

The Gruffalo Spring And Summer Nature Trail Gruffalo Explorers

Jumbeelia, a girl giant, loves the stories of the iggly plop who climbed up the bimplestonk and was chased back down again by a giant. Growing her own bimplestonk, she climbs down it and finds a whole world of iggly plops - our world, in fact, where Colette, Stephen and Poppy are very surprised to find themselves collected up into a bag and carried off back up the beanstalk. So begins a wild and wonderful tale of how three children escape from an over-enthusiastic giant girl, her very-pregnant giant mum, and her very nasty adolescent giant brother. A BIG adventure for some tiny people!

Love Monster is a slightly hairy monster trying to fit in with the cuddly residents of Cutesville. But as it turns out, it's hard to fit in with the cute and the fluffy when you're a googly-eyed monster. And so, Love Monster sets out to find someone who will love him just the way he is. His journey is not easy—he looks high, low, and even middle-ish. But as he soon finds out, in the blink of a googly eye, love can find you when you least expect it. Look out for Love Monster and the Perfect Present, coming in Fall 2014.

Foreword by Fearne Cotton. The Joy Journal for Magical Everyday Play by Laura Brand showcases fifty engaging activities for creative, everyday playtime to encourage a connection to nature, sense of joy and bonding with your kids, while nurturing your own inner child too. The activities are mindful, creative and, crucially, very easy things to make and do with children that you will enjoy as much as they will. From moon sand to flower soup and nature wands there are short, long, loud and quiet activities to take you from morning to evening – each with a focus on the risk factors: volume of effort vs child engagement and mess. Laura Brand has been testing these while writing and raising her two-under-two, and shares the happy accidents and road blocks she's hit along the way in honest, open and often funny introductions to each of the exercises. This beautiful handbook will help you to inject fun, mindfulness and craft into bath-times, rainy afternoons, long journeys and play dates and to resist (as much as possible!) the temptation to succumb to screen time. Chapters take you through the seasons, with indoor, outdoor and on-the-go activities that are easy and fun every day. The Joy Journal will arm you with a variety of fun, focussed activities made with store cupboard and easily foraged supplies that you can turn to time and again.

Your kids will enjoy this classic story even more in this beautiful Read & Listen edition. A baby bird is hatched while his mother is away. Fallen from his nest, he sets out to look for her and asks everyone he meets—including a dog, a cow, and a plane—"Are you my mother?" This ebook includes Read & Listen audio narration.
