In the 1930s, Lewis's dad, Lewis Michaux Sr., had an itch he needed to scratch—a book itch. How to scratch it? He started a bookstore in Harlem and named it the National Memorial African Bookstore. And as far as Lewis Michaux Jr. could tell, his father's bookstore was one of a kind. People from all over came to visit the store, even famous people—Muhammad Ali, Malcolm X, and Langston Hughes, to name a few. In his father's bookstore people bought and read books, and they also learned from each other. People swapped and traded ideas and talked about how things could change. They came together here all because of his father's book itch. Read the story of how Lewis Michaux Sr. and his bookstore fostered new ideas and helped people stand up for what they believed in.

In 1974 in Kinshasa, Zaïre, two African American boxers were paid five million dollars apiece to fight each other. One was Muhammad Ali, the aging but irrepressible “professor of boxing.” The other was George Foreman, who was as taciturn as Ali was voluble. Observing them was Norman Mailer, a commentator of unparalleled energy, acumen, and audacity. Whether he is analyzing the fighters’ moves, interpreting their characters, or weighing their competing claims on the African and American souls, Mailer’s grasp of the titanic battle’s feints and stratagems—and his sensitivity to their deeper symbolism—makes this book a masterpiece of the literature of sport. portrait of an extraordinary athlete and man, and a pugilistic drama fully as exciting as the reality on which it is based.”—The New York Times “One of the defining texts of sports journalism. Not only does Mailer recall the violent combat with a scholar’s eye . . . he also makes the whole act of reporting seem as exciting as what’s occurring in the ring.”—GQ “Stylistically, Mailer was the greatest boxing writer of all time.”—Chuck Klosterman, Esquire “One of Mailer’s finest books.”—Louis Menand, The New Yorker Praise for Norman Mailer “[Norman Mailer] loomed over American letters longer and larger than any other writer of his generation.”—The New York Times “A writer of the greatest and most reckless talent.”—The New Yorker “Mailer is indispensable, an American treasure.”—The Washington Post “A devastatingly alive and original creative mind.”—Life “Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance.”—The New York Review of Books “The largest mind and imagination [in modern] American literature . . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book.”—Chicago Tribune “Mailer is a master of his craft. His language carries you through the story like a leaf on a stream.”—The Cincinnati Post

One of the most recognisable, respected and inspirational men on earth, Muhammad Ali is the world's most famous boxing hero. Ali brought unprecedented speed and grace to the sport, and his charm and wit changed forever what the world expects of a champion athlete. In the words of over two hundred of Ali's family members, associates, opponents, friends and enemies, this comprehensive and honest portrait relates his legendary sporting accomplishments, as well as the high drama of life outside the boxing ring. From Olympic gold in Rome, to stunning victory over George Foreman in Zaire, every historic victory and defeat of Ali's career is covered. His controversial embrace of the Nation of Islam - with the renunciation of his 'slave name', Cassius Clay - and the historic refusal to be inducted into the US Army makes for compelling reading. Now an HBO film! Catch the premiere this fall. In 1966 Muhammad Ali announced his intention to refuse induction into the United States Army as a conscientious objector. This set off a five-year battle that would strip him of his world heavyweight title, bar him from boxing, and nearly send him to prison—all at the peak of his career as the greatest boxer in history. Ali defiantly proclaimed his refusal to go to war with the assertion that it violated his beliefs as a black Muslim. The subsequent legal battle proved to be a test tougher than fighting Sonny Liston, Joe Frazier and George Foreman combined. Framed with photos from Ali's photographer and good friend Howard Bingham, Muhammad Ali's Greatest Fight is the extraordinary story of the greatest challenge to the greatest champion of the century.

decades on the cutting edge of boxing journalism, Hauser explores Ali in colorful detail inside and outside the ring. Muhammad Ali has attained mythical status. But in recent years, he has been subjected to an image makeover by corporate America as it seeks to homogenize the electrifying nature of his persona. Hauser argues that there has been a deliberate distortion of what Ali believed, said, and stood for, and that making Ali more presentable for advertising purposes by sanitizing his legacy is a disservice to history as well as to Ali himself.

An inspiring biography of Muhammad Ali from the legendary Walter Dean Myers, reissued under Scholastic Focus for a new generation. From his childhood in the segregated South to his final fight with Parkinson's disease, Muhammad Ali never backed down. He was banned from boxing during his prime because he refused to fight in Vietnam. He became a symbol of the antiwar movement - and a defender of civil rights. As "The Greatest," he was a boxer of undeniable talent and courage. He took the world by storm - only Ali could "float like a butterfly, sting like a bee!" Muhammad Ali: Olympic gold medalist, former heavyweight champion, and one of the most influential people of all time.

In 1962, boxing writers and fans considered Cassius Clay an obnoxious self-promoter, and few believed that he would become the heavyweight champion of the world. But Malcolm X, the most famous minister in the Nation of Islam-a sect many white Americans deemed a hate cult-saw the potential in Clay, not just for boxing greatness, but as a means of spreading the Nation's message. The two became fast friends, keeping their interactions secret from the press for fear of jeopardizing Clay's career. Clay began living a double life-a patriotic "good Negro" in public, and a radical reformer behind the scenes. Soon, however, their friendship would sour, with disastrous and far-reaching consequences. Based on previously untapped sources, from Malcolm's personal papers to FBI records, *Blood Brothers* is the first book to offer an in-depth portrait of this complex bond. Acclaimed historians Randy Roberts and Johnny Smith

reconstruct the worlds that shaped Malcolm and Clay, from the boxing arenas and mosques, to postwar New York and civil rights-era Miami. In an impressively detailed account, they reveal how Malcolm molded Cassius Clay into Muhammad Ali, helping him become an international symbol of black pride and black independence. Yet when Malcolm was barred from the Nation for criticizing the philandering of its leader, Elijah Muhammad, Ali turned his back on Malcolm—a choice that tragically contributed to the latter's assassination in February 1965. Malcolm's death marked the end of a critical phase of the civil rights movement, but the legacy of his friendship with Ali has endured. We inhabit a new era where the roles of entertainer and activist, of sports and politics, are more entwined than ever before. Blood Brothers is the story of how Ali redefined what it means to be a black athlete in America—after Malcolm first enlightened him. An extraordinary narrative of love and deep affection, as well as deceit, betrayal, and violence, this story is a window into the public and private lives of two of our greatest national icons, and the tumultuous period in American history that they helped to shape. An enduringly popular, informative and unusual quiz book specifically produced for work with reminiscence groups. Covering the years 1930 to 1969, it draws on memories and experiences of daily life and recalls major events and celebrities.
