“Some novelists hold a mirror up to the world and some, like Haruki Murakami, use the mirror as a portal to a universe hidden beyond it.” —The Wall Street Journal

A mind-bending new collection of short stories from the internationally acclaimed Haruki Murakami. The eight stories in this new book are all told in the first person by a classic Murakami narrator. From memories of youth, meditations on music, and an ardent love of baseball, to dreamlike scenarios and invented jazz albums, together these stories challenge the boundaries between our minds and the exterior world. Occasionally, a narrator may or may not be Murakami himself. Is it memoir or fiction? The reader decides. Philosophical and mysterious, the stories in *First Person Singular* all touch beautifully on love and solitude, childhood and memory. . . all with a signature Murakami twist.

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man

in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie Stand By Me. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

Complemented by an author introduction, the screenplay for a six-hour television miniseries follows the residents of Little Tall Island as they prepare to cope with both a dangerous storm and an mysteriously evil force Kara has settled into her new life with the Renshaws but with the dramas of the previous year finally over she finds her mind wondering back to a love she lost seven and a half years ago. When Kara instantly recognises the new boy in the class and he seems pulled to her right from the start, it is as if all her dreams have come true. But while love may be the most beautiful force to grace our lives, it is never easy and Kara and Adrian find they must face many challenges before they can have a shot at the happily ever after they imagined for themselves. Every marriage has two hearts, one light and one dark, and Lisey Landon must confront both. King's most personal and powerful book to date is about the wellsprings of creativity, the temptations of madness, and the secret language of love.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado. J.R.R. Tolkien è indubbiamente un classico della letteratura del Novecento, anzi un classico della

letteratura in assoluto. E questo sia per la durata e diffusione dei suoi scritti (che dopo le trilogie cinematografiche di Peter Jackson hanno ormai un riscontro planetario), ma anche e soprattutto per i suoi meriti letterari. Tuttavia questo fatto non sembra essere ancora recepito negli ambienti universitari (specie italiani) e nelle storie della letteratura in genere. È da questa consapevolezza che l'Associazione Italiana di Studi Tolkieniani ha promosso il progetto «Tolkien e i Classici». Si tratta di un work in progress iniziato con un call for papers (rivolto anche a studiosi esteri) con la finalità di raccogliere studi non specialistici che confrontassero Tolkien con altri classici, non solo della letteratura ma della cultura in genere. I vari saggi ricevuti, dopo un attento lavoro redazionale, sono qui raccolti in tre sezioni: – Tolkien e i classici antichi; – Tolkien e i classici medievali; – Tolkien e i classici moderni. Scorrendo l'indice di «Tolkien e i Classici» si potrà notare che il volume comprende autori che Tolkien ha citato nelle sue lettere o nelle sue conferenze (è il caso di Kenneth Grahame), autori che siamo certi conoscesse per i suoi studi, che li abbia nominati direttamente o no (Omero, Virgilio, Chaucer), e autori che quasi certamente non ha conosciuto (Giovannino Guareschi). Ciò che si prefigge questa pubblicazione è offrire al lettore appassionato, ma anche alle scuole e alle Università italiane (nelle quali molto lentamente Tolkien sta iniziando ad

entrare) un valido strumento di orientamento critico che possa adeguatamente collocare l'autore del «Signore degli Anelli» a fianco degli altri classici della cultura, come giustamente merita la sua inimitabile opera. NO ONE TAKES WHAT'S MINE. The lovely attorney kept a secret from me. A baby she's been carrying since Valentine's night. The night we were thrown together by the roulette wheel. And I'll use that time to win her surrender. Because I don't just plan to keep the baby— I plan to make his mother my bride. And it would be much better for both of us if she were willing.

Polaroid Sun 660. There's something wrong with his gift, though. No matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, turns out to be a very dangerous investment.

Innovative approach to bookbinding explains techniques that elevate handmade books into extraordinary artworks. Simple, well-illustrated directions explain how to make pop-up panels, pages that "explode" from the spine, slipcases, and more. Richard Bachman was Stephen King's other writing name for his non-supernatural work before he finally hit it big with "Carrie." The manuscript of "Blaze" sat in a university library until King rewrote it decades later.

A mother recounts her life story to her long-lost daughter in this sweeping historical novel about a community torn between Italian fascism and German Nazism. In the small village of Curon in South Tyrol, seventeen-year-old Trina longs for a different life. She dedicates herself to becoming a teacher, but the year that she qualifies—1923—Mussolini's regime abolishes the use of German as a teaching language in the annexed Austrian territory. Defying their ruthless program of forced Italianization, Trina works for a clandestine network of schools in the valley, always with the risk of capture. In spite of this new climate of fear and uncertainty, she finds love and some measure of stability with Erich, an orphaned young man and her father's helper. Now married and a mother, Trina's life is again thrown into uncertainty when Hitler's Germany announces the "Great Option" in 1939, and communities in South Tyrol are invited to join the Reich and leave Italy. The town splits, and ever-increasing rifts form among its people. Those who choose to stay, like Trina and her family, are seen as traitors and spies; they can no longer leave the house without suffering abuse. Then one day Trina comes home and finds that her daughter is

A deadly biochemical virus called Captain Trips kills nearly everyone it infects, and the individuals who survive the virus are sought by the government that engineered it. In this spectacular New York Times bestselling father/son collaboration that “barrels along like a freight train” (Publishers Weekly), Stephen King and Owen King tell the highest of high-stakes stories: what might happen if women disappeared from the world of men? In a future so real and near it might be now, something happens when women go to sleep: they become shrouded in a cocoon-like gauze. If they are awakened, if the gauze wrapping their bodies is disturbed or violated, the women become feral and spectacularly violent. And while they sleep they go to another place, a better place, where harmony prevails and conflict is rare. One woman, the mysterious “Eve Black,” is immune to the blessing or curse of the sleeping disease. Is Eve a medical anomaly to be studied? Or is she a demon who must be slain? Abandoned, left to their increasingly primal urges, the men divide into warring factions, some wanted to kill Eve, some to save her. Others exploit the chaos to wreak their own vengeance on new enemies. All turn to violence in a suddenly all-male world. Set in a small Appalachian town whose primary employer is a woman’s prison, *Sleeping Beauties* is a wildly provocative, gloriously dramatic father-son collaboration that feels particularly urgent and relevant today. With the Christmas season upon him, Detective Sergeant Bruce Robertson of Edinburgh's finest is gearing up socially—kicking things off with a week of sex and drugs in Amsterdam. There are some sizable flies in the ointment, though: a missing wife and child, a nagging cocaine habit, some painful below-the-belt eczema, and a string of demanding extramarital affairs. The last thing Robertson needs is a messy, racially fraught murder, even if it means overtime—and the opportunity to clinch the promotion he

craves. Then there's that nutritionally demanding (and psychologically acute) intestinal parasite in his gut. Yes, things are going badly for this utterly corrupt tribune of the law, but in an Irvine Welsh novel nothing is ever so bad that it can't get a whole lot worse. . . .In Bruce Robertson Welsh has created one of the most compellingly misanthropic characters in contemporary fiction, in a dark and disturbing and often scabrously funny novel about the abuse of everything and everybody. "Welsh writes with a skill, wit and compassion that amounts to genius. He is the best thing that has happened to British writing in decades."—Sunday Times [London] "[O]ne of the most significant writers in Britain. He writes with style, imagination, wit, and force, and in a voice which those alienated by much current fiction clearly want to hear."—Times Literary Supplement "Welsh writes with such vile, relentless intensity that he makes Louis-Ferdinand Céline, the French master of defilement, look like Little Miss Muffet. "—Courtney Weaver, The New York Times Book Review "The corrupt Edinburgh cop-antihero of Irvine Welsh's best novel since *Trainspotting* is an addictive personality in another sense: so appallingly powerful is his character that it's hard to put the book down....[T]he rapid-fire rhythm and pungent dialect of the dialogue carry the reader relentlessly toward the literally filthy denouement. "—Village Voice Literary Supplement, "Our 25 Favorite Books of 1998" "Welsh excels at making his trash-spewing bluecoat peculiarly funny and vulnerable—and you will never think of the words 'Dame Judi Dench' in the same way ever again. It's summer in Piombino, Italy, and in their skimpy bathing suits, flaunting their newly acquired curves, the girls suddenly have everyone in their thrall. This power opens their imagination to a destiny beyond Piombino; the resort town of Elba is just a ferry ride away and yet they've never dared to go. Maybe the future is waiting for them there, or somewhere beyond. When their friendship suffers a blow, the girls set off on their own only to discover that their budding sexuality takes them further than they expect, though not as far as their dreams. As their choices take them to a painful crossroads, the girls must reconnect if they have any hope of escaping their small town destinies. In this poetic, prizewinning debut, Silvia Avallone captures the lost innocence of a generation. Harrowing yet ultimately redemptive, *Swimming to Elba* is a story about the power of friendship, and the way that family, friendship, and economics shape our world.
