

The God Code The Secret Of Our Past The Promise Of Our Future

There are specific laws that many billionaires in the world, from the United States to China, including Europe and other continents, follow in order to obtain their fortune. Every day, even as the economy shows instability and experiences downturns, many new billionaires are made. And they have things in common, no matter how old or young they may seem. They share the same paradigm about how to make money, and their habits match money making laws. Bill Gates, Steve Jobs, Sir Richard Branson and many others, have secrets they've learned through hard work, accumulated failures and life experience. We admire the personality of successful individuals and what they do, not knowing that behind them there are spiritual laws that cross time and have been with us for millions of years. Gaining profit in any activity has always been submitted to the same codifications, God's codes. And, they're related to the laws of energy and karma. The theory of the law of attraction isn't anywhere near showing us these codes or explaining them. Besides, science and, more precisely, mathematics and physics are still closed inside numbers and molecules, not really allowing the common citizen to apply such principles in his daily life to change reality. In fact, there's no interest in providing society with the power to change reality with precise and scientifically proven formulas. On the other hand, why would millionaires, spending their life struggling to get this knowledge, give it to you for free, while making you a potential competitor of what they fought so hard to achieve? These are top secrets, greater than any others, because, money, whatever you may have heard about it, is power, at least in our physical world. Nonetheless, this thing that we call money, follows, as anything else in this planet, divine laws, because this world has specific rules with specific purposes as well. And, independently of how much a country may be misguided by its culture or government, these laws still apply. After years studying the law of attraction profoundly and with the help of the best teachers in this field, studying religious philosophies with some of the fastest growing religious societies, and learning some of the most well-hidden spiritual secrets about money, both in close door meetings for a few selected individuals and with some of the biggest world billionaires currently living in Asia, the final point that allowed me to combine this entire data under one single guideline was reached. Furthermore, I would probably never truly understand the application of many spiritual theories, if I hadn't seen how they apply in, for example, an Indian business owner that got rich after three bankruptcies, or billionaires in China and Singapore, that built their entire fortune out of nowhere, with no help, no education or even money in their pockets. Observing how fast these individuals can double, and even triple, their income, in just a few weeks or years, leaves no doubt regarding the power of these laws and their truth, despite what the majority may think about it. Besides, it's only normal that most people won't ever agree with these principles, and will even criticize and mock them, as that's

why they don't control the flow of wealth as some do. The ones we call the 1% aren't the 99% for a very important reason. The time has come to reveal these secrets and this book is very likely one of the most resumed and clearer about this issue that can be found. It has actually been advertised as the best book about money ever read, by experts in finance, managers of international banks and stockbrokers, promoting it online as an interesting and inspirational work. Color your way into quiet times with God through this collection of Bible verse coloring book pages. As you color, you will dwell on a verse for much longer than you would if you were reading through it. You might just find the passage of scripture makes its way further into your heart and mind once you have spent more time with it. Color, and through coloring, bring these words of truth to life in new ways and let God bring peace to a few moments of your busy day. The world keeps changing extremely fast, but in times of abundance and scarcity, under revolutions or wars, many have prospered. And they did so by looking at the patterns of reality. They understood these Divine Patterns and used them to achieve their personal goals. The patterns have been kept secret for thousands of years in religious books, manuscripts and even fairytales, under allegories and metaphors meant to hide them in plain sight. The enlightened ones — those who can see, called that Sacred Geometry, in a direct reference to the Creator. They then studied the nature of life through the art of the Almighty God, the Master Architect of the Universe. For "The secret of the occult sciences is that of nature itself" (Albert Pike, Freemason). They discovered that there is only one Truth, one God and one religion, despite the many branches characterizing the impulses of the masses. They also saw that this Truth is manifested by the highest moral state, from which the highest wisdom is received. That is when "the half-told story comes to be finished" (Arthur Conan Doyle, Freemason). The one who completes these studies becomes a master of the craft, for he possesses the capacity to alter reality with his mind, and create new worlds like a mason or builder. He becomes both aware and responsible of what he experiences, as much as he is made able to transition to new momentums and alter the future. For "When the Mason learns that the key is a proper application of the dynamo of living power, he has learned the mystery of the craft" (Manly P. Hall, Freemason). This great secret was reorganized here to show you exactly how to experience it, and despite the many attempts of others to remove this knowledge from the public eye. This information comes now as a great opportunity for you to transcend into a new perspective on the attraction of wealth. The cutting edge of neurolinguistics meets the spiritual wisdom of the ages in a handbook of key words that literally rewire our brains. New discoveries in biology and the neurosciences are revealing how the structure of language-the words we think and speak-can actually change the way the neurons in our brains and hearts connect. But our ancestors understood this connection intuitively, thousands of years ago. They created specific word-patterns to provide comfort, healing, strength, and inner power in difficult times, and they encoded these powerful words in prayers, chants, mantras,

hymns, and sacred writings to preserve them for future generations. Now beloved teacher and thought leader Gregg Braden cracks the code and puts these powerful words in your hands. Perfect as a pocket guide, a reference for spiritual study, or a gift to someone you love, this elegant, compact book contains Wisdom Codes that cut to the core of life's greatest tests, most challenging demands, and hardest lessons. You'll find chapters devoted to healing from loss and grief, facing your unspoken fears, finding certainty in the face of uncertain choices, and finding forgiveness, as well as ancient parables that offer a "fast track" to unraveling life's deepest mysteries. Each Wisdom Code—distilled from a quote, a scripture passage, or a parable—is accompanied by a brief discussion of what the code means, why it's important, and how to apply it in your life.

A scholar and New York Times—bestselling author shares his shocking theory of an ancient language—found in the decoded elements of our DNA—that shines new light on the mysteries of existence. What would it mean to discover an ancient language—a literal message—hidden within the DNA of life itself? What we once believed of our past is about to change. A coded message has been found within the molecules of life, deep within the DNA in each cell of our bodies. Through a remarkable discovery linking Biblical alphabets to our genetic code, the “language of life” may now be read as the ancient letters of a timeless message. Regardless of race, religion, heritage, or lifestyle, the message is the same in each cell of every woman, child, and man, past and present. Sharing all-new, fascinating research, Gregg Braden discusses the life-changing discovery that led him from a successful career in the aerospace and defense industries to an extensive 12-year study of the most sacred and honored traditions of humankind.

A stunning blend of adventure and mysticism, fact, science and the politics of Angels. "As I gazed on the creatures, I saw one wheel on the ground next to each of the four-faced creatures. As for the appearance and structure of the wheels, they gleamed like beryl. All four had the same form; the appearance and structure of each was as of two wheels cutting through each other. And when they moved, each could move in the direction of any of its four quarters; they did not veer when they moved. Their rims were tall and frightening, for the rims of all four were covered all over with eyes. And when the creatures moved forward, the wheels moved at their sides' and when the creatures were borne above the earth, the wheels were borne too." The thrones are said to reside either in the third or the fourth heaven. They are said to inhabit a region in which Heaven meets Earth." A look into the

Just as Jesus shows us the character of God, diving deeper into the events surrounding his birth gives us a better understanding of that character. Christmas is so much more than the holiday we've turned it into. It's the birth of a promise-God's promise to redeem humankind to himself. Sending Jesus was always God's plan, and there is something for us to learn in every detail surrounding his birth. Christmas Speaks is a simple yet perceptive devotional that's broken down into easily understood segments that weave together scripture and insight, giving the reader a deeper understanding of the vast love God has for us and how we should respond to that love. Each chapter examines a different aspect of the Christmas narrative. As we come to better know the people central to this story, we can begin to apply aspects of their character to our own lives for a more meaningful relationship with God. By coming to a deeper understanding of scripture, we can see how God speaks to the world-if we have ears to listen. Reflect on the words within these pages, and receive what the Holy Spirit has for you.

Do you believe God still speaks to us today? Do you long to hear from Him? The author grew up believing God no longer spoke, but that changed when God actually started speaking to Him in dreams that literally came true. These stories are to encourage and strengthen your walk with the Lord in asking for Him to communicate His love, direction and hope directly to you.

This the ultimate tale of God's intention toward humanity, a tale unlike any you have ever read before, one that reveals a startling proof of God's control over history and His faithfulness to His every word of promise. In fact, it is a story seen through the prism of five things, five sacred things--the Ark of the Covenant, the Spear of Destiny, the Shroud of Turin, the Great Pyramid of Giza, and the Septuagint Bible. In the process of telling this tale, we encounter several more things along the way, among them, an ancient prophecy, a promise of "days," which precisely foretold the Advent of Christ, recorded in the oldest story contained in the biblical record. And we meet the one man who was commissioned to tell this awesome tale, a man set apart from all others, a man who was said to have talked with God, face to face, having a conversation that took place not in any earthly sphere but at the very pinnacle of Heaven itself. All these elements, then, that is to say, everything needed to demonstrate a startling proof of God's control and faithfulness, have, for the first time, been forged into a single storyline--a promise of "days," a man and his heavenly conversation, an ark, a spear, a shroud, and a pyramid, all brought together to tell the "Tales of Forever: The Unfolding Drama of God's Hidden Hand in History."

MAKE YOURSELF AT HOME IN GOD'S HEART: After 7 years of volunteering to serve the men, women, and children at a very popular outreach center in Atlanta, GA, I stumbled upon an amazing personal discovery. I came to the humble realization that homelessness is not simply a state of physical destitution. But homelessness is also a place of spiritual and emotional emptiness. It is very true that some live in a perpetual state of misfortune and need the relationship, the challenge, and the encouragement of others to "dare to hope" that their circumstances are only temporary. Many undoubtedly need financial relief to end their state of homelessness. Yet, each of us, whether well off or destitute, can attest to the fact that at one point or another we have felt abandoned and displaced. While serving as an outreach leader, I found a new family. I discovered though I had a physical dwelling, I too was in an emotional state of homelessness. While serving the homeless, I struggled to conquer my own issues with abandonment. I found myself desperately attempting to place the pieces of my own life in a recognizable order. And it was while serving that I found an extension of God's family that are far too often overlooked, disqualified, and misunderstood. Each month I would show up with a fresh sermon in hand-ready to inspire and motivate those whom "I thought" were in need of encouragement. But each time, I left with the discovery that I needed it more than any of them. I arrived ready to inspire, but left all the more inspired myself. **HOPE FOR THE SOUL** is inspired by the men, women, and children seeking love, purpose, and a reason to believe that a better experience of life exists. *Speak life to every dead dream*Pursue your God-given power*Declare freedom from past failures*Perform at maximum capacity in His strength*Trust God and His promises to build a better life!!

The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye—messages from God hidden for ages, now revealed by modern computer technology. In God Code, antiquities expert Timothy P. Smith reveals his decades-long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible. This painstaking search involves adventure and mystery, but instead of consulting ancient maps to find buried treasure, Smith relied on the data calculation power of modern technology. His quest shows how Scripture is more amazing than we ever dreamed—and that it may even reveal the future of generations living today. God Code reveals:

- An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, that predicted the birth and resurrection of Jesus.
- Scientific evidence that this encrypted code was authored by the divine hand of God.
- Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity.
- Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark of the Covenant.
- Insights on why Smith was chosen to uncover this encrypted code.
- A dire warning that God wants us to hear—and heed.

In the companion History Channel series, the author travels across continents in search of artifacts missing since Bible times—clues to their location revealed in God Code. Previously published as *The Chamberlain Key*

'There is a dreamer in every soul. He knows the mind of God concerning our lives. He is the hand of God that writes our lives stories. What is your life story? Do you know the script you ought to play? There is a story teller in your heart. He whispers at night in your deep sleep. He will tell you the secret to the dream of your life. Can you see him while you are awake? Can you hear him in your intuition? He walks in your soul day and night. He never ceases to ask you the same question: 'Where is the Soul I have been sent to help'? In *Secrets to Divine Manifestations*, Alain Yaovi M. Dagba guides the reader in a spiritual adventure that leads to self-awareness. He emphasized that to be aware of our 'self' is to be aware of the presence of God in us, and fully accept our true divine identity. He shows in his writing that, by simply uncovering what we really are, we are able to overcome anything, any form of 'evil, ' even the most predicted threatening events of our time. His teachings are centered on the belief that, by learning to easily tap into the life of our divine nature, we can change our consciousness, thus positively affect the vibration of our planet, while reaching perfect peace and happiness. In this noble adventure of discovering the divinity in the core of our being, we come to know our individual life purpose and are healed from our past wounds. In a word, we are born anew to become a fragrance of hope for our loved ones and those around us.

Albert the Great was born in Swabia, the son of a military nobleman. He was a Dominican priest who taught theology in Cologne and Paris. His most distinguished student was Saint Thomas Aquinas. Albert was called "Doctor universalis"

because his breadth of knowledge spanned not only philosophy and theology but all the natural sciences. He was a dedicated student of nature, and although he argued that the physical world can only be known reliably through observation and comparison, Albert distinguished between truths, which are naturally knowable, and mysteries, which cannot be known without revelation. People can only reach God through Himself - that is, by leaving behind the entanglements of earthly things and contemplating Him exclusively. The image and reality of God's incarnation in Jesus gives human beings the opportunity to attain a more perfect knowledge of God through contemplation. Albert refers to the teaching of St. Peter, "Cast all your anxiety on him, because he cares for you."

This encomium is a thoughtful and respectful, compression of the one and only, Holy Bible. Compiled in an attempt to enlighten those who get lost reading the lengthy, but all-important, Word of God; but most importantly, this book conveys the coveted dream of our Almighty God.

Spiritual seekers, shamanic journeyers, and those with an interest in cross-cultural mythology will find Rudolph's work invaluable as readers look back in order to look forward. The Bible as we know it today is actually a mishmash of translations, from ancient Hebrew into Greek and Latin and, from there, into English and a host of other languages. What began as oral lore became written verse, which in turn became holy text. Much has been lost over the course of these translations-sometimes unintentionally, sometimes deliberately by religious authorities pursuing their own agendas. The earliest earth-based spiritual teachings found in the Bible were actually driven underground, their messages hidden and virtually inaccessible. The word pagan merely means countryside and it was used to identify people who lived close to the Earth, followed the seasons, looked to the stars, and learned from the cycles of life that surrounded them. These were the people of ancient times who transmitted the original oral lessons that were later codified within the Bible. 21 Secrets takes readers on a shamanic quest to discover these long-forgotten oral teachings of some of the world's most influential tales and journeys. Through cross-cultural shamanic eyes there are numerous surprising revelations including Eve as the hero of the Garden of Eden, and the serpent as the agent of creation here on Earth.

Braden maintains he has found a coded message within the molecules of life, deep within the DNA in each cell of our bodies. Through a discovery linking biblical alphabets to our genetic code, the "language of life" may now be read as the ancient letters of a timeless message. Regardless of race, religion, heritage, or lifestyle, the message is the same in each cell of every man, woman, and child, past and present. With nearly one-third of the world's nations currently embroiled in armed conflict, such proof of a universal bond offers compelling evidence that we are greater than any beliefs that have separated us in the past. Through this newfound expression of unity, we find a place to embark on the road to peace when our differences seem insurmountable.--From publisher description.

Our lives give direction for others to follow, whether wrong or right. Too many times, we give in and do what we want, instead of seeking the Lord's will. We feel stuck with so many questions about the life God has given to us, but fail to think about what we have done to impact others' lives. In this book, see how people impact others' lives positively or negatively. You will be challenged to be conscious of the impact your life makes.

Seventeen hundred years ago, key elements of our ancient heritage were lost, relegated to the esoteric traditions of mystery schools and sacred orders. Among the most empowering of the forgotten elements are references to a science with the power to bring everlasting healing to our bodies and initiate an unprecedented era of peace and cooperation between governments and nations. In his groundbreaking new book, *The Isaiah Effect*, Gregg Braden turns to the Isaiah Scroll, perhaps the most important of the Dead Sea Scrolls discovered in 1946, to offer insight into a powerful form of ancient prayer. In *The Isaiah Effect*, Braden, author of *Awakening to Zero Point* and *Walking Between the Worlds*, combines research in quantum physics with the works of the prophet Isaiah and the ancient Essenes. He demonstrates how prophecies of global catastrophe and suffering may only represent future possibilities, rather than forecast impending doom, and that we have the power to influence those possibilities. In addition to describing multiple futures, the Isaiah texts take us one step further, clearly describing the science of how we choose our futures. Tracing key words of Isaiah's text back to their original language, we discover how he taught a mode of prayer that was lost to the West during Biblical editing in the fourth century. Braden offers detailed accounts of how elements of this mode of prayer have been applied in a variety of situations, ranging from healing life-threatening conditions to entire villages using collective prayer to prevail during the 1998 fires in southern Peru. In each instance, the correlation between the offering of the prayer and a shift of the events in question was beyond coincidence--the prayers had measurable effects! As modern science continues to validate a relationship between our outer and inner worlds, it becomes more likely that a forgotten bridge links the world of our prayers with that of our experience. Each time we engage ourselves, our loved ones, and our communities with Isaiah's life-affirming message of hope, we secure nothing less than our future and the future of the only home we know.

You never know what is coming next when you walk with God! Roy Jones had thought he would be working as a railway timetable clerk in London for all of his career. In 1993, on the other side of the world and out of the blue, God challenged him and Shirley to join Youth With A Mission. They never could have imagined what was in store - especially as they'd just been told that their eagerly awaited second daughter would be born with Down's Syndrome. God has been good to the family. In *Perfect Timing*, Roy tells stories of lessons learned through His faithful guidance and care over more than two decades.

This book will allow you to experience, as you read, what it was like for this woman of God, as she graciously started ministry at just 18 1/2 years old. Elder, Evangelist, Della Clark, has been called, chosen, and appointed by God to go into all the world to preach the Gospel of Jesus Christ. She is equipped and anointed to finish the work that He has called her to do. because her work and call into the ministry is ordained by God. And I thank Christ Jesus our Lord, who hath enabled me, for that, he counted me faithful, putting me into the ministry; 1Timothy 1:12KJV Authors note... Keep pressing on as you are courageous and free and never held back by fear, intimidation, or defeat. The battle belongs to the Lord, and He has the final victory...

What would it mean to discover an ancient language—a literal message—hidden within the DNA of life itself? What we once believed of our past is about to change. . . . A coded message has been found within the molecules of life, deep within the DNA in each cell of our bodies. Through a remarkable discovery linking Biblical alphabets to our genetic code, the "language of life" may now be read as the ancient letters of a timeless message. When a young peasant girl is injured while hunting, she meets a strange, magical man who is a member of a despised race - Mujar. Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Mujar do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mujar with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mujar, who has the power to decide the fate of her race.
