

The Auschwitz Trilogy Three Unique Biographies From Auschwitz Birkenau

In the first fifteen years of the twenty-first century, a large number of films were produced in Europe, Israel, the United States, and elsewhere addressing the historical reality and the legacy of the Holocaust. Contemporary Holocaust cinema exists at the intersection of national cultural traditions, aesthetic conventions, and the inner logic of popular forms of entertainment. It also reacts to developments in both fiction and documentary films following the innovations of a postmodern aesthetic. With the number of witnesses to the atrocities of Nazi Germany dwindling, medialized representations of the Holocaust take on greater cultural significance. At the same time, visual responses to the task of keeping memories alive have to readjust their value systems and reconsider their artistic choices. Both established directors and a new generation of filmmakers have tackled the ethically difficult task of finding a visual language to represent the past that is also relatable to viewers. Both geographical and spatial principles of Holocaust memory are frequently addressed in original ways. Another development concentrates on perpetrator figures, adding questions related to guilt and memory. Covering such diverse topics, this volume brings together scholars from cultural studies, literary studies, and film studies. Their analyses of twenty-first-century Holocaust films venture across national and linguistic

boundaries and make visible various formal and intertextual relationships within the substantial body of Holocaust cinema.

Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive during the Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections. Godwin Books From the author of the multi-million copy bestseller *The Tattooist of Auschwitz* comes a new novel based on a riveting true story of love and resilience. Her beauty saved her — and condemned her. Cilka is just sixteen years old when she is taken to Auschwitz-Birkenau Concentration Camp in 1942, where the commandant immediately notices how beautiful she is. Forcibly separated from the other women prisoners, Cilka learns quickly that power, even unwillingly taken, equals survival. When the war is over and the camp is liberated, freedom is not granted to Cilka: She is charged as a collaborator for sleeping with the enemy and sent to a Siberian prison camp. But did she really have a choice? And where do the lines of morality lie for Cilka, who was

send to Auschwitz when she was still a child? In Siberia, Cilka faces challenges both new and horribly familiar, including the unwanted attention of the guards. But when she meets a kind female doctor, Cilka is taken under her wing and begins to tend to the ill in the camp, struggling to care for them under brutal conditions. Confronting death and terror daily, Cilka discovers a strength she never knew she had. And when she begins to tentatively form bonds and relationships in this harsh, new reality, Cilka finds that despite everything that has happened to her, there is room in her heart for love. From child to woman, from woman to healer, Cilka's journey illuminates the resilience of the human spirit—and the will we have to survive.

Most of us learn of Auschwitz through the writings of Anne Frank and Elie Wiesel. Remarkable as their stories are, they leave many voices of Auschwitz unheard. Mary Lagerwey seeks to complicate our memory of Auschwitz by reading less canonical survivors: Jean Amery, Charlotte Delbo, Fania Fenelon, Szymon Laks, Primo Levi, and Sara Nomberg-Przytyk. She reads for how gender, social class, and ethnicity color their tellings. She asks whether we can -- whether we should -- make sense of Auschwitz. And throughout, Lagerwey reveals her own role in her research; tells of her own fears and anxieties presenting what she, a non-Jew born after the fall of Nazism, can only know second-hand.

The interconnections between histories and memories of the Holocaust, colonialism and extreme violence in post-war French and Francophone fiction and film provide the central focus of this book. It proposes a new model of

Online Library The Auschwitz Trilogy Three Unique Biographies From Auschwitz Birkenau

'palimpsestic memory', which the author defines as the condensation of different spatio-temporal traces, to describe these interconnections and defines the poetics and the politics of this composite form. In doing so it is argued that a poetics dependent on tropes and techniques, such as metaphor, allegory and montage, establishes connections across space and time which oblige us to perceive cultural memory not in terms of its singular attachment to a particular event or bound to specific ethno-cultural or national communities but as a dynamic process of transfer between different moments of racialized violence and between different cultural communities. The structure of the book allows for both the theoretical elaboration of this paradigm for cultural memory and individual case-studies of novels and films. First published in English in 1965, "The Reawakening" is Primo Levi's bestselling sequel to his classic memoir of the Holocaust, "Survival in Auschwitz." The inspiring story of Levi's liberation from the German death camp in January 1945 by the Red Army, it tells of his strange and eventful journey home to Italy by way of the Soviet Union, Hungary, and Romania. Levi's railway travels take him through bombed-out cities and transit camps, with keen insight he describes the former prisoners and Russian soldiers he encounters along the way. An extraordinary account of faith, hope, and undying courage, "The Reawakening" was praised by Irving Howe as "a remarkable feat of literary craft." One of the bestselling books of the 21st century with over 6 million copies sold. Don't miss the conclusion to The Tattooist of Auschwitz Trilogy, Three Sisters.

Available to pre-order now. I tattooed a number on her arm. She tattooed her name on my heart. In 1942, Lale Sokolov arrived in Auschwitz-Birkenau. He was given the job of tattooing the prisoners marked for survival - scratching numbers into his fellow victims' arms in indelible ink to create what would become one of the most potent symbols of the Holocaust. Waiting in line to be tattooed, terrified and shaking, was a young girl. For Lale - a dandy, a jack-the-lad, a bit of a chancer - it was love at first sight. And he was determined not only to survive himself, but to ensure this woman, Gita, did, too. 2015 Washington Post Notable Book The Complete Works of Primo Levi, which includes seminal works like *If This Is a Man* and *The Periodic Table*, finally gathers all fourteen of Levi's books—memoirs, essays, poetry, commentary, and fiction—into three slipcased volumes. Primo Levi, the Italian-born chemist once described by Philip Roth as that “quicksilver little woodland creature enlivened by the forest's most astute intelligence,” has largely been considered a heroic figure in the annals of twentieth-century literature for *If This Is a Man*, his haunting account of Auschwitz. Yet Levi's body of work extends considerably beyond his experience as a survivor. Now, the transformation of Levi from Holocaust memoirist to one of the twentieth century's greatest writers culminates in this publication of *The Complete Works of Primo Levi*. This magisterial collection finally gathers all of Levi's fourteen books—memoirs, essays, poetry, and fiction—into three slip-cased volumes. Thirteen of the books feature new translations, and the other is newly revised by the original translator. Nobel laureate Toni Morrison introduces Levi's writing as a “triumph of human identity and worth over the pathology of human destruction.” The appearance of this historic publication will occasion a major

reappraisal of “one of the most valuable writers of our time” (Alfred Kazin). The Complete Works of Primo Levi features all new translations of: The Periodic Table, The Drowned and the Saved, The Truce, Natural Histories, Flaw of Form, The Wrench, Lilith, Other People’s Trades, and If Not Now, When?—as well as all of Levi’s poems, essays, and other nonfiction work, some of which have never appeared before in English.

This book is an exciting journey taking place in the Land of Imagination and Fantasy. It is a fairy tale in which the Muse, the Spirit of Creativity, appears and talks to the children, taking them along with her on a miraculous and wonderful adventure. There are stories within the story, poetry abounds, and the book is designed so that different children and play act different roles as everyone reads along. This is the third book in Magda Herzberger's Holocaust Trilogy, the first two are: "Survival" and "The Waltz of the Shadows."

The author describes his twenty month ordeal in the Nazi death camp.

Offers a country-by-country breakdown of the impact the Holocaust had on world history, through politics, economics, and culture, covering twenty-two member states of the United Nations.

Recent representations of the Holocaust have increasingly required us to think beyond rigid demarcations of nation and history, medium and

genre. Holocaust Intersections sets out to investigate the many points of conjunction between these categories in recent images of genocide. The book examines transnational constellations in Holocaust cinema and television in Europe, disclosing instances of border-crossing and boundary-troubling at levels of production, distribution and reception. It highlights intersections between film genres, through intertextuality and pastiche, and the deployment of audiovisual Holocaust memory and testimony.

Finally, the volume addresses connections between the Holocaust and other histories of genocide in the visual culture of the new millennium, engaging with the questions of transhistoricity and intercultural perspective. Drawing on a wide variety of different media - from cinema and television to installation art and the internet - and on the most recent scholarship on responses to the Holocaust, the volume aims to update our understanding of how visual culture looks at the Holocaust and genocide today. The classic history of Adolph Hitler's rise to power and his dramatic defeat

The unforgettable story of two unsung heroes of World War II: sisters Janny and Lien Brilleslijper who joined the Dutch Resistance, helped save dozen of lives, were captured by the Nazis, and ultimately survived the Holocaust. Eight months after Germany's invasion of Poland, the Nazis roll into The Netherlands, expanding their reign of brutality to the Dutch. But by the Winter of 1943, resistance is growing. Among those fighting their brutal Nazi occupiers are two Jewish sisters, Janny and Lien Brilleslijper from Amsterdam. Risking arrest and death, the sisters help save others, sheltering them in a clandestine safehouse in the woods, they called "The High Nest." This secret refuge would become one of the most important Jewish safehouses in the

country, serving as a hiding place and underground center for resistance partisans as well as artists condemned by Hitler. From The High Nest, an underground web of artists arises, giving hope and light to those living in terror in Holland as they begin to restore the dazzling pre-war life of Amsterdam and The Hague. When the house and its occupants are eventually betrayed, the most terrifying time of the sisters' lives begins. As Allied troops close in, the Brilleslijper family are rushed onto the last train to Auschwitz, along with Anne Frank and her family. The journey will bring Janny and Lien close to Anne and her older sister Margot. The days ahead will test the sisters beyond human imagination as they are stripped of everything but their courage, their resilience, and their love for each other. Based on meticulous research and unprecedented access to the Brilleslijpers' personal archives of memoirs and photos, *Sisters of Auschwitz* is a long-overdue homage to two young women's heroism and moral bravery—and a reminder of the power each of us has to change the world.

Will love be enough to overcome the silence of more than seven decades?

Based on the harrowing life of Eleonore Hodys, *The Mistress of Auschwitz* follows the true story of a political prisoner detained in the notorious concentration camp. While experiencing all the horrors of the holocaust, Eleonore turns to friendship for survival. Through companionship with another female prisoner, Eleonore must decide if she has the courage to join the resistance movement which is planning the overthrow of their wicked oppressors. Matters are only complicated when Eleonore unwittingly attracts the attention of the Commandant and she is forced to decide between her own comfort or her principles.

Arrested in 1943 and deported to Auschwitz, Elsa survived because she had the 'opportunity' to join the women's orchestra. But Elsa kept her story a secret, even from her own family. Indeed, her son would only discover what had happened to his mother many years later, after gradually unearthing her unbelievable story following her premature death, without ever having revealed her secret to anyone. Jean-Jacques Felstein was determined to reconstruct Elsa's life in Birkenau, and would go in search of other orchestra survivors in Germany, Belgium, Poland, Israel and the United States. The recollections of H el ene, first violin, Violette, third violin, Anita, a cellist, and other musicians, allowed him to rediscover his 20-year-old mother, lost in the heart of hell. The story unfolds in two intersecting stages: one, contemporary, is that of the investigation, the other is that of Auschwitz and its unimaginable daily life, as told

by the musicians. They describe the recitals on which their very survival depended, the incessant rehearsals, the departure in the mornings for the forced labourers to the rhythm of the instruments, the Sunday concerts, and how Mengele pointed out the pieces in the repertoire he wished to listen to in between 'selections'. In this remarkable book, Jean-Jacques Felstein follows in his mother's footsteps and by telling her story, attempts to free her, and himself, from the pain that had been hidden in their family for so long.

In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience

during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

Until now, there has been little scholarly attention given to the ways in which Eastern European Holocaust fiction can contribute to current debates about transnational and transgenerational memory. Yugoslav and post-Yugoslav literary narratives about the Holocaust offer a particularly interesting case because time and again Holocaust memory is represented as intersecting with other stories of extreme violence: with the suffering of the non-Jewish South-Slav population during the Second World War, with the fate of victims of Stalinist terror, and with the victims of ethnic cleansing in the Yugoslav wars of the 1990s. This book examines the emergence and transformations of Holocaust memory in the socialist Yugoslav and post-Yugoslav eras. It discusses literary texts about the Holocaust by Yugoslav and post-Yugoslav writers, situating their oeuvre in the historical and discursive context in which it emerged and paying attention to its reception at the time. The book shows how in the writing of different generational groups (the survivor generation, the 1.5, and the second and third generations), the Holocaust is a motif for understanding the nature of extreme violence, locally and globally. The book offers comparative studies of several authors as well as readings of the work of individual writers. It uncovers forgotten authors and discusses internationally well-known and translated authors such as Danilo Kiš and David Albahari. By focusing on work by Jewish and non-Jewish authors of three generations, it sheds light

Online Library The Auschwitz Trilogy Three Unique Biographies From Auschwitz Birkenau

on the ethical and aesthetical aspects of the transgenerational transmission of Holocaust memory in the Yugoslav context. As such, this book will appeal to both students and scholars of Holocaust studies, cultural memory studies, literary studies, cultural history, cultural sociology, Balkan studies, and Eastern European politics.

Memory Matters juxtaposes in tripartite structure texts by a child of German bystanders (Wolf), an Austrian-Jewish child-survivor (Klüger), a daughter of Jewish émigrés (Honigmann), a daughter of an officer involved in the German resistance (Bruhns), a granddaughter of a baptized Polish Jew (Maron), and a granddaughter of German refugees from East Prussia (Dückers). Placed outside of the distorting victim-perpetrator, Jewish-German, man-woman, and war-postwar binary, it becomes visible that the texts neither complete nor contradict each other, but respond to one another by means of inspiration, reverberation, refraction, incongruity, and ambiguity. Focusing on genealogies of women, the book delineates a different cultural memory than the counting of (male-inflected) generations and a male-dominated Holocaust and postwar literature canon. It examines intergenerational conflicts and the negotiation of memories against the backdrop of a complicated mother-daughter relationship that follows unpredictable patterns and provokes both discord and empathy. Schaumann's approach questions the assumption that German-gentile and German-Jewish postwar experiences are necessarily diametrically opposed (i.e. respond to a "negative symbiosis") and

uncovers intersections and continuities in addition to conflicts.

Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim.

In the sleepy town of Bratislava in 1933 a romantic girl falls for a bookseller from Berlin. Greta Weissensteiner, daughter of a Jewish weaver, slowly settles in with the Winkelmeier clan just as the developments in Germany start to make waves in Europe. The political climate in the multifaceted cultural jigsaw puzzle of disintegrating Czechoslovakia becomes more complex and affects relations between the couple and the families. The story follows their lot through the war with its predictable and also its unexpected turns and events and the equally hard times after. From the moment that Greta Weissensteiner enters the bookstore where Wilhelm Winkelmeier works, and entrances him with her good looks and serious ways, I was hooked. But this is no ordinary romance; in fact it is not a romance at all, but a powerful, often sad, Holocaust story. What makes *The Luck of the Weissensteiners* so extraordinary is the chance Christoph Fischer gives his readers to consider the many different people who were never in concentration camps, never in the military, yet who nonetheless had their own indelible Holocaust experiences. Set in the fascinating area of Bratislava, this is a wide-ranging, historically accurate exploration of the connections between social location, personal integrity and, as the title says, luck. I cared about every one of this novel's characters and continued to think about them long after I'd finished reading. -- Andrea Steiner, University of California Santa Cruz

The Luck of the Weissensteiners is an epic saga set in wartime Eastern Europe. It follows the lives of two families - one Jewish, one

Catholic - and their entwined survival amidst the backdrop of the second world war; first the fascist then the communist invasion and occupation of Slovakia, and the horror of the consequences of war. The reader is transported to a world of deception, fear, distrust and betrayal, alongside enduring love and family drama. The characters are vividly painted in the mind of the reader as we follow their journey across Europe at a time of unimaginable challenge and trauma.

Weissensteiners is a magnificent tale of human survival. I wish I hadn't read it already so that I may repeat the pleasure of discovering and becoming lost in the story once again.(less)

Hailed for its coiled eroticism and the moral claims it makes upon the reader, this mesmerizing novel is a story of love and secrets, horror and compassion, unfolding against the haunted landscape of postwar Germany. When he falls ill on his way home from school, fifteen-year-old Michael Berg is rescued by Hanna, a woman twice his age. In time she becomes his lover—then she inexplicably disappears. When Michael next sees her, he is a young law student, and she is on trial for a hideous crime. As he watches her refuse to defend her innocence, Michael gradually realizes that Hanna may be guarding a secret she considers more shameful than murder.

The #1 Sunday Times bestseller—a remarkable story of the heroic and unbreakable bond between a father and son that is as inspirational as *The Tattooist of Auschwitz* and as mesmerizing as *The Choice*. Where there is family, there is hope In 1939, Gustav Kleinmann, a Jewish upholster from Vienna, and his sixteen-year-old son Fritz are arrested by the Gestapo and sent to Germany. Imprisoned in the Buchenwald concentration camp, they miraculously survive the Nazis' murderous brutality. Then Gustav learns he is being sent to Auschwitz—and certain death. For Fritz, letting his father go is

Online Library The Auschwitz Trilogy Three Unique Biographies From Auschwitz Birkenau

unthinkable. Desperate to remain together, Fritz makes an incredible choice: he insists he must go too. To the Nazis, one death camp is the same as another, and so the boy is allowed to follow. Throughout the six years of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz's younger brother Kurt, sent to the United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary account of courage, loyalty, survival, and love that is unforgettable.

On the Defensive considers how our ethical responses to the Nazi camps have unintentionally repressed and denied the experiences of their victims. Through detailed readings of survivor narratives, particularly the works of political deportees Jorge Semprun and Charlotte Delbo, Sharon Marquart examines how well-intentioned people – including victims, their family members, and readers of witness literature – respond to such testimony in ways that are understood as ethical by their communities but serve instead to ignore victims' experiences. As Marquart shows, collective disasters such as the Holocaust expose the limitations of our ethical theories. To cope with this instability we withdraw and defend ourselves through inattentive and formulaic responses that turn a blind eye to the plight of victims. Challenging contemporary theorizations of community, ethics, testimony, and trauma, *On the Defensive* is a far-reaching reflection on the ways in which communal understandings of our duties and responsibilities to others can facilitate the denial of an atrocity's horrors.

A total of 160,000 people, a mix of résistants and Jews, were

deported from France to camps in Central and Eastern Europe during the Second World War. In this compelling new study, Philip Nord addresses how the Deportation, as it came to be known, was remembered after the war and how Deportation memory from the very outset, became politicized against the backdrop of changing domestic and international contexts. He shows how the Deportation generated competing narratives – Jewish, Catholic, Communist, and Gaullist – and analyzes the stories told by and about deportees after the war and how these stories were given form in literature, art, film, monuments, and ceremonials. Shows how making translation and its effects visible contributes to a clearer understanding of how knowledge about the Holocaust has been and continues to be created and mediated.

"The incredible story of the Auschwitz-Birkenau tattooist and the woman he loved. Lale Sokolov is well-dressed, a charmer, a ladies' man. He is also a Jew. On the first transport from Slovakia to Auschwitz in 1942, Lale immediately stands out to his fellow prisoners. In the camp, he is looked up to, looked out for, and put to work in the privileged position of Tätowierer- the tattooist - to mark his fellow prisoners, forever. One of them is a young woman, Gita, who steals his heart at first glance. His life given new purpose, Lale does his best through the struggle and suffering to use his position for good. This story, full of beauty and hope, is based on years of interviews author Heather Morris conducted with real-life Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov. It is heart-wrenching, illuminating, and unforgettable"--Publisher description.

during World War II and the Holocaust. It illuminates ways in which their early lives conditioned both their political engagements during wartime and their extraordinary literary creations empowered by what Lara R. Curtis refers to as modes of 'writing resistance.' With skillful recourse to a remarkable variety of genres, they offer compelling autobiographical reflections, vivid chronicles of wartime atrocities, eyewitness accounts of victims, and acute perspectives on the political implications of major events. Their sensitive reflections of gendered subjectivity authenticate the myriad voices and visions they capture. In sum, this book highlights the lives and works of three courageous women who were ceaselessly committed to a noble cause during the Holocaust and World War II.

In this sequel to *The Mistress of Auschwitz*, the story continues with Eleonore as she struggles to cope with the impact of her harrowing detainment at the notorious concentration camp. Although she has been liberated by the Allies, she is not yet free from the horrors that she witnessed. Striving to heal from the trauma, Eleonore searches for meaning as she begins a new life. But Eleonore is not alone in her struggles to comprehend these atrocities as a British officer, Hanns Volker, secures employment for her. Hanns, who is based on the inspiring true story of a German Jew returning to the country of his birth, is horrified by the reality of what many of his people endured and what he narrowly escaped. The spark of justice is ignited in Hanns when he is assigned with the insurmountable task of interrogating the captured Nazis. While his eye lingers on hunting

down those who have escaped, Hanns is enraptured with a righteous fury and must weigh the consequences of revenge against the balance of justice. Although their paths are separate, both Hanns and Eleonore are thrust into a Germany that is still under the shadow of indoctrination. Both come to understand that there are few that they can trust and, although defeated, the Nazi plague still holds sway over those who are lost to moral decay. Written by a member of the French resistance who became an important literary figure in postwar France, this moving memoir of life and death in Auschwitz and the postwar experiences of women survivors has become a key text for Holocaust studies classes. This second edition includes an updated and expanded introduction and new bibliography by Holocaust scholar Lawrence L. Langer. “Delbo’s exquisite and unflinching account of life and death under Nazi atrocity grows fiercer and richer with time. The superb new introduction by Lawrence L. Langer illuminates the subtlety and complexity of Delbo’s meditation on memory, time, culpability, and survival, in the context of what Langer calls the ‘afterdeath’ of the Holocaust. Delbo’s powerful trilogy belongs on every bookshelf.”—Sara R. Horowitz, York University Winner of the 1995 American Literary Translators Association Award

After liberation, Cilka is charged as a collaborator by the Russians and sent to a desolate, brutal prison camp in Siberia known as Vorkuta, inside the Arctic Circle. Innocent, imprisoned once again, Cilka faces challenges both new and horribly familiar, each day a battle for survival. Cilka befriends a woman doctor, and learns to nurse the ill in the camp, struggling to care for them under unimaginable conditions. And when she tends to a man called Alexandr, Cilka finds that despite everything, there is room in her heart for love. Cilka's Journey is a powerful testament to the triumph of the human will. It will move you to tears, but it will also leave you astonished and uplifted by one woman's fierce determination to survive, against all odds. - - - - - 'Her truly incredible story is one to be read by everyone.' met, the incredible stories they have shared with her, and the lessons they hold for us all. In *Stories of Hope*, Heather will explore her extraordinary talents as a listener - a skill she employed when she first met Lale Sokolov, the tattooist at Auschwitz-Birkenau and the inspiration for her bestselling novel. It was this ability that led Lale to entrust Heather with his story, which she told in her novel *The Tattooist of Auschwitz* and the bestselling follow up, *Cilka's Journey*. Now Heather shares the story behind her inspirational writing journey and the defining experiences of her life, including her profound friendship with Lale, and explores how she learned to really listen to the stories people told her - skills she believes we can all learn. 'Stories are what connect us and remind us that hope is always possible.' Heather Morris An international phenomenon, *The Tattooist of Auschwitz* has sold over six million copies. *Cilka's Journey* has sold over a million copies worldwide.

Winner of The 2019 Waclaw Lednicki Humanities Award Screening *Auschwitz* examines the classic Polish Holocaust film *The Last Stage (Ostatni etap)*, directed by the Auschwitz survivor Wanda Jakubowska (1907–1998). Released in 1948, *The Last Stage* was a pioneering work and the first narrative film to portray the Nazi concentration and extermination camp complex of Auschwitz-Birkenau. Marek Haltof's fascinating book offers English-

speaking readers a wealth of new materials, mostly from original Polish sources obtained through extensive archival research. With its powerful dramatization of the camp experience, *The Last Stage* established several quasi-documentary themes easily discernible in later film narratives of the Shoah: dark, realistic images of the camp, a passionate moral appeal, and clear divisions between victims and perpetrators. Jakubowska's film introduced images that are now archetypal—for example, morning and evening roll calls on the Appelplatz, the arrival of transport trains at Birkenau, the separation of families upon arrival, and tracking shots over the belongings left behind by those who were gassed. These and other images are taken up by a number of subsequent American films, including George Stevens's *The Diary of Anne Frank* (1959), Alan Pakula's *Sophie's Choice* (1982), and Steven Spielberg's *Schindler's List* (1993). Haltof discusses the unusual circumstances that surrounded the film's production on location at Auschwitz-Birkenau and summarizes critical debates surrounding the film's release. The book offers much of interest to film historians and readers interested in the Holocaust.

In this collection of essays based on his time as a Jewish prisoner in the Nazi camps, Primo Levi creates a series of sketches of the people he met who retained their humanity even in the most

inhumane circumstances. Having already written two memoirs of his survival at Auschwitz, Levi knew there was still more left untold. Collected in this book are stray vignettes of fifteen individuals Levi met during his imprisonment. Whether it was the young Romani man who smuggled a creased photo of his bride past the camp guards or the starving prisoner who still insisted on fasting on Yom Kippur, the memory of these individuals stayed with Levi for long after. They represent for him “bizarre, marginal moments of reprieve.” Neither simple heroes nor victims, but people who never lost sight of their humanity in the face of unimaginable suffering. Written with the author’s signature humility and intelligence, *Moments of Reprieve* shines with lyricism and insight. Nearly forty years after their publication, Levi’s words remain as beautiful as they are necessary. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

From Heather Morris, the New York Times bestselling author of the multi-million copy bestseller *The Tattooist of Auschwitz* and *Cilka's Journey: a story of family, courage, and resilience, inspired by a true story*. Against all odds, three Slovakian sisters

have survived years of imprisonment in the most notorious death camp in Nazi Germany: Auschwitz. Livia, Magda, and Cibi have clung together, nearly died from starvation and overwork, and the brutal whims of the guards in this place of horror. But now, the allies are closing in and the sisters have one last hurdle to face: the death march from Auschwitz, as the Nazis try to erase any evidence of the prisoners held there. Due to a last minute stroke of luck, the three of them are able to escape formation and hide in the woods for days before being rescued. And this is where the story begins. From there, the three sisters travel to Israel, to their new home, but the battle for freedom takes on new forms. Livia, Magda, and Cibi must face the ghosts of their past--and some secrets that they have kept from each other--to find true peace and happiness. Inspired by a true story, and with events that overlap with those of Lale, Gita, and Cilka, The Three Sisters will hold a place in readers' hearts and minds as they experience what true courage really is.
