Some have real power, while others simply exist in the convoluted recesses of someone's mind. Some produce the desired effect, while others have an entirely different result. What binds them all together is the simple truth of any good ritual. Their practitioners -- and you, the reader -- just might be unalterably changed by them.

This novel is about Detective Lincoln receiving in the mail an invitation to be the bodyguard for an apparently wealthy New Orleans gentleman, Sir Charles Conrad Blackwell. Mr. Blackwell was born in rural Louisiana in the bucolic impoverished creole section of New Orleans. His baptized first name was indeed Sir, a calculated move by his mother to make her child stand apart from his inconsequential and impoverished peers and hopefully to provide him with a constant reminder to strive to be above others in his pursuit of a higher grade of life. Sir Charles had married a relatively poor Caucasian woman, Miss Edna Beaumont, a member of a proper family without proper financial resources for his 1st wife. Edna bore him three children, two boys and a girl. Sir Charles 2nd wife, Juanita, bore him two offspring, one boy and one girl. The children had all the opportunities of upper-middle strata economic life, academically and socially stable schools in a safe environment. The children had memberships in

mixed-race country clubs, wore fine clothing, and never lacked monetary resources to attend events or travel. But as time moved on, only Sir Charles proved to be financially successful, no one else. Now in his early eighties, his accumulated peculiar personal eccentricities had caused severe stress among family members and others. The Blackwell household now profusely exhibited Victorian repressed social mores. Sir Charles forces his wives and adult children, similar to the classic Scarlett Letter theme, to wear letters of sins on their clothes when they come to visit and he makes them visit on all major holidays. For those who don't comply, they're cut out of the will, and no one wants that. So, Sir Charles firmly believes that now, either acquaintances, Voodoo practitioners, former business partners, or family members want him harmed or dead and he requests protective services from Detective Lincoln. Will the guileful detective take on the role as bodyguard as requested? In a magical guide to love, a relationship counselor and Voodoo initiate offers a unique blend of practical magic and inspirational advice, helping readers learn how to attract a lover, keep a relationship steamy, recover from heartbreak, and find "the one." Original. 15,000 first printing.

Hoodoo Voodoo I See You returns to work I'd begun with Wole Soyinka and Henry Lewis Gates for a PBS project tentatively titled: The Image of the Black. This dealt with how white people see black people when seen through the prisms of their history and art. I wanted to ponder this some more, using the notion of an illuminated manuscript. It would contain drama, monologue, photo, video, music representations, and examine more closely the ancient, classic, Islamic and Asian world. Volume I. An intended second volume would include Slavery in the emerged corporate empires, Slavery and Islam, Slavery in Europe and America, Freedom, and Freedom and Democracy.

Widely known for its musical influence, Beale Street was also once a hub for Hoodoo culture. Many blues icons, such as Big Memphis Ma Rainey and Sonny Boy Williamson, dabbled in the mysterious tradition. Its popularity in some African American communities throughout the past two centuries fueled racial tension—practitioners faced social stigma and blame for anything from natural disasters to violent crimes. However, necessity sometimes outweighed prejudice, and even those with the highest social status turned to Hoodoo for prosperity, love or retribution. Author Tony Kail traces this colorful Memphis heritage, from the arrival of Africans in Shelby County to the growth of conjure culture in juke joints and Spiritual Churches.

Hoodoo emerged first in three distinct regions she calls "regional Hoodoo clusters" and that after the turn of the nineteenth century, Hoodoo took on a national rather than regional profile. The first interdisciplinary examination to incorporate a full glossary of Hoodoo culture, *Mojo Workin': The Old African American Hoodoo System* lays out the movement of Hoodoo against a series of watershed changes in the American cultural landscape. Throughout, Hazzard-Donald distinguishes between "Old tradition Black Belt Hoodoo" and commercially marketed forms that have been controlled, modified, and often fabricated by outsiders; this study focuses on the hidden system operating almost exclusively among African Americans in the Black spiritual underground.

The Pin Is Mightier Than the Sword “Denise Alvarado is a true hoodoo mamba home girl who burned hi-octane conjure in New Orleans where she grew up, and on visits to relatives in the Mississippi bayous, where she was formally introduced to the Voodoo/hoodoo path. The life and work of the legendary “Pope of Voodoo,” Marie Laveau—a free woman of color who practically ruled New Orleans in the mid-1800s Marie Laveau may be the most influential American practitioner of the magical arts; certainly, she is among the most famous. She is the subject of songs, films, and legends and the star of New Orleans ghost tours. Her grave in New Orleans ranks among the most popular spiritual pilgrimages in the US. Devotees venerate votive images of Laveau, who proclaimed herself the “Pope of Voodoo.” She is the subject of respected historical biographies and the inspiration for novels by Francine Prose and Jewell Parker Rhodes. She even appears in Marvel Comics and on the television show *American Horror Story: Coven*, where she was portrayed by Angela Bassett. Author Denise Alvarado explores Marie Laveau’s life and work—the fascinating history and mystery. This book gives an overview of New Orleans Voodoo, its origins, history, and practices. It contains spells, prayers, rituals, recipes, and instructions for constructing New Orleans voodoo-style altars and crafting a voodoo amulet known as a gris-gris.

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark

murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

As a first-hand account of the weird mysteries and horrors of voodoo, *Tell My Horse* is an invaluable resource and fascinating guide. Based on Zora Neale Hurston's personal experiences in Haiti and Jamaica, where she participated as an initiate rather than just an observer of voodoo practices during her visits in the 1930s, this travelogue into a dark world paints a vividly authentic picture of ceremonies and customs and superstitions of great cultural interest.

Hoodoo Voodoo is D.S. Marriott's second full-length collection and his first with Shearsman Books. In powerful works that interrogate what it is to be black in a majority white world, and indeed marginalised in any world, that call up unheard voices from the past that still need to speak to us today, Marriott gives us a poetry that we need in Britain today - perhaps more than the US: a poetry that merges the native modernist tradition with an infusion of 'negritude', and does not follow the easy narrative road. This is fine British poetry, pure and simple. That it happens also to be Black British poetry, for those who like easy classifications, is perhaps a bonus, but it is the work itself, not its source, that demands attention, and on its own terms.
