An astrology book geared specifically toward relationship aspects of the zodiac signs is offered by one of the foremost astrologers in the world and the author of 23 books.

Master astrologer Noel Tyl shows that by using transits and other timing techniques, a skilled astrologer can achieve amazing accuracy in predicting a client's predisposition to a host of critical illnesses, including breast and prostate cancer, heart disease, high blood pressure, diabetes, and more. You, too, can learn how to use Tyl's techniques through his more than 70 case studies presented here.

The most instructive book ever written on the art of astrological prediction. Focuses on the extremely accurate and sophisticated method of solar arcs. Ties in an exciting analysis of the war in the Middle East (done before the war began) and extends those insights into the next Millennium. Provides a "Quick Glance" Transit guide from 1940 to 2040.

Astrology isn't just a science, it's a human science. The purpose for astrology isn't to simply collect numbers and determine their meanings, it's to use that information to give guidance in life. You can learn the science of chart interpretation through books, DVDs, and practice.

Learning how to give a consultation with a client, however, is a skill that can turn a so-so astrologer into a great astrologer. This skill is what you'll learn on Guides for Consultation, the fifth volume of Noel Tyl's Masterwork Series of DVDs. The key to giving a good astrological consultation goes beyond knowing what a chart means. Rather, as Tyl says, it's about "understanding and appreciating and applauding and supporting the human being." This DVD shows you exactly how to do that, bringing the focus of your consultation back to the individual

rather than the chart. One of the important aspects of astrological consultation is developing ways to inform clients of important information without having the client reject what you're telling him or her due to fears or being overwhelmed. That is one of the skills you'll learn in this private lesson from the master of astrology. When you master this skill you'll be able to give readings that clients will describe as having inestimable value. You'll help them learn to change their minds when necessary and at the appropriate time.

This Second Edition of the highly popular and best-selling *The Only Way to Learn Astrology* series continues the traditions of Volumes 1 and 2 by presenting refinements of astrological interpretation, as well as the actual process of "putting it all together" into a meaningful, informative analysis. Part I, liberally sprinkled throughout with horoscopes of many famous and fascinating personalities, takes you through the 144 possible placements of house rulers—valuable information that is otherwise difficult to find in contemporary astrological literature. Part II presents examples of depth analysis using the horoscopes of four prominent individuals. Part III covers special, specific areas of delineation such as health, vocation, personal appearance, marriage and more.

For serious astrologers, this book is full of predictive techniques that really work, including cycles, transits, returns, progressions, eclipses, and the clearest explanation of the Saros cycles ever! Describes luminary and planetary arcs, and how to use transits to set up time maps. Brady also interprets progressed planets, waxing and waning orbs, planets changing signs, retrograde motion of transits and lunar phases and how they operate in predictive work. Appendices. Bibliography.

Don't wish upon the stars. Divine their secrets... This revised and updated edition features

explanations of all the houses, signs and their meanings, as well as information on astrology's connection with metaphysics and psychology.

Once you understand the astrological chart, it's time to bring order and clarity to your consultations with clients. Renowned astrologer Noel Tyl explores astrological interpretation as an art form. Emphasizing the horoscope as a reflection of an individual, he demonstrates how to transform astrological data into a vivid personality portrait. Tyl's thoughtful discussion includes peregrine planets, the lunar nodal axis, midpoints, aspects, and how they relate to the evolving life reality of an individual. Tyl also provides a cohesive, effective format for meeting with clients. Actual case studies of the author's consultations-including dialogue and natal chart-highlight sharp astrological interpretation and the nuances of this delicate person-to-person interaction.

This book explores archetypal symbolism, predictive technique, and counseling process in therapeutic astrology. Combining insights from Jungian depth psychology, developmental theory, alchemy and dream symbolism with the precision of planetary transits, progressions and midpoints, *Planets in Therapy* is an inspiring approach to the healing art of astrology. *Planets in Therapy* clearly and succinctly explains the interpretation of the language and techniques of astrology, the depth psychological, transpersonal and spiritual meaning of planetary symbolism, and its power to heal and transform. Greg Bogart masterfully guides the reader through the principles of psychological astrology, emphasizing the process of selftransformation, spiritual evolution, and discovering the meaning in every event and every moment. A wide range of examples demonstrate how to apply this knowledge to skillfully help others as a counseling astrologer.

Astrology, being about time, is often used to provide information on when to perform certain tasks. As a result, astrologers are often asked for the best times to do such things as move to a new home, change jobs, start schooling, get married, etc. In this fourth volume of Noel Tyl's Masterwork Series of DVDs, you'll learn how to determine the best times for such actions based on the techniques of Solar Arcs and Transits. As with all of the DVDs in this series, Tyl goes far beyond mere mechanical explanations of a chart. You'll discover how to understand the causes of events, helping clients discover why they are pulled to do one thing or another. The focus is on the individual with the chart giving assistance in making the right timing choices. This DVD is a must

for any astrologer who wants to give practical advice.

Praise for the online version of *The Role of the Least-Aspected Planet*: 'Couteau's astrocartography is not only a good primer on locational astrology but a cogent presentation of his theory that the least-aspected planet in anyone's chart is a key to understanding not only the horoscope but also the person's place in the world ... Celebrity and historical charts aplenty illustrate Couteau's thesis ... He also explains how midpoints, 'parans,' and other complications figure into his Transcendental Planet scheme.... and he furnishes ample case studies in support of his theory, both in terms of biographies and in relation to historic events. There's a great deal more besides ... and there's even a second volume with more on Transcendental Planets.' - Richard Nolle, author of *Interpreting Astrology*; *Critical Astrology*; and *Chiron*. 'I've just checked into your Web site, and I am extremely impressed with your discoveries and presentation! Thank you. Please know that your work requires / deserves much time for study and assimilation.... I feel it is really a 'book' that all of us should study.' - Noel Tyl, author of *Synthesis & Counseling In Astrology: The Professional Manual*. 'Your material is superb ... Because of my interest in aspects as well as Astro\*Carto\*Graphy, I found your discussion of least-aspected planets very interesting ... Had never looked at this concept in astrocartography before and am excited with what I've found.' - Donna Van Toen, author of *The Astrologer's Node Book* and *The Mars Book*. Couteau's book contains 495 pages and is printed in a large, 8" x 11" format. It also comes with a CD

featuring numerous graphics, such as astrocartography maps and horoscopes. In *The Soul Speaks: The Therapeutic Potential of Astrology*, psychosynthesis therapist and astrologer Mark Jones delivers a timely message about the therapeutic power of astrology. Based on over 10,000 hours of client work with individuals in astrology readings and long-term clinical work, *The Soul Speaks* offers a powerful synthesis of astrological and psychotherapeutic insight that will help the astrologer communicate a healing purpose in the most effective way. In this book, the beginner will find a treasure trove of counseling insight translated into clear terms. For the professional astrologer, this book offers clinical wisdom that has been adapted into the setting of the astrology reading. *The Soul Speaks* shows that by using a powerful blend of astrology with proven counseling skills, we can facilitate the greatest positive transformation in both ourselves and our clients, harnessing the truly unique gift that astrology offers the world as we help others articulate the soul's purpose.

This book illustrates the power of astrology to facilitate emotional healing, aid the lives of couples and families, guide career development, and promote focus and purpose in daily life. *Astrology's Higher Octaves* combines therapeutic astrology, the astrological study of relationships, vocational astrology, archetypal psychology, dreamwork, and the synthesis of astrology and music. Through detailed examples, readers learn to refine their interpretive skills and to practice astrology as a vital catalyst for both inner and outer works, a way to achieve integration. Influenced by Jung's interest in astrology

and dream analysis, Greg Bogart, PhD, presents a potent technique for combining astrology and dreams, where parallels and synchronicities between dream imagery and planetary symbolism amplify the truthful messages both convey, showing clear steps forward for transformation at crucial transitions. He illustrates how vocational astrology, informed by career counseling theory, helps us choose optimal occupational paths and fosters strategic timing and steady accomplishment in the realm of work. Readers also learn about diurnal astrology, which enhances the enjoyment of daily tasks and activities, sharpening our sense of purpose and time management skills. The book concludes with the spiritual value of astrology, a practice that refines us vibrationally in a manner analogous to music so that over the course of life we can discover and express distinctive tones. Recognition of the potentials shown in the birth chart prepares us for gradual sculpting of the life until it becomes a reflection of our celestial ideal. By unifying astrology with psychotherapy, vocational counseling, and dream interpretation, *Astrology's Higher Octaves* expands the celestial art's range of social influence and teaches us to extend the ray of consciousness in many directions simultaneously.

Teachings & Techniques from the Foremost Astrologer of our Era. Noel Tyl is one of the foremost astrologers in the world. His thirty-three textbooks have led the teaching of astrologers for two generations. Now, his MasterWork Series on DVD sets a new standard for dynamic presentation to light your learning and launch your career.

There are thousands of highly practical and often entertaining astrology books freely available to consumers who have become familiar with the basic parameters of astrology. The authors of these books, and most other astrologers, analyze only the "ten planets"--the sun and the nine planets of our solar system. Author William Noah asserts that this simple method is insufficient because the energy of mankind is not solely captured in the planets. Noah's all-inclusive work serves as a tutorial and reference for the world of asteroids and planets. Of the thousands of asteroids in the universe, Noah has selected twenty key asteroids that are the most relevant to the events, experiences, encounters, and future possibilities of the astrology-interested public. Noah's comprehensive work includes: Charts with meaning and symbolism of zodiac signs and houses Lists of planetary symbolism and meaning Alignment of chart interpretation with the

complementary astro-mythic energy characterization of triangular Grand Trine formations depicting the meaning and permanent effect for life momentum Natal charts for every president of the United States Natal charts for popular American celebrities The "Astrology of America" goes beyond analysis of the planets to prepare horoscopes by introducing preselected asteroids into the astrological mix. Noel believes his use of these asteroids, along with planetary placement, builds a framework that identifies the surest way to reach success and meaning in life.

Teachings and techniques from the foremost astrologer of our era.

In this indispensable astrology book, Noel Tyl presents the definitive study of astrology's most accurate prediction system. The first major presentation of Solar Arc theory and practice in the English language, this book offers the entire application spectrum of Solar Arcs, dramatized in numerous case studies. Tyl explains the theory behind Solar Arcs from their inception in ancient times to their present-day articulation in rich, psychodynamic natal analyses. He also focuses on their quintessential importance to modern rectification methodology, the divining of unknown birth times. Finally, he shows you how to maximize computer software support to produce definitive results. Learn the developmental history of the Solar Arc method Identify important development times in anyone's life, at a glance Explore the timing power of Tertiary Progressions Follow step-by-step rectification methods Use the 100-year Quick Glance Ephemeris Acquire knowledge of 1,130 possible Natal and Solar Arc Midpoint pictures Solar Arcs reveals the immense power of today's fastest growing astrological method. Help your clients reach personal fulfillment through effective counseling. This book presents the viewpoints of nine astrologers on factors crucial to clients' successful analysis. Discusses how to choose the best time for the consultation, use clues in clients' charts to solve problems, read the client's unspoken messages, simplify chart interpretations for clients unfamiliar with astrology, listen empathetically, and more to improve your skills.

For many astrologers, the thought of doing a rectification can be terrifying. Rectification is the art and science of determining a nativity when the birth date, time, and/or location are unknown. Why can this be terrifying? Because astrologers will make determinations and give advice based on that discovered horoscope. If you perform a rectification--a must for people who don't have all of their birth information--and don't have the right version of the rectified chart, the information you provide your client may be decidedly wrong. Give a client inaccurate advice because your rectification was incorrect and the decisions and choices your client makes could be...well, let's not go there. Instead, just consider what could happen and you'll see why some astrologers won't touch rectification, even though it's a vital skill. Leave it to Noel Tyl to boldly go where other astrologers fear to tread! In *Rectification*, the sixth volume of his Masterwork Series of DVDs, Tyl reveals the skills that will help you get over any fears you might have of the rectification process. As is typical in Tyl's technique, the method goes beyond merely looking at numbers. Here he shows you how to use your logic, your wits, and your perceptions to make valid rectified charts, resulting in accurate astrological interpretations and predictions. If you've been afraid of doing rectifications, or simply haven't done them before, this DVD will bring you the insights that will allow you to take your astrological skills to a higher level. This DVD is a must for anyone who is a professional astrologer, who wants to

become a professional, or simply wants to advance their astrological knowledge and skill. Shows you how an experienced astrologer works on a horoscope to arrive at meaningful insights, step-by-step.

Counseling astrologers can now take advantage of one of the newest and most exciting paradigms in modern psychology: the efficacy of single session therapeutic success. This groundbreaking work is written by Noel Tyl, one of the world's most respected astrologers, adding to his list of twenty-three texts that have informed two generations of astrologers. Over 700 creative connections are offered in this text to guide astrologers through planetary and aspect symbolisms into a deep analysis of the human condition. As part of modern astrological practice and in the context of actual client-session transcripts—the first ever presented in the literature—Tyl presents numerous clearly developed techniques, including: —Preparation for consultation —Techniques for questioning —Methods for inviting disclosure —Presentation skills —Effective ways to explore therapeutic connections Along with analysis, remediation, and healing, Tyl discusses the difficult topic of the practicality of behavioral predictions, how to frame them within client realities, and how to invite involvement from the client. Astrology is presented here in its most creative and constructive context, in which therapeutic holistic consultation is far more important than the abject description of varied chart factors.

The Missing Moon blends humor and imagination with real astrology and astrological practice. Using comedy and humor, Tyl takes his hero through the horoscope as you improve your understanding of astrology—its measurements and analyses, its philosophic and humanistic challenges.

Examines the traditional wisdom of astrology in the light of Jungian psychology,

revealing the horoscope as a picture of our psychic structure and a key to self-knowledge and personal growth. Beginning with an analysis of Jung's terminology, including archetypes, the collective unconscious, and the theory of synchronicity, the author explores the striking correspondence between Jung's theory of psychological types and the traditional astrological elements. Sprinkled with colorful anecdotes, clever word play, and reminiscences from Noel's world travels, and topped off with helpful tips for culinary confidence, creativity, and efficiency, this cookbook is a feast of fabulous food and fun! We like to think we are sensible beings who base our actions on conscious decisions. The fact is, all of us are subject to the occasional irrational impulse, the "wild hair" that surprises us and those around us. Usually, this is not a big problem -- in fact, it can act as a safety valve for our creative abilities and a check against unnecessary self-restriction. But it's not so healthy when we find

ourselves driven by compulsions and obsessions that seem to take over our lives and consume our attention and energy. How can we discover the origins of these forces? Can we turn them into something constructive? Astrology provides a key to these questions in the quindecile. This newly researched 165-degree aspect of hidden driving forces is thoroughly explored in these pages by an experienced astrologer and mental health professional. Numerous chart examples support the analysis of the quindecile in natal, transit, progressed, and synastry horoscopes. A full set of delineations and interpretations lets you quickly add this illuminating factor to your understanding of any chart. In these pages, you will explore: \* The psychological dynamics of obsession-compulsion \* Planetary dynamics by sign, element, and triplicity \* The quindecile in natsals, progressions, transits, and synastry \* A full reference section of interpretations and delineations \* Numerous chart examples of well-known people You will find that The Quindecile not only points out the nature of inner compulsions, but also suggests ways to transform them into constructive, creative activities and projects.
