with men. - You'll feel like you're doing everything in a relationship only to be taken for granted, have guys pull away, and eventually disappear on you - You'll wonder if you're ever going to get into the relationship you want. If you're ready to attract a great man who loves, sees, and cherishes you, buy a copy of my book and I'll speak with you again soon! Talk soon, Matthew Coast

I truly believe in the Wiley products, and will be recommending them to students for years to come." – Lindsey G, USA "Looked at the economics module you sent me, the notes at University do not even come close, and its probably true for a lot of people, including those who have already completed an honors degree or MBA at some of the top universities around the world." – Geoffrey, South Africa

A simple guide to a smarter strategy for the individual investor A Wealth of Common Sense sheds a refreshing light on investing, and shows you how a simplicity-based framework can lead to better investment decisions. The financial market is a complex system, but that doesn't mean it requires a complex strategy; in fact, this false premise is the driving force behind many investors' market "mistakes." Information is important, but understanding and perspective are the keys to better decision-making. This book describes the proper way to view the markets and your portfolio, and show you the simple strategies that make investing more profitable, less confusing, and less time-consuming. Without the burden of short-term performance benchmarks, individual investors have the advantage of focusing on the long view, and the freedom to construct the kind of portfolio that will serve their investment goals best. This book proves how complex strategies essentially waste these advantages, and provides an alternative game plan for those ready to simplify. Complexity is often used as a mechanism for talking investors into unnecessary purchases, when all most need is a deeper understanding of conventional options. This book explains which issues you actually should pay attention to, and which ones are simply used for an illusion of intelligence and control. Keep up with—or beat—professional money managers Exploit stock market volatility to your utmost advantage Learn where advisors and consultants fit into smart strategy Build a portfolio that makes sense for your particular situation You don't have to outsmart the market if you can simply outperform it. Cut through the confusion and noise and focus on what actually matters. A Wealth of Common Sense clears the air, and gives you the insight you need to become a smarter, more successful investor.

Contents of the Study Material ?Study Notes are aligned with the curriculum ?Present the concepts in an easily understandable manner ?The most important points of each section of the curriculum are highlighted and explained ?Reading the notes helps to reinforce your understanding and grasping of concepts ?For each reading you will find detailed notes covering each Learning Outcome ?Solved Examples at the end of each reading ?Summary and Practice Questions after each reading About the Full Study package Presented in 6 Paperback volumes: Book 1: Ethical and Professional Standards and Quantitative Methods Book 2: Economics Book 3: Financial Reporting & Analysis Book 4: Corporate Finance and Equity Book 5: Fixed Income and Derivatives Book 6: Alternative Investments and Portfolio Management We will recommend using all volumes for complete understanding and use our Question bank and 25th Hour notes for last minute practice and summary notes. The set also includes practice questions to assist with your recall of key terms, concepts, and formulas. Perfect for anyone preparing for the 2022 Level I CFA exam, the 2022 CFA Program Curriculum Level I Box Set is a must-have resource for those seeking the foundational skills required to become a Chartered Financial Analyst®.

Clear, concise instruction for all CFA Level I concepts and competencies for the 2018 exam The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2018 Level I, Volumes 1-6 provides the complete Level I Curriculum for the 2018 exam, delivering the Candidate Body of Knowledge (CBOK) with expert instruction on all 10 topic areas of the CFA Program. Fundamental concepts are explained in-depth with a heavily visual style, while cases and examples demonstrate how concepts apply in real-world scenarios. Coverage includes ethical and professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments, and portfolio management, all organized into individual sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams, and financial statements illustrate concepts to facilitate retention, and practice questions provide the opportunity to gauge your understanding while reinforcing important concepts. Learning Outcome Statement checklists guide readers to important concepts to derive from the readings Embedded case studies and examples throughout demonstrate practical application of concepts Figures, diagrams, and additional commentary make difficult concepts accessible Practice problems support learning and retention CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program Curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools; Level II focuses on application of concepts and analysis, particularly in the valuation of assets; and Level III builds toward synthesis across topics with an emphasis on portfolio management.

Navigate equity investments and asset valuation with confidence Equity Asset Valuation, Third Edition blends theory and practice to paint an accurate, informative picture of the equity asset world. The most comprehensive resource on the market, this text supplements your studies for the third step in the three-level CFA certification program by integrating both accounting and finance concepts to explore a collection of valuation models and challenge you to determine which models are most appropriate for certain companies and circumstances. Detailed learning outcome statements help you

navigate your way through the content, which covers a wide range of topics, including how an analyst approaches the equity valuation process, the basic DDM, the derivation of the required rate of return within the context of Markowitz and Sharpe's modern portfolio theory, and more. Equity investments encompass the buying and holding of shares of stock in the anticipation of collecting income from dividends and capital gains. Determining which shares will be profitable is key, and an array of valuation techniques is applied on today's market to decide which stocks are ripe for investment and which are best left out of your portfolio. Access the most comprehensive equity asset valuation text on the market Leverage detailed learning outcome statements that focus your attention on key concepts, and guide you in applying the material accurately and effectively Explore a wide range of essential topics, such as the free cash flow approach, valuation using Graham and Dodd type concepts of earning power, associated market multiples, and residual income models Improve your study efforts by leveraging the text during your CFA certification program prep Equity Asset Valuation, Third Edition is a comprehensive, updated text that guides you through the information you need to know to fully understand the general analysis of equity investments.
