A clear understanding of God 's grace is empowering but explanations of grace often do more to muddy the water than clarify the meaning. The words grace, mercy and salvation are used interchangeably in ways inconsistent with the original Hebrew and Greek. Frequently grace is defined as unmerited favâ ? however, when we focus on how unworthy we are to receive it, we make it more about us than about God and risk missing the full impact of his favor. The Complete Guide to Grace is a refreshing, motivating and comprehensive study that clears up misconceptions about grace. It reveals foundational truths about grace, mercy and forgiveness that can radically change your life. It will help you discover for yourself what Abraham discovered about grace, faith and obedience.
