Get the confidence and tools to take advantage of this growing method of investing Tax liens sales and tax deed auctions, conducted by governmental agencies for delinquent taxes on real estate, are not new--they have been around for more than 200 years. But until recently, they remained a small niche market for investors. However, as more people become delinquent on their real estate taxes due to the increased foreclosure market, and local governments look for revenues wherever they can find them, this investing methodology has become increasingly popular - and it can be done from anywhere. Zero Risk Real Estate shows readers exactly what to look for, what to avoid, and how to get the biggest return with the smallest amount of risk. Explains how to utilize the internet for research and investing from anywhere in the world! Gives step-by-step advice on how to determine your investment objectives and where to find tax sale listings Details how to take advantage of "over-the-counter" bargains and increase your returns Shows what to do once you have your new tax certificate, and how to "cash in" This is not a get-rich-quick infomercial approach--it is a real investing strategy that is expected to grow over the next several years as an appealing alternative to the stock market and other investments. Using real-life examples and case studies, this book walks you through the process step-by-step to make it easy for beginners, and shares advanced investing techniques for more experienced investors.

Dealing with unpaid taxes? Looking for investment opportunities? With home foreclosures at an all-time high and the erratic stock market damaging 401(k) accounts, people are looking for innovative ways to invest their money and improve their financial situation through different investment vehicles. Moskowitz explains what tax lien certificates are (liens against property for unpaid taxes), why they are safe investments (certain states insure them), and how they fit into an overall financial plan. This new edition includes updates to the laws and procedures of states and counties that offer tax lien certificates.

You Are A Step Away From Discovering How To Make Up To 36% ROI, Without The Typical Real Estate Investment Risk Or Stock Market Uncertainty, By Leveraging The Power Of Tax Liens! As an everyday investor whose work has probably been to search for worthwhile opportunities, evaluate risk versus reward, invest some capital and hope for the best, there's a chance that you've been having trouble getting that one strategy that truly works to stick with. You must have been wondering why it's increasingly difficult to find investments that offer guaranteed higher rewards than risk and possibly even stay profitable when most stocks or markets crash... But if you really think about it, this difficulty comes because we're always looking for opportunities in the same areas,

crowding them, and pressing down their profitability. In most cases, the real ROI lies in some very rarely-spoken areas such as taxes. It's true, nobody likes talking about taxes especially when the word is followed or preceded by real estate, but it's one area that has been generating real estate investors serious long-term income, through tax lien certificates for nearly two centuries! Tax lien certificates? What are those? How much can I earn from this seemingly unknown investing method? Is it legal and safe? How do I get started and assure myself long-term positive gains? Are there any risks? How much do I need to start? I'm pretty sure these are some of the questions flying in and out of your mind right now. But this beginners' guide is here to answer all of them and make you understand why this area is not only simple to understand and get started, but also lucrative. In 1-Click, you'll learn how to invest in a surefire method that can get you up to 36% returns on your investment with low risk and without the usual market uncertainty. Here's a bit of what you'll learn: What tax lien certificates are How these tax certificates work How to start investing in the tax certificate system, and how this system works The difference between a tax line and a tax deed What you need to do to get a tax lien certificate, how the transactions are made, the benefits of this instrument and other important details about what you should expect and what is expected of you to close the deal How to make the most of your investment through the right strategies, capital and goals How to get started: the steps to take to purchase your first TLC and acquire the tax deed How to do your research to succeed The companies you need to eye for online auctions How you'd earn in different states How you can make the most of your new property ...And so much more! The Self Directed IRA Handbook explains how investors can own alternative retirement plan assets in their IRAs. These assets typically include; real estate, private stock, IRA/LLCs, LP, LLC, private equity, hedge funds, private placement, crowdfunding, and precious metals. The Handbook clearly explains the prohibited transaction rules, investment structures, common self directed IRA investment assets, and SDIRA tax pitfalls (UBIT & UDFI tax). The Handbook goes beyond the basics of self directed IRAs and includes extensive FAQs after each chapter, and nearly 100 citations to cases, statutes, rulings, and opinions from the Courts, the IRS, and the DOL. Its author, Mat Sorensen, is an experienced attorney who has advised clients with IRAs at every major self directed IRA custodian, and who speaks frequently at industry associations and before professional groups on self directed IRA topics. Mat regularly advises clients on the prohibited transaction rules, on IRA/LLC structures, on real estate and private company investments, and on UBIT and UDFI taxes. Mat has also successfully represented self directed IRA owners before the IRS Appeals Office and the U.S. Tax Court. To view testimonials for the book, and for additional self directed IRA resources, please visit the author's site at www.sdirahandbook.com

Purchasing tax lien instruments from city, county, and municipal governments can provide you with very high and secure rates of return, in some cases as high as 12%, 18%, 24%, or even 1,000% or more per year. If performed correctly, investments in tax lien instruments will far outpace stock market performance, even traditional real estate investments. The key is to know how to perform this process correctly. Tax lien certificates and deeds are not purchased through a broker; you purchase these property tax liens directly from the state or county government (depending on the state). This type of investment was created by state law, and state law protects you as the investor. Investing in tax liens and deeds can be very rewarding. Tax liens can be tax deferred or even tax-free. You can purchase them in your self-directed IRA. Interest rates vary but average between 4% and 18%. The interest rates are fixed by local governments, essentially a government-guaranteed loan. Additionally, the investment is secured by real property (real estate). This sounds great, but what is the catch? There really is none, except you must know what you are doing! This

Learn how to add Tax Deeds and Liens to your portfolio earning up to 60%. This complete manual is everything you need to start building wealth with tax liens right away. Learn the strategies. Which states offer the best returns. how to find and research the best liens and how to get the ultimate prize, THE DEED! This manual course will show you how Tax lien certificates (and their cousin, tax deeds) - are an incredible moneymaking opportunity that have escaped mainstream investors for decades. They have been around for a long time and have been a great investment for the select few that kept them a secret. The beauty of tax lien certificates (TLCs) is the protection provided by the local governments in which you are investing. Not only do they ensure your investments, these same local governments collect all your money for you and essentially do your bookkeeping. Plus, you can typically earn annual yields ranging from 8 to 24 percent or more. With the government's assurance that you will get your investment back with an attractive return (or a valuable property), two strategies have evolved - one which provides a safe, steady income over time and one which provides an occasional home run. Either way, you'll be able to sleep well at night because of their low risk.

When Investing In Your Preferred Segment And Much More To Ensure You Build Your Real Estate Investment Portfolio Without Screwing Things Up! Real estate is undoubtedly the best investment method for short term as well as long term returns. Unfortunately, not many people who are passionate about real estate are willing to get real estate exposure because of the presumptive hassle in investing in physical property. That may seem like a problem, but the diverse world of real estate investing would disagree! Tax lien certificates are the best options for anyone looking to get real estate exposure in their portfolio without investing in property. You also require little upfront finances, and don't require to set up an LLC. The big question should now be: What options do I have in the real estate business? How do Tax lien certificates work? How much money do I require to get started? How should I get started? What are the most important things I should know before investing in real estate? If such questions sound familiar, then this comprehensive 2 in 1 book is definitely all you need. It contains all the details you need to invest in property and certificates, including REITs and TLCs, as well as all you need to do to make your journey risk-free and successful! More precisely, you'll learn: The basics of real estate The caveats of real estate investing you need to know before starting The common real estate investments How to make money from small down payments and property flips How to build a real estate management team How to raise capital for your venture How to invest in real estate investment trusts What tax lien certificates are How tax certificates work and what you need to know to begin investing in them The best strategy to use in tax certificate investing The amount of money you can start with How to conduct research to succeed in TLC investing How to find companies specialized in online auctions The process of purchasing the property or deed What you need to do with your new property A comprehensive reference guide of the essential property /regulations details by state ...And much more! While investing in real estate and TLCs could be among the top most lucrative ways of making money today, they always have their risks and challenges. Fortunately, most of these risks can be avoided by getting the right information before starting out. You'll agree with me that that's also important to ensure you make the most of your efforts, worry less and earn more. Real Estate Investment has provided more Americans with the opportunity to obtain millionaire status than nearly any other investment opportunity available. Tax sale investment is one of the best kept secrets of successful real estate entrepreneurs. This method of real estate purchase provides some of the highest returns of all real estate investment opportunities. The WINNING WITH series is designed to provide all of the vital information necessary to assist the investor in creating WINNING strategies that achieve high investment goals. An investor will learn to obtain a return rate of up to 50% on the dollar. A landlord who specializes in rentals will understand the simple methods they might employ to increase their rental portfolio through low up-front investment at deed sales. An individual who wants to obtain the American Dream - a home of their own will learn the methods to ensure they achieve that dream. Tax sale investments provide a substantial opportunity unsurpassed in other real estate arenas. Many people take advantage of the incredible opportunities presented by real estate tax sales each year. However, succeeding at tax sale investment requires more than attending the sale and placing the winning bid. An intelligent investor will understand not only the sale process itself, but all of the pre-sale research, planning and investigation that are integral elements to achieving success. This course provides all of the information you will need to get started investing today. The program begins with a complete education in real estate ownership rights, potential infringement and a complete overview of titles and how they transfer. You will then enter the public records system to obtain a thorough understanding of how to complete a due diligence search and protect your investment dollars. You will understand what types of liens, encumbrances and other blemishes may exist and how to determine their status. Each type of tax sale and the expected returns you may obtain are detailed. You will obtain a comprehensive understanding of Tax Lien Certificates, Subject To Tax Deeds and Free and Clear Tax Deeds. Each type of sale, the potential problems you may encounter, and a detailed explanation of your rights and interests as an investor are explained. The course then leads you through a State by State guide to obtain the best possible return on your investment dollars and provides a complete glossary

Tax Lien and Tax Deed Investing, The Proven Techniques was written to encourage those who may have heard of this technique to learn more to become an educated investor. With a little bit of knowledge, some examples of transactions and seeing how it was done could just be what the reader needs to take a chance and some risk to make a bit of money. With giving a clear and concise image of what actually tax lien and tax deed investing is and how to carefully navigate the process, the reader will be given a chance to make amazing profits. With tax lien and tax deed investing, you have the opportunity to make up to 36% interest each year. When most people find a letter from the tax collector in their mailbox, it usually is a bill, but for the tax lien investor, it will be check after check made payable to them. To even add a bonus, if the tax lien was purchased inside their self-directed Roth IRA, all profits would be exempt from income taxes. With every state holding a tax lien auction or tax deed auction, we show the reader how to win a property and pay pennies on the dollar. Imagine attending an auction, and you end up the winning bidder and now are the proud owner of that beautiful home and you only paid 15% of the value. What if you paid 50% of the value and now you have a home you can live in with 50% of the value as profits? Now many of you reading may not have the cash and are afraid this is only for the rich people. Well put that thought aside because the first deal I got into, I found an investor to put up all the money.
