I'm Off Then has sold more than three million copies in Germany and has been translated into eleven languages. The number of pilgrims along the Camino has increased by 20 percent since the book was published. Hape Kerkeling's spiritual journey has struck a chord.

Overweight, overworked, and disenchanting, Kerkeling was an unlikely candidate to make the arduous pilgrimage across the Pyrenees to the Spanish shrine of St. James, a 1,200-year-old journey undertaken by nearly 100,000 people every year. But he decided to get off the couch and do it anyway. Lonely and searching for meaning along the way, he began the journal that turned into this utterly frank, engaging book. Filled with unforgettable characters, historic landscapes, and Kerkeling's self-deprecating humor, I'm Off Then is an inspiring travelogue, a publishing phenomenon, and a spiritual journey unlike any other.

Originally titled A pilgrim's guide to Camino Francaes.

The road across northern Spain to Santiago de Compostela in the northwest was one of the three major Christian pilgrimage routes during the Middle Ages, leading pilgrims to the resting place of the Apostle St. James. Today, the system of trails and roads that made up the old pilgrimage route is the most popular long-distance trail in Europe, winding from the heights of the Pyrenees to the gently rolling fields and woods of Galicia. Hundreds of thousands of modern-day pilgrims, art lovers, historians, and adventurers retrace the road today, traveling

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

through a stunningly varied landscape which contains some of the most extraordinary art and architecture in the western world. For any visitor, the Road to Santiago is a treasure trove of historical sites, rustic Spanish villages, churches and cathedrals, and religious art. To fully appreciate the riches of this unique route, look no further than *The Pilgrimage Road to Santiago*, a fascinating step-by-step guide to the cultural history of the Road for pilgrims, hikers, and armchair travelers alike. Organized geographically, the book covers aspects of the terrain, places of interest, history, artistic monuments, and each town and village's historical relationship to the pilgrimage. The authors have led five student treks along the Road, studying the art, architecture, and cultural sites of the pilgrimage road from southern France to Compostela. Their lectures, based on twenty-five years of pilgrimage scholarship and fieldwork, were the starting point for this handbook.

To celebrate her 50th birthday and face the challenges of mid-life, Jane Christmas joins 14 women to hike the Camino de Santiago de Compostela. Despite a psychic's warning of catfights, death, and a sexy, fair-haired man, Christmas soldiers on. After a week of squabbles, the group splinters and the real adventure begins. In vivid, witty style, she recounts her battles with loneliness, hallucinations of being joined by Steve Martin, as well as picturesque villages and even the fair-haired man. *What the Psychic Told the Pilgrim* is one trip neither the author nor the reader will forget.

The Camino de Santiago, the Route of Saint James, the Way--all describe a pilgrimage with multiple routes that pass through Spain and end at the Cathedral of Saint James in Santiago de Compostela. In the 21st century, this medieval tradition is seeing a revival with travelers, both spiritual and secular, who embrace it for different reasons. Offering insight into the

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

personal journeys of contemporary pilgrims, this collection of new essays explores cultural expressions of the Camino from the perspective of literature, film and graphic novels, and looks beyond Spain and the "Caminoisation" of other historical routes.

This two-volume set of guidebook and map book makes an indispensable companion to planning and walking the 784km Camino Frances pilgrim route from St-Jean-Pied-de-Port across northern Spain to Santiago de Compostela. Divided into 6 sections, the guidebook includes an additional section from Santiago de Compostela to Finisterre and Muxia on the Galician coast. Each section is broken down into detailed stages with easily customisable start and finish points due to the amount of accommodation available en route. Over 500 of these pilgrim lodgings are listed within this guidebook, including all public and private albergues, with contact details and a description of facilities available. The accompanying map book offers detailed, stage-by-stage maps and profiles of the route as well as over 120 town and village maps that helps you find the exact location of accommodation and other sites important to pilgrims. The small size allows you to keep the map book in an accessible pocket for use throughout the day. This two-part guidebook and map book provide an abundance of advice on planning and preparation, sample itineraries and detailed information that allows complete customisation of the Camino, making this an ideal guidebook for all pilgrims walking the Camino Frances.

"Every year, over 200,000 pilgrims from all over the world walk the Camino de Santiago. This book chronicles the author's journey on this ancient path"--Back cover.

Pilgrimage is a spiritual discipline not many consider. In these pages Arthur Paul Boers describes his month-long journey on the Camino de Santiago in Spain, a classic pilgrimage

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

route that ends at the cathedral where St. James is buried, opening to us his incredible story of renewed spirituality springing from an old, old path walked by millions before.

Trekking 500 miles on the ancient Camino de Santiago was not just an item for Russ Eanes to check off his bucket list. It was a journey he had dreamed of taking for decades. At age 61, with his children grown, he was too young to retire but wise enough to know that he needed to reorient the hurried pace of his life. He left his work and took a sabbatical to "reset" himself and the first step was to head to the Camino. With everything he needed in a 16-pound pack and, equipped with a set of seven simple principles, he took off from St. Jean Pied de Port, France, to walk, as pilgrims have for twelve centuries, across Spain, to realize his dream. It was the Walk of a Lifetime. In a style that is part personal memoir and part travel memoir, he combines history, spirituality, coffee, culture and humor into an engaging journey of personal rediscovery.

In the spring of 2013, Kari Gale walked the Camino de Santiago. During the 500 mile journey, she documented each day in her journal with ink and paints, resulting in over forty watercolor illustrations. The simple prose and sketches found in *The Art of Walking* provide an intimate perspective that captures the sweeping landscape of Spain, the beauty of ordinary moments, and the profound simplicity and delight of walking.

The Camino de Santiago de Compostela (Camino Francés or Way of St James) is among the world's most famous pilgrimages: Christian pilgrims have travelled to the shrine of St James in Santiago, northern Spain, since the ninth century. This guide provides all the information you need to successfully cycle the Camino. The Camino Francés is the most popular variant of the Camino, linking St Jean-Pied-de-Port on the French-Spanish border with Santiago via Pamplona, Burgos and León. The guide presents the journey in 18 stages. Two versions of the route are described, the first (770km) based closely on the walkers' route and suitable for hybrid or mountain bikes; the second (798km) a 'road route' for road and touring cycles. It can be cycled in around 10-14 days and is very well provisioned. Clear route description and mapping are accompanied by notes on local points of interest, as well as background information on Spanish history and the history of the Camino. The practicalities are also thoroughly covered, including travel to and from the route, accommodation, facilities, kit and how to qualify for and obtain your Compostela (pilgrims' certificate). Whether you're seeking a spiritual journey, a physical challenge or just a holiday, the Camino promises an unforgettable experience - from the beautiful landscapes, historic towns and rich culture of northern Spain to the famed camaraderie with other wayfarers. Blending information with inspiration, this guide is an ideal companion

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

to cycling this UNESCO-listed route.

The new, updated 2014 version of this guide is now available. A practical guide to walking the Camino de Santiago/Camino Francés with information about pilgrim accommodation and services plus lots of background information about the history, culture and architecture of the places you will pass through. This guide grew out of the caminoguide.net free community-based guide to the Camino which is kept up-to-date with the help of feedback from pilgrims past and present. Fully revised in 2012 this is the most up-to-date and reliable English-language guide to accommodation and services on the Camino. It covers St Jean Pied de Port to Santiago de Compostela and Finisterre. This new edition, published in January 2014, has been updated with the latest information about accommodation and services. The guide includes: The Route: distances between places with pilgrim accommodation, descriptions of difficult points along the route. Maps: route maps showing the Camino in rural areas and large-scale maps of the major cities and towns showing the location of Pilgrim Hostels and other facilities. Accommodation: up-to-date and accurate information about pilgrim accommodation, the facilities provided and prices. Services: information about services (shops, restaurants, tourist information, internet, etc.) plus the dates of local festivals. Sights: historical and architectural information about the

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

sights you'll see along the Camino. History: a brief history of the towns and villages along the Camino, describing significant events and people and any legends associated with the Camino. Gastronomy: descriptions of the traditional dishes to watch out for in the different regions and recommendations on where to try them. Placenames: the meanings and origins of the names of villages and towns.

A guide to walking the Camino de Santiago across the north of Spain. Follow Celts, Romans and pilgrims on a spectacular journey across the north of Spain. Walking the Camino de Santiago leads you along an ancient 800km pilgrimage route from St Jean Pied de Port in southwestern France to Spain's northwest corner, where St James is entombed at Santiago de Compostela. Smoothing your way with step-by-step instructions, detailed sketch maps and profile charts, this guide lets you into Spain's cultural and culinary secrets, includes a detailed, illustrated wildlife section, and gives you all the practical information you need for a hassle-free pilgrimage.

Funny, touching, and inspiring! A book about really walking the Camino de Santiago! Perhaps it was the onset of middle-age or just too much diet cola, but in the Spring of 2010, Canadian boy, Randall St. Germain felt called to take on the 800 kilometer, or 500 mile Camino de Santiago pilgrimage from St. Jean Pied

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

de Port, France to Santiago de Compostela, Spain. Seriously, what ensued was a dedication to his mother, a personal challenge, and a journey of cultural and historical enlightenment. A million footsteps, and a few pounds of gauze and tape later, he arrived in Santiago de Compostela, with a better understanding of himself - and a newfound familiarity with snoring and flatulent pilgrims! Join St. Germain on his adventure in *Camino de Santiago In 20 Days*, an irreverently chuckle-inducing look at one man's attempt at the famed walk as he confronts apocalyptic weather, snarling dogs, epic blisters, an exhausted body, and his greatest paranoia in life-bed bugs. Along with his humorous reflections, there is practical insight into how he successfully prepared, packed, and then walked across the entire French Way in 20 days - and in doing so, pushed far beyond his personal comfort zone. Never to be included on the final list of Pulitzer Prize nominees, or in Oprah's Book Club, *Camino de Santiago in 20 Days* is not your granddaddy's Camino book, either. One word of caution: Pilgrim Discretion is Advised.

Over 1,200 years old, 500 miles long, and rich with tradition and sacred history: Embark on the trip of a lifetime with *Moon Camino de Santiago*. Inside you'll find: Strategic trekking guides for walking the Camino, including where to start to get the Compostela certificate and excursions to gateway cities like Santiago, León,

journey with the expert insight, unique suggestions, and practical advice of Moon Camino de Santiago.

The Spanish Camino de Santiago, a pilgrimage rooted in the Medieval period and increasingly active today, has attracted a growing amount of both scholarly and popular attention. With its multiple points of departure in Spain and other European countries, its simultaneously secular and religious nature, and its international and transhistorical population of pilgrims, this particular pilgrimage naturally invites a wide range of intellectual inquiry and scholarly perspectives. This volume fills a gap in current pilgrimage studies, focusing on contemporary representations of the Camino de Santiago. Complementing existing studies of the Camino's medieval origins, it situates the Camino as a modern experience and engages interdisciplinary perspectives to present a theoretical framework for exploring the most central issues that concern scholars of pilgrimage studies today. Contributors explore the contemporary meaning of the Camino through an interdisciplinary lens that reflects the increasing permeability between academic disciplines and fields, bringing together a wide range of theoretical and critical perspectives (cultural studies, literary studies, globalization studies, memory studies, ethnic studies, postcolonial studies, cultural geographies, photography, and material culture). Chapters touch on a variety of genres (blogs, film, graphic

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

novels, historical novels, objects, and travel guides), and transnational perspectives (Australia, the Arab world, England, Spain, and the United States). Walking the Camino de Santiago becomes a story about people, love, adventure, escapism, charity and friendships.

Do you think you are too old, too young, or not fit enough for an adventure? This bestselling book has helped many a Camino Dream come true Do you want to hike the famous pilgrimage trail, the 500 mile/800 km Camino Frances in Spain, but don't have 30+ days for that trek? Or are you terrified of the fitness, research, and planning that is required? The Camino Ingles is the answer! The Camino Ingles is one of the Northern Caminos, a Galician pilgrimage trail ending in Santiago de Compostela, a great doable walking adventure for anyone of moderate fitness. You may have heard of the Camino, called variously, St. James Way, or Jacobsweg; but there are in fact, many Caminos, and the English Way or Camino Ingles is one of them. Walking the Camino was a goal of mine last year, and the year before that, and the year before that. I had never even walked five miles, but I wanted to walk the Camino to prove to myself that I could achieve a goal. But, I didn't have the time for 500 miles, then, I heard of the Camino Ingles. No more excuses! The shorter time and distance of the Camino Ingles was the clincher, and I set out on a quieter, less travelled and less well

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

documented hike through Spain. This book helps you to set a practical goal and achieve it, by showing you exactly how to: Walk the Camino Ingles, a Galician route as old as the Camino Frances Prepare your mind, body and feet to enjoy the long walk Pack and what to discard to travel light Plan your travel and arrival in Spain in the shortest time Decide on strategies to overcome obstacles Find the medieval way posts for an authentic experience Enjoy the food of the region Book, or not book your bed for a good nights' rest Get your Compostela in Santiago Find more information if you really want it Follow this book to complete a real pilgrimage trek in only 6 days, there is enough detail to guide you each day. Go on, what's stopping you? It's only one step at a time!

"Savoring the Camino de Santiago: It's the Pilgrimage, Not the Hike" focuses on the Camino de Santiago, an ancient pilgrimage trail that began around 820 AD and that traverses Spain, ending in Santiago de Compostela, the burial place of St. James the apostle. A resurrection of interest in the Camino since the 1980s has meant that more than 300,000 individuals are nowadays undertaking the pilgrimage to Santiago de Compostela each year. The author made the pilgrimage in 2016 via the French route from Saint-Jean-Pied-de-Port in France to Santiago de Compostela in Spain, a journey of some 500 miles. Her book incorporates a blog and travel journal she kept during that pilgrimage, with an

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

illustration accompanying each of the 49 days of the journey. The book is also a memoir, with Ms. Connor explaining how and why she decided to make the pilgrimage. "Savoring the Camino de Santiago" offers practical advice for those interested in traveling the Camino. While the prevailing culture of the Camino is to walk the route, Ms. Connor believes that walking is not the only way to undertake the Camino. Taking buses, taxis, or even driving are also valid ways to experience the Camino, in her opinion. She advocates for pilgrims to slow down and savor the pilgrimage by stopping in churches, cathedrals, museums, and interesting towns and cities along the route. Not everyone experiences spiritual or personal growth through the act of walking; Ms. Connor urges pilgrims to take the trip in the manner that will most connect them with their spiritual, religious, and transcendent well springs. After completing the pilgrimage, the author journeyed on to Madrid and Toledo, and there are chapters in the book covering those visits. Ms. Connor also recounts activities following the journey related to the Camino, such as writing an open letter to relevant governmental authorities in Spain and hosting a thank-you dinner in Houston for those who helped her plan and organize her pilgrimage. The book includes a useful chapter on resources and an index. "Savoring the Camino de Santiago" won the eLit silver medal for travel.

The Camino Frances Route Book Cycling the Camino de Santiago The Way of St James - Camino Frances Cicerone Press

In April 2015, Beth and Eric Jusino, laden with backpacks and nerves, walked out of a cathedral in the historic village of Le Puy, France, down a cobblestone street, and turned west. Seventy-nine days, a thousand miles, two countries, two mountain ranges, and three pairs of shoes later, they reached the Atlantic Ocean. More than two million pilgrims have walked the Way of Saint James, a long-distance hiking trail familiar to most Americans by its Spanish name, the Camino de Santiago. Each pilgrim has their own reason for undertaking the journey. For the Jusinos, it was about taking a break from the relentless pace of modern life and getting away from all their electronic devices. And how hard could it be, Beth reasoned, to walk twelve to fifteen miles a day, especially with the promise of real beds and local wine every night? Simple. It turned out to be harder than she thought. Beth is not an athlete, not into extreme adventures, and, she insists, not a risk-taker. She didn't speak a word of French when she set out, and her Spanish was atrocious. But she can tell a story. In *Walking to the End of the World*, she shares, with wry humor and infectious enthusiasm, the joys and travails of undertaking such a journey. She evocatively describes the terrain and the route's history, her fellow pilgrims, and the villages passed, and the

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

unexpected challenges and charms of the experience. Beth's story is also about the assurance that an outdoor-based, boundary-stretching adventure is accessible to even the most unlikely of us. In her story, readers will feel that they, too, can get off their comfortable couches and do something unexpected and even spectacular. Walking to the End of the World is a warm-hearted and engaging story about an average couple going on an adventure together, tracing ancient paths first created in the tenth and eleventh centuries, paths that continue to inspire and reveal surprises to us today in the twenty-first.

This book is a factual account of the challenges and joys of the Pilgrimage of El Camino de Santiago, The Way of St. James. It offers practical advice for preparing for it and enjoying the experience. If you like first-person accounts full of facts and reflection, you will like *One Wonderful Walk*.

For over a thousand years pilgrims from all over the world have made the journey from St. Jean Pied de Port, France to Santiago de Compostela, Spain on the Camino de Santiago. The path takes the pilgrim over four mountain ranges, through big cities, rural areas, across the vast Meseta of central Spain, and through the green hills of Galicia. This pilgrimage is both a physical and spiritual challenge and is truly a once in a lifetime journey. Experience and enjoy the Pilgrimage through the vivid images contained in this collection. By the authors of

Buen Camino-Hiking the Camino de Santiago

Since medieval times, more than a million pilgrims have followed the Way of St James across northern Spain on the Camino de Santiago. This guidebook contains all the information you need to walk the 800km (500 mile) Camino Frances and the 90km (55mile) Camino Finisterre. Full colour detailed topographical stage maps of each days walk with free GPS files online. 135 detailed stage, city and town maps. Essential practical information on transport, accommodation and services. Overview of dozens of medieval pilgrim sites, with information about the historical context of the pilgrimage. Expert advice on walking and travel gear, packing and daily Camino life.

You have seen the movie, you have read all the novels, now you want to walk “The Way” yourself - the Camino de Santiago. But you have questions, many questions: What does the daily life of a pilgrim actually look like? How big should your backpack be and do you need xyz? What is the best time to walk the Camino? Is it dangerous to walk alone, especially as a woman? What about the dangerous dogs you have heard so much about? Are there gender-separated showers and toilets in the pilgrim hostels? And when nature calls when you are on the trail, will there be outhouses or not? How can you prevent blisters and other health problems? Will you find enough places to buy food from or restaurants to eat in? And what about if you are

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

vegetarian – will you find adequate food to keep you going? Do you need to speak Spanish to walk the Camino? Do you need to be religious and / or baptized to do The Way? Where does the Camino start and how long does it take to walk “The Whole Way”? And, and, and ... If these are your questions, then this book is for you. Read about what you need to know beforehand, what you need to take, and what you can leave at home - which is the most important bit! Read about how to prepare for the Camino de Santiago in a book written by two experienced pilgrims and hospitaleras that, between them, have walked more than 10,000 km / 6,000 mi on European pilgrimage routes in Spain, France and Italy and have looked after, over the years, ten thousands of pilgrims in over twenty different refugios (pilgrim hostels). Some of the many topics covered in this book are: Introduction into the daily pilgrim life – So that you know what to expect and what not. Movies like “The Way” are not always true to reality ;-)) Which way and when? - Choosing the right Camino for you, and yes, there is a choice! And choosing the right time to go, plus many insider tips on how to experience a somewhat quieter Camino, even in the midst of the pilgrim season. A detailed explanation of the few things you need to take, where best to buy them and what to look out for when buying them. And a longer list of things you don't need to take and the reasons why. A lot of practical background information covering pretty much every aspect of the pilgrim life. Plus pilgrim stories out of our real life experience to make it a more entertaining read and a large appendix with many useful addresses and texts.

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

Also included is a free download link to a template that will allow you to create your very own, personalized packing list for your very own Way. If you are still unsure if this is the book you are looking for – just use the “Click to look inside” function here on Amazon to get a good impression of it. In all cases, we want to wish you a ¡Buen Camino! - A Good Way! And yes, you will pick up a few essential Spanish pilgrim terms in this book also ...

Now updated to include newer maps and photos and weighing less to support carefree traveling, these comprehensive guidebooks to the Camino de Santiago and its offshoots contain all the information needed by modern-day pilgrims wishing to walk the sacred Way of St. James. Overview route planners plus daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. The maps feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. Otherwise known as the Camino Francés, the main route covered in this volume is the most popular sacred route through Spain, from St. Jean Pied de Port to Santiago.

Representing the most popular Christian pilgrimage anywhere in the world, this guide combines maps, photographs, and hospitality information to help travelers in their

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism Journey.

With over 1000 years of history, the Way of St. James is one of the classic long distance walks. This historical route along almost 1000 kilometres from the Pyrenees to Santiago de Compostela offers unique cultural, scenic and nature experiences. Since the Holy Year of 2010 the Way of St. James has gained even more in popularity and attracts more and more people from very different backgrounds, faiths and generations. It does not matter what the reason might be for setting out on the path to Santiago de Compostela - in the end you are confident that you have had a quite special experience. The Rother walking guide describes in a total of 42 stages the whole of the Camino francés from Saint-Jean-Pied-de-Port via Roncesvalles, as well as the Aragon route from the Somport pass via Jaca to Santiago de Compostela, including possible secondary routes and the extension to Finisterre or Muxía. Thus the Way of St. James leads through a wealth of diverse landscapes, continuously interrupted by culturally and historically interesting places like Roncesvalles, Pamplona, Puente la Reina, San Juan de Ortega, Burgos or Leon, to name but a few. The natural experience dominates at first with the Pyrenean mountains, then the Rioja region characterised by vineyards, followed by the endless barren wastes of the Castilian plateau. But finally, it is the greenery of Galicia that rewards you for all your efforts and deprivations of the long journey, before you reach the climactic destination of Santiago de Compostela. If you still have time, then continuing to the coast, to Finisterre and Muxía, is highly

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

recommended. Detailed maps, precise descriptions of the individual stages including easy-to-read height profiles, as well as comprehensive details of the infrastructure along the way such as medical services, shopping opportunities or banks, make your planning of the walk easier, especially for deviations from the stages described in this guide. Detailed information is also given about the location and standard of accommodation in the pilgrim hostels along the way, graded accordingly with one to three St. James shells. General tips on planning the route and equipment at the start of the book make this walking guide into a compact and practical guide. Special mention is also made of historical and scenic delights, as well as regional peculiarities, local fiestas and culinary specialities. A selection of representative photos provide insights into the diversity of landscape and culture experienced along the Way of St. James. Revised and updated for 2018. The only Camino guidebook written by a person who works as a guide on the Camino and who gets to walk regularly to Santiago de Compostela. This guidebook covers the last 159 kilometres (roughly 100 miles) to Santiago on the French route. Or in other words, it covers the section of the Camino in Galicia, starting on the border with Castile and ending in Santiago de Compostela. The guidebook is organised in eight chapters that correspond to the commonly suggested daily stages to be covered on foot. There is also a final chapter for the city of Santiago de Compostela, a general introductory chapter and an annex on general Spanish culture. Each chapter describes a departure town and a town of arrival, the distance to

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

be covered on each stage and information about the villages, hamlets and other points of interest you will walk by. Each chapter also has a series of miscellaneous information snippets that can be historical, religious, artistic, or anything else related to Spanish and Galician culture and/or customs. This is a guidebook that will help you understand and appreciate Spanish idiosyncrasy, usually the most intriguing, and at times frustrating, part of a trip for travellers. This is also a guidebook that provides insider insight and information about the Camino; information on where you are walking, why you are looking at things, what you are eating and how to make the most of your experience; all that stuff that is not readily available to travellers from abroad. In a nutshell, this is a guidebook written by a Spanish pilgrim for pilgrims from abroad.

The Camino Way prepares readers to tackle leadership with a pilgrim's heart, a wayfarer's grit, and a leader's vision. To that end, author Victor Prince translates his own experience walking the Camino de Santiago pilgrimage route into seven essential leadership lessons.

A complete set of maps and town plans in English, Spanish, French, German, Portuguese, Italian, Dutch and Polish make up this indispensable guidebook for spiritual seekers and travelers wishing to walk the way of Saint James. Covering the sacred route from St. Jean Pied de Port to Santiago, this portable book of maps makes the perfect companion for adventurers attempting to heed the spiritual calling. Revised and updated to offer the most recent information, this exploration is light enough to carry

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

while walking long distances each day. The maps show the location of all pilgrim hostels en route, the distances between villages, and points of interest, as well as counter guides, alternative routes, and accommodations.

The first one-volume walking guide to the most popular long-distance route walked by British tourists in Europe. With the advent of low-cost airlines it is as cheap for the British tourist to go to mainland Europe as to the extremities of the UK -- which is why in recent years continental long-distance routes have become increasingly popular with the British walker. Most popular by far is El Camino de Santiago de Compostela, the ancient Christian pilgrimage route that has been travelled for over a thousand years to the Cathedral of Santiago de Compostela, where, legend has it, the bones of St James are buried. This guide follows the most popular route, starting at St Jean-Pied-de-Port in south-west France and heading all the way westwards across northern Spain for 800km to finish at Cape Finisterre on the Atlantic coast. Now, extending its series of Trail Guides beyond the UK for the first time, Aurum publishes the first compact one-volume guide to the path, fully illustrated with photography, it offers comprehensive route directions, sectional route maps, gradient profiles, a history of the route and details of sights to see and separate chapter guides to the main cities along the way like Pamplona, and a list of accommodation en route.

The Camino de Santiago cuts across Spain from the Pyrenees in the east to Santiago de Compostela in the west, leading you through the varied and beautiful ancient kingdoms of

Where To Download The Camino De Santiago In The 21st Century Interdisciplinary Perspectives And Global Views Routledge Studies In Religion Travel And Tourism

northern Spain. This guide provides invaluable information on transport, food & accommodation to ensure that your trip includes the best of this medieval pilgrim route. The route of St Jean Pied de Port in the foothills of the French Pyrenees to Santiago de Compostela represents one of the most popular Christian pilgrimages in the world. Walked by millions over the millennia it represents a force for spiritual transformation. This title offers a guide to the pilgrimage, including a fold out map and route planner, 33 daily stage maps with contour guides, 10 town maps including Santiago, a Sun Compass, to orientate your direction and information on all pilgrim hostels along the way together with details of alternative accommodation.

Now updated to include newer maps and photos, this comprehensive guidebook to the Camino de Santiago and its offshoots contains all the information needed by modern-day pilgrims wishing to walk the sacred Way of St. James.

It has been nearly three decades since Shirley MacLaine commenced her brave and public commitment to chronicling her personal quest for spiritual understanding. In testament to the endurance and vitality of her message, each of her eight legendary bestsellers -- from *Don't Fall Off the Mountain* to *My Lucky Stars* -- continues today to attract, dazzle, and transform countless new readers. Now Shirley is back -- with her most breathtakingly powerful and unique book yet. This is the story of a journey. It is the eagerly anticipated and altogether startling culmination of Shirley MacLaine's extraordinary -- and ultimately rewarding -- road through life. The riveting odyssey began with a pair of anonymous handwritten letters imploring Shirley to make a difficult pilgrimage along the Santiago de Compostela Camino in Spain. Throughout history, countless illustrious pilgrims from all over Europe have taken up the trail. It

is an ancient -- and allegedly enchanted -- pilgrimage. People from St. Francis of Assisi and Charlemagne to Ferdinand and Isabella to Dante and Chaucer have taken the journey, which comprises a nearly 500-mile trek across highways, mountains and valleys, cities and towns, and fields. Now it would be Shirley's turn. For Shirley, the Camino was both an intense spiritual and physical challenge. A woman in her sixth decade completing such a grueling trip on foot in thirty days at twenty miles per day was nothing short of remarkable. But even more astounding was the route she took spiritually: back thousands of years, through past lives to the very origin of the universe. Immensely gifted with intelligence, curiosity, warmth, and a profound openness to people and places outside her own experience, Shirley MacLaine is truly an American treasure. And once again, she brings her inimitable qualities of mind and heart to her writing. Balancing and negotiating the revelations inspired by the mysterious energy of the Camino, she endured her exhausting journey to Compostela until it gradually gave way to a far more universal voyage: that of the soul. Through a range of astonishing and liberating visions and revelations, Shirley saw into the meaning of the cosmos, including the secrets of the ancient civilizations of Atlantis and Lemuria, insights into human genesis, the essence of gender and sexuality, and the true path to higher love. With rich insight, humility, and her trademark grace, Shirley MacLaine gently leads us on a sacred adventure toward an inexpressibly transcendent climax. The Camino promises readers the journey of a thousand lifetimes.

Pilgrimage, as a global activity linked to the sacred, speaks to the special significance of persons, places and events. This book relates these sentiments to the curatorship of the Camino de Santiago that comprises a lattice of European pilgrimage itineraries converging at Santiago de Compostela in northwest Spain. The detailed analysis focuses on the

management of pilgrimage settings as heritage and tourism linked to the shrine of Saint James and gives particular attention to investment guidelines, land use planning regulations, environmental stewardship, information dissemination and museology.

People go on the Camino de Santiago pilgrimage for a variety of reasons: religious, midlife crisis, a need for adventure or miracle, to visit Hemingway's 1920s hangouts, to pay homage to Saint James... Author Jean Mitchell-Lanham went for all the same reasons, and then her academic and literary interests set her off on a secondary journey to dig deeper into the mysteries and timeless draw of the pilgrimage. The result is this book: a comprehensive review-complete with academic, regional, cultural, historical, and religious facts-enhanced by one woman's real-life journey along the popular 500-mile spiritual trek. As a detailed study of a world-renowned pilgrimage site, the book is now an indispensable read before making the pilgrimage. Since the rediscovery of Liber Sancti Jacobi/Codex Calixtims, a medieval manuscript containing the twelfth-century guidebook to the Camino, along with stories of miracles, liturgical compositions, and mythological feats, the Camino pilgrimage has resurrected interest over the past several years and has been designated as a World Heritage Site by UNESCO (1987). Since that time, a plethora of new guidebooks have been published and there are over 1,800 historical sites along the Camino to command the attention of history buffs, ordinary tourists, and devout pilgrims. In 2013 alone, 215,880 pilgrims visited the site. Book jacket.
