

The Baby Book Journal

Write (and remember) your first-time mommyhood story The first person you told. The first weird craving you had. The first time you saw your baby. Becoming a mom is filled with firsts that you're going to want to remember--and with this journal, you'll chronicle every meaningful milestone and memory of your pregnancy. The First-Time Mom's Pregnancy Journal is your trimester-by-trimester guide to capture everything from finding out you were pregnant to holding your newborn. With writing prompts, checklists, activities and more, this book is a fun and easy way for every new mama to create a lifelong keepsake of the joys of pregnancy and motherhood. The First-Time Mom's Pregnancy Journal includes: First-time mom firsts--Remember the special moments of every month with questions to guide your journaling. Plus, space for freestyle entries allows you to create your very own pregnancy journal prompts. Handy guidance--Keep track of your prenatal appointments and stay organized with trimester checklists--this pregnancy journal has you covered with all of the essential to-dos to get ready for baby. Fun activities--Daydream about the nursery, brainstorm baby names, scrapbook sonograms, and so much more. You only experience your first once--capture every moment with The First-Time Mom's Pregnancy Journal.

'A Journey to Home' is a comprehensive Premie Baby Book and NICU Journal. Over three years in the making, this journal will be a companion during the NICU stay, and a book of memories in the future. It is a book of expectations, setting parents up for a true understanding of what is to come. It builds resources while celebrating the joys of their baby's life. "The development of this book began 4 hours after the birth of my son. I longed to be able to journal and have a keepsake that was adjusted to my premature child." "In my personal journey, I have found that you must find peace with being a parent of a premie. It is only after much time that I have been able to rejoice with my toddler, and shed layers of protection that sheltered us from harm in the past. I will look at him with a little less guilt in my heart, and continue to treasure every breath, word, and step that he takes in his life."

Nikki McClure's beautifully detailed illustrations divide this lovely baby journal into sections celebrating the first 1,000 days of life, from the story of birth to jumping into her first mud puddle. Modeled after the journal the author started when her son was born, the sections focus on recording a child's interaction with the natural world, including baby's first tree, moon, and garden.

Based on the wisdom and practical advice of the well commended Rachel Waddilove, it provides a place to journal your experiences, your memories and to track your baby's development. More than just a beautiful record book, this book contains checklists, charts, and practical advice for you to refer to at every stage of your story.

Baby Books First Year Memory Book: Baby Journal and Baby Memory Book for Boys and Girls Baby Shower Gift Baby Keepsake Book Baby Milestone Book Cherish those first big moments with your newborn baby! With this book, you can always return to see your child's precious memories! Here are a few reasons why the Baby Memory Book would make an excellent part of your collection: - Keep track of every milestone: Room for every important moment with placeholders for every important photo. - Parents and family tree: Tell your child a little about yourself and their ancestors. - Celebrate their arrival: Remember the joy of seeing them for the first time with a photo, hand print, foot print, or current event. - Their first holiday memory: There's a page for every major holiday so you can always return to the moment. - Birthdays and vacations: A page to remember every month of their first year, birthdays and vacations! It's an important piece of childhood that everyone needs!

From the author of *40ish Weeks and Pleased to Meet You*, this keepsake journal invites new parents to commemorate their baby's very own firsts and special favorites. Filled with colorful illustrations and prompts ranging from the classic (first step, favorite book) to the quirky (first diaper blow-out, favorite food to spit up)—plus a few "fill-in-your-own" pages—this cute little journal makes it simple for exhausted but well-meaning parents to capture all the sweet milestones and laughter-filled moments of life with their growing baby.

The actions we take and the words we speak play a big part in who we are as a person. This empowering picture book shows children they can be the authors of their own life stories. No one can tell you who you are—it's all up to you! You write your story with your actions and words. This dynamic picture book for readers of all ages features lush illustrations that bring universal situations to light, including ways to be brave, bold, and kind, as well as knowing when you've made a mistake. A perfect gift for new parents, young graduates, as well as children and adults in any stage of their life, this is a book with a message: You are what you say and do.

A hilariously candid account of one woman's quest to bring her post-baby marriage back from the brink, with life-changing, real-world advice. "Get this for your pregnant friends, or yourself." --People Recommended by Nicole Cliffe in Slate Featured in People Picks A Red Tricycle Best Baby and Toddler Parenting Book of the year One of Mother magazine's favorite parenting books of the year How Not To Hate Your Husband After Kids tackles the last taboo subject of parenthood: the startling, white-hot fury that new (and not-so-new) mothers often have for their mates. After Jancee Dunn had her baby, she found that she was doing virtually all the household chores, even though she and her husband worked equal hours. She asked herself: How did I become the 'expert' at changing a diaper? Many expectant parents spend weeks

researching the best crib or safest car seat, but spend little if any time thinking about the titanic impact the baby will have on their marriage - and the way their marriage will affect their child. Enter Dunn, her well-meaning but blithely unhelpful husband, their daughter, and her boisterous extended family, who show us the ways in which outmoded family patterns and traditions thwart the overworked, overloaded parents of today. On the brink of marital Armageddon, Dunn plunges into the latest relationship research, solicits the counsel of the country's most renowned couples' and sex therapists, canvasses fellow parents, and even consults an FBI hostage negotiator on how to effectively contain an "explosive situation." Instead of having the same fights over and over, Dunn and her husband must figure out a way to resolve their larger issues and fix their family while there is still time. As they discover, adding a demanding new person to your relationship means you have to reevaluate--and rebuild--your marriage. In an exhilarating twist, they work together to save the day, happily returning to the kind of peaceful life they previously thought was the sole province of couples without children. Part memoir, part self-help book with actionable and achievable advice, *How Not To Hate Your Husband After Kids* is an eye-opening look at how the man who got you into this position in this first place is the ally you didn't know you had.

This pregnancy journal is a perfect way to capture all your thoughts, feelings & each and every memory while you're on this journey. Each page is guided and has prompts that include: I'm Pregnant - How I found out, my reaction, due date.
