Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important topics.

In addition to the Solo game play mode (which pits each gamer up against up to 99 others in a real-time battle), the Duos mode allows gamers to team up with one friend in a quest to defeat all other gamers during a match. Meanwhile, the Squads mode allows teams of four players to enter into a match and work together as they battle against up to 96 other gamers. The Duos and Squads game play modes are permanent features built into the game, and they've proven to be extremely popular, since *Fortnite: Battle Royale* is, for the most part, cross-platform compatible. Thus, someone experiencing the game on a PS4 can team up with a PC user, for example, to play against a random section of other gamers, in real-time. *An Encyclopedia of Strategies for Fortnites: Duos and Squads Strategies* will be the first book in

this unofficial strategy guide series to offer in-depth coverage of Fortnite: Battle Royale's team-oriented game play modes. Thus, this unofficial strategy guide will be chock full of proven strategies and game play tips designed to help teams achieve victory in the Fortnite: Battle Royale matches they participate in. This expanded (approximately 176-page) guide will include a comprehensive overview of the Fortnite: Battle Royale game, with a special focus on the game's team-oriented game play modes. The full-color book will appeal to readers age 8 and up, regardless of which gaming platform they're using. Throughout each match, gamers must:

- Focus on survival
- Avoid the deadly storm
- Explore the island
- Gather resources
- Build structures and fortresses
- Find, collect, and utilize weapons and ammunition
- Acquire and use loot items
- Engage in combat against enemy soldiers with the goal of becoming the last person alive at the end of the match

When experiencing any of the team-oriented game play modes, cooperative gameplay (teamwork) and communication with team members become vital. An Encyclopedia of Duos and Squads Strategies will soon be an indispensable resource for gamers experiencing the Duos or Squads game play modes (or any of the other team-oriented game play modes added to Fortnite: Battle Royale on a temporary basis).

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve.

Twelve Ways to Win People to Your Way of Thinking

1. The only way to get the best of an argument is to avoid it.
2. Show respect for the other person's opinions. Never say "You're wrong."
3. If you're wrong, admit it quickly and emphatically.
4. Begin in a friendly way.
5. Start with questions to which the other person will answer yes.
6. Let the other person do a great deal of the talking.
7. Let the other person feel the idea is his or hers.
8. Try honestly to see things from the other person's point of view.
9. Be sympathetic with the other person's ideas and desires.
10. Appeal to the nobler motives.
11. Dramatize your ideas.
12. Throw down a challenge.
