

The Last 100 Days

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

In March 1918, with the fear of a one-million-man American army landing in France, the Germans attacked. In response, Australian soldiers were involved in a number of engagements, culminating in the Second Battle of Villers-Bretonneux and the saving of Amiens, and Paris, from German occupation. Then came General John Monash's first victory as the Commanding Officer of the newly formed Australian Corps at Hamel. This victory, and the tactics it tested, became crucial to the Allied victory after 8 August, the 'black day of the German Army'. On this day the major Allied counteroffensive began, with the AIF in the vanguard of the attack. The Australians, with the Canadians to the south and the British across the Somme to the north, drove the Germans back, first along the line of the Somme and then across the river to Mont St Quentin, Peronne and on to the formidable Hindenburg Line, before the last Australian infantry action at Montbrehain in early October. Fast-paced and tense, the story of *The Last 100 Days* is animated by the voices of Australian soldiers as they endured the war's closing stages with humour and stoicism; and as they fought a series of battles in which they played a pivotal role in securing Allied victory.

"One of the best novelists since Jane Austen....*The Hundred Days* may be the best installment yet....I give O'Brian's fans joy of it."—Philadelphia Inquirer Napoleon, escaped from Elba, pursues his enemies across Europe like a vengeful phoenix. If he can corner the British and Prussians before their Russian and Austrian allies arrive, his genius will lead the French armies to triumph at Waterloo. In the Balkans, preparing a thrust northwards into Central Europe to block the Russians and Austrians, a horde of Muslim mercenaries is gathering. They are inclined toward Napoleon because of his conversion to Islam during the Egyptian campaign, but they will not move without a shipment of gold ingots from Sheik Ibn Hazm which, according to British intelligence, is on its way via camel caravan to the coast of North Africa. It is this gold that Jack Aubrey and Stephen Maturin must at all costs intercept. The fate of Europe hinges on their desperate mission. "*The Hundred Days* is certain to delight O'Brian's fans, for whom happiness is an unending stream of Aubrey/Maturin books....[It] is a fine novel that stands proudly on the shelf with the others."—Los Angeles Times

"Funny, moving. . . I defy anyone to finish this story without tears in their eyes." —Graeme Simsion, bestselling author of *The Rosie Project* What would you do if you knew you only had 100 days left to live? For Lucio Battistini, it's a chance to spend the rest of his life the way he always should have—by making every moment count. Imperfect, unfaithful, but loveable Lucio has been thrown out of the house by his wife and is sleeping at his father-in-law's bombolini bakery when he learns he has inoperable cancer. So begin the last hundred days of Lucio's life, as he attempts to right his wrongs, win back his wife (the love of his life and afterlife), and spend the next three months enjoying every moment with a zest he hasn't felt in years. In 100 epigrammatic chapters—one for each of Lucio's remaining days on earth—*100 Days of Happiness* is as delicious as a hot doughnut and a morning cappuccino. Wistful, touching, and often hilarious, *100 Days of Happiness* reminds us all to remember the preciousness of life and what matters most.

As American troops continue their steady exodus on the last day of their ground war in Vietnam, Lieutenant Joe Tallon is shot down by an enemy missile. Forced to eject at a dangerously low altitude from their OV-1 Mohawk, Joe and his tactical observer, Specialist-5 Daniel Richards, land in the flaming wreckage. Lieutenant Tallon survives but Specialist Richards does not. Stateside, Lieutenant Tallon begins to heal and proceed with his life—but the loss of his tactical observer is never far from his mind. Forty years later, Joe embarks on a quest to bring recognition to the sacrifice of Daniel Richards and secure a Purple Heart for his family. Painstakingly recreated from wartime letters and remembrances and contextualized by contemporary news accounts, *100 Days in Vietnam* is a collaboration between Joe and his son Matt—also an Army veteran. Here we experience the war through the emotions of the man who survived it: the drudgery and monotony of airfield life, the heartache of a newlywed missing his wife, the terror of combat missions, the agony of injury and rehabilitation, and the bittersweet relief from the completion of his final mission to bring recognition to his fallen comrade.

More than three hundred photographs from the archives of Getty Images and National Geographic capture one hundred days that represent pivotal moments of the past 150 years, including Lincoln's assassination, the 1929 Wall Street crash, Kristallnacht, Chernobyl, September 11, and other events and personalities who shaped the world. 125,000 first printing. 'Charming, touching, surprising and ultimately uplifting. Funny, moving . . . I defy anyone to finish this story without tears in their eyes' Graeme Simsion, author of *The Rosie Project* 'Hilarious but heart-wrenching' Daily Mail What would you do

if you only had 100 days left to live? Lucio Battistini has a list: To win back his wife - the love of his life To become a dad his kids will always remember To help his father-in-law find love To let his friends know how much they mean to him And most of all he must make every moment count. So far, he hasn't been getting it right. And if Lucio is going to become the man he was always meant to be, he's got a lot of work to do . . .

Once the gleaming "Paris of the East," Bucharest in 1989 is a world of corruption and paranoia, in thrall to the repressive regime of Nicolae Ceaușescu. Old landmarks are falling to demolition crews, grocery shelves are empty, and informants are everywhere. Into this state of crisis, a young British man arrives to take a university post he never interviewed for. He is taken under the wing of Leo O'Heix, a colleague and master of the black market, and falls for the sleek Celia, daughter of a party apparatchik. Yet he soon learns that in this society, friendships are compromised, and loyalty is never absolute. And as the regime's authority falters, he finds himself uncomfortably, then dangerously, close to the eye of the storm. By turns thrilling and satirical, studded with poetry and understated revelation, *The Last Hundred Days* captures the commonplace terror of Cold War Eastern Europe. Patrick McGuinness's first novel is unforgettable.

A Kirkus Best Book of 2013 A revelatory, minute-by-minute account of JFK's last hundred days that asks what might have been Fifty years after his death, President John F. Kennedy's legend endures. Noted author and historian Thurston Clarke argues that the heart of that legend is what might have been. As we approach the anniversary of Kennedy's assassination, JFK's Last Hundred Days reexamines the last months of the president's life to show a man in the midst of great change, finally on the cusp of making good on his extraordinary promise. Kennedy's last hundred days began just after the death of two-day-old Patrick Kennedy, and during this time, the president made strides in the Cold War, civil rights, Vietnam, and his personal life. While Jackie was recuperating, the premature infant and his father were flown to Boston for Patrick's treatment. Kennedy was holding his son's hand when Patrick died on August 9, 1963. The loss of his son convinced Kennedy to work harder as a husband and father, and there is ample evidence that he suspended his notorious philandering during these last months of his life. Also in these months Kennedy finally came to view civil rights as a moral as well as a political issue, and after the March on Washington, he appreciated the power of Reverend Martin Luther King, Jr., for the first time. Though he is often depicted as a devout cold warrior, Kennedy pushed through his proudest legislative achievement in this period, the Limited Test Ban Treaty. This success, combined with his warming relations with Nikita Khrushchev in the wake of the Cuban missile crisis, led to a détente that British foreign secretary Sir Alec Douglas-Home hailed as the "beginning of the end of the Cold War." Throughout his presidency, Kennedy challenged demands from his advisers and the Pentagon to escalate America's involvement in Vietnam. Kennedy began a reappraisal in the last hundred days that would have led to the withdrawal of all sixteen thousand U.S. military advisers by 1965. JFK's Last Hundred Days is a gripping account that weaves together Kennedy's public and private lives, explains why the grief following his assassination has endured so long, and solves the most tantalizing Kennedy mystery of all—not who killed him but who he was when he was killed, and where he would have led us.

A revealing portrait of the end of Franklin Delano Roosevelt's life and presidency, shedding new light on how he made his momentous final policy decisions The first hundred days of FDR's presidency are justly famous, often viewed as a period of political action without equal in American history. Yet as historian David B. Woolner reveals, the last hundred might very well surpass them in drama and consequence. Drawing on new evidence, Woolner shows how FDR called on every ounce of his diminishing energy to pursue what mattered most to him: the establishment of the United Nations, the reinvigoration of the New Deal, and the possibility of a Jewish homeland in Palestine. We see a president shorn of the usual distractions of office, a man whose sense of personal responsibility for the American people bore heavily upon him. As Woolner argues, even in declining health FDR displayed remarkable political talent and foresight as he focused his energies on shaping the peace to come.

A teen girl suffers from progeria, a rare disease that causes her to age rapidly. This is the story of three unlikely friends learning to live life to its fullest before ultimately letting it go.

A dramatic countdown of the final months of World War II in Europe, *The Last 100 Days* brings to life the waning power and the ultimate submission of the Third Reich. To reconstruct the tumultuous hundred days between Yalta and the fall of Berlin, John Toland traveled more than 100,000 miles in twenty-one countries and interviewed more than six hundred people--from Hitler's personal chauffeur to Generals von Manteuffel, Wenck, and Heinrici; from underground leaders to diplomats; from top Allied field commanders to brave young GIs. Toland adeptly wove together these interviews using research from thousands of primary sources.

Four students arrive on the first day of school looking cool and their teacher challenges them to keep it up as they count down one hundred days to a cool celebration. Simultaneous.

Presents first-hand accounts of the men and the machines involved in dirigible flight over its sixty-year history

If you're looking to get excited about the Big Day, this blank lined wedding countdown journal notebook makes the perfect engagement keepsake gift they'll love and remember while counting down until the big day! An inspirational, fun, and informative visual guide to help readers realize long-term happiness and fulfillment (and complete the wildly popular #100happydays challenge).

"Molly suffers from depression, and when she finds out that the exotic fishstore she works at is closing down, her whole life, which is already hanging on a thread, starts to crumble"--

You were always meant to be brave. Whether you're making a major decision, dealing with a difficult transition, or facing a fear, *100 Days to Brave* will give you courage and confidence to move forward. Annie F. Downs felt her challenges were too difficult, too scary, too much. Then she decided to stop allowing fear to hold her back. It wasn't easy or simple. But it was good. With honesty and relatable humor, this compilation of best-of writings and new pieces from Annie will give you the inspiration to embrace the path and the plan God has for you and experience personal growth. Dare to spend the next 100 days discovering that you are braver than you know and stronger than you thought possible.

Introduces readers to Luke's day celebrating the 100th day of school. Discusses the concept of the number 100 by showing the different activities Luke's class does to celebrate. Additional features to aid comprehension include vivid photographs, Extended Learning activities, a phonetic glossary, and sources for further research.

Poems that recall the senseless loss of life and of innocence in Rwanda.

In this book, cultural historian Harlan Lebo looks back at the first Moon landing, Manson family murders, Woodstock, and the birth of the Internet to tell the story of how each event shaped the nation and how we perceive ourselves.

Picking up where Jules Verne's *Around the World in Eighty Days* left off, Phileas Fogg's teenage son, Harry, is in trouble. He has made a bet that he can drive a steam-powered motor-car around the world in 100 days. So along with a brilliant but shy mechanic, a sly female journalist, and the son of his opponent in the wager, Harry sets off on a race against time. The trip isn't easy, especially with dissension within the group. The question is, will they be able to finish . . . because the stakes are inconceivably high. "A thrilling, thoroughly road-worthy joy ride." - Kirkus Reviews, starred review "Fun and suspenseful." - Booklist

Starting with number one for the first day of school, Emily learns the numbers one to 100 in many different ways.

"The perspective of 15 years, painstaking research, thousands of interviews, extensive analysis and evaluation, and the creative talent of John Toland [paint] the epic struggle on an immense canvas. . . . Toland writes with the authority of a man who was there. . . . He tastes the bitterness of defeat of those who surrendered and writes as if he had the benefit of the eyes and ears of soldiers and generals on the other side of the line. . . . If you could read only one book to understand generals and GIs and what their different wars were like this is the book."--Chicago Sunday Tribune "The author has devoted years to studying memoirs, interviewing veterans and consulting military documents, both German and American. He also has revisited the old battlefields in Belgium and Luxembourg. . . . Toland has told the whole story with dramatic realism. . . . It is a story of panic, terror and of high-hearted courage."--New York Times Book Review "For the first time in the growing literature of World War II, the inspiring story of the stubborn, lonely, dogged battle of the Americans locked in this tragic salient is told. . . . gripping . . . You cannot put it down once you start it."--San Francisco Chronicle

A personal journey that inadvertently became an alternative self-help guide to doing what you love and living as your true self - whoever that might turn out to be, 100 days of solitude is inspiring hundreds of people to seek out and claim the space they need to find themselves and live the life they want.

Harry Bergen-Murphy does not feel ready when he starts first grade, but by day 100 he has become an expert on several important things, including being a first-grader.

100 Days Inside is a story about an only child navigating her new reality and BIG feelings during the the stay-at-home orders due to the Coronavirus pandemic. With the help of her mommy, she learns how to deal with the changes and her emotions. Fionna and her daughter, Madison, wrote this book together during their time at home amidst the stay-at-home orders.

December 7, 1941 - at exactly 7:55AM on a seemingly peaceful Sunday morning, the United States was plunged into the greatest war in history! What were the events which determined the Pearl Harbor catastrophe? What were the last few days on Wake Island like? What really occurred on the infamous Bataan Death March and why did it happen? How did MacArthur make his dramatic escape from Corregidor? And what is the story behind the greatest capitulation in American history, General Wainwright's forced surrender of the Philippines? But Not in Shame begins with the race to decode intercepted secret Japanese messages the day before the Pearl Harbor attack, and ends six months later with the stunning victory which unexpectedly turned the tide - the Battle of Midway. More than an exciting narrative of battles and leaders, it is a story of the individuals on both sides who took part in the most critical decisions and momentous events.

The chilling story of the hundred days in the spring of 1933 in which the Nazis laid the foundations for their Third Reich.

Struggling artist Avery Ross is barely scraping by. Bartending at a trendy New York City restaurant for an overbearing boss and two weeks away from losing her apartment to a condo developer, she's desperate for a break. So when she's offered a temporary housesitting job, she takes it. Living at one of the poshest addresses in Manhattan is like entering a new world--one that catapults her into the orbit of billionaire Dominic Baine, the darkly handsome, arrogantly alpha resident of the building's penthouse. What begins as a powerful attraction soon explodes into a white-hot passion neither can deny. Yet as scorching as their need for each other is, Avery doesn't expect Nick's interest in her to last. Nor does she dare to dream that the desire she feels for this scarred, emotionally remote man could deepen into something real. For Avery has secrets of her own--and a past that could destroy her . . . and shatter everything she and Nick share. FOR 100 DAYS is the first novel in a passionate new contemporary romance trilogy from New York Times and #1 international bestselling author Lara Adrian. Coming soon: FOR 100 NIGHTS and FOR 100 REASONS.

This personal growth diet companion encourages dieters--no matter what diet plan they are on--to stick to it by giving them the tools to address the issues behind their eating habits and to make the right choices. Going on a diet is easy, staying on a diet is hard and it is the consistent, long-term lifestyle change that results in real success. This book is not a diet but a diet companion. There are 100 short lessons that provide coping skills, behavioral tools, and personal growth ideas that serve as a companion and encourager and give dieters the daily strength to stick with their resolution. Spangle tackles the emotional and psychological issues of weight loss, which is missing from most diet plans. They tell you what to eat. 100 Days of Weight Loss gives you the personal tools to make the right choices.

"A tale drenched in drama and blood, heroism and cowardice, loyalty and betrayal."—Jonathan Yardley, *The Washington Post* The Red Army had much to avenge when it finally reached the frontiers of the Third Reich in January 1945. Frenzied by their terrible experiences with Wehrmacht and SS brutality, they wreaked havoc—tanks crushing refugee columns, mass rape, pillage, and unimaginable destruction. Hundreds of thousands of women and children froze to death or were massacred; more than seven million fled westward from the fury of the Red Army. It was the most terrifying example of fire and sword ever known. Antony Beevor, renowned author of *D-Day* and *The Battle of Arnhem*, has reconstructed the experiences of those millions caught up in the nightmare of the Third Reich's final collapse. *The Fall of Berlin* is a terrible story of pride, stupidity, fanaticism, revenge, and savagery, yet it is also one of astonishing endurance, self-sacrifice, and survival against all odds.

Saul David's *100 DAYS TO VICTORY* is a totally original, utterly engaging account of the Great War - the first book to tell the story of the 'war to end all wars' through the events of one hundred key days between 1914 and 1918. *100 DAYS TO VICTORY* is a 360 degree portrait of a global conflict that stretched east from the shores of Britain to the marshes of Iraq, and south from the forests of Russia to the bush of German South East Africa. Throughout his gripping narrative we hear the voices of men and women both eminent and ordinary, some who were spectators on the Home Front, others - including Saul David's own family - who were deeply embroiled in epic battles that changed the world forever. *100 DAYS TO VICTORY* is the work of a great historian and supreme story teller. Most importantly, it is also an enthralling tribute to a generation whose sacrifice should never be forgotten.

#1 New York Times Bestseller The creator of the 100 Days of Real Food blog draws from her hugely popular website to

offer simple, affordable, family-friendly recipes and practical advice for eliminating processed foods from your family's diet. Inspired by Michael Pollan's *In Defense of Food*, Lisa Leake decided her family's eating habits needed an overhaul. She, her husband, and their two small girls pledged to go 100 days without eating highly processed or refined foods—a challenge she opened to readers on her blog. Now, she shares their story, offering insights and cost-conscious recipes everyone can use to enjoy wholesome natural food—whole grains, fruits and vegetables, seafood, locally raised meats, natural juices, dried fruit, seeds, popcorn, natural honey, and more. Illustrated with 125 photographs and filled with step-by-step instructions, this hands-on cookbook and guide includes: Advice for navigating the grocery store and making smart purchases Tips for reading ingredient labels 100 quick and easy recipes for such favorites as Homemade Chicken Nuggets, Whole Wheat Pasta with Kale Pesto Cream Sauce, and Cinnamon Glazed Popcorn Meal plans and suggestions for kid-pleasing school lunches, parties, and snacks "Real Food" anecdotes from the Leakes' own experiences A 10-day mini starter-program, and much more.

Describes the difficult and bloody four-month battle that tipped the stalemate on the Western Front in favor of the Allies in 1918 and drove back the Germans, bringing World War I to an end.

'1% Better is the incremental way to amazing changes in your life'. We've all tried those huge alterations thinking we'll be a brand-new person in the morning, but they never seem to stick and after a day or two, we slip back to our old bad habits. But we took baby steps into all our bad habits and we are who we are because of patterns we have repeated. So it makes sense that if we took small steps in...small steps are the way out! This book starts with over 20 pages of great wisdom, all based around 7 key habits or changes. The habits you'll learn how to change are; food, alcohol, gratitude, fulfilment, exercise fasting (for health), procrastination. Fix these 7 issues and your life can change beyond recognition. The rest of the book is set out as a 100-page journal organised into these 7 habits. So each day you can jot down what you improved on from yesterday. You might have one less piece of chocolate at the office, or a slightly smaller meal size that evening. Then you make a small change the next day. And if you miss a day or fall off the wagon? No problem, you'll only be 1% behind and you can catch up the next day. It's beautifully set out, strikingly simple and astonishingly effective. There will be no big announcements, no fanfare, no broken promises and no sense of failure. Just incremental and lasting change. But be prepared, at first nobody will notice...then everyone will.
