

Sweet Fury

Marshal Travis Kincaid is determined to transform a feisty woman into a true lady, but he must first overcome her natural sensuality.

From the acclaimed author of *Mr. Dickens and His Carol*, a richly-imagined reckoning with the life of another cherished literary legend: Mary Wollstonecraft – arguably the world’s first feminist August, 1797. Midwife

Parthenia Blenkinsop has delivered countless babies, but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft’s door. Over the eleven harrowing days that follow, as Mrs.

Blenkinsop fights for the survival of both mother and newborn, Mary Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes. Wollstonecraft’s urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, *Love and Fury* is a story about the power of a woman reclaiming her own narrative to pass on to her daughter, and all daughters, for generations to come.

I'm a cold-blooded killer. Raised that way by a man named Ryu after I was found unconscious on his doorstep when I was ten years old. I have no recollection of my former past, only that Ryu took me in, raised me like a daughter, and trained me to become what I am today: a silent and deadly predator. Behind each seductive smile is a calculated plan on how I'm going to kill my next victim. Deadly with a gun and even deadlier with a blade, I spared no one. Except one man... A man who made me question everything I'd ever been told. Whose past was as mysterious as mine, and made me feel things I shouldn't. Grady Tanner.

When high school junior Emily hooks up with her best friend's boyfriend and football quarterback Chase's life spirals out of control, three mysterious Furies--paranormal creatures that often assume the form of beautiful women--come to town to make sure that Emily and Chase get what they deserve.

Introduction: This book Sweet Fury, Overcoming The Trials, is based on my real life events. I'm not sure why I had such horrible trials. I know I made lots of mistakes. I had lots of insecurities and no self worth. I struggled for years to write this book to tell some incidents in my life because of the humility and shame. I know sometimes we invite spirits to come into our lives that we are not aware of. Some are genetic, some are addictions, perversion, gambling, witchcraft, anger, lying, tormenting, accusation and accusers, blame, murder and mental illness to name a few. Satan knows who to send to destroy your

walk with God.. He tempts us when were at our weakest time. Abuse can bring stress and other health related sickness. I hope in publishing this book that someone else facing similar trials, will know their is hope through God.

Introduction: This book Sweet Fury is based on real life events. I struggled for years to write this book to tell some incidents in my life because of the humility and shame. There is so much more not told but God knows the tears I cried alone in my pillow. God has forgiven my past. I was always peculiar and different for Gods purpose. The five fold ministry gifts of the spirit. One is called discernment. Some people in the world would say I have peoples number. The only people I let get away with things was people I gave my heart too or was a underdog. I always want to pray or help people. I didn't have much self worth growing up. It was a struggle and I was taught to fight my way in the streets of Detroit. I am bold in the Lord, but yet God's saw me as humble. God had a plan for my life. People judge people but God sees their heart. I was hesitant about writing this book because people will try to use it to destroy my walk with God, but I realize that people can't spare me from the hell to come if I don't obey God. People will talk about me anyways and lie on me, so I might as well let them talk about me for telling the truth. Amen. So if this book can help someone else, it will be worth all the humiliation and shame. In all that I

chose and all that I faced in my life people need to know that God, will hear your cries and rescue you too. He shows favor to the obedient. What you speak is who you are, what you is your choice. Just remember with God nothing is impossible and no barriers are to hard to overcome. He is a forgiving and merciful God. This book has some adult content in it because it's part of falling away. The book has a message of hope to people in similar situations to overcome. So many spirits of generational curses, anger and fears. The tormenting spirits, insecurities and no positive Godly influences can torment peoples lives. All deliverance needed from God to start new. Remember there will still be trials, but you don't have to face them alone. Let God help your and you will see you have nothing to lose but everything to gain. I almost lost my mind in the process of the pain and suffering. I came to a point I begged God to take me home. But God had a plan for my life and came to my rescue. God bless all. One tragic night changed Belle Alston's world forever. She gave up an opportunity for love and chose vengeance instead. Now, her life is a lie. Belle must disguise herself as a boy, and she becomes the notorious bounty hunter, Fury. But Fury has a problem, Ranger Travis Parker, a man from her past, a man she believed she could have a future with. To make matters worse, Travis knows her true identity. Belle is determined to continue her life as Fury, but Travis has other plans. He is taking her home, whether she likes it or not. Travis will do anything to get Belle home and keep her safe,

even if he has to warm her cute little backside. Publisher's Note: Fury's Love is a sweet romance set in 1880s Texas, filled with suspense, humor, endearing romance, and a theme of loving power exchange.

Reproducing Rome is a study of the representation of maternity in the Roman literature of the first century CE, a period of intense social upheaval and reorganization as Rome was transformed from a Republic to a form of hereditary monarchy under the emperor Augustus. Through a series of close readings of the works of Virgil, Ovid, Seneca, and Statius, the volume scrutinizes the gender dynamics that permeate these ancient authors' language, imagery, and narrative structures. By analysing the texts, McAuley considers to what degree their representations of maternity reflect, construct, or subvert Roman ideals of, and anxieties about, family and motherhood. The volume also explores the extent to which these representations distort or displace concerns about fatherhood or other relations of power in Augustan and post-Augustan Rome.

A fierce fantasy sequel full of sisterhood, heart-pounding action, betrayal, and royal intrigue, perfect for fans of The Belles and Caraval. When the new, brutal Superior banishes Nomi from Bellaqua, she finds herself powerless and headed towards her all-but-certain death. Her only hope is to find her sister, Serina, on the prison island of Mount Ruin. But when Nomi arrives, it is not the island of conquered, broken women that they expected. It is an island in the grip of revolution, and Serina--polite, submissive Serina--is its leader. Betrayal, grief, and violence have changed both sisters, and the women of Mount Ruin have their sights set on revenge beyond the confines of their island prison. They plan to sweep across the entire kingdom, issuing in a new age of freedom for all. But first they'll have to get rid of the new Superior, and only Nomi knows how. Separated once again, this time by choice, Nomi

and Serina must forge their own paths as they aim to tear down the world they know, and build something better in its place. The stakes are higher and the battles bolder in Tracy Banghart's unputdownable sequel to *Grace and Fury*.

A provocative tale told through a series of scholarly texts draws on notebooks and conflicting accounts about the life and work of an acclaimed artist who after years of being marginalized conceals her female identity behind three male fronts.

"Jennifer L. Armentrout is a master of weaving rich contemporary realism with magic and mayhem. Her characters will grab hold of your heart and refuse to let go. Every page left me wanting more."—New York Times bestselling author Brigid Kemmerer

BOOK ONE IN THE NEW YORK TIMES BESTSELLING HARBINGER SERIES Meet Trinity Marrow, a girl with an explosive secret whose hiding place has just been discovered... Eighteen-year-old Trinity may be going blind, but she can see and communicate with ghosts and spirits. Her gift is the reason she's been in hiding for years in a compound guarded by Wardens—shape-shifters who protect humankind from demons. If the demons discover the truth about Trinity, they'll devour her to enhance their powers. When Wardens from another clan arrive with reports that something is killing both demons and Wardens, Trinity's world implodes. Not the least because one of the outsiders is the most annoying and fascinating person she's ever met. Zayne has secrets of his own—but working together becomes imperative once demons breach the compound and Trinity's secret comes to light. To save her family and maybe the world, she'll have to trust Zayne. But all bets are off as a supernatural war is unleashed... The Harbinger Series: Storm and Fury Rage and Ruin Grace and Glory Can't get enough of Zayne? Read about his past in The Dark Elements series: The Dark Elements Series: Bitter Sweet Love (ebook-only

prequel) White Hot Kiss Stone Cold Touch Every Last Breath Vengeance or Forgiveness? What would you choose? Being a teenager has its ups and downs. Ups? Hot boys, the mall, best friends, dreams of an amazing future. So much potential. Downs? Hot boys, parental drama, frenemies, emotional craziness, snakes emerging from your head when angry... Yeah, I was surprised, too. How am I supposed to stay on my carefully planned path when my true biological heritage presents its ugly head—ahem, heads. And when the messengers of my so-called destiny happen to be two of the most incredibly hot and irritating males on the planet, I'm left fantasizing about my previously boring life. Am I supposed to believe that my duty is to seek vengeance? Or to grant mercy to the offender? And how on earth am I qualified to make these decisions? I'm bound to make mistakes along the way, but keep your fingers crossed that I don't inadvertently send the world to Tartarus in a hand basket.

Reproduction of the original: The Works of Lord Byron by Ernest Hartley Coleridge

Sixteen-year-old Felicia Murphy has learned the pitfalls of letting the snakes in her head control her life, and she has no intention of letting them interfere in her future. She knows it's not her duty to dish out vengeance, but, oh, the temptation... Battling near-constant headaches bites, but with Ryder by her side, she's able to keep the Fury at bay. She doesn't care that Meg, her biological-mother-from-hell, has escaped Mercy's prison and will be playing dirty to get Felicia on her side. What she does care about is having a perfect night at the prom and successfully debuting the new mentor room for the

troubled kids in town. She refuses to play into Meg's sick, twisted games. Lines become blurred when Felicia's best friend is brutalized. Felicia knows she could have prevented the pain if she had been willing to wield her one secret weapon. What once was black and white now becomes soiled with shades of gray. Will this self-discovery encourage her to embrace her craving for vengeance? And if so, will Ryder be able to accept her for who she has become?
