

Summer Bridge Activities Grades 4 5

Summer Bridge Activities(TM): Bridging Grades Third to Fourth prepares your rising fourth grader for a successful school year. The activities in this book are designed to review the skills that your child mastered in third grade, preview the skills that he or she will learn in fourth grade, and help prevent summer learning loss. No matter how wonderful your child's classroom experiences are, your involvement outside of the classroom is crucial to his or her academic success.

Together with Summer Bridge Activities(TM), you can fill the summer months with learning experiences that will deepen and enrich your child's knowledge and prepare your child for the upcoming school year. --Summer Bridge Activities(TM) is the original workbook series developed to help parents support their children academically during the summer months. While many other summer workbook series are available, Summer Bridge Activities(TM) continues to be the series that teachers recommend most. --The three sections in this workbook correspond to the three months of traditional summer vacation. Each section begins with a goal-setting activity, a word list, and information for parents about the fitness and character development activities located throughout the section. Bonus extension activities that encourage outdoor learning, science experiments, and social studies exercises are located at the end of each section. --Stickers, flash cards, and a colorful award certificate are also included. 160 full-color pages.

Give your soon-to-be eighth grader a head start on their upcoming school year with Summer Bridge Activities: Bridging Grades 7-8. With daily, 15-minute exercises kids can review proportions and misplaced modifiers and learn new skills like square roots and writing in the active voice. This workbook series prevents summer learning loss and paves the way to a successful new school year. --And this is no average workbook! Summer Bridge Activities keeps the fun and the sun in summer break! Designed to prevent a summer learning gap and keep kids mentally and physically active, the hands-on exercises can be done anywhere. These standards-based activities help kids set goals, develop character, practice fitness, and explore the outdoors. With 12 weeks of creative learning, Summer Bridge Activities keeps skills sharp all summer long!
