Then he shows up at the science lab wielding an AK-47, sputtering about the need to finally be taken seriously. There's only a matter of seconds to stop a tragedy, and all eyes are searching for someone—anyone—to step up to be the hero.

Based on the award-winning Jesus Storybook Bible Curriculum by Sally Lloyd-Jones and Sam Shammas, this kit contains 44 lessons revealing how Jesus is the center of each Bible story. With activities, notes for teachers, memory verses, handouts and more, each lesson invites children to join in the greatest of all adventures.

Eleven-year-old Isabella's blended family is more divided than ever in this "timely but genuine" (Publishers Weekly) story about divorce and racial identity from the award-winning and New York Times bestselling author of *Out of My Mind*, Sharon M. Draper. Eleven-year-old Isabella's parents are divorced, so she has to switch lives every week: One week she's Isabella with her dad, his girlfriend Anastasia, and her son Darren living in a fancy house where they are one of the only black families in the neighborhood. The next week she's Izzy with her mom and her boyfriend John-Mark in a small, not-so-fancy house that she loves. Because of this, Isabella has always felt pulled between two worlds. And now that her parents are divorced, it seems their fights are even worse, and they're always about HER. Isabella feels completely stuck in the middle, split and divided between them more than ever. And she is beginning to realize that being split between Mom and Dad involves more than switching houses, switching nicknames, switching backpacks: it's also about switching identities. Her dad is black, her mom is white, and strangers are always commenting: "You're so exotic!" "You look so unusual." "But what are you really?" She knows what they're really saying: "You don't look like your parents." "You're different." "What race are you really?" And when her parents, who both get engaged at the same time, get in their biggest fight ever, Isabella doesn't just feel divided, she feels ripped in two. What does it mean to be half white or half black? To belong to half mom and half dad? And if you're only seen as half of this and half of that, how can you ever feel whole? It seems like nothing can bring Isabella's family together again—until the worst thing happens. Isabella and Darren are stopped by the police. A cell phone is mistaken for a gun. And shots are fired.

This first of three tales begins the story of a sister and brother, who, while searching for their missing parents in 1920s Shanghai, uncover a mysterious secret society. Includes maps, documents, four full-color gatefolds, and extensive appendices and notes. Lawyer Ralph Merritt buys a house in a white neighborhood bordering Harlem. In their reactions to Merritt and to one another, Fishers' characters—including the prejudiced

Miss Cramp who 'takes on causes the way sticky tape picks up lint, ' Merritt's housekeeper Linda, and Shine, his piano mover--provide an invaluable view of the social and philosophical milieu of the times. Thematically, Fisher focuses on the idea of black unity and discovery of the self.

Bobby's a classic urban teenager. He's restless. He's impulsive. But the thing that makes him different is this: He's going to be a father. His girlfriend, Nia, is pregnant, and their lives are about to change forever. Instead of spending time with friends, they'll be spending time with doctors, and next, diapers. They have options: keeping the baby, adoption. They want to do the right thing. If only it was clear what the right thing was. Do you feel the soul of another calling to you? Do you know in your heart that your destiny and his were meant to merge in the cosmos? We can help you find him. When Romiette Cappelle and her best friend, Destiny, decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine, they're not sure what they're getting into. But Destiny, a self-proclaimed psychic, assures Romi that for \$44.99 plus shipping and handling, it's the only way they're ever going to find out who their soul mates really are. If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in real life. It seems the Devildogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.

Sharon M. Draper presents "storytelling at its finest" (School Library Journal, starred review) in this New York Times bestselling Depression-era novel about a young girl who must learn to be brave in the face of violent prejudice when the Ku Klux Klan reappears in her segregated southern town. Stella lives in the segregated South—in Bumblebee, North Carolina, to be exact about it. Some stores she can go into. Some stores she can't. Some folks are right pleasant. Others are a lot less so. To Stella, it sort of evens out, and heck, the Klan hasn't bothered them for years. But one late night, later than she should ever be up, much less wandering around outside, Stella and her little brother see something they're never supposed to see, something that is the first flicker of change to come, unwelcome change by any stretch of the imagination. As Stella's community—her world—is upended, she decides to fight fire with fire. And she learns that ashes don't necessarily signify an end.

Three-time New York Times bestselling author and six-time WWE champion Chris Jericho shares 20 of his most valuable lessons for achieving your goals and living the life you want. Chris Jericho has known what he wanted out of life since he was a teenager: to be a pro wrestler and to be in a rock 'n' roll band. Most of his high school friends felt that he lacked the tools necessary to get into either, but Chris believed in himself. With the wise words of Master Yoda echoing through his head ("Do or do not. There is no try."), he made it happen. As a result, Chris has spent a lifetime doing instead of merely trying, managing to achieve his dreams while learning dozens of invaluable lessons along the way. No Is a Four-Letter Word distills more than two decades of showbiz wisdom and advice into twenty easy-to-carry chapters. From developing a strong work ethic thanks to WWE chairman Vince McMahon, remembering to always look like a star from Gene Simmons of KISS, learning to let it go when the America's Funniest Home Videos hosting gig goes to his rival, adopting a sense of perpetual reinvention from the late David Bowie, making sure to sell himself like his NHL-legend father Ted Irvine taught him, or going the extra mile to meet Keith Richards (with an assist from Jimmy Fallon), Chris has learned countless lessons during his decades-long career. Now, in the hopes that those same principles might help and inspire his legions of fans, Chris has decided to share them while recounting the fantastic and hilarious stories that led to the birth of these rules. The result is a fun, entertaining, practical, and inspiring book from the man with many scarves but only one drive: to be the best. After reading No Is a Four-Letter Word, you'll discover that you might have what it takes to succeed as well...you just need to get out there and do it. That's what Jericho would do.

"Peter Jericho has spent most of his adult life living for God and serving his country as one of the few and the proud Marines. When his once solid marriage suddenly takes a turn for the worse, his wife, Jan, takes their daughter and moves in with her mother in Shelton Heights, Georgia, a community some believe is cursed. Peter loves the Lord, but when his calamity increases, will his faith decrease? As his latest tour of duty in Iraq nears an end, he is eager to say goodbye to military life and focus on reclaiming the family he loves so dearly. But his plans are abruptly interrupted when Peter finds himself a captured prisoner of war. Survival doesn't seem likely for Master Sergeant Peter Kyle Jericho, and he finds himself in the battle of a lifetime. How his life spiraled to this point, Peter can't comprehend. All he knows is that all was well until that day in September when his wife decided to pay her mother a visit. Are all of the peculiar misfortunes that led to the breakup of his family and his capture in Iraq just happenstance, or has the legend of Shelton Heights caught up with yet another unsuspecting family?"--P. Is Atheism Dead? is a highly entertaining, impressively wide-ranging, and decidedly provocative answer to that famous 1966 TIME cover that itself provocatively asked "Is God Dead?" In a voice that is by turns witty, muscular, and poetic, Metaxas echoes C.S. Lewis and G.K. Chesterton in cheerfully and logically making his case, along the way presenting breathtaking—and sometimes astonishing—new evidence and arguments against the idea of a Creatorless universe. Taken all together, he shows that much we have assumed about the biggest questions of human existence is in fact dramatically outdated — and is therefore in need of the most urgent reevaluation.

When Arielle, one of the finest girls in his class, starts coming on to him once the pledge announcements are made, Jericho is determined to do anything to become a member... But as the initiation week becomes progressively harrowing, Jericho is

forced to make choices he's not entirely comfortable with. And one member seems to have it in for the sole female pledge in the group...a pledge who will stop at nothing to show she can handle the pressure. A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari's life was once perfect. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. Ancient Israel did not emerge within a vacuum but rather came to exist alongside

various peoples, including Canaanites, Egyptians, and Philistines. Indeed, Israel's very proximity to these groups has made it difficult—until now—to distinguish the archaeological traces of early Israel and other contemporary groups. Through an analysis of the results from recent excavations in light of relevant historical and later biblical texts, this book proposes that it is possible to identify these peoples and trace culturally or ethnically defined boundaries in the archaeological record. Features of late second-millennium B.C.E. culture are critically examined in their historical and biblical contexts in order to define the complex social boundaries of the early Iron Age and reconstruct the diverse material world of these four peoples. Of particular value to scholars, archaeologists, and historians, this volume will also be a standard reference and resource for students and other readers interested in the emergence of early Israel.
