How does a Black kid from North Philly wind up playing polo? The much-anticipated sequel to *Ghetto Cowboy*, now a major motion picture starring Idris Elba and *Stranger Things*'s Caleb McLaughlin. When Cole moves in with his dad, Harp, he thinks life will be sweet--just him and his horse, Boo, hanging out with Philadelphia's urban cowboys. But when Harp says he has to get a job, Cole winds up as a stable hand for the polo team at George Washington Military Academy, where the players are rich, white, and stuck-up--all except Ruthie, the team's first and only girl, who's determined to show the others she can beat them at their own game. As Cole and Ruthie become friends--and maybe more--he starts imagining his future, maybe even at the academy. But between long workdays, arrogant polo players, and a cousin trying to pull Cole into his dangerous business, that future seems remote. Will Cole find the courage to stand and be seen in a world determined to keep him out? With striking illustrations by Jesse Joshua Watson, celebrated author G. Neri's novel weaves themes of tenacity and community into a rousing sports story inspired by Philadelphia's real-life urban cowboys and polo players.

Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did?

When Carl sells a box of slimming pills to his close friend Stacey, inadvertently causing her death, he sets in train a sequence of catastrophic events which begin with subterfuge, extend to lies, and culminate in murder. Detective Harry Bosch was sure he'd shot the serial killer responsible for a string of murders in LA . . . but now, a new crime makes him question his convictions. The Dollmaker was the name of the serial killer who had stalked Los Angeles ruthlessly, leaving grisly calling cards on the faces of his female victims. Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's nightmare. But the dead man's widow is suing Harry and the LAPD for killing the wrong man-- an accusation that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. So for the second time, Harry must hunt down a death-dealer who is very much alive, before he strikes again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. night to the last place he ever wanted to go-- the darkness of his own heart. With *The Concrete Blonde*, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a

For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. *The Black Echo* (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. *The Black Ice* The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. *The Concrete Blonde* When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man-a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the *New York Times* Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

Opposing them is Jessup, now out on bail, a defense attorney who excels at manipulating the media, and a runaway eyewitness reluctant to testify after so many years. With the odds and the evidence against them, Bosch and Haller must nail a sadistic killer once and for all. If Bosch is sure of anything, it is that Jason Jessup plans to kill again.

The Crossing Little, Brown

In this #1 New York Times bestseller, Detective Harry Bosch and his rookie partner investigate a cold case that gets very hot . . . very fast. In the LAPD's Open-Unsolved Unit, not many murder victims die a decade after the crime. So when a man succumbs to complications from being shot by a stray bullet ten years earlier, Bosch catches a case in which the body is still fresh, but any other clues are virtually nonexistent. Even a veteran cop would find this one tough going, but Bosch's new partner, Detective Lucia Soto, has no homicide experience. A young star in the department, Soto has been assigned to Bosch so that he can pass on to her his hard-won expertise. Now Bosch and Soto are tasked with solving a murder that turns out to be highly charged and politically sensitive. Beginning with the bullet that has been

lodged for years in the victim's spine, they must pull new leads from years-old evidence, and these soon reveal that the shooting was anything but random. As their investigation picks up speed, it leads to another unsolved case with even greater stakes: the deaths of several children in a fire that occurred twenty years ago. But when their work starts to threaten careers and lives, Bosch and Soto must decide whether it is worth risking everything to find the truth, or if it's safer to let some secrets stay buried. In a swiftly-moving novel as relentless and compelling as its hero, Michael Connelly shows once again why Harry Bosch is "one of the most popular and enduring figures in American crime fiction" (Chicago Tribune).

LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress. Harry Bosch is up to his neck in a case that has transfixed all of celebrity-mad Los Angeles: a movie director is charged with murdering an actress during sex, and then staging her death to make it look like a suicide. Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full-throated frenzy. Meanwhile, Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back. It's a murder, the unreadable kind of murder he specialized in solving back in his FBI days. The investigation has stalled, and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed. McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge. As his quick look accelerates into a full-sprint investigation, the two crimes -- his murdered loner and Bosch's movie director -- begin to overlap strangely. With one unsettling revelation after another, they merge, becoming one impossible, terrifying case, involving

The murder of John Li, the store's owner, hits Bosch hard, and he promises Li's family that he'll find the killer. The world Bosch steps into next is unknown territory. He brings in a detective from the Asian Gang Unit for help with translation -- not just of languages but also of the cultural norms and expectations that guided Li's life. LAPD Detective Harry Bosch as we've never seen him before, in three never-before-collected stories. In "Suicide Run," the apparent suicide of a beautiful young starlet turns out to be much more sinister than it seems. In "Cielo Azul," Bosch is haunted by a long-ago closed case -- the murder of a teenage girl who was never identified. As her killer sits on death row, Bosch tries one last time to get the answers he has sought for years. In "One Dollar Jackpot," Bosch works the murder of a professional poker player whose skills have made her more than one enemy. Whether investigating a cold case or fresh blood, Bosch relentlessly pursues his quarry, always on the lookout for the "tell." more than twenty years earlier. It's a cold case, but for Detective Harry Bosch, it stirs up memories of his childhood as an orphan. He can't let it go. As the investigation takes Bosch deeper into the past, a beautiful rookie cop brings him alive in the present. No official warning can break them apart -- or prepare Bosch for the explosions when the case takes a few hard turns. Suddenly all of L.A. is in an uproar, and Bosch, fighting to keep control, is driven to the brink of an unimaginable decision.

Six months ago, Harry Bosch left the LAPD before they could fire him, and then hired maverick Defense Attorney Mickey Haller to sue the department for forcing him out. Although it wasn't the way he wanted to go, Harry has to admit that being out of the game has its benefits. Until Mickey asks him to help on one of his cases, and suddenly Harry is back where he belongs, right in the centre of a particularly puzzling murder mystery. The difference is, this time Harry is working for the defense, aiming to prevent the accused, Leland Foster, from being convicted. And not only does the prosecution seem to have a cast-iron case, but having crossed over to 'the dark side' as his former colleagues would put it, Harry is in danger of betraying the very principles he's lived by his whole career.

reader past the yellow police tape as he follows the investigators, the victims, their families and friends--and, of course, the killers--to tell the real stories of murder and its aftermath. Connelly's firsthand observations would lend inspiration to his novels, from *The Black Echo*, which was drawn from a real-life bank heist, to *Trunk Music*, based on an unsolved case of a man found in the trunk of his Rolls Royce. And the vital details of his best-known characters, both heroes and villains, would be drawn from the cops and killers he reported on: from loner detective Harry Bosch to the manipulative serial killer the Poet. In this New York Times bestseller, retired LAPD detective Harry Bosch wants justice for a murdered production assistant -- but without his police badge, can he take down a powerful and ruthless killer? The vision has haunted him for four years -- a young woman lying crumpled in death, her hand outstretched in silent supplication. Harry Bosch was taken off the Angella Benton murder case when the production assistant's death was linked with the violent theft of two million dollars from a movie set. Both files were never closed. Now retired from the L.A.P.D., Bosch is determined to find justice for Angella. Without a badge to open doors and strike fear into the guilty, he's on his own. She's been given this beat as punishment after filing a sexual harassment complaint against a supervisor. But one night Ballard catches two assignments she doesn't want to part with. First, a prostitute is brutally beaten and left for dead in a parking lot. All signs point to a crime of premeditation, not passion, by someone with big evil on his mind. Then she sees a young waitress breathe her last after being caught up in a nightclub shooting. Though dubbed a peripheral victim, the waitress buys Ballard a way in, and this time she is determined not to give up at dawn. Against orders and her partner's wishes, she works both cases by day while maintaining her shift by night. As the investigations intertwine, Ballard is forced to face her own demons and confront a danger she could never have imagined. To find justice for these victims who can't speak for themselves, she must put not only her career but her life on the line. The #1 New York Times bestselling series featuring police lieutenant Eve Dallas. New York City's most vulnerable citizens fall victim to a ruthless serial killer.

Harry Bosch has been given three years before he must retire from the LAPD, and he wants cases more fiercely than ever. In one morning, he gets two. DNA from a 1989 rape and murder matches a 29-year-old convicted rapist. Was he an eight-year-old killer or has something gone terribly wrong in the new Regional Crime Lab? The latter possibility could compromise all of the lab's DNA cases currently in court. Then Bosch and his partner are called to a death scene fraught with internal politics.

Councilman Irvin Irving's son jumped or was pushed from a window at the Chateau Marmont. Irving, Bosch's longtime nemesis, has demanded that Harry handle the investigation. Relentlessly pursuing both cases, Bosch makes two chilling discoveries: a killer operating unknown in the city for as many as three decades, and a political conspiracy that goes back into the dark history of the police department.
