

## The Great Story Of Muhammad Ahmad Hatta

The extraordinary life of the man who founded Islam, and the world he inhabited—and remade. Lesley Hazleton's new book, *Agnostic: A Spirited Manifesto*, is out now from Riverhead Books. Muhammad's was a life of almost unparalleled historical importance; yet for all the iconic power of his name, the intensely dramatic story of the prophet of Islam is not well known. In *The First Muslim*, Lesley Hazleton brings him vibrantly to life. Drawing on early eyewitness sources and on history, politics, religion, and psychology, she renders him as a man in full, in all his complexity and vitality. Hazleton's account follows the arc of Muhammad's rise from powerlessness to power, from anonymity to renown, from insignificance to lasting significance. How did a child shunted to the margins end up revolutionizing his world? How did a merchant come to challenge the established order with a new vision of social justice? How did the pariah hounded out of Mecca turn exile into a new and victorious beginning? How did the outsider become the ultimate insider? Impeccably researched and thrillingly readable, Hazleton's narrative creates vivid insight into a man navigating between idealism and pragmatism, faith and politics, nonviolence and violence, rejection and acclaim. *The First Muslim* illuminates not only an immensely significant figure but his lastingly relevant legacy. Muhammad is a shimmering, lyrical biography of the Prophet, composed from the words of Muslims throughout the centuries. Drawing on a variety of Islamic sources, from the hadith, or sayings of Muhammad and his companions, to Abbasid and Persian texts, Weinberger weaves a subtle, mystical prose poem, spanning Muhammad's birth and childhood; his adolescence, miracles and marriages; to the *Isra* and *Miraj*, his journey from Mecca to Jerusalem and ascent into heaven, with the angel Jibril (Gabriel) as his guide. The result is a vivid triptych that presents the final prophet of Islam with extraordinary clarity. At a time when the Muslim world is being demonized in much of the media Muhammad provides a sense of the awe surrounding this historical and sacred figure.

"Compassionate and clear...a courageous undertaking." —Greg Mortenson, New York Times bestselling author of *Three Cups of Tea* and *Stones into Schools* "As a scholar and storyteller extraordinaire, Deepak Chopra portrays a morally courageous yet highly human messenger of God." —Irshad Manji, Director, Moral Courage Project, New York University From the New York Times bestselling author of *Buddha and Jesus* comes the page-turning and soul-stirring story of Muhammad. Deepak Chopra—easily one of the most influential spiritual leaders in the world today—delivers this stunning, sincere, and highly accessible portrait of the Prophet of Islam. Chopra's Muhammad is an outstanding resource for everyone who thinks they should know more about the man who inspired the world's fastest-growing religion.

Is there any sound historical evidence that the prophet of Islam actually existed, or is the entire story of Muhammad fable or fiction? It is a question that few have thought—or dared—to ask. Virtually everyone, Muslim and non-Muslim alike, takes for granted that the prophet of Islam lived as a prophet, as well as a political and military leader, in seventh-century Arabia. But this widely accepted story begins to crumble on close examination. In his blockbuster New York Times bestseller *The Truth about Muhammad*, historian and Islam expert Robert Spencer revealed the often shocking contents of Islamic teachings about Muhammad. Now, in this newly revised and expanded version of *Did Muhammad Exist?*, he lays bare those teachings' surprisingly shaky historical foundations. This updated and enlarged version of this acclaimed book examines even more striking and compelling evidence that the story of Muhammad, who for so long was assumed to have lived in the "full light of history," could be more myth and legend than historical fact. Spencer meticulously examines historical records and archaeological findings, pioneering new scholarship to reconstruct what we can know about Muhammad, the Qur'an, and the early days of Islam. The evidence he presents challenges the most fundamental assumptions about Islam's origins.

Dad, Me, and Muhammad Ali scored a KNOCKOUT! Good, wholesome, easy read! Angelo Dundee, Muhammad Ali's legendary trainer Great story; very engaging and one that families will certainly enjoy! Roland C. Warren, President, National Fatherhood Initiative Nine-year-old Jo-Jos father loves everything about Muhammad Ali. His sports room, filled to the brim with Ali memorabilia, is his pride and joy. But when an impromptu game of catch with his sister causes Jo-Jo to accidentally damage his dad's favorite Muhammad Ali autographed picture, he knows he must do something to make everything right. But what? Jo-Jo suddenly begins believing in miracles again when he manages to score tickets to an Ali event in Harlem. As Jo-Jo and his dad board a train bound for New York City, his father shares entertaining stories about Muhammad Ali. Now more than ever, Jo-Jo cannot wait to meet the greatest boxer of all time the Champ. As Jo-Jo and his father join the more than two hundred fans that line up outside the bookstore, Jo-Jo has no idea he is about to receive the surprise of a lifetime. Dad, Me, and Muhammad Ali is the heartwarming story of a loyal son, his loving father, and a magical afternoon that changes both of their lives forever.

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by *Sports Illustrated* and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

Ali Sina, a great expert of Islam, wrote about this book: "This is a great book. I read the first thirty pages and I could not stop. This book must be translated in all languages and become available to all ..." Narrating the story in the gripping way of a good novel, it tells about Muhammad, his believer and unbeliever tribal relatives, the Qur'an, and the Arabian society of the period as truthfully and originally as the oldest Arab records make it possible. It does not fail to shock and surprise when one finds that during his twenty-three years of "apostolate," Muhammad arranged for banditry raids, secret assassinations, ransom taking, kidnappings, slave trading, ethnic cleansing, inter-tribal wars, and murderous expeditions. Of these raids, the number of well recorded and documented, discussed by the Qur'an itself, is thirty-eight. Muhammad personally took part in twenty-seven raids and battles in nine of which he was directly engaged in killing. These were the battles of Badr, Uhud, Ahzaab, Hunayn, and Ta'if, the massacres of the Qurayza and the Khyber Jews, the surprise raid on the Mustalaq, and the occupation of Mecca. History tells us that many kings started as bandits and came to rule vast territories. If Muhammad had claimed that he was a king, one could place him amongst the greatest of kings but the surprise lies in his claim that he was God's most favourite and final prophet. If prophets were to kill and plunder, sell slaves, hold captives for ransom, allow rape of slave women, and develop systems of extortion, how does one differentiate between a Godly man and a king?

Selected and translated by writer, editor and translator par excellence Muhammad Umar Memon, the twenty-five stories in this book represent the finest short fiction in Urdu literature.

This vivid and detailed biography strips away centuries of distortion and myth and presents a balanced view of the man whose religion continues to dramatically affect the course of history.

Prophet Muhammad SAW from Mecca, unified Arabia into a single religious polity under Islam faith. Believed by Muslims to be a prophet and messenger of God, Muhammad is almost universally considered by Muslims as the last prophet sent by God to mankind. While non-Muslims generally regard Muhammad as the founder of Islam, Muslims consider him to have restored the unaltered original monotheistic faith of Prophet Adam, Prophet Abraham, Prophet Moses, Prophet Jesus, and other prophets. Prophet Muhammad SAW was orphaned at an early age; he was raised under the care of his paternal uncle Abu Talib. After his childhood Muhammad primarily worked as a merchant. Occasionally he would retreat to a cave in the mountains for several nights of seclusion and prayer; later, at age 40, he reported at this spot, that he was visited by Gabriel and received his first revelation from God. Three years after this event prophet Muhammad SAW started preaching these revelations publicly, proclaiming that "God is One." Prophet Muhammad, may the mercy and blessings of God be upon him, is the man beloved by more than 1.2 billion Muslims. He is the man who taught us patience in the face of adversity, and taught us to live in this world but seek eternal life in the hereafter. It was to Prophet Muhammad that God revealed the Quran. Along with this Book of guidance God sent Prophet Muhammad, whose behavior and high moral standards are an example to us all. Prophet Muhammad's life was the Quran. He understood it, he loved it and he lived his life based on its standards. He taught us to recite the Quran, to live by its principles and to love it. When Muslims declare their faith in One God, they also declare their belief that Muhammad is the slave and final messenger of God. Prophet Muhammad taught us to love God and to obey Him. He taught us to be kind to each other, to respect our elders, and care for our children. He taught us that it was better to give than to receive and that each human life is worthy of respect and dignity. He taught us to love for our brothers and sisters what we love for ourselves. Prophet Muhammad taught us that families and communities are essential, and he pointed out that individual rights although important are not more important than a stable, moral society. Prophet Muhammad taught us that men and women are equal in the sight of God and that no one person is better than another except in respect to his or her piety and devotion to God.

Muhammad's Revenge is a collection of short stories that literally forces the reader to bring the realities of life on this earth, along with such terrible things as war, into sharp focus and to concentrate on why things happen as they do-when they do-and what happens to the soul when this life on earth is over. In the title story, "Muhammad's Revenge," we see how the war experiences of a single human being can bring an apocalypse to the entire world. In "Peace on Earth" the realities of the horrors of World War I become starkly vivid and real but so does the humanity of mankind when the Germans and the English armies call a one-day truce, a historic event, that actually did happen. In "Big Sugar," as in all these stories, we see the personal as well as private lives of many of the characters, in their darkest moments and how one life's circumstances which end in a tragic death can alter history for all the others involved for the better.

THE INSTANT NEW YORK TIMES BESTSELLER! Paired with Hatem Aly's beautiful, whimsical art, Olympic medalist Ibtihaj Muhammad and Morris Award finalist S.K. Ali bring readers an uplifting, universal story of new experiences, the unbreakable bond between siblings, and of being proud of who you are.

In the pages of Muhammad: The Story of a Prophet and Reformer, young readers will encounter a man very different from the figure often presented in Western popular culture. Drawing from biographies, the Quran, and hadith, Sarah Conover, co-author of *Ayat Jamilah: Beautiful Signs: A Treasury of Islamic Wisdom for Children and Parents*, relates the story of a radical prophet who challenged the rich and powerful, guided his community of followers through a dangerous time of persecution and exile, formed alliances with people of different beliefs, and preached "love for humanity what you love for yourself." Before he became one of the most venerated, and most misunderstood, religious leaders in history, Muhammad was an orphaned child and a shepherd. Written for readers 12 and up, and with a foreword by Eboo Patel (founder of Interfaith Youth Core and a member of the President's Council on Faith-Based Neighborhood Partnerships), *Muhammad: The Story of a Prophet and Reformer* will educate and inspire young adults and adults of all faiths.

"I am the greatest! I am the king!" Muhammad Ali was one of the most electrifying, inspiring, and confrontational athletes of his generation. At the height of his boxing career, Ali was as despised as he was adored. Loud and aggressive as well as confident and dedicated, he was the quintessential showman, the undeniable champion of his sport, and one of the most recognizable faces in the world. He was challenged at every turn: faced with racial discrimination in his everyday life, mocked by the sports media as his career began, ridiculed for adopting a new religion, and stripped by the U.S. government of his very livelihood for refusing to go to war. Muhammad Ali faced the obstacles in his life the way he faced his opponents in the ring, brashly and with all the force at his command. In his private life, he was also deeply spiritual, committed to standing up against social injustice, and steadfast in his beliefs. Featuring stunning illustrations and covering his entire life from childhood through his professional career to his end of life battle with Parkinson's Syndrome, this is a moving tribute to the legacy of this impressive figure.

Kecia Ali delves into the many ways the Prophet's life story has been told from the earliest days of Islam to the present, by both Muslims and non-Muslims. Emphasizing the major transformations since the nineteenth century, she shows that far from being mutually opposed, these various perspectives have become increasingly interdependent.

In his quest for the historical Muhammad, Zeitlin's chief aim is to catch glimpses of the birth of Islam and the role played by its extraordinary founder. Islam, as its Prophet came to conceive it, was a strict and absolute monotheism. How Muhammad had arrived at this view is not a problem for Muslims, who believe that the Prophet received a revelation from Allah or God, mediated by the Angel Gabriel. For scholars, however, interested in placing Muhammad in the historical context of the seventh-century Arabian Peninsula, the source of the Prophets inspiration is a significant question. It is apparent that the two earlier monotheisms, Judaism and Christianity, constituted an influential presence in the Hijaz, the region comprising Mecca and Medina. Indeed, Jewish communities were salient here, especially in Medina and other not-too-distant oases. Moreover, in addition to the presence of Jews and Christians, there existed a third category of individuals, the Hanifs, who, dissatisfied with their polytheistic beliefs, had developed monotheistic ideas. Zeitlin assesses the extent to which these various influences shaped the emergence of Islam and the development of the Prophets beliefs. He also seeks to understand how the process set in motion by Muhammad led, not long after his death, to the establishment of a world empire.

Muhammad grew up in Arabia in the midst of an entrenched Bedouin culture of vengeance. The love and kindness of his grandfather turned him into a gentle, loving man who wanted to show his people a better way of life. Against this tableau is a story of romance and adventure for both Muhammad and his cousin.

An inspiring biography of Muhammad Ali from the legendary Walter Dean Myers, reissued under Scholastic Focus for a new generation. From his childhood in the segregated South to his final fight with Parkinson's disease, Muhammad Ali never backed down. He was banned from boxing during his prime because he refused to fight in Vietnam. He became a symbol of the antiwar movement - and a defender of civil rights. As "The Greatest," he was a boxer of undeniable talent and courage. He took the world by storm - only Ali could "float like a butterfly, sting like a bee!" Muhammad Ali: Olympic gold medalist, former heavyweight champion, and one of the most influential people of all time. In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent-a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's-and the Prophet Muhammad's-origin story. Cole shows how Muhammad came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation. This special edition of Muhammad offers a sneak preview of God which goes on sale September 25th. Chopra continues his "Enlightenment Series" by capturing the lives of ten historical prophets, saints, mystics and martyrs who are touched by a divine power. From Socrates to Joan of Arc, Rumi to Baal Shem Tov, Thomas the Apostle to Einstein, Chopra's novel brings to life the defining moments of our most influential sages, ultimately revealing to us universal lessons about the true nature of God.

Muhammad Ali was not only a champion athlete, but a cultural icon. While his skill as a boxer made him famous, his strong personality and his identity as a black man in a country in the midst of the struggle for civil rights made him an enduring symbol. From his youth in segregated Louisville, Kentucky, to his victory in the 1960 Olympics, to the controversy that surrounded his conversion to Islam and refusal of the draft during the Vietnam War, Ali's life was closely linked to the major social and political struggles of the 1960s and 70s. The story of his struggles, failures, and triumphs sheds light on issues of race, class, religion, dissent, and the role of sports in American society that affected all Americans. In this lively, concise biography, Barbara L. Tischler introduces students to Ali's life in social and political context, and explores his enduring significance as a symbol of resistance. Muhammad Ali: A Many of Many Voices offers the perfect introduction to this extraordinary American and his times.

Everybody knows the record the stuff of almanacs, trade magazines and clipping services. A handful know the man. But only Muhammad Ali knows his life as he lived it. The Greatest is Ali's own story. For six years he worked, traveled and talked with Richard Durham, a writer with a stunning talent, and the result is mesmerizing in its brilliance, drama, humanity and sheer entertainment. This is no documented scrapbook of wins and losses strung together with anecdotes; nor is it a thin potpourri of locker room gags. This book, like Ali who has incited every reaction except indifference goes straight to the place where responses to him have always been the gut. When the history of the twentieth
