The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

"Straight up, parent tested, and funny to boot, Jamie gives you all the information you need." —Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures* A proven six-step plan to help you toilet train your preschooler quickly and successfully, from potty-training expert, Pied Piper of Poop, and social worker Jamie Glowacki. Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her 6-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: ** How do I know if my kid is ready? ** Why won't my child poop in the potty? ** How do I avoid "potty power struggles"? ** How can I get their daycare provider on board? ** My kid was doing so well—why is he regressing? ** And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the ANSWERS you need to do it once and be done with diapers for good.

Love Monster is a slightly hairy monster trying to fit in with the cuddly residents of Cutesville. But as it turns out, it's hard to fit in with the cute and the fluffy when you're a googly-eyed monster. And so, Love Monster sets out to find someone who will love him just the way he is. His journey is not easy—he looks high, low, and even middle-ish. But as he soon finds out, in the blink of a googly eye, love can find you when you least expect it. Look out for Love Monster and the Perfect Present, coming in Fall 2014.

If you like Mo Willems' Pigeon, you'll love Sam Wedelich's Chicken Little! Who are you calling little?"In this clever spin on the classic tale... empathy ends up saving the day, and the moral (don't believe everything you hear; check the facts) is broadcast loud and clear." -- The Horn Book "Whimsy reigns in Wedelich's debut picture book... A spry read-aloud that will entertain adults and listeners in equal measure." -- Publishers Weekly Chicken Little is NOT afraid of anything. Well, okay, maybe a mysterious BONK to the head can produce panic. But only momentarily. It's not as though she meant to send the barnyard into a tailspin, thinking that the sky was falling. How ridiculous! But can she calm her feathered friends with facts and reason? A timeless favorite becomes a clever cautionary tale in this FUNNY, fresh, and timely picture book debut by cartoonist, Sam Wedelich!

The intimate - and surprising - autobiography of Britain's most adored band Prepare to meet the real McFly ... In 2003, Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter came together and formed what would become one of the most popular and successful bands in the UK. Just teenagers at the time, they were catapulted into the limelight and had to adapt quickly to their new-found fame – and everything that came with it. Now, at last, they have decided to tell their story, in full and revealing detail. Speaking with candour and their trademark humour, Tom, Danny, Harry and Dougie share both the stories of their own lives and that of McFly. They give their personal insights into their contrasting childhoods, the individual paths that led them to the band, the struggles they have each overcome, their love lives and, of course, their music. Packed with previously untold stories, a lot of laughter and the occasional tear, Unsaid Things offers a privileged look into the lives of four guys who started out as bandmates and became best friends. Their unique camaraderie radiates from every page and by the end of the book, you'll know them almost as well as they know each other ... Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter have been together as McFly since 2003. They hold the record for being the youngest band to have a debut No 1 album in the UK. Their hits include: 'Five Colours in Her Hair', 'All About You', 'Please, Please' and 'Shine a Light'. They are one of the biggest bands in the UK.
