NEW YORK TIMES BESTSELLER OPRAH'S BOOK CLUB PICK The unique and deeply moving saga of four generations of African-American women whose journey from slavery to freedom begins on a Creole plantation in Louisiana. Beginning with her great-great-great-great grandmother, a slave owned by a Creole family, Lalita Tademy chronicles four generations of strong, determined black women as they battle injustice to unite their family and forge success on their own terms. They are women whose lives begin in slavery, who weather the Civil War, and who grapple with contradictions of emancipation, Jim Crow, and the pre-Civil Rights South. As she peels back layers of racial and cultural attitudes, Tademy paints a remarkable picture of rural Louisiana and the resilient spirit of one unforgettable family. There is Elisabeth, who bears both a proud legacy and the yoke of bondage... her youngest daughter, Suzette, who is the first to discover the promise-and heartbreak-of freedom... Suzette's strong-willed daughter Philomene, who uses a determination born of tragedy to reunite her family and gain unheard-of economic independence... and Emily, Philomene's spirited daughter, who fights to secure her children's just due and preserve their dignity and future. Meticulously researched and beautifully written, Cane River presents a slice of American history never before seen in such piercing and personal detail.

The Bark River valley in southeastern Wisconsin is a microcosm of the state's - indeed, of the Great Lakes region's - natural and human history. "The Bark River Chronicles" reports one couple's journey by canoe from the river's headwaters to its confluence with the Rock River and several miles farther downstream to Lake Koshkonong. Along the way, it tells the stories of Ice Age glaciation, the effigy mound builders, the Black Hawk War, early settlement and the development of waterpower sites, and recent efforts to remove old dams and mitigate the damage done by water pollution and invasive species. Along with these big stories, the book recounts dozens of little stories associated with sites along the river. The winter ice harvest, grain milling technology, a key supreme court decision regarding toxic waste disposal, a small-town circus, a scheme to link the Great Lakes to the Mississippi River by canal, the murder of a Chicago mobster, controversies over race and social class in Waukesha County's lake country, community efforts to clean up the river and restore a marsh, visits to places associated with the work of important Wisconsin writers - these and many other stories belong to the Bark River chronicles. For the two voyageurs who paddle the length of the Bark, it is a journey of rediscovery and exploration. As they glide through marshes, woods, farmland, and cities, they acquire not only historical and environmental knowledge but also a renewed sense of the place in which they live. Maps and historical photographs help the reader share their experience. Magic, romance and adventure collide in Wandfasted, the irresistible ebook prequel to The Black Witch by Laurie Forest. From the instant #1 New York Times bestselling author of the "eerie and fascinating" (USA TODAY) The Thirteenth Tale comes a "swift and entrancing, profound and beautiful" (Madeline Miller, internationally bestselling author of Circe) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a

miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*).

Prepare for a dungeon crawl like no other... Durren Flintrand, student ranger at the Black River Academy for Swordcraft and Spellcraft, finds his life thrown into fresh confusion when his party's latest quest goes disastrously wrong. Magic is malfunctioning in strange and terrible ways, and what's worse, it might be their fault. Certainly that's what their wizard Arein believes, and her doubts may be enough to accomplish what countless threats haven't: to tear their group apart. Along with Tia the rogue and fighter Hule, Durren is determined to put right what's gone wrong, no matter the cost. But when they embark on a desperate mission of their own, the friends find themselves far from home and lost in a subterranean labyrinth of monsters, traps, and ancient secrets. With Arein's fate on the line and Pootle the observer, their unofficial fifth party member, undergoing a bizarre transformation, the stakes have never been higher or more personal. Yet they may prove trivial compared to what lies in the heart of the mountain Gongurren, an ancient horror now stirring toward the light of day. This proves easy enough to do living a secure, sheltered life at Kellandale, a quiet country estate that has been isolated from many of the world's problems. But in Kellandale Wood (Book One): The Way of the River, a tween fantasy/adventure set a hundred years ago in the country of Eldmoor, this estate also happens to sit on the edge of a vast forest. Known as Wyches Wood to some, it is a forest with a centuries-old reputation of being haunted. No one has dared to enter it for the last two hundred years, and Elinora and her precocious, easily bored younger sister Tillie have been strictly forbidden from going near it by their parents-a fact that drives Tillie mad. This all changes when they witness a man dropping a mysterious parcel into the river within their property. Despite Elinora's initial reluctance, Tillie-curious and relentlessly persistent-persuades Elinora to go searching for it with her, taking them deep into the woods. There they discover an abandoned puppy with an extraordinary ability, setting them off on a dangerous rescue mission. In order to help Henry find his canine family, Elinora is forced to confront her deepest fears as she, Tillie, and their allies are pitted against a greedy and unscrupulous showman. Student ranger Durren Flintrand had thought he was settling in at the Black River Academy for Swordcraft and Spellcraft. But when rebellious rogue Tia Locke uncovers a horrifying secret in the dungeons beneath the school, Durren quickly realises that the challenges he's faced so far were scant preparation for what lies ahead. Along with magic-averse wizard Arein and blunt but good-hearted fighter Hule, he and Tia find themselves on Black River's first student exchange program: they're being sent to the Shadow Mountain Academy in the dank and dismal land of Ursvaal, and they're going whether they like it or not. At Shadow Mountain, things are done differently. No longer is Durren a ranger but a bard, despite his lacking the slightest notion of what being a bard involves. And not only that but Tia is acting even more strangely than usual, Hule is taking being a paladin awfully seriously, and Arein has a new party member with ideas very different to her own to contend with, in the shape of irascible cleric Cailliper Ancrux - who wants nothing less than to be involved with Shadow Mountain's unpopular newcomers. The four Black River students will have to relearn everything they thought they knew; but the threats surrounding them aren't about to wait. Can they hope to survive an uprising of the dead, the winged horror that haunts this desolate land, and an ancient plot risen from the blackest depths of Ursvaal's history? And even if the somehow should, can Durren possibly overcome his tone deafness and learn to play the lute?
