And then he went to Ed and Lorraine Warren, the world's most famous demonologists who investigated the “The Amityville Horror” and other terrifying cases of demonic possession. It was the Warrens who called in one of America's most renowned exorcists, Bishop Robert McKenna. What they all experienced is described in this extraordinary book. Absolutely terrifying. Absolutely true. Don't miss the Warrens' new film "Annabelle" (October, 2014).

What are the odds... - those who preach righteousness are not right? - today's Christians are not followers of Christ? - biblical truth, as it is known today, cannot be trusted? Before the enemy's damnation to earth he held a place in heaven as the covering of God. The name given to Lucifer by God Himself, covering cherub, holds truth many believers have not heard. Insight into the reasons for Satan's fall from grace foreshadows the impending future of the Christian church. Hidden in the account of a vision, told by Ezekiel, a prophet of old, is the beginning of an untaught truth about coverings unquestionably tethered to the Christian faith. Peculiarly embedded in scripture from Genesis to Revelation, even those who lay claim to an absolute, gospel truth, will find this uncovered teaching hard to deny. Presented in simplistic format, with supporting scriptures, *The Naked Truth Unveiled* unleashes never heard before truths found in the Bible. Each chapter builds on the next leading to an ultimate, unmistakable revelation that will change what believers believe.

The legend of the werewolf is as old as man himself. From Ed and Lorraine Warren, the world's most famous demonologists, comes perhaps their most incredible and horrifying case: the true story of William Ramsey, whose bizarre seizures terrified the English town of Southend-on-Sea. Believing Ramsey to be a victim of demonic possession, the Warrens arranged for the rite of exorcism to be performed. Not since the exorcist shocked the nation has there been such a such a horrifying account of a supernatural battle between good and evil within the soul of one human. Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Already famous throughout Europe for his theories of planetary motion and gravity, Isaac Newton decided to take on the job of running the Royal Mint. And there, Newton became drawn into a battle with William Chaloner, the most skilful of counterfeiters, a man who not only got away with faking His Majesty's coins (a crime that the law equated with treason), but was trying to take over the Mint itself. But Chaloner had no idea who he was taking on. Newton pursued his enemy with the cold, implacable logic that he brought to his scientific research. Set against the backdrop of early eighteenth-century London with its sewers running down the middle of the streets, its fetid rivers, its packed houses, smoke and fog, its industries and its great port, this dark tale of obsession and revenge transforms our image of Britain's greatest scientist.

Demonologists Ed and Lorraine Warren, the original ghost hunters, sit down with fellow demonologist Tony Spera to discuss their most famous cases. Ed Warren began his ghost-hunting career at a young age because he lived in a real haunted house and witnessed paranormal activities firsthand. Clairvoyant and light medium Lorraine Warren discovered her psychic abilities such as reading aura, hearing spirits, detecting evil presences and/or preternatural entities with more and more exposure to the supernatural

world. Lorraine appears on A&E's Paranormal State TV series. The one thing Lorraine has learned, there are no atheists in a true haunted house. The Amityville Horror, a true story, is the Warrens' most famous haunting investigation. The house at 112 Ocean Avenue in Amityville, Long Island, New York, is the subject of international newspaper articles, thousands of websites, over a dozen books and at least ten films. The alleged diabolic possession of Ronald DeFeo, Jr. and the Amityville murders by an evil presence is an ongoing debate. Were there ghosts, spirits and other invading psychic entities in the house? George and Kathy Lutz claimed they fled the house from an invading entity or entities. Was it a hoax? What happened to the Amityville Horror house? The Warrens tell all. Allen and Carmen Snedeker experienced the real horror of living in a possessed house in Southington, Connecticut, when they unknowingly moved into a haunted funeral home infested with paranormal activity. Only an exorcism sanctioned by the Catholic Church brought peace to the house. The Snedekers' story was made into a horror movie titled The Haunting in Connecticut and summoned more media attention the second time around than the first. Ed referred to the Jack and Janet Smurl family as the "chosen ones." The chosen is a person or persons God chose to prove to the world he is more powerful than any demon or devil. A book and TV movie titled The Haunted was made about this case. Ed describes methods used to provoke the spirits in the house and how they responded. Lorraine and Ed were in a friend's home when Ed noticed a "Werewolf in London" movie on television. This werewolf film was featured on the TV show Sightings and real London police officers were talking about being attacked by a real werewolf with real werewolf characteristics including hands, eyes and teeth. The Warrens knew about the werewolf myth, folklore and werewolf syndrome. They knew the many names associated with the werewolf mythology such as lycanthropy, lycanthrope and lycan. Ed explains how Lorraine got him involved in this case, why Bill Ramsey turned into a werewolf and what happened during Bill's exorcism. The Brookfield Demon murder trial is the first known court case in the United States alleging innocence due to demonic possession. The Warrens alleged David Glatzel, a boy at the time, was possessed by many devils. When Arne Cheyenne Johnson challenged the devil to possess him the devil took him up on his offer. Ed Warren shares why he thinks the courts were wrong not to allow "the devil in Connecticut made me do it" defense. Taking psychic photographs comes naturally to some people but others need a little guidance. Lorraine and Ed discuss the art of psychic photography and how to get psychic images with any camera. Ed shares a story about a psychic photo of a couple whose love survived beyond the grave. The conversations with the Ed and Lorraine are not limited to famous cases. They share stories about the mysterious places they have visited such as Borley Rectory, Cross Keys Hotel and Pub, Stonehenge, Whitby Abbey, the Fairy Glenn, haunted castles, the grave of Merlin the Wizard, Loch Ness, Transylvania and St. Joseph's Oratory. They also share stories of miraculous miracles and discuss human vampires and sorcerers.

While approaching his subjects with empathy, humor, and a keen eye for detail, he creates a world of snake-charming preachers, meth heads, and spurned lovers. This collection will make you laugh, make you anxious, and keep you turning the pages. Read this damn book." -Kody Ford, The Idle Class Magazine ~~~~~ "A Breece D'J Pancake of the plains, Benson writes with a hell of a knack for dialect. His characters are dirty, flawed, and all-too familiar. There are no heroes here. The Ramsays, India's first family of horror, are synonymous with the supernatural and gore. Through their films and series they introduced India to churails that floated across the screen, ghouls that woke up from eerie graveyards, and houses that buzzed with ghosts. But few knew that behind the production drama, elaborate sets, and haunting showtunes, there was a more sinister story. For the Ramsays, the supernatural wasn't just stuck to the screens and camera - it crept into their lives, too. Alisha Kirpalani, the granddaughter of FU Ramsay, has grown up on stories that question reality and bring a chill to the bone. In time, she, too, followed her family's footsteps and saw through the veil that separates this world and the Other. From the woman on the highway that Shyam Ramsay met to an eerie and persistent knocking that came from every house that Tanuja Ramsay lived in to Amit Ramsay's unwelcome dead visitor at Lamington House, the original home of the Ramsays, this book has the improbable, bizarre and spine-chilling all parading through its chapters.
