

The Odd Couple Neil Simon

A brand new lawyer and his young bride have returned from their honeymoon and are moving into their new high-rent apartment only to find that the place is absolutely bare of furniture, the paint job is all wrong, the skylight leaks, there is room for only one twin bed, and the wacky neighbors pop up at the worst times.

The second in Pulitzer Prize-winning playwright Neil Simon's trilogy which began with Brighton Beach Memoirs and concluded with Broadway Bound. When we last met Eugene Jerome, he was coping with adolescence in 1930's Brooklyn. Here, he is a young army recruit during WW II, going through basic training and learning about Life and Love with a capital 'L' along with some harsher lessons, while stationed at boot camp in Biloxi, Mississippi in 1943.

Comedy Characters: 6 male, 6 female Interior Set From America's master of Contemporary Broadway Comedy, here is another revealing comedy behind the scenes in the entertainment world, this time near the heart of the theatre district. 45 Seconds from Broadway takes place in the legendary "Polish Tea Room" on New York's 47th Street. Here Broadway theatre personalities washed-up and on-the-rise, gather to schmooz even as they lose. This touching valentine to New York

Two poker buddies, one a hyper-neurotic, the other an incurable slob, suddenly find themselves bachelors again and decide to share a New York City apartment.

This clearly written guide to the Stanislavski method has long been a favorite among students and teachers of acting. Now, in light of books and articles recently published in the Soviet Union, Sonia Moore has made revisions that include a new section on the subtext of a role. She provides detailed explanations of all the methods that actors in training have found indispensable for more than twenty years. Designed to create better actors, this guide will put individuals in touch with themselves and increase personal sensitivity as well.

America's premier funny man and the Tony Award-winning composer of A Chorus Line; collaborated on this hit musical; a funny, romantic show about an established composer and his relationship with an aspiring young female lyricist, not unlike Carole Bayer Sager. Professionally, their relationship works beautifully, but ultimately leads to conflict on the home front. Of course, there's a happy ending.

A revealing and heartfelt memoir of a Pulitzer Prize-winning artist finding joy and inspiration after tragedy. In his critically acclaimed Rewrites, Neil Simon talked about his beginnings—his early years of working in television, his first real love, his first play, his first brush with failure, and, most moving of all, his first great loss. Simon's same willingness to open his heart to the reader permeates The Play Goes On. This second act takes the reader from the mid-1970s to the present, a period in which Simon wrote some of his most popular and critically acclaimed plays, including the Brighton Beach trilogy and Lost in Yonkers, for which he won the Pulitzer Prize. Simon experienced enormous professional success during this time, but in his personal life he struggled to find that same sense of happiness and satisfaction. After the death of his first wife, he and his two young daughters left New York for Hollywood. There he remarried, and when that foundered he remarried again. Told with his characteristic humor and unflinching sense of irony, The Play Goes On is rich with stories of how Simon's art came to imitate his life. Simon's forty-plus plays make up a body of work that is a long-

running memoir in its own right, yet here, in a deeper and more personal book than his first volume, Simon offers a revealing look at an artist in crisis but still able and willing to laugh at himself.

Inspired by the real life post-divorce experiences of television comedy writer Danny Simon, *The Odd Couple* has touched multiple generations of fans. Playwright Neil Simon embellished his brother Danny's pseudo-sitcom situation and created an oil-and-water twosome with memorable characters showcasing the foibles of mankind. The original Broadway production enjoyed a run of 964 performances. The story of the cohabitation of Felix Unger and Oscar Madison translated extremely well to the silver screen, and then in 1970 to television, where it brought weekly laughs and mirth to an even larger audience for five seasons in prime time. This thorough history details *The Odd Couple* in all its forms over the decades. It provides capsule biographies of the stage, film and television casts and crew, as well as an episode guide and a wealth of little-known information.

Length: 2 acts.

Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In *Rewrites*, he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his insecurities when dealing with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his wife Joan, whose death in the early seventies devastated him, and whose love and inspiration illuminate this remarkable and revealing self-portrait. *Rewrites* is rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life. Comic trouble with Unger and Madison-- Florence Unger and Olive Madison, that is. Leon Tolchinsky is ecstatic. He's landed a terrific teaching job in an idyllic Russian hamlet. When he arrives, he finds people sweeping dust from the stoops back into their houses and people milking upside down to get more cream. The town has been cursed with Chronic Stupidity for two hundred years, and Leon's job is to break the curse. No one tells him that if he stays over twenty-four hours and fails to break the curse, he too becomes stupid. But he has fallen in love with a girl so stupid, she has only recently learned how to sit down.

Vol. 1-2 contains 15 plays originally published 1971-1979.

Theatre program.

Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 1,3, Dresden Technical University (Institut für Anglistik und Amerikanistik), course: American Comedies, 5 entries in the bibliography, language: English, abstract: "I am a creature controlled by some cruel fate that had twisted and warped my personality so that at the first sign of personal involvement, I became transformed from human being into the most feared and dangerous beast on earth, the observer-writer", says Neil Simon, calling himself "a monster who finds himself totally involved in situations, and then suddenly and without warning steps back to watch the proceeding". Some call Simon "Broadway's most successful playwright", others "in commercial terms, the most successful dramatist in the American

theatre, and probably in the history of the world". Fact is, he has had dozens of plays produced and "has been showered with more Academy and Tony nominations than any other writer". Born on July 4, 1927, Marvin Neil Simon grew up in Manhattan and shortly attended New York University and the University of Denver. His most significant job came in the early 1950s when he started writing for television comedy series. By the 1960s, Simon had begun to concentrate on writing plays for Broadway. His first hit was 'Come Blow Your Horn' in 1961. Throughout his career, Simon "has drawn extensively on his own life and experience for materials for his plays". The author's "milieu is middle-aged, middle class New York [, neighborhoods he knows well from when he was a child], and he builds much of his humor on the familiarity of that world to his audience". But Simon is probably best known for his characters Oscar Madison and Felix Ungar from his 1965 playwright 'The Odd Couple'. "Neil Simon's fabulously funny creation The Odd Couple started out in 1965 as a Broadway play, became a movie in 1968 and then was adapted for TV by ABC in 1970, remaining on screen for five years and more than a hundred episodes", as well as used for other derivative works and spin-offs. In his plays, above all in this play, Neil Simon delivers insight in the life of egocentric people and their struggle in society, "his characters are more or less well-meaning blunderers on dead-end roads". It does not matter "ob es um Ehe, Freundschaft oder Eltern-Kind-Beziehungen geht, immer steht das Aufeinanderprallen gegensätzlicher Lebenseinstellungen zweier Menschen im Ringen um eine mögliche Form des Zusammenlebens im Mittelpunkt". The complete memoirs of Neil Simon, the greatest—and most successful—American playwright of all time, the author of such iconic works as *Lost in Yonkers*, *The Odd Couple*, *Biloxi Blues*, and *The Goodbye Girl*, now with an insightful Introduction by Nathan Lane. This omnibus edition combines Neil Simon's two memoirs, *Rewrites* and *The Play Goes On*, into one volume that spans his extraordinary five-decade career in theater, television, and film. *Rewrites* takes Simon through his first love, his first play, and his first brush with failure. There is the humor of growing up in Washington Heights (the inspiration for his play *Brighton Beach Memoirs*) where, despite his parents' rocky marriage and many separations, he learned to see the funny side of family drama, as when his mother thought she saw a body on the floor in their apartment—and it turned out to be the clothes his father discarded in the hallway after a night of carousing. He describes his marriage to his beloved wife, Joan, and writes lucidly about the pain of losing her to cancer. *The Play Goes On* adds to his life's story, as he wins the Pulitzer Prize and reflects with humor and insight on his tumultuous life and meteoric career. "Neil Simon's terrific memoirs are worth revisiting" (*New York Post*). Now, with the whole story in one place, he traces the history of modern entertainment over the last fifty years as seen through the eyes of a man who started life the son of a garment salesman and became the greatest—and most successful—American playwright of all time.

A comedy - straight from Broadway.

Neil Simon is one of the best known and most admired playwrights of our time, the winner of a Pulitzer Prize (for *Lost in Yonkers*), two Tony Awards (for *Biloxi Blues* and *Lost in Yonkers*), and a favorite of audiences and critics throughout the country. Oscar Madison and Felix Unger, the lead characters in *The Odd Couple*, moved from stage to screen to television, gathering fans of several generations and becoming part of American popular culture. This book provides readers the opportunity to relive their classic adventures and to experience Neil Simon's inimitable style and sense of humor at their leisure. In an introduction written especially for this volume, Simon shares his personal reflections on writing the screenplays.

A coming of age tale that focuses on brothers Arty and Jay, left in the care of their Grandma Kurnitz and Aunt Bella in Yonkers, New York. Their desperate father, Eddie, works as a traveling salesman to pay off debts incurred following the death of his wife. Grandma is a severe, frightfully intimidating immigrant who terrified her children as they were growing up, damaging each of them to varying degrees. Bella is a sweet but mentally slow and highly

excitable woman who longs to marry an usher at the local movie house so she can escape the oppressive household and create a life and family of her own. Her brother Louie is a small-time, tough-talking hoodlum who is on the run, while her sister Gert suffers from a breathing problem with causes more psychological than physical problems. Missing much of the sentimentality of the plays comprising Simon's earlier Eugene trilogy, *Lost in Yonkers* climaxes with a dramatic confrontation between embittered mother and lonely daughter that creates a permanent fissure in this highly dysfunctional family.

A biography of the Hungarian-born Jewish physicist whose work in developing the atomic and hydrogen bombs, as well as the weapons system known as the Strategic Defense Initiative. The author pays tribute to his friend and colleague, Tony Randall, describing their work on the television program "The Odd Couple" and working for the National Actors Theatre.

A Study Guide for Neil Simon's "Odd Couple," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

Full Length, Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother, overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News "Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety "Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV

A portrait of three couples successively occupying a suite at the Plaza. A suburban couple take the suite while their house is being painted and it turns out to be the one in which they honeymooned 23 (or was it 24?) years before and was yesterday the anniversary, or is it today? This tale of marriage in tatters is followed by the exploits of a Hollywood producer who, after three marriages, is looking for fresh fields. He calls a childhood sweetheart, now a suburban housewife, for a little sexual diversion. Over the years she has idolized him from afar and is now more than the match he bargained for. The last couple is a mother and father fighting about the best way to get their daughter out of the bathroom and down to the ballroom where guests await her or as Mother yells, "I want you to come out of that bathroom and get married!"--Publisher's description.

The hilarious lives of two mismatched roommatesirascible slob Oscar Madison and the fastidious Felix Ungerare chronicled in the complete original screenplays for two of Neil Simon's most famous worksThe Odd Couple and its sequel, *Travelin' Light*. Original. Cast size: medium.

THE STORY: In this coming-of-age comedy, 13-year-old Franklin Robertson is just trying to survive life in the suburbs of Washington, D.C. in the mid-1980s. He's overweight. He's sexually confused. He doesn't have friends. His overworked parents don

"Four couples arrive, in turn, from New York, Philadelphia, London and Chicago and separately inhabit a suite at The Beverly Hills Hotel, bringing along their problems, anxieties, and comical marital dilemmas. The view from Beverly Hills will never look the same!"--Cover.

THE STORY: Andy and Norman are two earnest young men using their apartment as a

publishing office for a protest magazine in San Francisco. Sophie, an Olympic swimmer and all-American girl, moves into another apartment on the same floor. Sophie ma
Brings together the texts of Simon's Chapter Two, California Suite, God's Favorite, The Good Doctor, The Sunshine Boys, The Prisoner of Second Avenue, The Gingerbread Lady, and Little Me.

At a large, tastefully-appointed Sneden's Landing townhouse, the Deputy Mayor of New York has just shot himself. Though only a flesh wound, four couples are about to experience a severe attack of Farce. Gathering for their tenth wedding anniversary, the host lies bleeding in the other room, and his wife is nowhere in sight. His lawyer, Ken, and wife, Chris, must get "the story" straight before the other guests arrive. As the confusions and mis-communications mount, the evening spins off into classic farcical hilarity.

Alan is a swinging single who uses his New York apartment as a harem of sorts for his legion of lady friends. Buddy, his kid brother, wants to break free of his overprotective parents and moves in with Alan, hoping to emulate him in the sex department. Alan teaches Buddy his tricks of the trade and it isn't long before Buddy is stealing women away from Alan.
