The TOGAF 9 certification program is a knowledge-based certification program. It has two levels, leading to certification for TOGAF 9 Foundation and TOGAF 9 Certified, respectively. The purpose of certification to TOGAF 9 Certified is to provide validation that, in addition to the knowledge and comprehension of TOGAF 9 Foundation level, the Candidate is able to analyze and apply this knowledge. The learning objectives at this level therefore focus on application and analysis in addition to knowledge and comprehension. This Study Guide supports students in preparation for the TOGAF 9 Part 2 Examination, leading to TOGAF 9 Certified.

'...provides everything you want in a case book: a stimulating, thought-provoking and up to date account of contract law. It combines both fantastic academic commentary and superbly selected materials making it simply one of the best contract law casebooks.' Student Law Journal This is the seventh, fully updated, edition of Professor Burrows' Casebook, offering law students the ideal way to discover and understand contract law through reading highlights from the leading cases. Designed to be used either on its own or to supplement a contract law textbook, this book covers the undergraduate contract law course in a series of clearly presented and carefully structured chapters. The author provides an expert introduction to each topic and his succinct notes and questions seek to guide students to a proper understanding of the cases. The relevant statutes are also set out along with a principled analysis of them. In addition to cross-references to further discussion in the leading textbooks, an innovative feature is the summary of leading academic articles in each chapter. The book is designed not to overwhelm students by its length but covers all aspects of the law of contract most commonly found in the undergraduate curriculum.

The Barkley Deficits in Executive Functioning Scale (BDEFS) is an empirically based tool for evaluating dimensions of adult executive functioning in daily life. Evidence indicates that the BDEFS is far more predictive of impairments in major life activities than more time-consuming and costly traditional EF tests. The BDEFS offers an ecologically valid snapshot of the capacities involved in time management, organization and problem solving, self-restraint, self-motivation, and self-regulation of emotions. It comprises both self- and other-reports in a long form (15-20 minutes) and a short form (4-5 minutes). Special features include an adult ADHD risk index in the long form. Complete instructions for scoring and interpreting the scale are provided. See also the Barkley Deficits in Executive Functioning Scale--Children and Adolescents (BDEFS-CA) and Barkley's authoritative book on EF development and deficits, *Executive Functions*. Also available: Barkley Adult ADHD Rating Scale--IV (BAARS-IV) and Barkley Functional Impairment Scale (BFIS for Adults). Includes Permission to Photocopy Enhancing the convenience and value of the BDEFS, the limited photocopy license allows purchasers to reproduce the forms and score sheets and yields considerable cost savings over other available scales. The large format and sturdy wire binding facilitate photocopying.

Data Response Questions for Economics is a companion workbook to *Economics from a Global Perspective* and *Multiple Choice Questions for Economics*. It is thus structured to the syllabus of the International Baccalaureate Diploma. It is, however, suitable for use in any introductory economics course. Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
