Star Wars: Batu In-World Fairytales Book

Retells the segment from Spenser's "The Faerie Queene, in which George, the Red Cross Knight, slays the dreadful dragon that has been terrorizing the countryside for years and brings peace and joy to the land.

A knight is on a mission: to find and slay a dragon. The other knights have told him that there's no such thing as dragons, but he doesn't care. For he has a map, and the map says: "HERE BE DRAGONS!" He travels right to the spot marked 'X', past treasure, suspicious bones, and many signs telling him to turn back. He wanders up and down a huge, spiky hill (the dragon's back) shouts into a burrow (the dragon's nose) and eventually walks into a cave (the dragon's mouth)... Will the hapless knight see the dragon before it's too late?! Young readers will love spotting the dragon in the background in this laugh-out-loud story from the author of This Book Can Read Your Mind.
