

## The Leading Facts Of New Mexico History

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible.

Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

As an avid supporter of New Mexico statehood, the author argued the territory's case for elevated political status, celebrated its final victory in 1912, and even designed New Mexico's first state flag in 1915. This reprint of his 1911 edition serves as a tribute to the state's centennial celebration of 2012.

#1 New York Times Bestseller! Get thousands of facts at your fingertips with this essential resource: business, the arts and pop culture, science and technology, U.S. history and government, world geography, sports, and so much more. The World Almanac® is America's bestselling reference book of all time, with more than 83 million copies sold. For more than 150 years, this compendium of information has been the authoritative source for school, library, business, and home. The 2021 edition of The World Almanac reviews the biggest events of 2020 and will be your go-to source for questions on any topic in the upcoming year. Praised as a "treasure trove of political, economic, scientific and educational statistics and information" by The Wall Street Journal, The World Almanac and Book of Facts will answer all of your trivia needs effortlessly. Features include: 2020 Election Results: The World Almanac provides a comprehensive look at the entire 2020 election process, from the roller coaster of the early primaries to state and county presidential voting results and coverage of House, Senate, and gubernatorial races. 2020 Coronavirus Pandemic: A special section provides up-to-the-minute information about the world's largest public health crisis in at least a century, providing information on what scientists know about the virus so far—and what still needs to be learned—along with an update on vaccine progress, statistical data and graphics, and useful practical measures for readers. World Almanac Editors' Picks: Memorable Summer Olympic Moments: The World Almanac took a look back at past editions of the Olympic Summer Games to create a highlight reel of memorable moments to tide sports fans over until Tokyo in 2021. 2020—Top 10 News Topics: The editors of The World

Almanac list the top stories that held the world's attention in 2020. 2020—Year in Sports: Hundreds of pages of trivia and statistics that are essential for any sports fan, featuring complete coverage of the sports world's response to the COVID-19 pandemic, a preview of the Olympic Games in Tokyo, and much more. 2020—Year in Pictures: Striking full-color images from around the world in 2020, covering news, entertainment, science, and sports. 2020—Offbeat News Stories: The World Almanac editors found some of the strangest news stories of the year. World Almanac Editors' Picks: Time Capsule: The World Almanac lists the items that most came to symbolize the year 2020, from news and sports to pop culture. The World at a Glance: This annual feature of The World Almanac provides a quick look at the surprising stats and curious facts that define the changing world. Statistical Spotlight: This annual feature highlights statistics relevant to the biggest stories of the year. These data provide context to give readers a fresh perspective on important issues. Other New Highlights: Newly available statistics on how the COVID-19 pandemic and widespread shutdowns have affected businesses, air quality, employment, education, families' living situations and access to food, and much more.

Historians have long admired Ralph Emerson Twitchell's "The Leading Facts of New Mexican History," considered the first major history of the state. Put succinctly by former State Historian Robert J. Torrez, Twitchell's work (of which this is one of the first two volumes Sunstone Press is reprinting in its Southwest Heritage Series) has "become the standard by which all subsequent books on New Mexico history are measured." As Twitchell wrote in the preface of his first volume, his goal in writing "The Leading Facts" was to respond to the "pressing need" for a history of New Mexico with a commitment to "accuracy of statement, simplicity of style, and impartiality of treatment." Ralph Emerson Twitchell was born in Ann Arbor, Michigan, on November 29, 1859. Arriving in New Mexico when he was twenty-three, he immediately became involved in political and civic activities. In 1885 he helped organize a new territorial militia in Santa Fe and saw active duty in western New Mexico. Later appointed judge advocate of the Territorial Militia, he attained the rank of colonel, a title he was proud to use for the rest of his life. By 1893 he was elected the mayor of Santa Fe and, thereafter, district attorney of Santa Fe County. Twitchell probably promoted New Mexico as much as any single New Mexican of his generation. An avid supporter of New Mexico statehood, he argued the territory's case for elevated political status, celebrated its final victory in 1912, and even designed New Mexico's first state

flag in 1915. Just as Twitchell's first edition in 1911 helped celebrate New Mexico's entry into statehood in 1912, the newest edition of the text and illustrations, including the "Subscriber's Edition" page of Number 1,156 of 1,500, serves as a tribute to the state's centennial celebration of 2012. In the apt words of an editorial in the "Santa Fe New Mexican" at the time of Twitchell's death in 1925: "As press agent for the best things of New Mexico, her traditions, history, beauty, glamour, scenery, archaeology, and material resources, he was indefatigable and efficient."

This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At trediton we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to trediton. To support their good work, trediton donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion.

A wave of publicity during the 1980s projected Santa Fe to the world as an exotic tourist destination--America's own Tahiti in the desert. *The Myth of Santa Fe* goes behind the romantic adobe facades and mass marketing stereotypes to tell the fascinating but little known story of how the city's alluring image was quite consciously created early in this century, primarily by Anglo-American newcomers. By investigating the city's trademark architectural style, public ceremonies, the historic preservation movement, and cultural traditions, Wilson unravels the complex interactions of ethnic identity and tourist image-making. Santa Fe's is a distinctly modern success story--the story of a community that transformed itself from a declining provincial capital of 5,000 in 1912 into an internationally recognized tourist destination. But it is also a cautionary tale about the commodification of Native American and Hispanic cultures, and the social displacement and ethnic animosities that can accompany a tourist boom.

In this amazing eBook you will find more than one hundred facts about New York. What are the top landmarks, museums and galleries to visit? What is the history of the Statue of Liberty? Separated into sections covering these topics and more, you will learn some really fascinating information! Whether you are planning on visiting New York, working on a geography project or just want to know more about one of the world's leading cities, this is an excellent addition to your bookshelf. Find the information you need, fast!
