However, a few simple words-the right words-can transform an awkward sales call into a comfortable conversation and a resistant prospect into a happy customer. By identifying different ways buyers are motivated, salespeople can quickly customize their conversations and lead prospects to "yes." The Secret Language of Influence reveals the best ways to approach buyers who are: Motivated by benefits vs. problems \* Proactive vs. reactive \* Big-picture vs. detailoriented \* Systems thinkers vs. creative minds \* Influenced by external feedback (testimonials, evidence) vs. internal factors (feelings, personal experiences, beliefs) From the use of storytelling, humor, and emotion-evoking language to words to avoid and questions that advance the sale, this entertaining and practical book demonstrates the power of words to break down resistance and change buyers' minds.
