Think all CHSPE study guides are the same? Think again! When it comes to the CHSPE (California High School Proficiency Exam), you want to be prepared. With easy to understand lessons and over 110 practice test questions designed to maximize your score (plus essay sample questions), you'll be ready. You don't want to waste time - and money! - having to study all over again because you didn't get the score you needed. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the CHSPE, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the CHSPE....and they get a variety of results. Trivium Test Preps Secrets to Outsmart the CHSPE provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the CHSPE exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CHSPE study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; CHSPE practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

Take charge of your career with certification that can increase your marketability. This new edition of the top-selling Guide is what you need to prepare for CompTIA's Security+ SY0-101 exam. The ILTS Expanded Study Guide for Basic Skills is designed as an online study tool for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics, brought to you by the experts at the Evaluation Systems group of Pearson, the most experienced company in standards-based educator licensure testing. The online Illinois Licensure Testing System: Expanded Study Guide for Basic Skills -- Access Card provides 6-months of online access to prepare for the Test of Academic Proficiency (TAP): Reading Comprehension, Language Arts and Writing, and Mathematics. This online study guide features: An annotated test framework with an overview of each subtest, and includes 50 authentic multiple-choice questions and 2 authentic writing assignments. A rationale for each multiple-choice question explains why the correct response is the best answer. Sample responses for the writing assignments demonstrate the level of writing skills that correspond to a strong score and a weak score. A score report interpretation helps examinees better understand their test results and offers strategies for retaking subtests. A description of the test development process and a list of resources for further study are also included. Once the access code is activated, the subscription is valid for six months.

Miller Test Prep's study guide for the ACCUPLACER is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this ACCUPLACER book, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all ACCUPLACER exam sections: Reading Comprehension Sentence Skills Write Placer Mathematics Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations 6 complete essay examples with scoring explanations
