What started as a love letter to her young daughter has become Fabienne Fredrickson's message to women everywhere: "You are a magnificent being, truly deserving of a full and abundant life." In *Embrace Your Magnificence*, Fabienne lays out a course in self-esteem. She shows that when you realize how great you truly are, you free yourself to confidently shift your life. When you see how glorious and brave you are, you gather the courage to break out of your shell, stop playing small, and step into your potential. When you honor, love, and value yourself, you accept all the abundance the universe has in store for you. By living the principles within these 72 inspiring lessons, Fabienne has created an extraordinary life for herself and her family. Her advice—which comes from real-world experiences in both her personal life and her work with clients—is universally beneficial and can be applied in anyone's life. With love, appreciation, and compassion, Fabienne encourages you to move forward in your own journey, so you too can have a richer, fuller, more abundant life.

The ultimate tool for unleashing your inner entrepreneur and for achieving enlightened wealth. This is a step-by-step guide to cracking your personal millionaire code and turning your enlightened ideas into millions. It showcases real-life stories of men and women who discovered and capitalised on their own "million-dollar ideas", or MDIs. These MDIs, the authors contend, are right under our noses - from bottled water to Post-It notes to less well-known but highly lucrative ideas - if only we can crack our personal millionaire code that will lead us to wealth. Throughout the book there are inspirational stories of ordinary people who cracked their code and created extraordinary fortunes from a single idea, often in the face of severe challenges. Hansen and Allen show how to overcome personal fears, gather an amazing team, discover and soul-storm not one but dozens of million-dollar ideas, as well as incredible, enlightened ways to market ideas and then hundredfold them.

An Invitation From Gay Hendricks I am thrilled and delighted to offer to you the new edition of *Learning To Love Yourself*. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how

writing this book changed my life in every way. I first wrote it as an act of love, to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.

Here is a powerful new program that can clear away the unconscious agreements patterns that undermine even your best intentions. Through their own marriage and through twenty years' experience counseling more than one thousand couples, therapists Gay and Kathlyn Hendricks have developed precise strategies to help you create a vital partnership and enhance the energy, creativity, and happiness of each individual. You will learn how to: Let go of power struggles and need for control; Balance needs for closeness and separateness; Increase intimacy by telling the "microscopic truth"; Communicate in a positive way that stops arguments; Make agreements you can keep; Allow more pleasure into your life. Addressed to individuals as well as to couples, Conscious Loving will heal old hurts and deepen your capacity for enjoyment, security, and enduring love.

Master the art of fully living, one life goal at a time. Do you want to experience your one life--your whole life--to its fullest measure? In this stirring book, author, blogger and lifestyle entrepreneur, Tal Gur offers his own transformational journey as an inspiring example and practical guide to implementing the art of fully living. You'll learn how to actualize your potential by forging all aspects of your life through the process built into your life goals. The very structure of this book models Tal's immersive approach to goal-driven living: each chapter of The Art of Fully Living is dedicated to a year of focus--socializing, fitness, freedom, contribution, love, adventure, wealth, relationship, spirituality, and creativity--and follows Tal's endeavors as he works toward fulfilling 100 life goals in only 10 years. This daunting ambition, springing from one late-night conversation among friends and a gnawing discontentment within the typical "success" story, becomes extremely relatable through Tal's bold storytelling; what's more, the deep lessons learned become immediately applicable for your own purposes as Tal thoughtfully extracts the actionable wisdom from his own experiences to articulate

the principles and techniques of "the art of fully living."The Art of Fully Living takes you along the exhilarating ride of Tal's journey while illuminating your own possible life-goal trajectory: as Tal relates how he socialized nonstop in vibrant Melbourne to master English and trained intensively to complete Ironman New Zealand and practice ancient Thai martial arts, you'll learn how to apply immersion to achieve your own life goals; as Tal describes how he eliminated his crushing student debt in one year and attained financial and location independence, you'll learn how to simplify your life, recognize your own present wealth, and turn your passions into a living; and as Tal animates his experiences learning to surf and salsa, to drum in a troupe and compose electronic music, and to write this very book, you'll learn how to let your intuition be your guide, reveal your authentic core, and achieve flow--among the myriad other adventures and take-aways that fill this book. Tal not only introduces the idea that the art of fully living is another skill to master but also guides you through honing this skill with chapter lessons and actionable key takeaways.Once you discover "the art of fully living," there is no going back; it will feel unacceptable to settle for less than your dreams--and what's more, you'll dream even more wildly, aspiring to action with greater clarity of purpose, broader horizons of possibility, and holistic vision across all areas of your life. This book is especially for you if you find yourself frustrated often, feeling low, or if you're struggling while asking yourself "What do I REALLY want?" You will discover how to leverage your strengths to achieve your dreams. You will know what it means to be truly free. You will be fulfilled by the path you have chosen to take from this point on. Can you imagine what the world would be like if everyone discovered and did what made them feel FULLY alive? Your dreams are your dreams for a reason; they are rooted in your deepest understanding of who you want and

The Big Leap Conquer Your Hidden Fear and Take Life to the Next Level Harper Collins

When Simon Majumdar hit forty, he realized there

had to be more to life than his stable but uninspiring desk job. As he wondered how to escape his career, he rediscovered a list of goals he had scrawled out years before, the last of which said: Go everywhere, eat everything. With that, he had found his mission -- a yearlong search for the delicious, and curious, and the curiously delicious, which he names Eat My Globe and memorably chronicles in these pages. In Majumdar's world, food is everything. Like every member of his family, he has a savant's memory for meals, with instant recall of dishes eaten decades before. Simon's unstoppable wit and passion for all things edible (especially those things that once had eyes, and a face, and a mom and a pop) makes this an armchair traveler's and foodie's delight -- Majumdar does all the heavy lifting, eats the heavy foods (and suffers the weighty consequences), so you don't have to. He jets to thirty countries in just over twelve months, diving mouth-first into local cuisines and cultures as different as those of Japan and Iceland. His journey takes him from China, where he consumes one of his "Top Ten Worst Eats," stir-fried rat, to the United States, where he glories in our greatest sandwiches: the delectable treasures of Katz's Delicatessen in Manhattan, BBQ in Kansas and Texas, the still-rich po' boys of post-Katrina New Orleans. The meat of the story -- besides the peerless ham in Spain, the celebrated steaks of Argentina, the best of Münich's wursts as

well as their descendants, the famous hot dogs of Chicago -- is the friends that Simon makes as he eats. They are as passionate about food as he is and are eager to welcome him to their homes and tables, share their choicest meals, and reveal their local secrets. Also a poignant memoir, *Eat My Globe* is a life told through food and spiced with Majumdar's remembrances of foods past, including those from his colorful childhood. (Raised in Northern England, he is the son of a fiery Welsh nurse and a distinguished Bengali surgeon.) A captivating look at one man's passion for food, family, and unique life experiences, *Eat My Globe* will make you laugh -- while it makes you hungry. It is sure to satiate any gastronome obsessed with globetrotting -- for now. Most of us believe that we will finally feel satisfied and content with our lives when we get the good news we have been waiting for, find a healthy relationship, or achieve one of our personal goals. However, this rarely happens. Good fortune is often followed by negative emotions that overtake us and result in destructive behaviors. "I don't deserve this," "this is too good to be true," or any number of harmful thought patterns prevent us from experiencing the joy and satisfaction we have earned. Sound familiar? This is what New York Times bestselling author Gay Hendricks calls the Upper Limit Problem, a negative emotional reaction that occurs when anything positive enters our lives.

The Upper Limit Problem not only prevents happiness, but it actually stops us from achieving our goals. It is the ultimate life roadblock. In *The Big Leap*, Hendricks reveals a simple yet comprehensive program for overcoming this barrier to happiness and fulfillment, presented in a way that engages both the mind and heart. Working closely with more than one thousand extraordinary achievers in business and the arts—from rock stars to Fortune 500 executives—whose stories are featured in these pages, the book describes the four hidden fears that are at the root of the Upper Limit Problem. *The Big Leap* delivers a proven method for first identifying which of these four fears prevents us from reaching our personal upper limit, and then breaking through that limitation to achieve what Hendricks refers to as our Zone of Genius. Hendricks provides a clear path for achieving our true potential and attaining not only financial success but also success in love and life.

“Gay Hendricks is a great role model for true success. He enjoys abundance and a deep connection with his own spiritual essence, and at the same time has lived for three decades in a thriving marriage. Now, he shows us how to do it for ourselves.” — Mark Victor Hansen, co-author of *Cracking the Millionaire Code* In *The Big Leap*, Gay Hendricks, the New York Times bestselling author of *Five Wishes*, demonstrates how to eliminate the barriers to success by overcoming false fears and

"Don't ignore intuitive tickles lest they reappear as sledgehammers." That's the first rule of Ten.

Tenzing Norbu ("Ten" for short)—ex-monk and soon-to-be ex-cop—is a protagonist unique to our times. In The First Rule of Ten, the first installment in a three-book detective series, we meet this spiritual warrior who is singularly equipped, if not occasionally ill-equipped, as he takes on his first case as a private investigator in Los Angeles. Growing up in a Tibetan Monastery, Ten dreamed of becoming a modern-day Sherlock Holmes. So when he was sent to Los Angeles to teach meditation, he joined the LAPD instead. But as the Buddha says, change is inevitable; and ten years later, everything is about to change—big-time—for Ten. One resignation from the police force, two bullet-wounds, three suspicious deaths, and a beautiful woman later, he quickly learns that whenever he breaks his first rule, mayhem follows. Set in the modern-day streets and canyons of Los Angeles, The First Rule of Ten is at turns humorous, insightful, and riveting—a gripping mystery as well as a reflective, character-driven story with intriguing life-lessons for us all.

Scaling a business is not for the faint of heart. It's a mind-bending journey that causes millions of business owners around the globe to either throw in the towel—or avoid risk entirely and suffer from smallness and mediocrity. Most of these businesses fail because they are ill prepared to face the real challenges involved in scaling. Either they don't have the bandwidth to keep up with the sales demand or production, miss out on major opportunities due to fear, or keep making the same mistakes over and over because systems and processes aren't in sync with the rate of growth. To truly scale, you must upsize your strategic practices, implement new marketing strategies, find new ways

to build your team, and expand your mindset to break through whatever is keeping you stuck at the same level. Then you must be willing to take the leap into the giant unknown – to make your impossible possible. In *Scale or Fail*, author Allison Maslan—who has successfully scaled ten companies from scratch and has guided thousands of small businesses to do the same—shares her revolutionary SCALEit Method® for successfully growing, replicating, and expanding your business. She also shares pivotal mindset strategies she’s used to break the fear barrier as a trapeze artist so you can move past any obstacle, take strategic Big Picture risks, and fulfill your dreams of business expansion and skyrocketing profit. Featuring a wealth of real-life success stories, visual tools, and exercises that are prescriptive and inspirational, *Scale or Fail* offers proven scaling strategies and a proactive approach to:

- Create your Big Picture Vision and build a plan to achieve it
- Produce an ever-flowing stream of cash flow with consistent profits
- Establish a powerhouse team that functions well without you
- Become a true leader and feel like you deserve your success
- Improve systems and processes that facilitate scaling
- Get past the mental and strategic pitfalls that cause revenue bottlenecks

*Scale or Fail* is adaptable to any type of business—manufacturing, consumer goods, a brick and mortar, a digital service, a wholesaler, a consulting service, and everything in

between. Whether you're six figures and scaling to seven. . . or in the seven figures and scaling to eight or even nine, Scale or Fail provides the roadmap to multiply your business growth—and empower you to soar in the air with the greatest of ease.

Are you frustrated in your efforts to succeed and create abundance in your life? Are you exasperated even though you may have set goals for yourself, gained knowledge, and worked hard? Are your financial dreams just not working out the way you'd like them to, or as fast as you'd like them to? Are you wondering what is standing in your way, preventing you from accessing the life of freedom you've been dreaming about? Well, The Abundance Code is here to provide the answer you've been searching for... There is a hidden yet crucial element to success and abundance that most people are unaware of—because that essential element is buried in their unconscious minds. The Abundance Code is about how you can (and must!) rewrite your subconscious programming so that you can effortlessly achieve the rich life of abundance you deserve. Julie Ann Cairns takes you through the "7 Money Myths"—an extremely common set of subconscious barriers put up between you and your attainment of abundant wealth and freedom—and helps you banish them, so that your subconscious "code" can come into alignment with your conscious goals for financial freedom. If your underlying

programming does not support your goals—and it probably doesn't—then Julie will show you how to get out of your own way and finally access the life you have always wanted. You can be successful, you can be wealthy, and you can make money without expending physical effort or sacrificing too much of your precious time. You can become financially free with the luxury of choice. It's all possible for you, but conscious goals and knowledge are not enough to make this happen—you also need a set of supporting subconscious beliefs in order to ultimately prosper. If you have tried and tried to attain financial freedom but are still struggling, then this book will provide the breakthrough you've been waiting for.

If you're thinking about buying this book, it's probably because it feels like something's missing in your career. Guess what? It could be YOU. Whether you're living for the weekends or counting the minutes until 5 pm every day, life is too short to wish it away because you feel stuck in your job. The good news is that you have the power to stop living on autopilot and turn your career around. "Follow your passion," "find your purpose," and "do what you love" have joined the parade of bland directives that aren't doing much to actually help you figure out what you're meant to do with your career. Instead, they only create more confusion. If all we had to do is "follow our bliss" . . . why aren't we blissful yet? The truth is, the best career is not one where you

only do what you love, but one where you honor who you are. In *You Turn*, counterterrorism professional turned career coach Ashley Stahl shares the strategies she's used to help thousands ditch their Monday blues, get clarity on what work lights them up, and devise an action plan to create a career they love. This book gives readers access to Stahl's coveted 11-step roadmap that has guided thousands of coaching clients in 31 countries to self-discovery and success. Throughout her process, you'll:

- Discover your Core Skillset. Uncover your gifts and talents to create an intentional career path that's fulfilling and aligned with who you are—and what you're good at.
- Understand your "Inner Money Blueprint." Discover the root of your money mindset, and how to break free of financial limitation.
- Clarify your Core Interests. Identify the difference between a passion, gift, and calling so you can get clear on what's meant to be a hobby-and what's meant to be a career!
- Become your own coach. Walk away with a unique set of tools for staying true to your best self in times of stress, frustration, or anxiety. Whether you're considering a career pivot, or just curious about what else is possible for you, it's time to make a "you turn"—to get unstuck, discover your true self, and thrive (not just survive) in your career.

own creativity.

In *Infinite Self: 33 Steps to Reclaiming Your Inner Power*, Stuart Wilde teaches you how to consolidate your inherent power and transcend all limitations by releasing yourself from the constraints of your ego. Your ego traps you, according to Stuart, and it is never happy for long, always wanting more, whether it's a new job, new relationship, or bigger bank account.

Recalls a chance encounter with a spiritual teacher who the author believes changed his life, in a guide that identifies the process through which he achieved five unrealized goals that transformed his relationships with God and others while enabling him to enjoy greater fulfillment. 25,000 first printing. \$25,000 ad/promo.

You'll never see leadership the same way again after reading this book. These fifteen commitments are a distillation of decades of work with CEOs and other leaders. They are radical or provocative for many. They have been game changers for us and for our clients. We trust that they will be for you too. Our experience is that unconscious leadership is not sustainable. It won't work for you, your team or your organization in the long term. Unconscious leadership can deliver short term results, but the costs of living and leading unconsciously are great. Fear drives most leaders to make choices that are at odds with healthy relationships, vitality and balance. This fear leaves a toxic residue that won't be as easily tolerated in an increasingly complex business environment. Conscious leadership offers the antidote to fear. These pages contain a comprehensive road map to guide you to shift from fear-based to trust-based

leadership. Once you learn and start practicing conscious leadership you'll get results in the form of more energy, clarity, focus and healthier relationships. You'll do more and more of what you are passionate about, and less of what you do out of obligation. You'll have more fun, be happier, experience less drama and be more on purpose. Your team will get results as well. They'll be more collaborative, creative, energized and engaged. They'll solve issues faster, and once resolved the issues won't resurface. Drama and gossip will all but disappear, and the energy and resources that fueled them will be redirected towards innovation and creativity. Any one of these commitments will change your life. All of them together are revolutionary. Leaders who practice the 15 commitments: - End blame and criticism - Speak candidly, openly and honestly, in a way that invites others to do the same - Find their unique genius - Let go of taking everything-especially themselves and their problems-so seriously - Create win for all solutions - Experience a new relationship to time and money where there is always enough What do you need to bring to the table? Be curious. Sounds so simple, and yet in our experience it's a skill few have mastered. Most of us are far more interested in being right and proving it, than we are in learning, growing and shifting out of our old patterns. By default we gravitate towards the familiar. We're asking you to take a chance and explore the unfamiliar. You'll get scared and reactive. We all do. So what? Just stay curious and let us introduce you to a whole new world of leadership.

What might be on the horizon for you and your business? This is the way of achieving success. Hendricks helps us through many ways we often self-sabotage our own dreams and offers several ways of avoiding these pitfalls.

You never know when it is going to happen - when you will experience a moment that dramatically transforms your life. When you look back, often years later, you may see how a brief conversation or an insight you read in a book changed the entire course of your life. Gay Hendricks had an extraordinary, life-altering experience during a conversation at a party. The gift he received in that meeting became his touchstone for creating the life of his dreams. Now, in this wonderful gem of a book, he passes on to all of us the pivotal insight he gained in that magic moment. Could reading this book be one of those life-changing moments for you?

From the #1 New York Times bestselling author of *Who Moved My Cheese?*, a brilliant new parable that shows readers how to stay calm and successful, even in the most challenging of environments. A young man lives unhappily in a valley. One day he meets an old man who lives on a mountain peak. At first the young man doesn't realize that he is talking to one of the most peaceful and successful people in the world. But in the course of further encounters and conversations, the young man comes to understand that he can apply the old man's remarkable principles and practical tools to his own life to change it for the better. Spencer Johnson knows how to tell a deceptively simple story that teaches deep lessons. *The One Minute Manager* (co-written with Ken

Blanchard) sold 15 million copies and stayed on the New York Times bestseller list for more than twenty years. Since it was published a decade ago, *Who Moved My Cheese?* has sold more than 25 million copies. In fact there are more than 46 million copies of Spencer Johnson's books in print, in forty-seven languages—and with today's economic uncertainty, his new book could not be more relevant. Pithy, wise, and empowering, *Peaks and Valleys* is clearly destined to become another Spencer Johnson classic.
