"The tranquility of order is a dynamic tranquility, the stillness of a flame burning in perfect calm, of a wheel spinning so fast that it seems to stand still. Silence in this sense is not only a quality of the environment, but primarily an attitude, an attitude of listening. " Let us give to one another that gift of silence, so that we can listen together and listen to one another. Only in this silence will we be able to hear that gentle breath of peace, that music to which the spheres dance, that universal harmony to which we, too, hope to dance." Austrian-born Benedictine monk David Steindl-Rast is one of the most influential and beloved spiritual teachers of our time. For decades, Brother David has divided his time between periods of monastic life at the Mount Saviour Monastery in New York and extensive lecture tours on five continents. He has brought spiritual depth into the lives of countless people, whom he touches through his lectures, his workshops and his writings. Brother David was one of the first Roman Catholics to participate in Buddhist-Christian dialogue, studying under Zen teachers and building bridges between religious traditions. His newest book, *The Way of Silence*, draws heavily on Buddhist teachings to cultivate the practice of "deep" listening: turning away from noise and distraction, paying attention, and embracing quiet. *The Way of Silence* embraces paradox: absence versus presence in silence. Dynamic tranquility. The all-oneness of aloneness. Humbly, trusting in God, you'll practice emptying your mind in order to receive wisdom, insight, and understanding. You'll learn to listen deeply, with a trusting heart—and you'll joyously discover a new, interior freedom that will make you feel more vibrant, and more fully alive.

In the first volume of the Sacred names series : "The 72 Names of God: The 72 keys to Transformation" I discuss the power of the name. Knowing a name gives you power. In this book we will discuss the 99 names of Allah, what they are, and how to use them to instill in yourself with the power of God. Throughout the mystical traditions of the world, several traditions stand out as luminaries. One of these luminous traditions is Sufism. Sufism is the mystical tradition of the Muslim faith. Like any spiritual tradition, mystical interpretations are often hinted at in the main body of religious texts, but other books are needed to decipher the inner mysteries of an established canon. This applies to Islam as well. Islam's main holy book is the Quran. A beautifully written and deep tome. Often , in the west we do not see the depth of Islam because it has been shrouded in the deeds of a few radical people who have lost the true spirit of the Quran. This is a shame because the Quran is quite a deep book. It is much more than a book on how to conduct ones life. It is a manual for divine enlightenment. Its deeper mysteries are hidden in the text and voluminous works like the Hadith are used to tease them out. In the Hadith it discusses the 99 names of God. These names are essentially 99 qualities that God possess. These names are meant as guides in our own life. If you have ever seen picture of Muslims holding beads in their hands , those beads are used to chant the 99 names of Allah. This tradition is very much embedded in Islamic tradition. In this book, we will learn how to tap into the 99 names of Allah and acquire the 99 divine qualities.

A FIRST-HAND ACCOUNT OF THE STRUGGLE FOR POWER IN TODAY'S MIDDLE EAST God Has Ninety-Nine Names is a gripping, authoritative account of the epic

battle between modernity and militant Islam that is reshaping the Middle East. Judith Miller, a reporter who has covered the Middle East for twenty years, takes us inside the militant Islamic movements in ten countries: Egypt, Saudi Arabia, Sudan, Algeria, Libya, Lebanon, Syria, Jordan, Israel and Iran. She shows that just as there is no unified Arab world, so there is no single Islam: The movements are as different as the countries in which they are rooted. Vivid and comprehensive, Miller's first-and report reveals the meaning of the tumultuous events that will continue to affect the prospects for Arab-Israeli peace and the potential for terrorism worldwide.

Each name of God is like a rope, with one end in the Hands of God and the other end in the hands of man. Man calls God through His names and God responds to man through His names as well. In this manner a perfect communication will eventually be established between man and the Divine. This volume of the Expansions series discusses the names of God, understanding them as a key component in man's relationship with God, the source of life and light.

Divine Names is a unique contribution to understanding life and oneself on a deeper level. It draws on original Arabic literature and on the author's many year of personal practice, teaching, and guiding others on their spiritual paths to healing, to become whole. It focuses on the use of the Divine Names in dhikr, individual meditations, and healing practices. The Sufi tradition centers on the opening of the heart and nothing touches the heart as much as beauty. The author's unique style of writing is coupled with ornamental Arabic calligraphy of each of the 99 Divine Names, making a stunning tribute to this tradition. It will be enjoyed regardless of religious beliefs.

Chess-playing people-traffickers, suicidal photographers, absurdist sound sculptors, cat-loving rebel sympathisers, murderous storytellers... The characters in Hassan Blasim's debut novel are not the inventions of a wild imagination, but real-life refugees and people whose lives have been devastated by war. Interviewed by Hassan Owl, an aspiring Iraq-born writer, they become the subjects of an online art project, a blog that blurs the boundaries between fiction and autobiography, reportage and the novel.

Framed by an email correspondence with the mysterious Alia, a translator of the Romanian philosopher Emil Cioran, the project leads us through the bars, brothels and bathhouses of Hassan's past and present in a journey of trauma, violence, identity and desire. Taking its conceit from the Islamic tradition that says God has 99 names, the novel trains a kaleidoscopic lens on the multiplicity of experiences behind Europe's so-called 'migrant crisis', and asks how those who have been displaced might find themselves again. God 99 is the highly anticipated debut novel by award-winning Iraqi writer, poet and filmmaker Hassan Blasim. Winner of an English PEN Translates Award.

In a bridge-building exercise between Christians, Muslims, and other people of the

book, David Bentley traces the Semitic pre-Islamic origins of Islam's 99 names of God. He points the reader to Old Testament counterparts of these names as well as to Jesus comparable representations of Himself."

This second compelling volume includes an introduction to the heart and its dynamics, as well as detailed examination of such concepts as freedom, altruism, wisdom, sainthood, intoxication and sobriety, wakefulness, and the universal man.

Sahih Muslim is a collection of sayings and deeds of Prophet Muhammad (pbuh) (also known as the sunnah). The reports of the Prophet's sayings and deeds are called ahadith. Muslim lived a couple of centuries after the Prophet's death and worked extremely hard to collect his ahadith. Each report in his collection was checked for compatibility with the Quran, and the veracity of the chain of reporters had to be painstakingly established. Muslim's collection is recognized by the overwhelming majority of the Muslim world to be one of the most authentic collections of the Sunnah of the Prophet (pbuh). Muslim (full name Abul Husain Muslim bin al-Hajjaj al-Nisapuri) was born in 202 A.H. and died in 261 A.H. He travelled widely to gather his collection of ahadith, including to Iraq, Saudi Arabia, Syria, and Egypt.

Sufism and Theology are two major currents in Islamic thought and religious culture, and over the centuries they have displayed immense diversity and intellectual richness. This book takes a flexible and inclusive approach to these trends, revealing both how Sufis approached theological traditions and themes and practised theology themselves, and how theologians approached different aspects of Sufism. Comprising chapters by leading specialists in the field, this volume is the first to explore the historically complex interface between these two major currents, highlighting key points of tension and interaction. Taking us through an array of subjects, including hermeneutics, psychology and metaphysics, light is shed on major intellectual trends and figures from the 12th century up to the modern period. These range from al-Hallaj, Ibn 'Arabi and Ibn Sab'in, to Fakhr al-Din al-Razi, Ibn Taymiyya, Haydar Amuli and Ibn Kemal Pasha, from the Ottoman context to the Safavid, and from Sunnism to Shi'ism. In this book, we will be discussing an ancient Jewish prayer, often called the "The Kabbalists Prayer" and the "Genesis Prayer" called in Hebrew "Ana Bekoach". This powerful prayer on the surface seems like a standard prayer, nothing particularly remarkable is contained within the verses. To most, it is just another prayer, but to those who look, they will find within the text the 42 letter name of God. This name of God is so powerful that just by reciting it and gazing upon the letters, you can gain immense powers from the divine. Powers that can solve all your problems. I know it sounds too good to be true, but this prayer and the 42 letter name of God within its verses has been proven to be very powerful. If you look it up you will find countless testaments to the power of this name. Let us begin.

This picture book for young readers about family, friendship and faith is rich in the details of Middle Eastern village life. It tells the warm story of a bond between a father, a son, and the son's favorite camel, as well as their devotion to the Muslim faith, and the power of prayer in their daily life. Salah and his camel, Qadiim, are constant companions: They work together, eat together, and sleep together. Salah is distressed, however, because his camel always seems so sad and downcast, hanging his head low. But in middle of one night, Salah remembers what his father has told him -- that while mankind knows only ninety-nine names for Allah, there are actually one hundred names. What if Qadiim, the camel, could learn the hundredth name? Under the stars Salah prays "to Allah with all his strength." The next day-- a seeming miracle! -- the camel Quadiim carries his head high with a most knowing look. Does Quadiim know the one hundredth name? Beautifully written by Shulamith Levey Oppenheim and complemented by illustrations by Michael Hays that portray the lush, verdant landscape of the Middle East – from the banks of the Nile to its luminous starlit nights -- here is a spiritual and touching story of an Islamic family.

In this work, here presented in a complete English edition for the first time, the problem of knowing God is confronted in an original and stimulating way. Taking up the Prophet's teaching that 'Ninety-nine Beautiful Names' are truly predicated of God, Ghazali explores the meaning and resonance of each of these divine names, and reveals the functions they perform both in the cosmos and in the soul of the spiritual adept. Although some of the book is rigorously analytical, the author never fails to attract the reader with his profound mystical and ethical insights, which, conveyed in his sincere and straightforward idiom, have made of this book one of the perennial classics of Muslim thought, popular among Muslims to this day. This volume won a British Book Design and Production Award in 1993.
