po-seur (noun): a person who pretends to be what he or she is not. Charlotte Beverwil, Janie Farrish, Melissa Moon, and Petra Greene attend exclusive Winston Prep in the Hollywood Hills. And that's all they have in common. But hang out together? They'd rather be hanged. Borrow one another's clothes? They'd sooner borrow a zit. So when these four sophomores are forced into a class to create their own fashion label, they Clash with a capital C. Janie thinks Melissa and Charlotte are Beverly Hills brats. They dismiss Janie as a Valley rat in sheep's clothing. And Petra, well . . . Petra couldn't care less. Can a cool coquette, a shy punk, a hippie goddess, and a ghetto-glam egomaniac make beautiful couture together? At Winston Prep, survival of the fittest comes down to who fits in—and what fits. Introducing a juicy new series from the publisher of the national bestselling series Gossip Girl, The Clique, The It Girl, and The A-List. “These murder cases expose systemic problems... By examining each murder within the context of Indigenous identity and regional hardships, McDiarmid addresses these very issues, finding reasons to look for the deeper roots of each act of violence.” —The New York Times Book Review In the vein of the bestsellers I'll Be Gone in the Dark and The Line Becomes a River, a penetrating, deeply moving account of the missing and murdered indigenous women and girls of Highway 16, and a searing indictment of the society that failed them. For decades, Indigenous women and girls have gone missing or been found murdered along an isolated stretch of highway in northwestern British Columbia. The corridor is known as the Highway of Tears, and it has come to symbolize a national crisis. Journalist Jessica McDiarmid meticulously investigates the devastating effect these tragedies have had on the families of the victims and their communities, and how systemic racism and indifference have created a climate in which Indigenous women and girls are overpoliced yet underprotected. McDiarmid interviews those closest to the victims—mothers and fathers, siblings and friends—and provides an intimate firsthand account of their loss and unflagging fight for justice. Examining the historically fraught social and cultural tensions between settlers and Indigenous peoples in the region, McDiarmid links these cases to others across Canada—now estimated to number up to four thousand—contextualizing them within a broader examination of the undervaluing of Indigenous lives in the country. Highway of Tears is a piercing exploration of our ongoing failure to provide justice for the victims and a testament to their families' and communities' unwavering determination to find it.

A biography of nineteenth-century Russian novelist Leo Tolstoy, discussing his childhood and youth, his stint in the military, his discovery of Europe, his relationships, and his writing.

From New York Times Bestselling author Corinne Michaels comes a heartbreakingly beautiful standalone story about letting love in. I'm losing myself trying to save everyone else... As a doctor, I walk a dangerously delicate balance of being compassionate but not overly invested. The same is true in my personal life--love is a luxury I can't afford. It isn't until Dr. Westin Grant breaks down all my walls and offers me a future, I find myself wondering if I'm brave enough to risk my heart. When who I was and who I've tried to become collide during my clinical trial, the fate of one patient changes everything. In a single moment, everything I've worked for is jeopardized. My integrity, my career, and even my relationship with Westin. He loved me once, I just hope he can love me always ... A fascinating study of Brian Wilson's creative career as a composer, producer, performer, and collaborator that addresses all aspects of Brian's five-decade-long music career through his creative methods and processes. • Presents the first complete and career-spanning biography of Brian Wilson and detailed examination of his musical career • Considers Wilson's work with The Beach Boys and the many performers and bands with whom he collaborated as producer, songwriter, and performer in a chronological narrative instead of categorizing his work as "Beach Boys" and "Other" • Discusses Wilson's diverse musical activities as comprising equal parts devoted to composition, production, performance, and collaboration • Sorts through

various conflicting narratives about Brian Wilson's career in order to provide an accurate account of his creative chronology

A debut thriller for fans of Lucy Foley and Liz Moore, *Dark Things I Adore* is a stunning Gone Girl-esque tale of atonement that proves that in the grasp of manipulative men, women may momentarily fall. But in the hands of fierce women, men will be brought to their knees. Three campfire secrets. Two witnesses. One dead in the trees. And the woman, thirty years later, bent on making the guilty finally pay. 1988. A group of outcasts gather at a small, prestigious arts camp nestled in the Maine woods. They're the painters: bright, hopeful, teeming with potential. But secrets and dark ambitions rise like smoke from a campfire, and the truths they tell will come back to haunt them in ways more deadly than they dreamed. 2018. Esteemed art professor Max Durant arrives at his protégé's remote home to view her graduate thesis collection. He knows Audra is beautiful and brilliant. He knows being invited into her private world is a rare gift. But he doesn't know that Audra has engineered every aspect of their weekend together. Every detail, every conversation. Audra has woven the perfect web. Only Audra knows what happened that summer in 1988. Max's secret, and the dark things that followed. And even though it won't be easy, Audra knows someone must pay. A searing psychological thriller of trauma, dark academia, complicity, and revenge, *Dark Things I Adore* unravels the realities behind campfire legends—the horrors that happen in the dark, the girls who become cautionary tales, and the guilty who go unpunished. Until now.

Life is perfect for Freya Rose. She has a gorgeous boyfriend, a loving mother... Oh, and her very own stalker... Okay, so maybe Freya's life isn't quite as perfect as she thought. There is more to the picturesque town of Jasper, Alberta than meets the eye. The residents quiet, and laid back demeanors perfectly disguise an extraordinary community of werewolves, vampires, and hunters. When Freya is finally able to see beyond the secrets, she is introduced to a supernatural world full of temptation, power, and love rivals. Freya's relationship with Tristan struggles to make it past all of the lies and secrets, so when a mysterious stranger strolls into her life, will she be able to resist his seductive charms? The biggest question is, how will she react when she discovers that she belongs in this new world, far more than she ever realized. This book contains adult themes, therefore 18+ is advised. This story ends in a cliffhanger, and is then continued in *Abandoned By An Alpha*. There may be some triggers in this book, ie, stalking, murder, adultery, and hunks that might melt your clothes off. The series as a whole, has a reverse harem feel to it, but Freya does not entertain all of the guys at once. That being said, there are a few scenes where more than one guy is involved, so be prepared. Lastly, if you would like to follow me, I can be found on Facebook (L.P. Dillon) or at Author L.P.Dillon's Divas on Facebook. I'm also on Twitter and Instagram occasionally, and my Freya Rose series can be found on Radish. Ps. I'm sorry that you're hanging by your fingertips on that cliff edge, I'll send one of Freya's guys along to save you soon xxx

Popular Gossip Girl character Jenny Humphrey is leaving Constance Billard to attend Waverly Academy, an elite boarding school in New York horse country where glamorous rich kids don't let the rules get in the way of an excellent time. Determined to leave her Manhattan past behind her, Jenny sets off to Waverly with big plans of reinventing herself. She'll be a goddess--she's a sophisticated city girl, after all!--and will find a boy who can properly worship her. But that's going to be a little tricky since her self-absorbed new roommates, Callie Vernon and Brett Messerschmidt, aren't exactly there to help--unless there's something in it for them. Hot guys, new intrigue, and more delicious gossip all add up to more trouble than ever for Jenny. But if getting caught with boys and going up against the Disciplinary Committee is what it takes, Jenny's ready. She'll do all that and more to be The It Girl.

Joi Lansing made a career in Hollywood at a time when being blonde and curvy was much appreciated. Although she never became as successful as Jayne Mansfield or Mamie Van Doren, let alone Marilyn Monroe, she carved out a path for herself, appearing in several iconic television shows. In the 1960s, she took a new route by becoming a singer, earning praise for her newfound talents. Insecurity about her looks and talent plagued her all her life. In growing older, she did everything to stay young and beautiful.

Nevertheless, Joi was also acute enough to know that it had taken more than good looks to become famous. In 1965 she stated that, "Looks are important, of course. But after the looks go, what does a girl have? What I mean is, a girl has to have more than just looks to succeed in Hollywood." "When a Girl's Beautiful" — The Life and Career of Joi Lansing tells the story of a vulnerable, sweet and talented woman, who gave her all to become famous and struggled to survive in the harsh world of show business. With an overview of Joi Lansing's film and television appearances, it also contains rare pictures and many never-before-seen photographs from family albums. It's enlivened with quotes and anecdotes of people who knew and worked with her.

Documents the story of the famous courtesan who was a muse and mistress to such figures as Alexandre Dumas and Franz Liszt, tracing her upbringing in Normandy and her reinvention in Paris before becoming one of the most adored women in 1840s France.

The bash at the Miller farm was the hottest party Jenny Humphrey had ever attended. Literally. But when Dean Marymount announces that someone is going to be held responsible, and expelled, for burning down the antique red barn the heat is really on. Tensions are rising, rumours are flying, and pretty soon everyone is a suspect. But was it Julian, Jenny's shaggy-haired new crush, whose engraved Tiffany lighter was found at the scene of the crime? Or could it have been Callie and Easy who were in the barn together when the blaze began? Tinsley knows she's also in the line of fire for organising the party, but luckily she's come up with a crafty way to stay out of trouble: by blaming Jenny.

When John Wilkes Booth died—shot inside a burning barn and dragged out twelve days after he assassinated President Lincoln—all he had in his pocket were a compass, a candle, a diary, and five photographs of five different women. They were not ordinary women. Four of them were among the most beautiful actresses of the day; the fifth was Booth's wealthy fiancée. And those five women are just the tip of the iceberg. Before he shot the president of the United States and entered the annals of history as a killer, actor John Wilkes Booth had quite a way with women. There was the actress who cut his throat and almost killed him in a jealous rage. There was the prostitute who tried to kill herself because he abandoned her. There was the actress who would swear she witnessed him murdering Lincoln, even though she was thousands of miles away at the time. John Wilkes Booth was hungry for fame, touchy about politics, and a notorious womanizer. But this book isn't about John Wilkes Booth—not really. This book is about his women: women who were once notorious in their own right; women who were consumed by love, jealousy, strife, and heartbreak; women whose lives took wild turns before and after Lincoln's assassination; women whom have been condemned to the footnotes of history... until now.

Three very different sisters beguile society with their beauty and charm, but only one of them must fulfill a prophecy: marry a prince. Who is the mystery Prince Charming, and which sister will be his bride? All that clever, passionate Ravenna Caulfield wants is to stay far away from high society's mean girls. All that handsome, heroic Lord Vitor Courtenay wants is to dash from dangerous adventure to adventure. Now, snowbound in a castle with a bevy of the ton's scheming maidens all competing for a prince's hand in marriage, Ravenna's worst nightmare has come true. Now, playing babysitter to his spoiled prince of a half-brother and potential brides, Vitor is champing at the bit to be gone. When a stolen kiss in a stable leads to a corpse in a suit of armor, a canine kidnapping, and any number of scandalous liaisons, Ravenna and Vitor find themselves wrapped in a mystery they're perfectly paired to solve. But as for the mysteries of love and sex, Vitor's not about to let Ravenna escape until he's gotten what he desires . . .

Edward Tulane, a cold-hearted and proud toy rabbit, loves only himself until he is separated from the little girl who adores him and travels across the country, acquiring new owners and listening to their hopes, dreams, and histories. Jr Lib Guild. Teacher's Guide available. Reprint.

From the New York Times bestselling author of Sarah's Key and A Secret Kept comes an absorbing new novel about one woman's resistance during an époque that shook Paris to its very core. Paris, France: 1860's. Hundreds of houses are being razed, whole neighborhoods reduced to ashes. By order of Emperor Napoleon III, Baron Haussman has set into motion a series of large-scale renovations that will permanently alter the face of old Paris, moulding it into a "modern city." The reforms will erase generations of history—but in the midst of the tumult, one woman will take a stand. Rose Bazelet is determined to fight against the destruction of her family home until the very end; as others flee, she stakes her claim in the basement of the old house on rue Childebert, ignoring the sounds of change that come closer and closer each day. Attempting to overcome the loneliness of her daily life, she begins to write letters to Armand, her beloved late husband. And as she delves into the ritual of remembering, Rose is forced to come to terms with a secret that has been buried deep in her heart for thirty years. Tatiana de Rosnay's *The House I Loved* is both a poignant story of one woman's indelible strength, and an ode to Paris, where houses harbor the joys and sorrows of their inhabitants, and secrets endure in the very walls...

Women took part in perilous resistance missions during World War II alongside a much larger number of male resistance agents. This book presents the lives of eight women who, at profound risk to themselves, chose to challenge the Third Reich. Hailing from diverse regions of the world--the Middle East, Asia, Europe, and North America--the women shared privileged backgrounds of financial and social prominence as well as a profound sense of social justice. As to their deeds with the Resistance, they ranged from forging documents and hiding persecuted Jews to orchestrating sabotage operations and crafting a nonviolent protest movement within Nazi Germany itself. As could be expected, the costs were great, capture and execution among them, but the women's achievements did succeed in helping to win the war.

New friends Jenny Humphrey and Tinsely Carmichael are determined to snap Callie Vernon out of her funk, so they head to New York City for some R&R, in this eighth novel in the scandalous "New York Times"-bestselling series.

The ninth engrossing novel in the #1 bestselling It Girl series. Popular Gossip Girl character Jenny Humphrey never goes looking for trouble; but trouble always seems to find her. What Waverly Academy mischief will Jenny, Tinsley, and Callie stir up now? It's January, and a new semester at Waverly Academy means one thing: new students. Make that hot new students. A gorgeous brother-sister pair is taking Waverly by storm, and the campus is abuzz with fresh gossip and even fresher crushes. But while all the girls are busy drooling over the new it-guy, they'd better watch their backs--because his sister is going to give them all a run for their money. After all, there can only be one It Girl...

It's Thanksgiving break at exclusive Waverly Academy, and everybody's feeling thankful . . . for the long weekend. New BFFs Jenny Humphrey and Tinsley Carmichael are determined to snap their glum but still uberstylish roomie Callie Vernon out of her funk--it's been weeks since her boyfriend Easy Walsh was kicked out of school, and they're sick of her moping. The plan: head to NYC for some R & R! And some SS (serious shopping). But the girls quickly discover that a quiet holiday is not in store for them. A cozy Thanksgiving dinner turns into a three-day party with a few of their classmates--and some irresistible mystery guests. Jenny meets Mr. Right but is determined not to fall in love for the fourth time this fall. Tinsley has her own holiday mission: to win back adorable freshman Julian McCafferty. And Callie is holding out for Easy . . . which is hard to do with a cute college boy following her around. Brett Messerschmidt is missing in action--forced to spend Thanksgiving in her family's tacky Jersey McMansion. But drama's on the menu at the dinner table. And maybe love too. Forget turkey and stuffing. When you're an It Girl, a holiday is just another excuse to break out the bubbly.

A compelling and comprehensive look at the life and art of Francis Bacon, one of the iconic painters of the twentieth century--from the Pulitzer Prize-winning authors of *de Kooning: An American Master*. This intimate study of the singularly private, darkly funny, eruptive man and his extraordinary art "is bejeweled with sensuous detail ... the iconoclastic charm of the artist keeps the pages turning" (*The Washington Post*). "A definitive life of Francis Bacon ... Stevens and Swan are vivid scene setters ... Francis Bacon does justice to the contradictions of both the

man and the art." --The Boston Globe Francis Bacon created an indelible image of mankind in modern times, and played an outsized role in both twentieth century art and life--from his public emergence with his legendary Triptych 1944 (its images "so unrelievedly awful" that people fled the gallery), to his death in Madrid in 1992. Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted, and his exploits were as unforgettable as his images. He moved among the worlds of London's Soho and East End, the literary salons of London and Paris, and the homosexual life of Tangier. Through hundreds of interviews, and extensive new research, the authors probe Bacon's childhood in Ireland (he earned his father's lasting disdain because his asthma prevented him from hunting); his increasingly open homosexuality; his early design career--never before explored in detail; the formation of his vision; his early failure as an artist; his uneasy relationship with American abstract art; and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century. In all, Francis Bacon: Revelations gives us a more complete and nuanced--and more international--portrait than ever before of this singularly private, darkly funny, eruptive man and his equally eruptive, extraordinary art. Bacon was not just an influential artist, he helped remake the twentieth-century figure.

MEREDITH RUSSO was born, raised, and lives in Tennessee. She started living as her true self in late 2013 and never looked back. "If I Was Your Girl" was partially inspired by her experiences as a trans woman. Like Amanda, Meredith is a gigantic nerd who spends a lot of her time obsessing over video games and "Star Wars."

Am I loved? Am I valuable? Am I smart? The questions can go on for as long as a girl's imagination and self-image allow. A girl needs to know that she is enough because of God's love. So often, girls and women give in to the lies that how they look and how popular they are determines their worth. But as children of God, we can have the confidence that we are loved, protected, secure, whole, and valuable because God is our heavenly father. Loved and Cherished equips girls ages 8–12 to: Discover perfect, unconditional love in God, and that she doesn't have to perform or be perfect to receive that love. Know she has God's protection, despite living in an often-scary world. Let go of heartaches, fears, and failures, because she has the love she needs to face it. Build a strong foundation of faith on the love who will never leave her so she can face the challenges of growing up.

Glamour isn't just about having the right handbag—it's about having the right personality too and many of the world's most adorable women have been gorgeous inside as well as out. A glamorous woman has a magnetism few men can resist, yet all of us can attain it—even those without classically natural beauty. Many beautiful women lack glamour and conversely some of the most unusual looking women have glamour by the bucket load. How to be Adored is a style guide with a difference, featuring secrets and advice from a roll call of history's most seductive women, including Marlene Dietrich, Marilyn Monroe, Audrey Hepburn, Jackie O, Debbie Harry, Sophia Loren, Gwyneth Paltrow, Princess Diana, Kate Moss, Gwen Stefani and Carla Bruni. In their own words they reveal how to achieve glamour and how to be adored by all you encounter. Professor of Fashion, Caroline Cox, fills every page with witty observations and entertaining anecdotes. With masses of primary research you will be instantly drawn in by the juicy revelations about Hollywood stars past and present. How to be Adored is packed with useful information and advice, supported by wise words from those who know. And as you begin your glamorous transformation, remember what sixties film star Arlene Dahl said, 'There's no such thing as an ugly woman. There are only those who have not realized their full potential.'

"HONEY GIRL is an emotional, heartfelt, charming debut, and I loved every moment of it." — Jasmine Guillory, New York Times bestselling author of The Proposal With her newly completed PhD in astronomy in hand, twenty-eight-year-old Grace Porter goes on a girls' trip to Vegas to celebrate. She's a straight A, work-through-the-summer certified high achiever. She is not the kind of person who goes to Vegas and gets drunkenly married to a woman whose name she doesn't know...until she does exactly that. This one moment of departure from her stern ex-military father's plans for her life has Grace wondering why she doesn't feel more fulfilled from completing her degree. Staggering under the weight of her parent's expectations, a struggling job market and feelings of burnout, Grace flees her home in

Portland for a summer in New York with the wife she barely knows. In New York, she's able to ignore all the constant questions about her future plans and falls hard for her creative and beautiful wife, Yuki Yamamoto. But when reality comes crashing in, Grace must face what she's been running from all along—the fears that make us human, the family scars that need to heal and the longing for connection, especially when navigating the messiness of adulthood.

This book summarizes seventy of my honoring-the-dead books that I was directed to write by the dead. The dead would direct me in my dreams, usually within a week after they die, to write a book for their loved ones. They would tell me what to write, what photographs to use, and to whom to send the book. This is the reason why I had decided to publish this book. The dead don't forget you after they die. Don't forget them. People don't change after they die. I've had many good experiences and a few very bad experiences with them. If I was able to communicate with the dead, you can too. It's a very interesting story how I had acquired this capability, which I discussed in this book. I was not born with that capability. I also discuss two of my prior lifetimes, which have also helped me communicate with the dead. These are all things that I suggest that you know about. It all helps, like it has helped me. It's all true, and it can be verified in the seventy books that I have written. This book summarizes what is in those seventy books. This book gives a number of examples that nothing happens by accident. You can be whatever you want to be. I did it, and you can do it too. In this lifetime, I meet my mother in my 1620 AD lifetime, who had given me my current capabilities.

Devorah Lee has spent her adult life searching for a guy who has The Zing, but has a penchant for falling for the wrong guy... ...enter Ellis Taylor - the notorious playboy brother of her ex who's on a mission to show her he's Mr. Right.

From international bestseller Stephen King, a classic story that engages our emotions on the most primal level, a fairy tale grimmer than Grimm but aglow with a girl's indomitable spirit. What if the woods were full of them? And of course they were, the woods were full of everything you didn't like, everything you were afraid of and instinctively loathed, everything that tried to overwhelm you with nasty, no-brain panic. The brochure promised a "moderate-to-difficult" six-mile hike on the Maine-New Hampshire branch of the Appalachian Trail, where nine-year-old Trisha McFarland was to spend Saturday with her older brother Pete and her recently divorced mother. When she wanders off to escape their constant bickering, then tries to catch up by attempting a shortcut through the woods, Trisha strays deeper into a wilderness full of peril and terror. Especially when night falls. Trisha has only her wits for navigation, only her ingenuity as a defense against the elements, only her courage and faith to withstand her mounting fear. For solace she tunes her Walkman to broadcasts of Boston Red Sox games and the gritty performances of her hero, number thirty-six, relief pitcher Tom Gordon. And when her radio's reception begins to fade, Trisha imagines that Tom Gordon is with her—her key to surviving an enemy known only by the slaughtered animals and mangled trees in its wake.
