Is the third Person of the Trinity a distant mystery, a vague cosmic force? Many believers acknowledge Him as a component of faith, but perhaps not as a reality in their daily spiritual walk. With warmth and biblical insight, Frazee shows us how to rely on the power of the Holy Spirit just as Jesus did; respond to God's voice in decisions big and small; raise our expectations for how God's power can work through us; and break free of addictions, habits, and destructive thoughts that hold us back. The Bible promises us more than inspiration. More than influence. The Bible promises us access to the same power that raised Jesus from the dead. So what keeps us from drawing on that incredible resurrection power in our daily lives? In *His Mighty Strength*, popular pastor and author Randy Frazee explores Jesus' time on earth to uncover the amazing source of his strength. Jesus continually sought direction from the Father and found the power to live the Father's will through the Holy Spirit. He said yes to God every day of his earthly life—and we can too. *His Mighty Strength* reminds us that Jesus' resurrection power is not wishful thinking or a poetic metaphor. It's a real source of strength that we have access to right now. And when we embrace God's offering, our lives will never be the same. "This is not a watered-down self-help book—this is a powerful Gospel-centered guide to walking in the fullness of Christ. I challenge you to read this amazing book and accept the glorious gift of strength from Christ that enables us to live the abundant life God has promised us!" —Francesca Battistelli, Grammy Award-winning singer-songwriter

The New You It's important to understand what happened when you received Jesus as your Savior. That knowledge and understanding will keep the Word that was sown in your heart from being stolen by Satan. There is more to salvation than you have ever imagined. The forgiveness of sin was not the only thing included in your salvation. From God's perspective, it is just the beginning, a means to an end. Fellowship is the real goal. Now, become a disciple (learner and follower) of Jesus. Learn what separates Christianity from every other religion; how God sees past, present, and future sins; and much more. The Holy Spirit Living the abundant life that Jesus provided is impossible without the Holy Spirit. Before Jesus disciples received Him, they were weak and fearful. After receiving, each one became a powerhouse of God's miraculous power, and that's available to you. If you believe the Bible is true, then you must also believe the baptism in the Holy Spirit is God's will for everyone. In this book, Andrew establishes the validity of speaking in tongues, talks about the many gifts that accompany it, shares other little-known benefits, and explains how to begin speaking in tongues.

If the church remains static, it will not be completely functional and it will not be salt and light to this world. God's servants play an essential role in the transformation of the church and they are the only ones that can make it happen. Christ told us we must put new wine into new wineskins. In order to hear God's message for this new generation living in a new millennium, we must first break our old mind-set and perspectives and be transformed. In the past 45 years of my ministry, I have listened to the voice of God on a daily basis and maintained a close relationship with the Holy Spirit. I have constantly sought to transform myself according to God's will. Struggling for such a transformation is not an easy job. However, no one can afford to remain static in this ever-changing world. The 21st century requires more changes from us than ever. I have compiled this book to help servants of God become able leaders who can meet the challenges of the 21st century. This book is for all spiritual leaders. I pray that those who read it will become able leaders in the new millennium.

This is a compilation of dialogues, prayers, and devotions intended to help everyone know, love, and follow the Holy Spirit.

If you are like me you have struggled to accept the modern Christian church's portrayal (or betrayal) of God, depiction of the devil and description of hell. Many god-fearing people and good-hearted preachers alike have long harbored unspoken thoughts of a more loving, merciful and masterful Creator. However, just about as many who subscribe to this grander vision and version of God also admittedly and even ashamedly lack the ability to reference the Bible and specific passages of scripture in order to publicly validate these privately held higher concepts of God... THE HOLY BIBLE OF INCLUSION will scripturally, extensively and even exhaustively confront theological myths, misrepresentations and mistranslations of the Bible and its Origins – Universal Salvation – the devil – the Purpose of hell and the Fire of God – Sexual Orientation and many others. Join me on this worthwhile and rewarding spiritual journey as we research, rethink, recover and then re-present the awesome and awe-inspiring God of the universe.

The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In *Practicing the Power*, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.
