When graduate student Merit is saved from a vampire attack by being turned into a vampire herself, she struggles to figure out her place amongst her new vampire friends while being targeted by an unknown entity.

"Clouds are brewing over Cadogan House, and recently turned vampire Merit can't tell if this is the darkness before the dawn or the calm before the storm. With the city in turmoil over paranormals and the state threatening to pass a paranormal registration act, times haven't been this precarious for vampires since they came out of the closet. If only they could lie low for a bit and let the mortals calm down. That's when the waters of Lake Michigan suddenly turn pitch-black--and things really start getting ugly. Chicago's mayor insists it's nothing to worry about, but Merit knows only the darkest magic could have woven a spell powerful enough to change the very fabric of nature. She'll have to turn to friends old and new to find out who's behind this, and stop them before it's too late for vampires and humans alike."--

" Sydney Sage is an Alchemist, one of a group of humans who dabble in magic and serve to bridge the worlds of humans and vampires. Now in the aftermath of an event that ripped their world apart, Sydney and Adrian struggle to pick up the pieces and find their way back to each other. But first, they have to survive"--

The Dark Swan series by #1 New York Times bestselling author Richelle Mead is together at last in this complete bundle! Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants... Storm Born--Book One Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy--one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldy ne'er-do-well, and the ones who don't want to knock her up want her dead. She finds formidable allies in Dorian, a seductive fairy king with a taste for bondage, and Kiyō, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her... Thorn Queen--Book Two Eugenie Markham is paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It's hardly an envious life, not with her kingdom in tatters, her love life in chaos, and Eugenie eager to avoid the prophecy about her firstborn destroying mankind. And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyō is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, Eugenie must venture deep into the Otherworld and trust in an unpredictable power she can barely control. Reluctant queen or not, Eugenie has sworn to do her duty--even if it means facing the darkest--and deadliest--side of her nature... Iron Crowned--Book Three Eugenie Markham is the best at banishing entities trespassing in the mortal realm. But as the Thorn Land's queen, she's fast running out of ways to end the brutal war devastating her kingdom. Her only hope: the Iron Crown, a legendary object even the most powerful gentry fear... Who Eugenie can trust is the hardest part. Fairy king Dorian has his own agenda for aiding her search. And Kiyō, her shape-shifter ex-boyfriend, has every reason to betray her along the way. To control the Crown's ever-consuming powers, Eugenie will have to confront an unimaginable temptation--one that will put her soul and the fate of two worlds in mortal peril... Shadow Heir--Book Four Eugenie Markham

strives to keep the mortal realm safe from trespassing entities. But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld... The spell-driven source of the blight isn't the only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyo is endangered by secrets he can't--or won't--reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon--and risk the ultimate sacrifice...

Being a succubus sounds pretty glamorous. Shape-shifting, killer wardrobe, what's not to like? But Georgina Kincaid's life gets complicated when an unknown entity "helpfully" begins killing her immortal adversaries.

In *Georgina Kincaid, succubus and she-demon*, #1 New York Times bestselling author Richelle Mead has created one of her most enticing characters. But with a shot at love, and maybe even redemption, is the ultimate seductress finally going soft? Like hell she is... Georgina Kincaid has had an eternity to figure out the opposite sex, but sometimes they still surprise her. Take Seth Mortensen. The man has risked his soul to become Georgina's boyfriend. Still, with Lucifer for a boss, Georgina can't just hang up her killer heels and settle down to domestic bliss. In fact, she's being forced to transfer operations...to Las Vegas. The City of Sin is a dream gig for a succubus, but Georgina's allies are suspicious. Why are the powers-that-be so eager to get her away from Seattle—and from Seth? Georgina is one of Hell's most valuable assets, but if there's any way out of the succubus business she plans to take it—no matter how much roadkill she leaves behind. She just hopes the casualties won't include the one man she's risking everything for... Outstanding Praise for Richelle Mead "The obvious heir to the Twilight throne." —The Dailybeast.com "This is one of those series I'm going to keep following." —Jim Butcher on *Succubus Blues*

Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is. . . It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one--and fast, because soon, Doug's life won't be the only one on the line. . . "Compulsively readable." -Rachel Caine "No other succubus will do!" -Vicki Pettersson "A delicious treat for Georgina fans!" -Kat Richardson "If damnation is this fun, sign me up!" -Lilith Saintcrow

In a town full of vampires, mages, and werewolves, detective work can be dangerous: "Dark and sexy . . . a paranormal treat" (Lara Adrian, New York Times--bestselling author). Shiarra Waynest's job was dangerous enough when her client base was strictly mortal. But ailing finances have forced her to accept a lucrative case that could save her firm—if it doesn't kill her first. Shiarra has signed on to work for a high-level mage to recover an ancient artifact owned by one of New York's most powerful vampires. As soon as the detective meets the sexy, mesmerizing vampire Alec Royce, she knows her assignment is even more complicated than she thought. With a clandestine anti-Other group trying to recruit her and magi being eliminated, Shiarra needs backup. She enlists her ex-boyfriend—a werewolf whose non-furry form is disarmingly appealing—and a nerdy mage with surprising talents. But it may not be enough. In a city where the undead roam, magic rules, and even the Others aren't always what they seem, Shiarra has just become the secret weapon in a battle between good and evil—whether she likes it or not. This fast-moving urban fantasy is "a fun, high octane ride with

a take charge heroine who will leave you wanting more” (Alexandra Ivy, New York Times–bestselling author). “Take a sarcastic, likable heroine out of her depth with a mysterious, seductive vampire, add lots of scheming bad guys, and you’ve got a delightful romp of a book.” —Angela Knight, New York Times–bestselling author “Full of litigious vampires, sexy shapeshifters and a mage sidekick akin to Bond’s Q, what more could you want?” —Mark Henry, author of *Battle of the Network Zombies* “Fresh, hilarious, Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her first one-night stand ever...with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes...and then a dark stranger whose bite transformed her into an immortal siren with a sexy itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fierce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How's a girl supposed to save the world when the enemy's so hard to resist?

The first in the Half-Moon Hollow series is “wry, delicious fun” (Susan Andersen, New York Times bestselling author) as it follows a librarian whose life is turned upside down by a tempestuous and sexy vampire. Jane is now the latest recipient of a gift basket from the Newly Undead Welcoming Committee, and her life-after-lifestyle is taking some getting used to. Her recently deceased favorite aunt is now her ghostly roommate. She has to fake breathing and endure daytime hours to avoid coming out of the coffin to her family. She's forced to forgo her favorite down-home Southern cooking for bags of O negative. Her relationship with her sexy, mercurial vampire sire keeps running hot and cold. And if all that wasn't enough, it looks like someone in Half Moon Hollow is trying to frame her for a series of vampire murders. What's a nice undead girl to do?

With Marjorie's insistence on keeping Wendell's ghost identity a secret from her new friends, Wendell begins to feel even more invisible than he already is. Eliza Duncan feels invisible too. She's an avid photographer, and her zealous interest in finding and photographing ghosts gets her labeled as "different" by all the other kids in school. Is it worth losing her friend, Wendell? Is she partially to blame for the bullying Eliza endures? *Delicates* tells a powerful story about what it means to fit in, and those left on the outside. It shows what it's like to feel invisible, and the importance of feeling seen. Above all, it is a story of asking for help when all seems dark, and bringing help and light to those who need it most.

A #1 NEW YORK TIMES BEST SELLER *The Selection* meets *Reign* in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. "Brilliant and original, Mead's new series starts off with a

bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.
