“Gripping and addictive—Shepherd has delivered again! A captivating mix of intrigue, deft twists, and complex questions, this is a must-read.”—Amie Kaufman and Meagan Spooner, New York Times bestselling authors of *These Broken Stars* *The Maze Runner* meets Scott Westerfeld in this new series Kirkus Reviews calls “swoon-worthy and thrilling” about teens held captive in a human zoo by an otherworldly race. From Megan Shepherd, the acclaimed author of the *Madman’s Daughter* trilogy. When Cora Mason wakes in a desert, she doesn’t know where she is or who put her there. As she explores, she finds an impossible mix of environments—tundra next to desert, farm next to jungle, and a strangely empty town cobbled together from different cultures, all watched over by eerie black windows. And she isn’t alone. Four other teenagers have also been taken: a beautiful model, a tattooed smuggler, a secretive genius, and an army brat who seems to know too much about Cora’s past. None of them have a clue as to what happened, and all of them have secrets. As the unlikely group struggles for leadership, they slowly start to trust each other. But when their mysterious jailer appears—a handsome young guard called Cassian—they realize that their captivity is more terrifying than they could ever imagine: their captors aren’t from Earth. And they have taken the five teenagers for an otherworldly zoo—where the exhibits are humans. Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

A Holocaust survivor recounts her liberation from a Nazi concentration camp, search for surviving family members, and long and difficult ordeal of trying to immigrate with her husband and two children to America.

Bronia helped her family survive during the occupation of Poland by smuggling goods

“[P]rofound...a triumph—a full-throated howl to the moon to remind us why we choose to survive and thrive.” —Brendan Kiely, New York Times bestselling author of Tradition
“Razor-sharp, deeply revealing, and brutally honest...emotionally raw and deeply insightful.” —Booklist (starred review) The critically acclaimed author of We Are the Ants opens up about what led to an attempted suicide in his teens, and his path back from the experience. “I wasn’t depressed because I was gay. I was depressed and gay.”
Shaun David Hutchinson was nineteen. Confused. Struggling to find the vocabulary to understand and accept who he was and how he fit into a community in which he couldn’t see himself. The voice of depression told him that he would never be loved or wanted, while powerful and hurtful messages from society told him that being gay meant love and happiness weren’t for him. A million moments large and small over the years all came together to convince Shaun that he couldn’t keep going, that he had no future. And so he followed through on trying to make that a reality. Thankfully Shaun survived, and over time, came to embrace how grateful he is and how to find self-acceptance. In this courageous and deeply honest memoir, Shaun takes readers through the journey of what brought him to the edge, and what has helped him truly believe that it does get better.

Victor Klemperer was Professor of French Literature at Dresden University. As a Jew, he was removed from his post in 1935, only surviving thanks to his marriage to an Aryan. Presenting a study of language and its engagement with history, this book draws from Klemperer's conviction that the language of the Third Reich helped to create its culture.

Colors, Rubin tells us, affect everyone through sound, smell, taste, and a vast array of emotions and atmospheres. She explains that although she has been blind since birth, she has experienced color all her life. In her memoir *Do You Dream in Color?*, Laurie Rubin looks back on her life as an international opera singer who happens to be blind. From her loneliness and isolation as a middle school student to her experiences skiing, Rubin offers her young readers a life-story rich in detail and inspiration drawn from everyday challenges. Beginning with her childhood in California, Rubin tells the story of her life and the amazing experiences that led her to a career as an internationally celebrated mezzo-soprano. Rubin describes her past as a "journey towards identity," one she hopes will resonate with young people struggling with two fundamental questions: "Who am I?" and "Where do I fit in?" Although most of us aren't blind, Rubin believes that many of us have traits that make us something other than "normal." These differences, like blindness, may seem like barriers, but for the strong and the persistent, dreams can overcome barriers, no matter how large they may seem. This is what makes her story so unique yet universal and so important for young readers.

This is a dark, violent world, but Leila is tough and open to beauty, light, and the essential bonds of friendship. As her epic journey to the afterlife comes to an end, it is her chosen family who brings her story to a buoyant and breathtaking conclusion.

"The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out."—ALA Booklist (starred review) Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power, the Blumenthal family—father, mother, Marion, and her brother, Albert—were trapped in Nazi Germany. They managed eventually to get to Holland, but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Their story is one of horror and hardship, but it is also a story of courage, hope, and the will to survive. *Four Perfect*

The Cage Simon and Schuster

In this emotional sequel to *The Cage* and *To Life*, Ruth Minsky Sender relates her struggle to build a new life in America, her battle to cope with her horrific memories of the Holocaust, and her decision to tell her story. In an effort to teach children about the Holocaust, the author describes the impact of this horrifying event on her life and the lives of other survivors.

The author recalls his childhood in Fresno, California, in the 1950s and 1960s, recreating the sights, sounds, and smells of his experience in a working-class Mexican-American community.

Ever thought that pure obedience could be foolishness? Well, it can be! The story of the foolish disciples depicts to us that obedience without using ones reason and discrimination, is total, absolute foolishness!

"HANNELORE, YOUR PAPA IS DEAD." In the spring of 1942 Hannelore received a letter from Mama at her school in Berlin, Germany--Papa had been arrested and taken to a concentration camp. Six weeks later he was sent home; ashes in an urn. Soon another letter arrived. "The Gestapo has notified your brothers and me that we are to be deported to the East--whatever that means." Hannelore knew: labor camps, starvation, beatings...How could Mama and her two younger brothers bear that? She made a decision: She would go home and be deported with her family. Despite the horrors she faced in eight labor and concentration camps, Hannelore met and fell in love with a Polish POW named Dick Hillman. Oskar Schindler was their one hope to survive. Schindler had a plan to take eleven hundred Jews to the safety of his new factory in Czechoslovakia. Incredibly both she and Dick were added to his list. But survival was not that simple. Weeks later Hannelore found herself, alone, outside the gates of Auschwitz, pushed toward the smoking crematoria. *I Will Plant You a Lilac Tree* is the remarkable true story of one young woman's nightmarish coming-of-age. But it is also a story about the surprising possibilities for hope and love in one of history's most brutal times.

Leon Leyson (born Leib Lezjon) was only ten years old when the Nazis invaded Poland and his family was forced to relocate to the Krakow ghetto. With incredible luck, perseverance and grit, Leyson was able to survive the sadism of the Nazis, including that of the demonic Amon Goeth, commandant of Plaszow,

the concentration camp outside Krakow. Ultimately, it was the generosity and cunning of one man, a man named Oskar Schindler, who saved Leon Leyson's life, and the lives of his mother, his father, and two of his four siblings, by adding their names to his list of workers in his factory - a list that became world renowned: Schindler's List. This, the only memoir published by a former Schindler's List child, perfectly captures the innocence of a small boy who goes through the unthinkable. Most notable is the lack of rancour, the lack of venom, and the abundance of dignity in Mr Leyson's telling. *The Boy on the Wooden Box* is a legacy of hope, a memoir unlike anything you've ever read.

A fictionalized look at the last twenty years of Thomas Jefferson's life at Monticello through the eyes of three of his slaves, two of whom were his sons by his slave, Sally Hemings.

Daniel, whose family suffers as the Nazis rise to power in Germany, describes his imprisonment in a concentration camp and his eventual liberation.

Thirteen-year-old Sam Castine is at summer camp while his mother is in rehab, but when the camp is evacuated ahead of a fast moving wildfire, he makes the mistake of going back for his phone, and finds himself left behind, disoriented, and running for his life, together with a girl, Delphy, from a different camp--finding an old jeep keeps them going, but in the wilds of Maine, there are only logging roads and the deadly crown fire is everywhere.

From the German invasion of Poland in 1939 to the liberation of her concentration camp in 1945, the author chronicles an adolescence shaped by the horrors of the Holocaust but strengthened by the force of her own will.

A testament to the enduring strength of the human spirit, family, and, above all, hope, this "vivid memoir of a woman who lost her youth and family to the Nazis" (Kirkus Reviews, starred review) is a Holocaust survival story that will be remembered for generations. As long as there is life, there is hope... Then the family is rounded up, deported to Auschwitz, and separated. Now Riva is alone. At Auschwitz, and later in the work camps at Mittelsteine and Grafenort, Riva vows to live, and to hope—for Mama, for her brothers, for the millions of other victims of the nightmare of the Holocaust. The highly-anticipated junior version of Bruce Pascoe's multi award-winning book. Bruce Pascoe has collected a swathe of literary awards for *Dark Emu* and now he has brought together the research and compelling first person

accounts in a book for younger readers. Using the accounts of early European explorers, colonists and farmers, Bruce Pascoe compellingly argues for a reconsideration of the hunter-gatherer label for pre-colonial Aboriginal Australians. He allows the reader to see Australia as it was before Europeans arrived — a land of cultivated farming areas, productive fisheries, permanent homes, and an understanding of the environment and its natural resources that supported thriving villages across the continent. *Young Dark Emu — A Truer History* asks young readers to consider a different version of Australia's history pre-European colonisation. 'Adapted for a younger readership from Pascoe's best-selling *Dark Emu*, this exquisitely illustrated picture book will transform how we see Australian history. Bruce uses the diaries of early explorers and colonists to show us the Australia where Aboriginal people built houses, dams and wells and farmed the land.' — Fiona Stager, *The Courier Mail*

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome. Follows the experiences of Nicole, a teenaged French Jew, from 1943 to 1948, as she loses her parents and sister to the concentration camps and then leaves her native France to make a new life for herself in New York City.

It's 1942. Thirteen-year-old Korinna Rehme is an active member of her local Jungmadel, a Nazi youth group, along with many of her friends. Korinna's parents, however, are members of a secret underground group providing a means of escape to the Jews of their city. Korinna is shocked to discover that they are hiding a refugee family behind the wall of her bedroom. But as she comes to know the family, her sympathies begin to turn. When someone tips off the Gestapo, loyalties are put to the test and Korinna must decide what she really believes and whom she really trusts. Filled with adventure, *Behind the Bedroom Wall* helps readers understand the forces that drove so many to turn on their neighbors and the courage that allowed some to resist.
