Peter 'Ginger' Baker is a legend. A pioneering drummer who transcends genre, he's done much to popularise world music with his fierce passion for the rhythms of Africa. He is that rare thing - both critically acclaimed and globally successful. He has also lived a life more rock'n'roll than most. Ginger tells his story for the first time. It's often harrowing but outrageously honest as he journey's from war-torn south London to his adopted home in South Africa's beautiful Western Cape - where he has his own polo club. Along the way he tells of his life-long love of jazz, how he discovered the drums, life on the road and reveals the heroin use that should have killed him. He talks candidly of his three marriages, his induction into the Rock and Roll Hall of Fame with Cream in 1993, their 2005 reunion and his own plans for the future.

From the dream team of Dr. Walter C. Willett, bestselling author of *Eat, Drink and Be Healthy*, and Mollie Katzen, author of the four million-copy bestselling *Moosewood Cookbook*, comes a new approach to weight loss *Eat, Drink, and Weigh Less* offers a medically sound, extremely effective program that shows people how they can lose weight by adding delicious food to their diet and

making simple changes in what they eat throughout the day. It's flexible and adaptable--and it really works. It features a powerful way to chart your progress called the Body Score. The more you raise your Body Score, the more you will lower your weight! A quiz at the beginning of the book helps readers determine their Body Score; the chapters that follow explain easy dietary and behavioral steps readers can take to improve their scores. While the concept is simple, the science behind it is not. It represents years of top research conducted by Dr. Walter C. Willett, the head of Harvard School of Public Health's Department of Nutrition, including the famous Nurses Health Study. This study scored each of its over 84,000 participants on food choices, exercise schedule, and body mass--resulting in a number that accurately determined the nurses risk of heart disease. Now, for the first time, Dr. Willett has teamed up with mega-bestselling cookbook author Mollie Katzen to adapt a similar, much easier scoring system to create a user-friendly diet plan with fail-safe results. If you can raise your score, you will lower your weight--all while eating delicious, easy-to-prepare foods.

Third in the HAWAIIAN SHADOWS series by USA-Today bestselling author Edie Claire! Sometimes being together feels electrifying. Sometimes it actually is. Seventeen-year-old Kali has spent an idyllic few months on Oahu, becoming ever closer to Zane as they enjoy the tropical sun on the beaches of the world-famous North Shore. But as their summer vacations draw to a close, Kali can't help

but feel a twinge of concern. Nothing between the two teenagers has ever been simple, but the deeper in love she falls, the more intense her connection with the shadows -- and other things she'd rather not connect with -- seems to become. And as excited as she is about the prospect of Zane's returning her love, their bizarre relationship seems to be having "effects" on him as well -- effects that are more than a little disturbing. A frustrated Kali feels as if she and Zane might be in perfect Lokahi, or harmony, if only they could be "normal." But is that even an option? When an innocent mix-up at the Honolulu airport results in their crossing paths with fate at its darkest, Kali and Zane must decide whether to play it safe... or embrace the power of the unknown. Reviews of Wraith from the bloggers: "WOW! Is all I can say... I loved every minute of it. It has to be one of the best YA paranormal reads I have read to date. This book is filled with heart and soul... I don't think I have actually cried over a book since I was in the 7th grade and read Where the Red Fern Grows... Really Edie... I'm begging, write more Zane and Kali!"-- Melissa Hardy, Smardy Pants Book Blog "This book is so incredibly awesome!! I loved absolutely every minute that I spent reading this!! It was a book that kept me up long into the early hours of the morning...I simply couldn't put it down!!...I loved Kali and Zane. Kali's spunk and Zane's enthusiasm, sense of humour and energy were

infectious!!...Without a doubt a massive 5/5."--
Young Adult Book Addict "Despite my inclination to listen to stories intended for a more mature audience, I found myself lost and totally engrossed in Kali and Zane's story. I listened to this audiobook straight through enjoying every minute of it. Wraith is the impressive first book in the YA series Hawaiian Shadows... The writing style is very vivid -- the author not only puts you there emotionally, but also physically in a way that makes you feel the warm ocean breeze of a Hawaiian spring... A fantastic YA listen." -- Loupe Duffy, Hot Listens [From the audio version, narrated by the award-winning Tavia Gilbert]
