After recounting her experience as a Jewish girl living in Amsterdam during the Holocaust, Esther, helped by her grandson, embarks on a search to discover what happened to her parents before they died in a concentration camp.

A stunning memoir of a mother and her daughter's survival in WWII and their subsequent lifelong struggle with faith In this captivating and elegantly illustrated graphic memoir, Miriam Katin retells the story of her and her mother's escape on foot from the Nazi invasion of Budapest. With her father off fighting for the Hungarian army and the German troops quickly approaching, Katin and her mother are forced to flee to the countryside after faking their deaths. Leaving behind all of their belongings and loved ones, and unable to tell anyone of their whereabouts, they disguise themselves as a Russian servant and illegitimate child, while literally staying a few steps ahead of the German soldiers. *We Are on Our Own* is a woman's attempt to rebuild her earliest childhood trauma in order to come to an understanding of her lifelong questioning of faith. Katin's faith is shaken as she wonders how God could create and tolerate such a wretched world, a world of fear and hiding, bargaining and theft, betrayal and abuse. The complex and horrific experiences on the run are difficult for a child to understand, and as a child, Katin saw them with the simple longing, sadness, and curiosity she felt when her dog ran away or a stranger made her mother cry. Katin's ensuing lifelong struggle with faith is depicted throughout the book in beautiful full-color sequences. *We Are on Our Own* is the first full-length graphic novel by Katin, at the age of sixty-three.

Maus I: A Survivor's Tale and Maus II - the complete story of Vladek Spiegelman and his wife, living and surviving in Hitler's Europe. By addressing the horror of the Holocaust through cartoons, the author captures the everyday reality of fear and is able to explore the guilt, relief and extraordinary sensation of survival - and how the children of survivors are in their own way affected by the trials of their parents. A contemporary classic of immeasurable significance. Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 2,3, Martin Luther University, language: English, abstract: This seminar paper deals with the graphic novel "Maus" by Art Spiegelman. The book was published in two volumes. The first volume with the subtitle: "My Father Bleeds History"(1986) and the second volume had the subtitle: "And Here My Troubles Began" (1991). The novel is about the genocide of European Jews. The action is centered on the Holocaust survivor Vladek Spiegelman, who was imprisoned in Auschwitz. His son Art Spiegelman reconstructs the story of his father by interviewing him and taking notes. During the novel the author Art Spiegelman informs the reader also about his mother Anja and himself. First of all, there is the question of how to deal with the medium comic, because comics represent actually funny stories but the Holocaust is anything but funny thus they are extreme opposites. However, Spiegelman started a new era of comics, because he showed which opportunities exist in this medium and introduced the genre to a mass audience. He was able to do this, because he does not want to tell the complete history of the Holocaust but only a story of a survivor. The book includes three different time levels. The first one is the tale of woe of his father, who survives the Holocaust, the second one is where Art interviews his father about his experiences and memories and the

third time level acts after Vladek's death and shows Art working on the second volume of "Maus." Due to the jumping between the time levels emerges close connection between present and past, thereby the story appears truer. The exact title of this seminar paper is Characterization and symbolism in "Maus" and will deal with the question of what happens with stereotypes of nationalism and how Spiegelman reflect personalities. First, the genre of the book will be examined by characteristics of fables and allegories. Furthermore Chil Rajchman, a Polish Jew, was arrested with his younger sister in 1942 and sent to Treblinka, a death camp where more than 750,000 were murdered before it was abandoned by German soldiers. His sister was sent to the gas chambers, but Rajchman escaped execution, working for ten months under incessant threats and beatings as a barber, a clothes-sorter, a corpse-carrier, a puller of teeth from those same bodies. In August 1943, there was an uprising at the camp, and Rajchman was among the handful of men who managed to escape. In 1945, he set down this account, a plain, unembellished and exact record of the raw horror he endured every day. This unique testimony, which has remained in the sole possession of his family ever since, has never before been published in English. For its description of unspeakably cruelty, Treblinka is a memoir that will not be superseded. In addition to Rajchman's account, this volume will include the complete text of Vasily Grossman's "The Hell of Treblinka," one of the first descriptions of a Nazi extermination camp; a powerful and harrowing piece of journalism written only weeks after the camp was dissolved. Seminar paper from the year 2018 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Würzburg, language: English, abstract: This paper will concentrate on the function of the portrayal of Jews as mice in the graphic novel "Maus" by Art

Spiegelman as they represent the main characters and, thus, form the focus of the novel. The author proposes that with the depiction of Jews as mice, Spiegelman provides the reader with a more direct way to the material. Moreover, by creating a paradox, he disapproves Hitler's statement, which is printed in the epigraph of the novel, that "Jews are undoubtedly a race, but they are not human" and by using masks to modify the character's identity Spiegelman criticizes the Nazi's racial logic that specific populations have an unchanging character. The graphic novel "Maus" by Art Spiegelman has been one of the most popular and deeply discussed comics of the last decades. Being the first graphic novel about the Holocaust, it arose much attention but was also often criticized of not dealing with the topic with enough respect.

The author reflects on the comics form and its influence on his life and art as he traces his evolution from comics-obsessed boy to a neurotic adult exploring the effects of his parents' memories of Auschwitz on his own son.

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to

receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

In Kashmir's frigid winter a woman leaves her door cracked open, waiting for the return of her only son. Every month in a public park in Srinagar, a child remembers her father as she joins her mother in collective mourning. The activist women who form the Association of the Parents of the Disappeared Persons (APDP) keep public attention focused on the 8,000 to 10,000 Kashmiri men disappeared by the Indian government forces since 1989. Surrounded by Indian troops, international photojournalists, and curious onlookers, the APDP activists cry, lament, and sing while holding photos and files documenting the lives of their disappeared loved ones. In this radical departure from traditionally private rituals of mourning, they create a spectacle of mourning that combats the government's threatening silence about the fates of their sons, husbands, and fathers. Drawn from Ather Zia's ten years of engagement with the APDP as an anthropologist and fellow Kashmiri activist, *Resisting Disappearance* follows mothers and "half-widows" as they step boldly into courts, military camps, and morgues in search of their disappeared kin. Through an amalgam of ethnography, poetry, and photography, Zia illuminates how dynamics of gender and trauma in Kashmir have been transformed in the face of South Asia's longest-running conflict, providing profound insight into how Kashmiri women and men nurture a politics of resistance while facing increasing military violence under India.

Ivory Coast, 1978. It's a golden time, and the nation, too—an oasis of affluence and stability in West Africa—seems fueled by something wondrous. Aya is loosely based upon Marguerite Abouet's youth in Yop City. It is the story of the studious and clear-sighted 19-year old Aya, her easy-going friends Adjoua and Bintou, and their meddling relatives and neighbors. It's wryly funny, breezy account of the simple pleasures and private troubles of everyday life in Yop City. Clément Oubrerie's warm colors and energetic, playful line connect expressively with Marguerite Abouet's vibrant writing. This reworked edition offers readers the chance to immerse themselves in the lively world of Aya and her friends, bringing together the first three volumes of the series in Book One. Drawn & Quarterly has release volumes four through six of the original French series (as yet unpublished in English) in Aya: Love in Yop City. Aya is the winner of the Best First Album award at the Angouleme International Comics Festival, the Children's Africana Book Award, and the Glyph Award; was nominated for the Quill Award, the YALSA's Great Graphic Novels list, and the Eisner Award; and was included on "best of" lists from The Washington Post, Booklist, Publishers Weekly, and School Library Journal. Aya: Life in Yop City has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to Drawn & Quarterly since the early days, her translations include acclaimed titles such as Hostage by Guy Delisle and

Beautiful Darkness by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

Fifteen women. Fifteen inspirational stories. From highly influential individuals in politics, to award-winning leaders and inspirational philanthropists, to ordinary women who have embraced British life, a range of Punjabi women all share personal stories of racism, gender inequality and the partition of India and Pakistan.

An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly escaping the ever-present threats that loomed at every turn, the compelling events in Rena's Promise remind us that humanity and hope can survive inordinate brutality.

Praised throughout the cartoon industry by such luminaries as Art Spiegelman, Matt Groening, and Will Eisner, this innovative comic book provides a detailed

look at the history, meaning, and art of comics and cartooning. On the occasion of the twenty-fifth anniversary of its first publication, here is the definitive edition of the book acclaimed as "the most affecting and successful narrative ever done about the Holocaust" (Wall Street Journal) and "the first masterpiece in comic book history" (The New Yorker). The Pulitzer Prize-winning Maus tells the story of Vladek Spiegelman, a Jewish survivor of Hitler's Europe, and his son, a cartoonist coming to terms with his father's story. Maus approaches the unspeakable through the diminutive. Its form, the cartoon (the Nazis are cats, the Jews mice), shocks us out of any lingering sense of familiarity and succeeds in "drawing us closer to the bleak heart of the Holocaust" (The New York Times). Maus is a haunting tale within a tale. Vladek's harrowing story of survival is woven into the author's account of his tortured relationship with his aging father. Against the backdrop of guilt brought by survival, they stage a normal life of small arguments and unhappy visits. This astonishing retelling of our century's grisliest news is a story of survival, not only of Vladek but of the children who survive even the survivors. Maus studies the bloody pawprints of history and tracks its meaning for all of us.

Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive

during the Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections. Melvin Robinson wants a strong, smooth, He-Man voice that lets him say what he wants, when he wants—especially to his crush Millie Takazawa, and Gary Ratliff, who constantly puts him down. But the thought of starting high school is only making his stutter worse. And Melvin's growing awareness that racism is everywhere—not just in the South where a boy his age has been brutally killed by two white men, but also in his own hometown of Spokane—is making him realize that he can't mutely stand by. His new friend Lenny, a fast-talking, sax-playing Jewish boy, who lives above the town's infamous (and segregated) Harlem Club, encourages Melvin to take some risks—to invite Millie to Homecoming and even audition for a local TV variety show. When they play music together, Melvin almost feels like he's talking, no words required. But there are times when one needs to speak up. When his moment comes, can Melvin be as mighty on the outside as he actually is on the inside?

In a comic-book-style tale of the author's parents, Vladek and Anja, Vladek survives Auschwitz,

is reunited with Anja, and sires young Art.

A New York Times Notable Book Filled with beautiful full-color art, dynamic storytelling, and insightful analysis, Hillary Chute reveals what makes one of the most critically acclaimed and popular art forms so unique and appealing, and how it got that way. “In her wonderful book, Hillary Chute suggests that we’re in a blooming, expanding era of the art... Chute’s often lovely, sensitive discussions of individual expression in independent comics seem so right and true.” — New York Times Book Review Over the past century, fans have elevated comics from the back pages of newspapers into one of our most celebrated forms of culture, from *Fun Home*, the Tony Award–winning musical based on Alison Bechdel’s groundbreaking graphic memoir, to the dozens of superhero films that are annual blockbusters worldwide. What is the essence of comics’ appeal? What does this art form do that others can’t? Whether you’ve read every comic you can get your hands on or you’re just starting your journey, *Why Comics?* has something for you. Author Hillary Chute chronicles comics culture, explaining underground comics (also known as “comix”) and graphic novels, analyzing their evolution, and offering fascinating portraits of the creative men and women behind them. Chute reveals why these works—a blend of concise words and striking visuals—are an extraordinarily powerful form of expression that stimulates us intellectually and emotionally. Focusing on ten major themes—disaster, superheroes, sex, the suburbs, cities, punk, illness and disability, girls, war, and queerness—Chute explains how comics get their messages across more effectively than any other form. “Why Disaster?” explores how comics are uniquely suited to convey the scale and disorientation of calamity, from Art Spiegelman’s representation of the Holocaust and 9/11 to Keiji Nakazawa’s focus on Hiroshima. “Why the Suburbs?” examines how the work of

Chris Ware and Charles Burns illustrates the quiet joys and struggles of suburban existence; and “Why Punk?” delves into how comics inspire and reflect the punk movement’s DIY aesthetics—giving birth to a democratic medium increasingly embraced by some of today’s most significant artists. Featuring full-color reproductions of more than one hundred essential pages and panels, including some famous but never-before-reprinted images from comics legends, *Why Comics?* is an indispensable guide that offers a deep understanding of this influential art form and its masters.

The testimonies of six survivors of the Holocaust are presented in comics form, aimed at teenage readers. Some of them were children then, and are still alive to tell what happened to them and their families. How they survived. What they lost--and how you keep on living, despite it all. Jessica Bab Bonde has, based on survivor's stories, written an important book. Peter Bergting's art makes the book accessible, despite its difficult subject. Using first-person point of view allows the stories to get under your skin as survivors describe their persecutions in the Ghetto, the de-humanization and the starvation in the concentration camps, and the industrial-scale mass murder taking place in the extermination camps. When right-wing extremism and antisemitism are being evoked once again, it's the alarm-bell needed to remind us never to forget the horrors of the Holocaust.

Seminar paper from the year 2013 in the subject English - Literature, Works, grade: 1,0, University of Tübingen (Philosophische Fakultät), course: Popular Culture, language: English, abstract: Representing the Holocaust in a comic book is a daring enterprise; doing it with animal figures is even bolder. Spiegelman's work *Maus* braves many conventions of dealing with the Holocaust but reconstructs it in an unprecedented and unique manner. By exceeding literary boundaries and generic expectations, it is thus an essential addition to Holocaust literature. [...] This paper analyzes the animal metaphor in Spiegelman's *Maus*. It examines and discusses the different spheres in which the functions of the animal metaphor become evident. First, this paper traces back to the origins of using animals in literature. After a brief historical introduction of the sources and the development of animal figures, chapter 2 explains their literary function and their significance in comic books. Chapter 3 delivers a brief overview of *Maus*. It includes a synopsis of the comic's plot as well as a summary of its reception. Chapter 4, the main part of this paper, investigates the various functions and receptions of the animal metaphor in *Maus* from different perspectives. In chapter 4.1, Spiegelman's personal explanations reveal how *Maus*'s animal characters function for him as a second generation witness. Chapter 4.2 focuses upon these implications brought into play with the use of the mask. A further subject, discussed in chapter 4.3, is how the animal imagery serves as a distancing and defamiliarizing device in order to deal with the horror of the Holocaust. Chapter 4.4 discusses the interconnection between both features. In chapter 4.5, the examination tries

further to comprehend how the animal metaphor contributes to the reconstruction of ethnicity and identity in Maus. Since any analysis of a comic book must not neglect its visual dimension, chapter 4.6 considers Maus's drawing style and the significance of its visual representation. Maus has attracted many critics and its reception has been diverse and manifold. Target of the criticism has been especially the use of animals as substitutes for human beings. Chapter 4.7 examines and discusses Maus's animal device from a critical point of view regarding its incongruities and problems brought into play with the association of human beings and animals. The last chapter summarizes the insights of the analysis and discusses in what way Maus's animal metaphor strikes a new path in the conception and reconstruction of the Holocaust.

Beyond MAUS. The Legacy of Holocaust Comics collects 16 contributions that shed new light on the representation of the Holocaust. While MAUS by Art Spiegelman has changed the perspectives, other comics and series of drawings, some produced while the Holocaust happened, are often not recognised by a wider public. A plethora of works still waits to be discovered, like early caricatures and comics referring to the extermination of the Jews, graphic series by survivors or horror stories from 1950s comic books. The volume provides overviews about the depictions of Jews as animals, the representation of prisoner societies in comics as well as in depth studies about distorted traces of the Holocaust in Hergé’s Tintin and in Spirou, the Holocaust in Mangas, and Holocaust comics in Poland and Israel, recent graphic novels and the use of these comics in schools. With contributions from different disciplines, the volume also grants new perspectives on comic scholarship.

This book examines the myriad ways in which war is culturally reassembled, appropriated, and commodified as it manifests itself in our culture and invades our public imagination and becomes an indelible part of our landscape through fashion, movies, graphic novels, television etc.
