

The Argyle Sweater 2018 Day To Day Calendar

Nothing pleases Gunther Grizzwell like a good meal. Accompanied by his porcupine pal, the always-perplexing Pierpoint, Gunther roams the hills and campsites of the forest forever on the lookout for a tasty morsel of any shape or size. In this e-book only collection of Grizzwells comics, the duo ponders life's most important questions, such as: When it comes to road kill, is white or dark meat best? How important is presentation when serving up a delicious woodland creature? And which has the worst aftertaste, opossum omelets or stray Chihuahuas? Clever and sharply drawn, The Grizzwells is a funny and unpredictable spin on the traditional family comic strip—with bite. Created by award-winning artist Bill Schorr, it has been in syndication nationally for more than twenty years.

Kelly Cannon is satisfied with his life. He has friends, a wonderful family, and a great job. But his love life has reached a new level of pitiful. Why? Well, his heart decided to break all the rules. Don't fall in love with a straight guy. And definitely don't fall in love with your best friend. NFL standout Britton "Blue" Montgomery has pressure coming at him from all sides. From his father, who's only interested in Blue's football career. From his coaches, who just want him to play without getting injured again. From the fans. From his agent. And from his mother, who has popped up on the radar after leaving his family years before. And now his relationship with Kelly is on shaky ground, and that frightens Blue more than anything. When Kelly admits he's in love with Blue, bonds are tested, and Blue has to decide what's really important. He doesn't want to lose the number-one person in his life, but the cost to keep Kelly close might be more than he's willing to pay. It's a good thing his nickname is the Blueprint--it's time to draft a new set of plans.

Inherit the Mirth is where faith meets funny. Showcased among its off-the-wall panels are well-known Bible personalities like Adam and Eve, Noah, Moses, David and Goliath, Jesus, and the disciples. Playfully reverent, Inherit the Mirth petitions for an 11th Commandment: Thou shalt laugh! In this e-book original, the laughter centers on the interactions and activities in the church community. From the #1 New York Times bestselling author of Selp-Helf comes the "leaked" diary of YouTube comedic personality Miranda Sings. Taped together so the world can read all about her life through her eyes, My Diarrhe includes pages from Miranda's baby book, poems from her years as an emotional teen, secrets from her dating life, and stories from her rise to fame. As Miranda herself says, "It has every single secret about my life in it. My first kiss, my first period, stories about secret family members, secret photos of other celebrities, etc... so don't read it!"

From Brian Fies, the acclaimed graphic novelist of *Mom's Cancer*, *Whatever Happened to the World of Tomorrow?*, and *A Fire Story*, comes a classic comic book adventure for all ages. Decades after being imprisoned for threatening his city with an army of giant robots, an elderly scientist reenters society, only to discover he needs help navigating life in the 21st century. Experiencing real kindness and friendship for the first time ever, his new relationships challenge the inventor's single-minded devotion for vengeance—just as his plans threaten to spiral out of his control. An homage to the classic cartoons of the 1940s, *The Last Mechanical Monster* is about ambition, creativity, mortality, friendship, and legacy. How do we want to be remembered? And what will we leave behind? This latest graphic novel from Brian Fies (*Mom's Cancer*, *Whatever Happened to the World of Tomorrow?*, and *A Fire Story*) already has a fanbase and a considerable history of accomplishment. Initially published online as a webcomic, it was nominated for an Eisner Award for Best Digital Comic in both 2014 and 2015. It is also a pivot from Fies's more serious graphic novels, created at a time when he was between large, demanding projects, and needing to remind himself that comics could and should be fun and provide a joyful escape—something we can all use a little more of these days.

"Amid the ugly realities of contemporary America, American Hate affirms our courage and inspiration, opening a roadmap to reconciliation by means of the victims' own words." —NPR Books "The collection offers possible solutions for how people, on their own or working with others, can confront hate." —San Francisco Chronicle A San Francisco Chronicle Books Pick One of Bitch Media's "13 Books Feminists Should Read in August" One of Paste Magazine's "The 10 Best Books of August 2018" A moving and timely collection of testimonials from people impacted by hate before and after the 2016 presidential election In American Hate: Survivors Speak Out, Arjun Singh Sethi, a community activist and civil rights lawyer, chronicles the stories of individuals affected by hate. In a series of powerful, unfiltered testimonials, survivors tell their stories in their own words and describe how the bigoted rhetoric and policies of the Trump administration have intensified bullying, discrimination, and even violence toward them and their communities. We hear from the family of Khalid Jabara, who was murdered in Tulsa, Oklahoma, in August 2016 by a man who had previously harassed and threatened them because they were Arab American. Sethi brings us the story of Jeanette Vizguerra, an undocumented mother of four who took sanctuary in a Denver church in February 2017 because she feared deportation under Trump's cruel

immigration enforcement regime. Sethi interviews Taylor Dumpson, a young black woman who was elected student body president at American University only to find nooses hanging across campus on her first day in office. We hear from many more people impacted by the Trump administration, including Native, black, Arab, Latinx, South Asian, Southeast Asian, Muslim, Jewish, Sikh, undocumented, refugee, transgender, queer, and people with disabilities. A necessary book for these times, *American Hate* explores this tragic moment in U.S. history by empowering survivors whose voices white supremacists and right-wing populist movements have tried to silence. It also provides ideas and practices for resistance that all of us can take to combat hate both now and in the future.

The cartoon *WuMo* celebrates life's absurdity and bittersweet ironies, holding up a funhouse mirror to our modern world and those who live in it. Thanks to its delightful artwork and irreverent humor, this hilarious comic by writer Mikael Wulff and illustrator Anders Morgenthaler has grown from an underground sensation to one of the biggest and most popular strips in Europe. *WuMo*'s inventiveness is reminiscent of their countryman Hans Christian Andersen--if Andersen's fairy tales had been populated by sadistic pandas, disgruntled office workers, crazy beavers, Albert Einstein, Snoop Dogg, and Darth Vader. Named *WuMo*, after the Danish duo's last names, it appears in the largest papers in northern Europe, including Germany's *Die Welt*, Denmark's *Politiken*, and Norway's *Dagbladet*.

Little Penis is back—and this time, our perpetually perky protagonist is wearing his Santa Hat! This perfect parody is bound to grow on you! In keeping with its predecessors, *Little Penis* and *Little Penis: Oh, The Places You'll Grow!*, this festive new addition to the series is sure to get a rise out of even the Grinchiest Scrooge in your life! *Little Penis Santa Claus* is the perfect gift or stocking stuffer...and get your camera ready for some photo-ops, because you won't be able to resist animating the fuzzy little finger puppet in this hysterical parody of the popular puppet book format.”

Argyle Fox, with his signature style, wants to play outside on a springtime day, but the wind is wreaking havoc with his fun and games. As soon as he builds a card tower, climbs into a giant spider web, or takes up his pirate sword, here comes the wind: Woosh! Mama Fox tells grumpy Argyle that if he thinks long enough, he will come up with something to do. Following his mother's suggestion and inspired by her knitting, he works all the pieces of his day together and creates the perfect solution. The story of Argyle teaches that failure is often a path to success and celebrates perseverance, creative thinking, and an old-fashioned springtime activity.

A respected knitwear designer presents a collection of knitting projects for sweaters, using a variety of stitches and techniques, with each basic thematic design offered in a variety of specific designs in different sizes, individualizing each garment.

Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national

headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in *Concrete Rose*, Angie Thomas's powerful prequel to *The Hate U Give*.

Book one of the New York Times-bestselling *All Souls* trilogy—"a wonderfully imaginative grown-up fantasy with all the magic of *Harry Potter* and *Twilight*" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, *Ashmole 782*, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.

This new collection of cartoons is a bovine celebration of the author's fascination with cows. An in-depth look into the origins of how each NHL team was named, received their logo and design, with interviews by those responsible. Written by those most knowledgeable, you'll learn why every hockey team to every play in the National Hockey League looks the way it does. Nothing unites or divides a random assortment of strangers quite like the hockey team for which they cheer. The passion they hold within them for the New York Rangers, Toronto Maple Leafs, Montreal Canadiens, or Boston Bruins allows them to look past any differences which would have otherwise disrupted a perfectly fine Thanksgiving dinner and channels it into a powerful, shared admiration for their team. We decorate our lives with their logos, stock our wardrobe with their jerseys, and, in some cases, even tattoo our bodies with their iconography and colors. They're so ingrained in our lives we don't even think to ask ourselves why Los Angeles celebrates royalty; why Buffalo cheers for not one, but two massive cavalry swords; or why the Broadway Blueshirts named themselves for a law enforcement agency in Texas (or why they even wear blue shirts, for that matter). All that and more is explored in *Fabric of the Game*, authored by two of the sports world's leading experts in team branding and design: Chris Creamer and Todd Radom. Tapping into their vast knowledge of the whys and hows, Creamer and Radom explore and share the origin stories behind these and more, talking directly to those involved in the decision processes and designs of the National Hockey League's team names, logos, and uniforms, pouring through historical accounts to find and deliver the answers to these questions. Learn more about the storied Detroit Red Wings and Chicago Blackhawks, as well as the lost but not forgotten Hartford Whalers and Quebec Nordiques, all the way to the lesser-known Kansas City Scouts and Philadelphia Quakers. Whichever team you pledge allegiance, *Fabric of the Game* covers them in-depth with research and knowledge for any hockey fan to enjoy.

A subversive, hilarious, dark-but-uplifting collection of comics skewering the commercial figures, Disney stories, and pop cultural touchstones that Millennials and Gen X-ers grew up with in the '80s and '90s. Ben Zaehring's versatile art styles and wicked curveballs are sharp, clever and accessible, prompting many readers to comment that the author is "ruining their childhood" in the most delightful way possible.

Captured with Hilburn's visceral talent and bold pen stroke, The Argyle Sweater is a celebrated visual and cerebrally astute panel fueled by thoughtful imagination and a skewered attention to detail.

They--along with anyone else who enjoys a good laugh--will appreciate the edgy blend of art, comedy, and pop culture inside comedian Steve Melcher's popular blog-turned-book, That Is Priceless: Art's Greatest Masterpieces . . . Made Slightly Funnier. It all started when Melcher stumbled upon a

postcard in a museum gift shop for Peter Paul Rubens's *The Finding of Erichthonius*. Inspiration struck, and Melcher scrambled for a Post-it note and scribbled down what he thought was a more appropriate title: *Worst Secret Santa Gift Ever*. And with that, *That Is Priceless* was born. More than 150 images are gathered inside the book's full-color pages--from Courbet's *The Desperate Man* reimagined as *Johnny Depp Realizing He Left the Oven On* to Degas's *Portrait of the Artist James Tissot* retitled as *Portrait of the Artist in Mom Jeans*. Part art history, part parody, and entirely laugh-out-loud funny, *That Is Priceless* gives musty old paintings a 21st-century pop culture face-lift, enlivening the artist's canvas with playful comic irreverence.

Once upon a time there was a duplex where a young bachelor named Eno and his dog, Fang, shared an ultra-macho haven of beer snacks and male-bonding. Suddenly, their lives turned co-ed when Gina and her poodle, Mitzi, moved into the other half of their building... the question is, who will drive each other crazier in Glenn McCoy's "The Duplex"?

Hi and Lois was created in 1954 by Mort Walker and Dik Browne. This classic American comic strip has been entertaining newspaper readers for over five decades. The stars of the feature -- Hi, Lois, Chip, Dot, Trixie, and Dawg Flagston -- provide a warm, loving portrait of a wholesome family with traditional values and modern-day sensibilities. In today's often dysfunctional world, the Flagstons put the "fun" into functional family. Whether it's busy parents juggling jobs and raising a family, a teen coping with self-image, sibling rivalry among the youngsters, or a toddler learning about her place in the world, *Hi and Lois* has kept pace with mainstream life. The first *Hi and Lois* Sunday page was released on October 14, 1956. Mort and Dik always looked on these weekly instalments as an opportunity to showcase their best work. To them, a Sunday page was more than just an expanded daily strip. Mort would challenge Dik with ideas that inspired him to create a graphic masterpiece. Childhood fantasies, nostalgia trips, seasonal strolls, summer vacations, and holiday celebrations were among the many recurrent themes explored in these episodes.

The Argyle Sweater is a comic for grown-ups but it's inspired by a childlike imagination and charm. Follow bears, bees, chickens, wolves, dogs, cats, zebras, cops, game shows, phones, cavemen, and even nursery rhyme icons and an evil scientist, into the mischief and perfect-fitting dialogue of *The Argyle Sweater* world. Hilburn jokes he thought about naming the strip *For Better or For Worse* but noted "that that one was already taken."

Deftly blending political insight and neurotic humor in a uniquely fluid and dynamic style, this edition follows Knight's long-running, 2007 Harvey Award-winning weekly comic strip "*The K Chronicles*," which appears on salon.com.

The popular hero of *Harry the Dirty Dog* does his best to be rid of Grandmother's birthday present—a silly green sweater with yellow roses. 'Will bring laughter and sympathy. Recommended for all picture book collections.' —SLJ.

"Sacred cows make the best hamburger." --Mark Twain
Virtually every American, regardless of social status, eats fast food. Cartoonist Mark Pett's *Lucky Cow* strip embodies the spirit of America's love-hate affair with fast-food joints and the traits they have in common: * High turnover: Two *Lucky Cow* employees argue over who has seniority; the one who was hired at 9:30 that morning eventually wins. * Uniformity: A *Lucky Cow* employee boasts that a customer can visit any of the restaurant's franchises

and they are all the same--right down to the lackluster customer service. * Cleanliness (or lack of it): People's shoes adhere to the sticky floors, and an employee's skin absorbs so much of the restaurant's grease that water rolls right off it. * Food quality: The response to a customer's query about the Lucky Cluck Chicken Nuggets being organic is met with, "Well, they're made from organs." To help ensure that Lucky Cow would feel authentic, cartoonist Mark Pett worked at McDonald's for a month, experiencing fast-food "culture" for himself and interviewing his coworkers about their lives in the business. So it really is "funny because it's true."

A welcome breath of fresh air. Really funny stuff. A terrific comic now becomes a terrific book." Authors Guy Endore-Kaiser and Rodd Perry have crashed the party, and the world of cartooning will never be the same. In fact, they are arguably the freshest, most original and clever of all cartoonists out there. Their comic strip Brevity features a smorgasbord of nerds, animals, and sporks in unusual yet relatable situations. For example: * The five-second food-dropping rule does not apply to sewer workers. * The Hypnotato dares you to look into his eyes. * The combover eagle (you have to see it to believe it.) * The angry pin-the-tail-on-the-donkeys paying a nighttime visit to the birthday boy to settle a score. Brevity has been described as "the soul of wit." Indeed, this wily wit fused with minimalist illustration has launched its popularity into the stratosphere. Brevity will be at the top of every cartoon lover's wish list.

Away from his ordinary life in 1899 Maine, Basil Pepperell travels to forbidden Monkey Island--a floating scientific laboratory where evil Dr. Von Rottweil plans to use an advanced society of monkeys to further his plan of "Peace Through World Domination." Cartoonist Ricardo Caté describes Indian humor as the result of "us living in a dominant culture, and the funny part is that we so often fall short of fitting in." His cartoon column, Without Reservations, is a popular daily dose in the Santa Fe New Mexican. Actor Wes Studi says, "Caté's cartoons serve to remind us there is always a different point of view, or laughing at every day scenes of home life where Indian kids act just like their brethren of different races. Without Reservations is always thought-provoking whether it makes you laugh, smirk, or just enjoy the diversity of thought to be found in Indian Country."
