Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Triber. In the Middle Realm, Tribers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

Traces the life of the first and most successful public relations consultant and his revolutionary campaigns with the American Tobacco Company, the United Fruit Company, and presidential campaigns. Reprint. 10,000 first printing. Reading is Hard Work is a book for all families who are facing dyslexia or other reading learning disabilities. When our son Tim was in first grade we suspected he had a problem with reading. We were right. The book teaches children that they are not strange or weird. Rather, that God made all of us differently and reading for them is going to be hard work. The Father of Spin is the first full-length biography of the legendary Edward L. Bernays, who, beginning in the 1920s, was one of the first and most successful practitioners of the art of public relations. In this engrossing biography, Larry Tye uses Bernays's life as a prism to understand the evolution of the craft of public relations and how it came to play such a critical- and sometimes insidious-role in American life. Drawing on interviews with primary sources and voluminous private papers, Tye presents a fascinating and revealing portrait of the man who, more than any other, defined and personified public relations, a profession that today helps shape our political discourse and define our commercial choices. He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

Personal account of how a traumatic injury brought the author closer to God.

A book about a brilliant invention - the bicycle. A book about the joys of cycling, a book that peels back the myths of the cycling fraternity. A book about being a boy on a bike or a girl on a bike. A book that states that the bicycle is for everybody to enjoy not just the Carbon Fiber Cowboys and the Lycra Loonies

A collection of over 100 limericks with the author's original illustrations.

Since its original publication in 1999, this foundational book has become a classic in its field. This second edition, Code Version 2.0, updates the work and was prepared in part through a wiki, a web site allowing readers to edit the text, making this the first reader-edited revision of a popular book. Code counters the common belief that cyberspace cannot be controlled or censored. To the contrary, under the influence of commerce, cyberspace is becoming a highly regulable world where behavior will be much more tightly controlled than in real space. We can - we must - choose what kind of cyberspace we want and what freedoms it will guarantee. These choices are all about architecture: what kind of code will govern cyberspace, and who will control it. In this realm, code is the most significant form of law and it is up to lawyers, policymakers, and especially average citizens to decide what values that code embodies.

The year is 4518 BCE. Halim, a Shakti warrior initiate, lives with his family in Harappa, a fortified city in the Indus River Valley. His father is injured, so the task falls to Halim to find a cure for his mother, who has fallen prey to a mysterious, debilitating disease. Sanjit, a seasoned Shakti, agrees to accompany Halim to the Kunlun Mountains in search of a sacred medicine from an ancient monastery. Halim's impulsive sister, Taja, insists on joining them too. When the three travellers confront the Ignogai, a barbaric tribe with a bloodthirsty shaman, they must flee across hazardous and unfamiliar terrain to avoid being captured and persecuted for their Shakti Prana. With a little bit of magic, determination, and some help from a few extraordinary people, the trio must fight for their lives to make it back home in time to save Halim's mother from certain demise.

PMPope brings his unique voice to the printed word. A prolific multimedia poet, his work finds its audience via art and word collaborations, video and audio tentacles reaching all around the word. In this collection, PMPope explores the scope of creativity that originates on the 21st century frontier: social media. His incisive observations about disconnectedness, intimacy, and superficiality bear witness to a world of internet friends and virtual relationships.

Effective leadership is a crucial element in all human endeavours. It inspires, supports, guides and ensures the achievement of the goals and vision of a group. Unfortunately, stories about failed leadership abound at various levels of society and the situation is worsened by the mystery that appears to surround the concept of leadership. In this book, "Unchained Leadership," Dr. Ackah-Nyamike Jnr. attempts to demystify leadership by exploring the basic functions of a leader vis-a-vis the traits and qualities required by leaders to perform effectively. This exploration is seated within a deep conviction that: leadership is needed wherever two or more people are gathered with a goal or vision; and effective leadership is achievable."

Pulled from a wide variety of inspirational moments, Table Scraps is a compilation of poems that captures the heartache, hope, and imagination of author William D. Shumate's journey through life. Whether it's the love of a beautiful woman, the grief of losing a parent, or the simple joy of walking by a sea at night, these poems speak to the common human condition and remind us that we are all in this together. With subheadings like "Heartache Hope & Understanding," "The Aftermath and Gradual Recovery," "Learning to Live Again," "Love," and "Daughters," these lyrical verses capture the ordinary moments in life, as well as the most painful ones, using rich metaphors to speak to the larger issues we all face. But despite the occasional dark subject matter, these poems are woven together with the common theme that life's trials can be overcome with faith, hope, and love. Filled with beautiful imagery, heart-wrenching honesty, and sobering insights, this collection is sure to bring a smile, a tear...and the reminder that love should be cherished every day.

A good man is hard to find, as the famous 1919 song by Eddie Green attests, but the pioneering Black filmmaker, movie star, Old Time Radio icon, and composer established himself as the living portrait of all that is admirable. His legacy now inspires a whole new generation. In an era when Black entertainers struggled to gain a foothold in show business, Eddie Green rivaled Oscar Micheaux for honors as a pioneering Black filmmaker. Audiences from The Apollo to Broadway propelled Eddie into two of America's most popular long-running radio series. From poverty to prominence, he accomplished more than most people could dream. Discover Eddie's rags-to-riches story as told by his daughter. Her years of research have unearthed long-buried revelations and enlightening images that testify to one man's determination to rise above all obstacles and triumph against all odds through five decades from Vaudeville to television and then into the stuff of legends. The sands of time may have buried his name, but Eddie Green's laughter still echoes around the world. Thanks to this first-ever biography, a good man is no longer hard to find. Illustrated. Appendices include songs written by Eddie Green; the radio programs and movies in which he appeared; the movies he wrote, produced, and directed; rare script excerpts.

GOLIATH'S HEAD tells of a search for courage and hope amidst crushing oppression. Avi Schneider is a Jewish boy growing up in Russia on the eve of early-twentieth-century revolution. He is nine years old when he meets his own personal devil, Viktor Askinov, a brutal youngster who relishes tormenting Jews. In the following years, Avi is the object of his tormentor's obsession. Fourteen years later in 1905 the Tsar instigates riots - pogroms - against the poor, teeming Jewish villages. Now a husband and father, Avi takes to the barricades to defend his village from the mob coming to kill the men, rape the women, and burn down his village. Armed, he again faces Viktor Askinov, who is leading the mob. But he has been warned that if he kills Viktor Askinov, he puts his beautiful young wife Sara and newborn son Itzhak in deadly peril. Avi must decide this night what he stands for. Is it survival at any cost, for himself and those he loves? Or is it righteous vengeance for his people?

Describes how the Pullman Company hired former slaves as sleeping car porters and became the largest employer of African American men in the country by the 1920s, creating a unique culture that blazed a path for a black middle class. The idea for this book came to Larry Tye as he traveled overseas as a reporter for the Boston Globe. In each city he visited he was intrigued by a reawakening of practice and spirit of the long repressed Jewish community. And the more communities he saw close-up, the clearer it became to him that the Jewish world was being reshaped and revitalized in ways that were not reflected in what he was reading about the disappearing diaspora and the vanishing Jews of America. The result is *Home Lands*, an narrative that tells the story of the new Jewish diaspora. Tye picked seven Jewish communities from Boston to Buenos Aires and Dusseldorf to Dnepropetrovsk deep in the Ukraine, and in each he zeroes in on a single family or congregation whose tale reflects the wider community's history and current situation. He met each community's leaders, talked with their scores of young people and old, and went with them to High Holiday services and Sabbath celebrations. The first impression that emerges from his travels is each city's uniqueness. Far more striking than the differences, however, is the unity. Jews all over the world still have enough customs and rituals in common for outsiders to see them as part of the same people, and for them to define themselves that way. It is that new comfort level, that sense of finally feel comfortable in the lands where they are living, that is at the heart of this engrossing book. Readers' eyes will be opened to how Germany, just a generation after the genocide, has the world's fastest-growing Jewish population; how the Jews of Buenos Aires have carved a place for themselves in a land that also gave refuge to Nazi henchmen like Adolph Eichman, and how Ireland is home to a tight-knit Jewish community that, remarkably, has produced Jewish Lord Mayors in Belfast, Cork and, twice from the same family, in Dublin. In Boston, Tye tells the story of his own family, whose roots run deep in the city's Jewish community. *Home Lands* is a book that is deeply personal even as it sheds light on the larger Jewish experience.

William Shakespeare's extraordinary works have inspired generations of writers, actors, and audiences. More than four hundred years after he last put quill to paper, his complex plots and themes continue to ignite imaginations. Author Ed Schwartz's *Witness to Collapse* is a collection of brief one-act plays inspired by five of Shakespeare's best-known tragedies: *Romeo and Juliet*, *The Tempest*, *Hamlet*, *Julius Caesar*, and *Othello*. Schwartz's "poemscripts"-poetic dramas-examine the central problems in these classics from new perspectives. Some are retold by one of the Bard's original characters; others, by newly invented characters. Many of Shakespeare's plays center on the societal, political, or psychological collapse of the characters' worlds, and Schwartz's poemscripts take a fresh look at the resulting turmoil. In "Two Lovers from Verona," an eyewitness to the suicides of *Romeo and Juliet* describes how their deaths result in the downfall of his city. In "Prospero's Island," the titular sorcerer relates a wonderful daydream in which his fears about his daughter's safety are allayed despite the collapse of their world. Devotees of Shakespeare's writing will relish the opportunity to return to Venice, Rome, Denmark, Verona, and Prospero's island to immerse themselves in Schwartz's thoughtful, fresh takes on the Bard's plays.

"When A Father Fails" is the life story of an urban pastor who was a public image but a private failure. Follow his journey as he honestly shares the reasons for his failure and his struggle to overcome his past transgressions. This book was written as a salute to all children who strive to overcome their father's own failures in their life. This book is also intended to lift the spirit of those wounded by life and to encourage every invisible father to pursue reconciliation with their children today.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Ashlyn Woods can't wait to put her past behind her and start her life over as a normal college student. But her plans take an unexpected turn when she discovers that she is a Soterian: a person who develops amazing powers when the balance of good and evil shifts too far in evil's favor. Soon she and the other Soterians are learning to use their powers to prevent California from being plunged into chaos. But they quickly discover that they're up against a much more dangerous enemy than they anticipated. And when Ashlyn meets Kai, a devastatingly gorgeous guitar player, she realizes she must sacrifice more than she ever imagined.

The father of public relations looks back on a landmark life spent shaping trends, preferences, and general opinion A twentieth-century marketing visionary, Edward L. Bernays brilliantly combined mastery of the social sciences with a keen understanding of human psychology to become one of his generation's most influential social architects. In *Biography of an Idea*, Bernays traces the formative moments of his career, from his time in the Woodrow Wilson administration as one of the nation's key wartime propagandists to his consultancy for such corporate giants as Procter & Gamble, General Electric, and Dodge Motors. While working with the American Tobacco Company, Bernays launched his now-infamous Lucky Strike campaign, which effectively ended the long-standing taboo against women smoking in public. With his vast knowledge of the psychology of the masses, Bernays was in great demand, advising high-profile officials and counseling the tastemakers of his generation. His masterful and at times manipulative techniques had longstanding influences on social and political beliefs as well as on cultural trends. *Biography of an Idea* is a fascinating look at the birth of public relations—an industry that continues to hold sway over American society.

The Father of Spin Edward L. Bernays and The Birth of Public Relations Macmillan

Public relations as described in this volume is, among other things, society's solution to problems of maladjustment that plague an overcomplex world. All of us, individuals or organizations, depend for survival and growth on adjustment to our publics. Publicist Edward L.

Bernays offers here the kind of advice individuals and a variety of organizations sought from him on a professional basis during more than four decades. With such knowledge, every intelligent person can carry on his or her activities more effectively. This book provides know-why as well know-how. Bernays explains the underlying philosophy of public relations and the PR methods and practices to be applied in specific cases. He presents broad approaches and solutions as they were successfully carried out in his long professional career. Public relations is not publicity, press agency, promotion, advertising, or a bag of tricks, but a continuing process of social integration. It is a field of adjusting private and public interest. Everyone engaged in any public activity, and every student of human behavior and society, will find in this book a challenge and opportunity to further both the public interest and their own interest.

With politics taking centre stage due to the US presidential election, the time is perfect for a reprint of this classic work from Edward Bernays, the father of public relations and political spin and the man who designed the ad campaign that got the United States involved in World War I. Written in 1928, this was the first book to discuss the manipulation of the masses and democracy by government spin and propaganda.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: *The Book of the Mind* covers such subjects as faith, reason, morality, and the subconscious. Part Two: *The Book of the Body* develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

Today the entire world is at our fingertips, not too long ago libraries, and the knowledge inside books were our only source. Now we can carry the entire library, and more in a tablet lighter, and smaller than a single book. We have the tendency to rely entirely on our computers as our only source of knowledge; we take for granted that there will be electrical power as needed, and spoiled by the ease and availability of Wi-Fi or Wi-MAX wherever we go connecting our devices to the world. While doing research in the field, we are sometimes at locations where power is at a premium, or does not exist at all; then you have questionable or unreliable cellphone service without reliable power those devices are useless, and inevitably start to shut down. In these situations its time to break out the pencil and paper. This book contains paranormal terminology from different fields, historical facts, people and events for research and educational purposes. ISR created this book as a handy quick pocket reference guide when doing research in the field. If you needed one book to take with you that would come in handy in the middle of nowhere, this would be that book.

"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth...we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.
