From the bestselling authors of *The Leadership Challenge* and over a dozen award winning leadership books, James M. Kouzes and Barry Z. Posner have written a new book that examines a fundamental question: How do people learn leadership? How do they learn to become leaders? *Learning Leadership: The Five Fundamentals of Becoming an Exemplary Leader* (ISBN: 978-1-119-14428-1; Wiley; May 2016) is a comprehensive guide to unleashing the inner-leader in us all and to building a solid foundation for a lifetime of leadership growth and mastery. The book offers a concrete framework to help individuals of all levels, functions, and backgrounds take charge of their own leadership development and become the best leaders they can be. Arguing that all individuals are born with the capacity to lead, Kouzes and Posner provide readers with a practical series of actions and specific coaching tips for harnessing that capacity and creating a context in which they can excel., Supported by over 30 years of research, from over seventy countries, and with

examples from real-world leaders, Learning Leadership is a clarion call to unleash the leadership potential that is already present in today's society. According to Kouzes and Posner, "Leadership makes a significant difference in levels of engagement and commitment and is perhaps the most important asset in every organization, yet recent research points to a shortage of leaders. It is a serious global concern. The world needs more exemplary leaders in order to promote high-performing workplaces and inspire feelings of greater self-worth and meaningfulness. The shortage, however, is not because of the lack of potential talent. The people are out there, the eagerness is out there, and the capability is out there. The shortage results from prevailing myths—myths about talent, strengths, position, self-reliance, and effort—that inhibit the vast majority of leaders from shining and organizations from realizing the full benefits of the talent they already have." Learning Leadership provides readers with evidence-based strategies to ignite the habit of continuous improvement and the mindset of becoming the best leaders they can be. Emerging leaders, as well as leadership developers, internal and external coaches and trainers, and other human resource professionals will learn from first-hand stories and practical examples so that they can deeply understand and apply the fundamental for becoming the best leaders they can be. Becoming an Exemplary Leader is divided into digestible bite-sized chapters that encourage daily actions to becoming a better leader. Key takeaways from the book include: Believe in Yourself. Believing in oneself is the essential first step in developing leadership competencies. The best leaders are learners, and they can't achieve mastery until and unless they truly decide that inside them there is a person who can make and difference and learn to be a better leader than they are right now. Aspire to Excel. To become an exemplary leader, people have to determine what they care most about and why they want to lead. Leaders with values-based motivations are the most likely to excel. They also must have a clear image of the kind of leader they want to be in the future—and the legacy they want to leave for others. Challenge Yourself. Challenging oneself is critical to learning leadership. Leaders have to seek new experiences and test themselves. There will be inevitable setbacks and failures along the way that require curiosity, grit, courage, and resilience in order to persist in learning and becoming the best. Engage Support. One can't lead alone, and one can't learn alone. It is essential to get support and coaching on the path to achieving excellence. Whether it's family, managers at work, or professional coaches, leaders need the advice, feedback, care, and support of others. Practice Deliberately. No one gets better at anything without continuous practice. Exemplary leaders spend more time

practicing than ordinary leaders. Simply being in the role of a leader is insufficient. To achieve mastery, leaders must set improvement goals, participate in designed learning experiences, ask for feedback, and get coaching. They also put in the time every day and make learning leadership a daily habit. Kouzes and Posner offer unrivaled insights into what it means to become an exemplary leader in today's world with their original research and over 30 years of experience studying the practices of extraordinary leadership. They show that anyone can become a better leader if they believe in themselves, aspire to excel, challenge themselves, to grow, engage the support of others, and practice deliberately. Learning Leadership challenges readers to do the meaningful and disciplined work necessary to becoming the best they can, using a new mindset and toolkit that can make extraordinary things happen. It's not the once-in-a-while transformational acts that demonstrate leadership. It's the little things that one does day in and day out that pave the path to greatness.

Look around your office. Turn on the TV. Incompetent leadership is everywhere, and there's no denying that most of these leaders are men. In this timely and provocative book, Tomas Chamorro-Premuzic asks two powerful questions: Why is it so easy for incompetent men to become leaders? And why is it so hard for competent people--especially competent women--to advance? Marshaling

decades of rigorous research, Chamorro-Premuzic points out that although men make up a majority of leaders, they underperform when compared with female leaders. In fact, most organizations equate leadership potential with a handful of destructive personality traits, like overconfidence and narcissism. In other words, these traits may help someone get selected for a leadership role, but they backfire once the person has the job. When competent women--and men who don't fit the stereotype--are unfairly overlooked, we all suffer the consequences. The result is a deeply flawed system that rewards arrogance rather than humility, and loudness rather than wisdom. There is a better way. With clarity and verve, Chamorro-Premuzic shows us what it really takes to lead and how new systems and processes can help us put the right people in charge.

Many of us assume that our creative process is beyond our ability to influence, and pay attention to it only when it isn't working properly. For the most part, we go about our daily tasks and everything just "works." Until it doesn't. Adding to this lack of understanding is the rapidly accelerating pace of work. Each day we are face escalating expectations and a continual squeeze to do more with less. We are asked to produce an ever-increasing amount of brilliance in an ever-shrinking amount of time. There is an unspoken (or spoken!) expectation that we'll be accessible 24/7, and as a result we frequently feel like we're "always on." Now business creativity expert Todd Henry explains how to unleash your creative potential. Whether you're a creative by trade or an "accidental creative," this book will help you quickly and effectively integrate new ideas into your daily life. An easy-to-read, interactive approach helps you to identify the characteristics of

leaders and followers and illustrates not only how, but also when to use the qualities associated with each to achieve professional and personal success. An Innovative Tool for Enhancing Vision Skills Throughout 25 years of leadership research, bestselling Leadership Challenge authors Jim Kouzes and Barry Posner have consistently found that Inspire a Shared Vision is the practice that differentiates leaders from other credible people. They've also found that, for most leaders, it is the toughest practice. Vision is one of those words that evokes ridicule and awe, cynicism and mystery, confusion and inspiration. It's one of the most misunderstood words in the leadership lexicon. In The Leadership Challenge, vision is defined as: An IDEAL and UNIQUE IMAGE of the FUTURE for the COMMON GOOD This hands-on workbook is designed to help you get more comfortable and stronger at Inspiring a Shared Vision. It will guide you through the process of developing a clearer picture of that ideal future, and then it will help you to communicate it more effectively to those who can help you implement it. In addition, the workbook contains sections that will enable you to make your team a more forward-thinking group and your organization a more visionary place. And because visions are co-created and shared, there is a section on how to build visionary skills in others. Following the step-by-step process outlined in the book you will be able to: Draft an effective vision

statement Craft a persuasive vision presentation Test the presentation Create different versions of the presentation to suit the audience/situation Seek feedback from your audience and evaluate your vision effectiveness Each section contains activities to help you focus on the skills needed to become more adept at looking ahead and creating the workplace and the world you would like to see.

Based on the internationally acclaimed best-seller The Leadership Challenge by Jim Kouzes and Barry Posner, The Leadership Challenge Values Cards are an excellent tool for learning and conceptualizing the importance of values clarification, as put forth in Kouzes and Posner's classic book. Activities using these cards are incorporated into The Leadership Challenge Workshop Facilitator's Guide Set, 4th Edition. In addition, a stand-alone Facilitator's Guide dedicated to multiple innovative and effective activities is available, allowing trainers, human resource professionals, and consultants to facilitate learning opportunities for executives, managers, and aspiring leaders who want to refine their leadership skills. As Kouzes and Posner explain, the best leaders have a clear understanding of their personal values and ideals. The Leadership Challenge Values Cards can help any leader (or aspiring leader) to clarify the personal values, as well as shared values, that will guide them in all situations. The Values Cards are pre-printed with words such as creativity, loyalty, and teamwork so that participants can identify and record the values that are most meaningful to them. After the workshop or coaching session, the cards become a take-away for the participants--they can use their deck as a tool for reflection and as an aide for helping to clarify the values with their

work. And they need to develop inclusive organizations that leverage differences for growth and innovation. Informed by more than 70 years of experience and expertise and propelled by extensive original SHRM research, *Reset* delivers a candid and forward-thinking vision for leaders to reimagine their company cultures in a time of global upheaval. Part call to action, part strategic roadmap, *Reset* challenges business leaders' underlying assumptions about workers and the workplace, delivers practical strategies for finding and keeping the talent needed to make businesses successful, and introduces dynamic tools to sustain that success over the long haul. Now is the time for leaders to completely reimagine, reorganize, and *Reset* their operations to create a more daring, resilient and sustainable future. This is the book that will guide them exactly when they most need it.

George Orwell's celebrated novella, *Animal Farm*, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, 'to fuse political purpose and artistic purpose into one whole.' The book was first published in England in 1945, and has since then remained a favourite with readers all over the world, and has consistently been included in all

Become the effective, proactive leader you aspire to be with this practical tool kit for leading people and organizations Yes, you can learn the skills to effectively lead people, organizations, and employees. With the right motivation and knowledge, you can be a leader who knows what it takes to succeed. Throughout his extensive experience in training leaders, author Alain Hunkins discovered that many leaders shared a common trait. They were mainly focused on what they were doing but not so focused on how they were doing it, especially when it came to working with other people. By strengthening their leadership capabilities, they could become trusted leaders within their organization, improve employee communications, and build bridges across hierarchies. Cracking the Leadership Code shares the valuable principles and practices that Hunkins developed and refined during the 20+ years he's worked with leaders. When you crack the code, you'll have a new operating model for organizational leadership that will help your teams thrive in a 21st century economy. Discover the brain science behind leading people Get inspired by real life leadership stories Use a practical leadership tool kit to become a better leader Learn how to communicate, influence, and persuade others, more effectively than ever before With this book as a resource, you'll have a new perspective, a new framework, and new tools at your disposal, readily available to guide your leadership. You'll learn to establish proactive, leader-follower relationships. To do this, you'll use the interconnected elements of Connection, Communication, and Collaboration. When you learn from the author's insightful experiences working with organizations around the world, you can accelerate your leadership development and become the leader you've always aspired to be.

that leaders, regardless of their position, use to transform values into actions, visions into realities, obstacles into innovations, segments into solidarity, and risks into rewards. Kouzes and Posner tell the leadership story from the inside and move outward, describing it first as a personal journey and then as mobilizing others to want to do things they have never done before. The Five Practices of Exemplary Leadership is the operating system for this adventure. Leadership in Higher Education explains the fundamental principles that support these practices and provides case examples of people in higher education who demonstrate each one. A core theme that weaves its way through all the chapters is that, whether it's one to one or one to many, leadership is a relationship between those who aspire to lead and those who choose to follow. We need leaders who can unite us and ignite us. This book lights the way. Backed by over 20 years of original research, The Leadership Challenge Workshop is a unique and intense discovery process created by best-selling authors Jim Kouzes and Barry Posner. The Workshop demystifies the concept of leadership and approaches it as a learnable set of behaviors. In other words, forget about job titles, forget about position or rank or work experience. The book is based on more than 300 interviews with top corporate executives from around the world and across a wide variety of industries, hundreds of surveys, and over 60 years of combined experience. Top executives will find this book helpful in determining how they can ensure that their firm has the right quality and quantity of global leaders it needs to capture the global growth opportunities before them.

In this provocative book, leadership experts and authors of the best-selling *The Leadership Challenge*, Jim Kouzes and Barry Posner take on a unique challenge and explore the question of leadership and legacy. Kouzes and Posner examine in twenty-two chapters the critical questions all leaders must ask themselves in order to leave a lasting impact. These powerful essays are grouped into four categories: Significance, Relationships, Aspirations, and Courage. In each essay the authors consider a thorny and often ambiguous issue with which today's leaders must grapple issues—such as

how leaders serve and sacrifice, why leaders need loving critics, why leaders should want to be liked, why leaders can't take trust for granted, why it's not just the leader's vision, why failure is always an option, why it takes courage to "make a life," how to liberate the leader in everyone, and ultimately, how the legacy you leave is the life you lead.

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

Develop and expand your innate leadership abilities through daily exercises and challenges designed to help you grow into the leader you want to be and prepare you for the job you were made to have. A recent Harvard Business Review article outlining a study of over 17,000 leaders found that although, on average, people begin to supervise others at age 30, most do not start to receive formal leadership training until their forties. Don't wait for training that doesn't come until it's too late. The Five-Week Leadership Challenge is an invaluable guide to help any aspiring leader begin a daily practice of exercises and challenges designed to develop and expand your innate leadership ability as quickly as possible. Patrick Laddin has served as a U.S. Army airborne, infantry, and ranger-qualified officer, founded and ran successful businesses, and trained thousands of leaders. In The Five-Week Leadership Challenge, Laddin shows you how to quickly build standout leadership skills so that when the next opportunity comes along, you're the only person for the job. The Five-Week Leadership Challenge: Includes 35 daily challenges designed to quickly develop standout leadership skills. Outlines the leadership habits you can practice regularly that get you

Christian Reflections on The Leadership Challenge is a faith-based companion to the best-selling leadership book of all time--The Leadership Challenge. Grounded in Jim and Barry's time-tested research, Christian Reflections on The Leadership Challenge describes their Five Practices of Exemplary Leadership® --Model the Way, Inspire a Shared Vision, Challenge the Process, Enable Others to Act, and Encourage the Heart—and offers practical guidance and inspiring examples about how Christian leaders can have a powerful impact in their workplaces, communities, and congregations by bringing their faith into their leadership. In addition to Jim and Barry's foundational wisdom, the book brings together five leaders who reflect on the Five Practices from a Christian perspective. John C. Maxwell, David McAllister-Wilson, Patrick Lencioni, Nancy Ortberg, and Ken Blanchard share insights and stories culled from personal experience and the
