Most people fail their driving test because they are not prepared. 'The Official DSA Guide to Learning to Drive' will help the learner and anyone helping someone learn to drive by explaining the standard required for each key skill examined within the driving test. This new edition will help the person sitting in the passenger seat understand what the learner needs to practise and the potential hazards they may encounter. The aim is to make sure that the learner is capable of driving safely and confidently, without prompting from an instructor, before they take their test.

Official software for the DVSA Theory Test - the 'cardpack' version comprising a DVD-case containing a card showing 2 serial numbers which give the user access to download

This official book is specifically designed to help prepare goods vehicle drivers for their Driver Certificate of Professional Competence (Driver CPC) test. The book focuses on case studies and vehicle safety demonstrations..

When did you last read yours? For over 80 years The Highway Code has been the official guide to using the roads safely and legally. It has contributed enormously to road safety and reliable road transport. However, every day, on average five people are killed and just over 60 people are seriously injured in road collisions. So it is as important as ever that all road users, including drivers, motorcyclists, cyclists, horse riders and pedestrians, should update their knowledge of The Highway Code. The Highway Code - for life, not just for learners.
