Jimi Hendrix's talent was epic, and so is this fifty-six-page lyrical account of his life, with spectacular artwork by Edel Rodriguez. Let me tell you a story, a story 'bout a boy, who became a man, a git-tar man, named Jimi. From his turbulent childhood through his epic appearance at the Monterey and Woodstock festivals, Charles R. Smith Jr. covers it all in this rich and rhythmic account of a singular life, accompanied by the psychedelic splendor of Edel Rodriguez's acid-tinged artwork. Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.

It's been forty-two days since the monster apocalypse hit town and pretty much everyone ran away or got zombified. Average thirteen-year-old Jack Sullivan is holed up in his tree house, which he's armed to the teeth with catapults and a moat, not to mention video games and an endless supply of Oreos and Mountain Dew scavenged from abandoned stores. But Jack alone is no match for the hordes of Dozers and Winged Wretches and Zombies, and especially not for the eerily intelligent gargantuan menace known only as Blarg. Jack needs to build a team of whatever kids he can find, and whichever monsters will show him loyalty. With their help, Jack is going to slay Blarg, prove himself the ultimate post-apocalyptic action hero, and be average no longer! Can he do it?

Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about This Hour Has 22 Minutes, Made in Canada, Talking to Americans and the coming of the mega-hit Rick Mercer Report. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."

The Bad Guys have entered a whole new world--like, literally--a VERY nasty new universe awaits. Oh, Mr. Snake, what have you done...?

"I am Ana. I was the wife of Jesus." So begins the new novel from the number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings*, an extraordinary story set in the first century about a woman who finds her voice and her destiny in a time of great despair and great hope. In her fourth work of fiction, Sue Monk Kidd brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family in Sepphoris with ties to the ruler of Galilee, she is rebellious and ambitious, a relentless seeker with a brilliant, curious mind and a daring spirit. She yearns for a pursuit worthy of her life, but finds no outlet for her considerable talents. Defying the expectations placed on women, she engages in furtive scholarly pursuits and writes secret narratives about neglected and silenced women. When she meets the eighteen-year-old Jesus, each is drawn to and enriched by the other's spiritual and philosophical ideas. He becomes a floodgate for her intellect, but also the awakener of her heart. Their marriage unfolds with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, James and Simon, and their mother, Mary. Here, Ana's pent-up longings intensify amid the turbulent resistance to the Roman occupation of Israel, partially led by her charismatic adopted brother, Judas. She is sustained by her indomitable aunt Yaltha, who is searching for her long-lost daughter, as well as by other women, including her friend Tabitha, who is sold into slavery after she was raped, and Phasaelis, the shrewd wife of Herod Antipas. Ana's impetuous streak occasionally invites danger. When one such foray forces her to flee Nazareth for her safety shortly before Jesus's public ministry begins, she makes her way with Yaltha to Alexandria, where she eventually finds refuge and purpose in unexpected surroundings. Grounded in meticulous historical research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place, and culture devised to silence her.

#1 NATIONAL BESTSELLER The gruffest man in hockey opens up about the challenges, the feuds, and the tragedies he's fought through. Brian Burke is one of the biggest hockey personalities--no, personalities full-stop--in the media landscape. His brashness makes him a magnet for attention, and he does nothing to shy away from it. Most famous for advocating "pugnacity, truculence, testosterone, and belligerence" during his tenure at the helm of the Maple Leafs, Burke has lived and breathed hockey his whole life. He has been a player, an agent, a league executive, a scout, a Stanley Cup-winning GM, an Olympic GM, and a media analyst. He has worked with Pat Quinn, Gary Bettman, and an array of future Hall of Fame players. No one knows the game better, and no one commands more attention when they open up about it. But there is more to Brian Burke than hockey. He is a graduate of Harvard Law School, and an accomplished businessman with hard-earned lessons that come from highly scrutinized decisions made at the helm of multi-million-dollar companies. And despite his brusque persona on camera and in the boardroom, he is nevertheless a father with a story to tell. He lost his youngest son in a car accident, and has had to grapple with that grief, even in the glare of the spotlight. Many Canadians and hockey fans knew Brendan Burke's name already, because his father had become one of the country's most outspoken gay-rights advocates when Brendan came out in 2009. From someone whose grandmother told him never to start a fight, but never to run from one either, Burke's Law is an unforgettable account of old beefs and old friendships, scores settled and differences forgiven, and many lessons learned the hard way.

"Jack teams up with the evil King Wretch in order to convince his friends to stay with him instead of going in search of others who may have survived the monster apocalypse"--
The cult classic zombie graphic novel: now a Netflix original series! You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground to a safe space, feeds you, offers you a place to sleep, and then announces that he'll take the first watch. It's not long before the peril of the jagged landscape has located you and your new-found protector and is scratching at the door. What transpires is a moment-to-moment struggle for survival-The Road meets Dawn of the Dead. Daybreak is seen through the eyes of a silent observer as he runs from the shadows of the imminent zombie threat. Brian Ralph slowly builds the tension of the zombies on the periphery, letting the threat--rather than the actual carnage--be the driving force. The post-apocalyptic backdrop features tangles of rocks, lumber, I beams, and overturned cars that are characters in and of themselves. Drawing inspiration from horror movies, television, and first-person shooter video games, Daybreak departs from zombie genre in both content and format, achieving a living-dead masterwork of literary proportions. When released in 2011, Daybreak was a critical success, a YALSA Great Graphic Novel for Teens, and a TLA Maverick Graphic Novel. Now for the first time, Daybreak is being adapted into a Netflix Original series, executive produced by Aron Eli Coleite (Star Trek: Discovery, Heroes), Brad Peyton (Frontier, Rampage), and Jeff Fierson (Frontier, Rampage), starring Matthew Broderick. Read the book before it hits the small screen this fall!
